Employment shall be terminated only by a week's notice being given on either side, such notice to be given at any time during the week. This shall not affect the right of the management to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, and in such cases wages shall be paid up to the time of dismissal only, or to deduct payment for any day the employee cannot be usefully employed because of any strike or through any break-down of machinery or any stoppage of work by any cause for which the employer cannot reasonably be held responsible. (a) Except on shift work, provision shall as far as practicable be made by the employer to enable an employee to have a midday meal interval of not less than 45 minutes nor more than one hour on all working days except Saturday. Such meal interval shall not be deemed to be time worked, and the time of ceasing work shall be extended by time equal to the duration of the meal interval.

(b) Employees on shift work shall be given a meal interval of half-an-hour whilst "standing by" their engines. Such interval shall be included as part of the day's work, and if an employee is required for work during same he shall be paid for such work at the rate of time and a half.

Provided that the day observed as Picnic Day by miners at any mine shall be the day so observed at such mine by employees subject to this Determination.
