(Payable in addition to ordinary wages prescribed in clause 2 of this Part.)

6. (a) *Swing Scaffold Work, and Ladder Work.*—Any person employed on a swing scaffold, or any scaffold suspended by a rope or cable, or any person employed on a ladder at a height of 35 feet or more above the nearest horizontal plane, shall be paid 1s. for the first four hours or any portion thereof, and 3d. per hour for each hour thereafter, on any day.

(c) *Work in Wet Places.*—Any person required to work in a wet place (i.e., when water other than rain is flowing or dripping from overhead to such an extent as to saturate the clothing of the worker, or when the worker is required to work in water more than 2 inches deep), shall be paid 2d. per hour for each hour, or part thereof, he is so required to work. Provided that this extra rate shall not be payable to an employee who is provided by the employer with suitable protective clothing and/or footwear.

7. Each employee shall be paid an allowance at ordinary rates for time lost through inclement weather, subject to the following conditions:—

- (i) That such allowance shall not exceed the equivalent of eight hours' pay in any one week.
- (ii) That weather shall not be regarded as inclement for the purposes of this clause, unless the employer or his representative on the job, and a representative of the men on such job, agree that it shall be so regarded. Failing such agreement weather shall not be regarded as inclement and work shall continue.
- (iii) Any intermission of work owing to inclement weather so regarded as aforesaid shall immediately cease and work shall be immediately resumed on the employer or his representative calling for a resumption of work.
- (iv) An employee shall not be entitled to payment as provided for in this clause, unless he remains on the job until a decision to cease work for the day has been made by agreement between the employer or his representative and a representative of the men.
- (v) The intermission of work by employees who would be exposed to or working in inclement weather so regarded in accordance with this clause shall not be a ground for intermission of work in places where employees are not so exposed to or are not called upon to work in such inclement weather.

ALLOWANCE IN RESPECT OF EXCESS FARES AND TRAVELLING TIME.

8. (a) The following payments shall be made in lieu of fares and travelling time within the radii named using G.P.O., Melbourne (cr. Bourke and Elizabeth streets) or the principal post offices at Ballarat, Bendigo, and Geelong as centres:—

	s.	d.
Up to and including 12 miles	3	3 per day
Over 12 miles and including 20 miles	3	10 per day
Over 20 miles and including 30 miles	4	6 per day

Over 30 miles travelling time shall be paid at the rate of 5s. per hour calculated to the nearest quarter of an hour with a minimum of one quarter hour for each journey for any time outside ordinary working hours spent in travelling daily from the 30 mile radius to the job and returning thereto in addition to the allowance prescribed for such radius plus any fares necessarily and reasonably incurred in so travelling beyond such radius.

The allowances of 3s., 3d., 3s. 10d., or 4s. 6d., per day prescribed above shall not be payable if the employer provides or offers to provide transport free of charge, in which case 2s. 5d. per day travelling allowance shall be paid. Provided, however, that this shall not affect the right of an employee to receive the payment hereinbefore provided for time occupied and fares expended in travelling beyond 30 miles.

(b) Where fares are necessarily incurred on distant jobs, as defined in clause 9 (a) of this Part, or on work performed outside the radii named in sub-clause (a) hereof the provisions of that sub-clause shall apply except that the local Post Office shall be the centre.

ALLOWANCES IN RESPECT OF DISTANT JOBS.

9. (a) When distance and/or travelling facilities reasonably prevent an employee going from and returning each day to his usual place of residence, reasonable and suitable board and sleeping accommodation, including stretcher and mattress for each employee shall be provided. When work is situated away from suitable accommodation, the employer shall supply tents or huts with sleeping accommodation therein including stretcher and mattress for each employee in addition to any allowance provided in this clause; the allowance to be made shall be—

	s.	d.
For less than a full week	12	9 per day
For a full working week at the rate of	52	6 per week

Provided that the foregoing allowances shall be increased if the employee satisfies the employer that he reasonably incurred a greater outlay than that prescribed.

(b) In lieu of the payments prescribed in clause 8 (a) of this Part an employee to whom sub-clause (a) applies shall be paid travelling time (not exceeding ordinary working hours per day) at ordinary rates of pay, and, where incurred, second-class return fare, and 5s. to cover expense of reaching his home railway station and transport of tools if any cost necessary. Provided that the return fare shall not be payable if the employee is dismissed for misconduct or is held incompetent within one week of starting work or leaves within one month of engagement. Travelling time shall be calculated as from Spencer-street and Flinders-street Railway Stations or the home Central Railway Station (if residing in the country) to destination by rail or usual travelling facilities.

(c) If an employee elects to return to his home at the week end after three months of continuous service and thereafter at three-monthly periods he shall be paid a second-class return fare (Victorian Railways only) on the pay day which immediately follows the date on which he returns to the job.

If the work upon which the employee is engaged will terminate in the ordinary course within a further 28 days after the expiration of three months this sub-clause shall not apply.

(d) Any person who has travelled from a "centre" to a place of work, and is required, in the course of his employment to travel further on the same day, shall be paid all fares necessarily expended in such further travelling.

ALLOWANCE IN RESPECT OF MEALS.

10. Where an employee is required to work overtime in excess of one hour and has not been given notice of same on the previous working day, he shall be allowed an amount of 3s. 6d. for a meal. When working overtime for two hours or more, employees shall be allowed to take, without deduction of pay, 20 minutes for crib immediately after the ordinary ceasing time, and thereafter 30 minutes for crib shall be allowed after each four hours of continuous work. Provided that where an employee works overtime for two hours without taking the prescribed interval of 20 minutes, he shall be deemed to have worked two and one-third hours.

EXCESS OF HOURS.

11. An employee who has worked continuously (except for meal intervals) for 20 hours, shall have a break of at least twelve hours before again starting work.

REST PAUSE.

12. (a) There shall be a rest period of ten minutes from the time of ceasing to the time of resuming work between the hours of 9.30 a.m. and 11 a.m. without deduction of pay.

PAYMENT OF WAGES.

15. Wages, allowances, and other moneys due shall be paid not later than the time of ceasing work on Thursday of each working week, or otherwise by mutual arrangement. On termination of employment by the employer all wages allowances, and other moneys shall be paid at the time of dismissal. If wages be not paid within the periods prescribed the employee shall be paid at ordinary rates for all time in excess of fifteen minutes beyond such time until the wages are paid or posted to his last known place of address.

TIME AND WAGES BOOK.

16. (a) Each employer shall keep a record from which can be readily ascertained the name of each employee and his occupation, the hours worked each day, and the wages and allowances paid each week.

(b) The time occupied by an employee in filling in any time record or cards or in the making of records shall be treated as time of duty, but this does not apply to checking in or out when entering or leaving the employer's premises.

(c) The time and wages record shall be open for inspection to a duly accredited union official during the usual office hours at the employer's office or other convenient place, provided 24 hours' notice of such inspection has been given. Provided that an inspection shall not be demanded unless the secretary of the union or the district secretary or organizer of any division suspects that a breach of the Determination has been committed. Provided also that only one demand for such inspection shall be made in one fortnight at the same establishment.

(d) The official making such inspection shall be entitled to take a copy of entries in a time and wages record relating to the suspected breach of the Determination.

TOOLS AND APPLIANCES.

17. (a) Each painter shall provide himself with an ordinary dusting brush and all necessary stripping and stopping knives, hammer, hacking knife, screwdriver, glazing knife, and a rule.

(b) Each paperhanger shall provide himself with a lay-brush, scissors, rule, plumb-bob, chalk-line, and trimming knife (if he requires such an instrument), and also with surface and joint rollers.

(c) Each signwriter shall provide himself with a mahl-stick, rule, straight-edge, chalk-line, pencils and gilding cushion, mop, knife and tip.

If any employee is required to provide any tools or appliances other than those above enumerated, 6d. per hour in addition to the ordinary rates fixed by this Determination shall be paid by the employer. The employer shall supply all tools necessary for the use of apprentices.

TRANSPORT.

18. Where an employee is required to work overtime and no regular means of transport is available, the employer shall provide suitable transport to convey him to the job or his residence as the case may be. If the employer fails to provide such transport, he shall pay to the employee such reasonable amount as has been necessarily incurred by him.

7. (a) The following payments shall be made in lieu of fares and travelling time within the radii named using G.P.O. Melbourne (cr. Bourke and Elizabeth-streets) or the principal post offices at Ballarat, Bendigo, and Geelong as centres :—

29. The wages rates of apprentices and juvenile workers, as prescribed in clause 2 of this Part, shall be automatically adjusted to accord with the wages rates as adjusted from time to time, for apprentices in the metropolitan district who are under the jurisdiction of the Apprenticeship Commission.

The wages rates for improvers shall be those prescribed from time to time for apprentices, plus an additional 20 per cent. calculated to the nearest penny.

ADJUSTMENT OF LOADINGS.

30. The loadings set out, and included as part of the ordinary wage in clause 2 (c) (A) and (B) (i) of this Part, represent approximately 15 days' pay per annum in payment or compensation for—

(a) The holidays prescribed in clause 5 of this Part—13s. 4d.;
