## GRAIN ELEVATORS BOARD.

## BY-LAW AMENDING BY-LAW No. 16.

THE Grain Elevators Board, in the exercise of the powers conferred upon it by the Grain Elevators Acts, hereby, subject to the approval of the Governor in Council, makes the following By-law:—

## BY-LAW No. 20.

By-law No. 16 of the Grain Elevators Board is hereby amended as follows:—

After section 30 the following section shall be added:—

"30A. No Officer shall furnish to another Officer any certificate or testimonial relating to his capacity or performance of official duties: Provided that the Chairman may furnish such certificate or testimonial to an Officer who is resigning or retiring from the service of the Board."

At the end of section 36 the following sub-section shall be added:—

"36 (4). When an Officer is absent from duty on account of a dental disability he may be granted leave of absence for a period not exceeding one week, provided that he furnishes the Chairman with a satisfactory certificate from a legally qualified dentist."

Section 37 shall be deleted and shall be replaced by the following section:—

"37. Where the Chairman is satisfied that the illness of an Officer with at least six months' service is directly attributable to or is aggravated by his service in the war which commenced in the year One thousand nine hundred and fourteen or in the year One thousand nine hundred and thirty-nine, such Officer may, apart from any sick leave which may be standing to his credit, be credited with special leave with full pay amounting to eight days in respect of each year of service from the 1st July, 1947, to the 30th June, 1951, and with fifteen day's special leave with full pay in respect of each year of service from and inclusive of the 1st July, 1951.

Such special leave shall be cumulative provided that the total of such accumulated leave standing to the credit of an Officer shall not at any time exceed one hundred days."

Section 52 shall be deleted and shall be replaced by the following section:—

"52. (1) Subject to this section every Officer in the Board's service who has been employed by the Board for a period or an aggregate period of twenty years shall be entitled to be granted by the Board six months' long-service leave with pay in respect of that period of twenty years' service and one and a half months' long-service leave with pay in respect of each additional period or aggregate period of five years' completed service.

(2) Where—

(a) on account of age or ill-health

(i) an Officer retires; or

(ii) the services of an Officer are terminated; or

(b) an Officer dies; or

(c) the appointment of a female Officer is terminated on account of or in anticipation of marriage—

that Officer shall be entitled or (in the case of death) shall be deemed to have been entitled, to be granted by the Board—

where the completed years of service are not less than five but are less than twenty, then in respect of such completed years of service;

where the years of service are more than twenty, then (in addition to any entitlement under sub-section (1) of this section) in respect of such completed years of service (not exceeding four) as exceed the next lower multiple of five—

long-service leave with pay on the basis of one-twentieth of six months' leave for each such completed year.

(3) For the purpose of sub-section (1) of this section an Officer on leave of absence without pay or on loan shall be deemed to be in the Board's service during the period of such leave or loan.

(4) An Officer otherwise entitled to long-service leave shall not be entitled thereto if he has resigned or has been dismissed for causes within his control.

(5) In computing the aggregate duration of the service which entitles an Officer to be granted long-service leave—

(a) there shall be included as a period of service any period or periods during which such Officer has been absent from duty on recreation leave or on sick leave or on special leave for service with the Defence Forces in con-

nexion with the war against Germany which commenced in the year 1939 or the war against Japan which commenced in the year 1941, or such other leave as the Board may determine in any particular case;

(b) subject to sub-section (5) (a) of this section there shall be excluded any period of leave of absence without pay or loan or retirement on account of ill-health;

(c) there shall be included as a period of service any period of employment prior to an approved period of leave of absence without pay or loan or retirement on account of ill-health; but

(d) there shall not be included as a period of service any period or periods of service served by an officer;

(i) prior to his having voluntarily left, or having been dismissed for causes within his control from the service of the Board; or

(ii) prior to his absence from such service for any continuous period of five years or more (otherwise than that referred to in sub-clause (5) (a) and/or (5) (c) of this section).

(6) The Board shall have discretion to grant long-service leave so that the operations of the Board will not be unduly affected by the granting of such leave to numbers of Officers at or about the same time.

(7) Where on account of age or ill-health—

(a) an Officer retires; or

(b) his services are terminated;

that Officer may, by notice in writing to the Board, elect to take pay in lieu of the whole or any part of the long-service leave to which he is then entitled and the Board shall grant him pay in lieu thereof accordingly.

(8) Where the appointment of any female Officer is terminated on account of or in anticipation of marriage, she may by notice in writing to the Board elect to take pay in lieu of the whole or any part of long-service leave and the Board on her marriage or in such other special circumstances as the Board in its discretion determines shall grant her pay in lieu thereof accordingly.

(9) Where an Officer entitled to long-service leave or to pay in lieu thereof dies before or while taking such leave or (as the case may be) before such pay in lieu is paid the Board shall, to the extent that pay in lieu thereof has not already been paid to that Officer, grant pay in lieu of the whole or part of the leave not taken or (as the case may be) grant the pay in lieu to the legal personal representative of the deceased Officer.

(10) For the purpose of this section the services of an Officer shall be deemed to be terminated—

(a) on account of age—if on or after attaining the age of 60 years he ceases to be an Officer otherwise than by dismissal because of unsatisfactory service;

(b) on account of ill-health—if he produces to the Board satisfactory evidence that his ceasing to be an Officer is due to ill-health which is likely to be permanent and is not due to misconduct or to causes within his own control.

(11) Where an Officer is granted long-service leave with pay, such pay shall be computed in the same manner as if he had remained on duty during the period of any such leave.

(12) Where an Officer, or the legal personal representative of any deceased Officer is granted pay in lieu of the whole or part of any long-service leave to which such Officer is or was entitled, the amount of such pay shall be computed in accordance with the following formula:—

Completed years of service	x	Annual Pay.
20		2

(13) "Completed years of service" means the completed years of service of an Officer as computed in accordance with sub-section (5) of this section less any period in respect of which long-service leave or pay in lieu thereof has been granted.

(14) Notwithstanding anything contained in sub-sections 11, 12, and 13 of this section where the service of an Officer includes a period during which his normal hours of duty were less than full time the pay to which he is entitled while on long-service leave or the pay in lieu thereof, as the case may be, shall be computed on a proportionate basis.

(15) Where an Officer is absent on long-service leave for more than three months in any year or more

than three months continuously the amount of recreation leave which he may be granted shall be proportionately reduced:

Provided that where recreation leave in excess of that which an Officer may be granted under this section has been taken, his subsequent recreation leave shall be reduced by the period of such excess."

The above amendments shall take effect as from 17th July, 1951.

In witness whereof the common seal of the Grain Elevators Board was hereunto affixed this 3rd day of April, 1952, in the presence of—

Commissioner of Public Works.

Melbourne, 6th May, 1952.

## TENDERS FOR THE SERVICE, 1952-54.

### FUNERALS OF DESTITUTE PERSONS (METROPOLITAN).

TENDERS will be received until Eleven o'clock a.m. on Friday, 30th May, 1952, from persons willing to undertake funerals of destitute persons to the Necropolis, Springvale, the New Melbourne Cemetery, Fawkner, and the cemeteries at Footscray or Williamstown, required by the several Departments of the Government of Victoria, from 1st July, 1952, to 30th June, 1954, in the Melbourne and metropolitan areas, as per Schedule No. 1.

Subject to the proviso in clause 7 of the Conditions of Contract, burials of deceased persons from police sub-districts south of the River Yarra, including burials from the Morgue, will take place at the Necropolis, Springvale; those from sub-districts north of the River Yarra, at the New Melbourne Cemetery, Fawkner; and those from the Williamstown-Footscray sub-districts, at the Williamstown or Footscray cemeteries. Burials of deceased persons whose bodies have been removed to the Morgue from places north of the River Yarra and from places from within the Williamstown-Footscray area, respectively, shall take place at the Necropolis, Springvale, and are included in sub-schedule A accordingly.

Printed forms of tender giving full particulars and lists of places for which the funerals are required are obtainable from the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

Separate prices for ordinary funerals and for funerals under clause 6 of the conditions of contract must be stated (a) for adults, (b) for children above five years and under fourteen years of age, and (c) for children five years and under, including stillborn—one sum is to be stated for each, including interment, conveyance, railway charges, and all other charges.

Tenderers are required to state on the tender form—(a) the number and description of the vehicles that they have available to carry out the service; (b) their business branches and the telephone numbers thereof, as these factors will be taken into consideration when dealing with tenders.

Tenders must be accompanied by a preliminary deposit, of £3 for each sub-schedule tendered for, *preferably by non-negotiable cheque payable to the order of the Secretary to the Tender Board*. The amount and designation of the preliminary deposit enclosed must be clearly stated in the tender. *Savings Bank deposit book, fixed deposit receipts, Commonwealth Treasury bonds, or reference to securities on existing contracts will in no case be received or entertained as preliminary deposits*. Preliminary deposits will be returned within 30 days to unsuccessful tenderers on their application.

Security will be required in the sum of £20 for each sub-schedule accepted, either in Commonwealth Treasury Bonds, or approved bank guarantee, fixed deposit receipt, Savings Bank deposit book, or non-negotiable cheque in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of two years, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual and that, for a breach of this condition, the preliminary deposit will be forfeited and the tender declared informal.

Tenders enclosed in a separate envelope, and having the words "Tender for Funerals" written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, or, if sent by post, postage must be prepaid and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

## CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under the *Cemeteries Act 1928* (No. 3652), cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the Contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; *but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.*

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be, by rail, unless directed otherwise by the police. Bodies to be buried at Williamstown or Footscray to be conveyed by road. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 15.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be made of 1-in. white pine timber covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. *In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctly offensive character, such as of persons drowned and long in the water or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, of timber 1 inch in thickness, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor.*

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the Necropolis, Springvale, for burial should the death of such person take place in any sub-district south of the River Yarra, including burials of bodies from the Morgue, and to the New Melbourne Cemetery, Fawkner, should the death take place in any sub-district north of the River Yarra, excepting bodies buried from the Morgue. Burials in the Williamstown-Footscray sub-districts shall be made in the Williamstown or Footscray Cemeteries, as the police may direct, excepting bodies buried from the Morgue.

*Provided, however, that the Tender Board may, on application by the contractor and subject to such conditions as it may determine, authorize the burial of bodies in a cemetery other than those specified.*

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and respective Cemeteries Regulations.

9. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor or deducted from the contract security money.

10. When burials are required to take place on Sunday, or, in the case of any Hospital for the Insane, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the Necropolis or cemetery authorities will be repaid to the Contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination, and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is un-

known, the services are to be performed by the resident chaplains alternatively, and the Contractor must inform the police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. The order for burial shall be produced at the cemetery when the Contractor gives instructions for interment. The Contractor must pay the Minister's fee for reading the burial service should it be claimed.

12. Should the religious belief, however, of the deceased preclude the burial being carried out in conformity with the above clause as regards the attendance of the officiating clergyman, the friends of the deceased shall, if practicable, be notified by the police with respect to the service. In the case of foreigners, the Consul of the country to which he is reputed to belong shall also be notified by the Police Department of his decease, in which case, when practicable, the Consul may provide for such service as he may consider necessary.

13. *Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends of relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.*

14. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne.

15. A refusal to execute orders, impropriety, neglect, or delay in conducting the funerals or any infringement of clause 11, will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

16. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

17. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

18. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

Treasurer.

The Treasury,

lodged by the successful tenderer will be retained as security for the due fulfilment of the contract. Deposits will be returned to unsuccessful tenderers within thirty days of acceptance of tenders, on their application.

The contract must be signed within five days of acceptance of the tender, failing which the service may be again advertised or another tender accepted.

5. The contractor shall be duly notified of each consignment, and shall bear any cost that may be incurred for demurrage, or for any delay in taking delivery of the rags consigned.

6. In the event of the contractor failing to remove the rags at the times directed, the officer of the Department ordering the removal is hereby empowered to send them to any store in Melbourne, there to be stored at the contractor's risk and expense, and, on report to the Tender Board, the amount will be deducted from the security money or added to any account that may be payable by the contractor.

7. Payment is to be made on the net weight of the rags. No allowance will be made for any foreign material that may be mixed with them. All practical care will, however, be exercised to keep them free from such impurity.

8. The contractor must make payment within one month of delivery to the officer of the Department ordering the removal of the rags. In the event of payment not being made within the prescribed period, the amount outstanding will be deducted from the security money.

9. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract the security money will in that case be absolutely forfeited, and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

Tenders must be accompanied by a preliminary deposit of £3 for each sub-schedule tendered for, *preferably by non-negotiable cheque payable to the order of the Secretary to the Tender Board*. The amount and designation of the preliminary deposit enclosed must be clearly stated in the tender. *Savings Bank deposit book, fixed deposit receipts, Commonwealth Treasury bonds, or reference to securities on existing contracts will in no case be received or entertained as preliminary deposits*. Preliminary deposits will be returned within 30 days to unsuccessful tenderers on their application.

Security will be required in the sum of £20 for each sub-schedule accepted, either in Commonwealth Treasury Bonds, or approved bank guarantee, fixed deposit receipt, Savings Bank deposit book, or non-negotiable cheque in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of two years, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual and that, for a breach of this condition, the preliminary deposit will be forfeited and the tender declared informal.

#### CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order issued by a member of the Police Force.

2. The vehicles and such other plant employed in carrying out the contract must be suitable and ample to the necessities of a prompt and efficient service, and such vehicles and other plant must be maintained throughout the period of the contract in satisfactory condition of repair. Should complaint be made that the vehicles or plant employed in the service are unsuitable, inefficient, or otherwise unsatisfactory, the Tender Board upon investigation of the complaint may recommend that the contract be cancelled and the security forfeited.

3. The contractor must be prepared to undertake any removals from the police sub-district or area contracted for at any hour and on any day when called upon by the police. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor. Should any circumstances, however, make it necessary in any particular case that an immediate removal to the Morgue be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

4. When it becomes necessary to remove a dead body to the Morgue, and the next of kin present or the legal personal representative of the deceased makes request in person to the police to be allowed to employ the family undertaker to conduct such removal, the police may at their discretion accede to such request, provided such removal is effected at no cost to the Government, and, also, under the supervision of the police, as in the case of a removal by the Government Contractor. The contract is not to be considered as having been broken, infringed, or vitiated by such removal having been effected by other than the contractor.

5. Bodies to be removed to the Morgue shall be placed by the Contractor before removal in shell coffins, zinc lined and water-tight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The Contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Morgue.

6. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the post-mortem examination.

7. Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

8. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne.

9. A refusal to execute orders, impropriety, neglect, or delay in conducting the removals will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay to terminate the contract forthwith, and forfeit the whole or any part of the security money.

10. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

12. The contract shall not be considered broken, infringed or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

A preliminary deposit of £5, preferably by non-negotiable cheque payable to the order of the Secretary to the Tender Board, must accompany each tender, such deposit to be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of tender or in the event of the successful tenderer failing to sign and complete his

contract within the period specified. Deposits will be returned to unsuccessful tenderers within thirty days of acceptance of tenders, on their application.

Security of £10 for each Schedule will be required either in Commonwealth Treasury Bonds, or approved bank guarantee, fixed deposit receipt, Savings Bank deposit book, or non-negotiable cheque in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Tenders may be accepted for each schedule separately.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

Full particulars, forms of tender, conditions of contract, &c., may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and having the words "Tender for Cartage" written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

#### CONDITIONS OF CONTRACT.

1. The rates tendered cover all charges, including labour, bags, hire of cranes or other appliances, and weighbridge charges required in the performance of the service. Bags must be removed by the contractor when empty, and if not removed within a reasonable time or within the time named by the officer requiring the service, no claim will be entertained for cost of same.

2. No subletting shall be allowed; all work must be carried out by the contractor, and every person engaged in the cartage tendered for in this schedule shall be paid such wages and employed subject to such labour conditions as are or may be determined by any Federal Arbitration Court award or any State Wages Board determination, and a copy of such labour conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of this condition, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

3. Accounts in all cases shall be rendered monthly to the Department requiring the service, and must be supported by weighbridge tickets or railway consignment notes, and in the case of coal, the mine consignment notes. In the event of a weighbridge ticket or consignment notes not being available or obtainable, the weight vouched for by the Department requiring the delivery shall be accepted by the contractor as the weight of the particular consignment. Accounts shall be subject to any deductions for goods lost or damaged whilst in the custody of the contractor.

4. In the event of material forwarded by rail or steamer not being unloaded within reasonable time, and in accordance with the Railway Department or Harbor Trust Regulations relating to same, the contractor shall be held liable for such charges, including cost of demurrage, as may accrue, the amount thereof to be deducted as provided in clause 2.

5. The contractor shall take and make delivery within ordinary working hours. No claims for detention shall be entertained, but should the contractor be subjected to unreasonable delay, the cause of delay, if reported, shall be investigated.

7. Four hours will be deemed sufficient notice, and in the event of the contractor failing to perform the service when ordered, and to the satisfaction of the officer requir-

ing same, such service will be performed at his risk and expense, and any extra expense incurred shall be deducted as provided in clause 2. No services performed under this contract shall be deemed to be of a special nature, provided that the contractor be given four hours' notice that his services shall be required, and no increase in the contract rates shall be allowed.

8. The vehicles in which the material is carried must be in thorough working order, and, if required, provided with good waterproof covers. Horses to be perfectly sound, and subject to the approval of the officer requiring the service.

9. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

12. A refusal to execute orders, irregularity or delay in delivering the material when required, or failure to produce weighbridge tickets or consignment notes on delivery in accordance with clause 3, or any breach of Railway or Harbor Trust Regulations, will subject the contractor, upon report from the Tender Board, to such mulct as the Treasurer may direct, and the amount may be deducted as provided in clause 2. It will also be in the power of the said Treasurer upon such refusal, irregularity, or delay, to terminate the contract forthwith and declare forfeit the whole or any portion of the security money; and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

13. In the event of any dispute arising as to matters or things contained in the contract or schedule the same shall be settled by the Tender Board, and the Board's decision shall be binding, final, and conclusive.
