- (c) Experience in this clause means actual experience whether as an apprentice or otherwise, in any one or more of the operations provided as apprenticeship operations.
- (d) Except as otherwise provided minors may be engaged in the following occupations under contracts of apprenticeship or trainee apprenticeship framed in conformity with this Determination:—

Cutting or clicking;
Trunks, and/or leather bag and case maker;
Fibre, veneer, canvas or other case maker;
Machine belt maker;
Sporting goods maker of leather;
Ladies' hand bag, wallet and purse maker;
Leather goods maker;

Glove maker (other than sporting goods); Leather coats, hats or caps maker;

- (e) The period of apprenticeship shall not exceed four or five years, including any period of experience in the occupation to which the minor is being apprenticed prior to entering into the indenture of apprenticeship.
- (f) An employer especially qualified to teach apprentices may, with the consent of the Wages Board, employ a greater proportion of apprentices to tradesmen than herein specified.
 - (g) Until further order any contract of apprenticeship may contain the following provision:-

If through lack of orders or through financial difficulties the employer is unable at any time to find employment and training for an apprentice, and if a transfer to another employer cannot be arranged, the obligations and duties imposed by the indenture may with the concurrence of the apprentice and his guardian be suspended for a period agreed upon or if no such agreement is arrived at may be cancelled by the employer. The onus of proof of circumstances justifying such cancellation shall be on the employer.

- (A) Any apprentice who cannot complete his full term of apprenticeship before reaching his twenty-second birthday may by agreement with his master serve as an apprentice until he reaches the age of twenty-three years.
- (i) All wages shall be paid without deduction for specified holidays or for unavoidable absences through sickness to the number of 40 hours of working time per annum.
- (j) The apprentice at the end of the calendar period of any year in which he has actually given service to the master upon less than the ordinary working days prescribed in this Determination, or in which he has unlawfully absented himself without the master's consent shall, for every day short of the said number of working days, and for every day of such absence, serve one day, and the calendar period of the succeeding year of his service shall not be deemed to begin until the said additional day or days shall have been served.
 - (k) The ordinary hours of employment of apprentices shall be the same in each workshop as those of the journeymen.
 - (1) An apprentice under the age of eighteen years shall not be liable to work overtime unless he so desires.
 - (m) An apprentice shall not work under any system of piecework.
- (a) An employer shall not, either directly or indirectly, or by any pretence or device receive from any person or require or permit any person to pay or give any consideration in the nature of a premium or bonus for the taking or binding of any probationer or apprentice.
- (o) Tools of Trade:—All tools of trade necessarily required by an apprentice in the learning of his trade shall be supplied by the employer of the apprentice. Such tools of trade shall remain the property of the apprentice on completion of his indenture.

JUNIOR WORKERS-MALES.

5. (a) Junior workers may be employed at the following rates of pay :-

							Wages Pe	r Week.

and thereafter the minimum wage prescribed for adult females as adjusted from time to time for the class of work which they are doing, provided, however, that a junior female, after four years' experience in the industry covered by this Determination shall be paid the full adult female rate prescribed in clause 2.

- (b) For the purposes of this clause "experience" shall mean any form of employment in this industry.
- (c) Employers who wilfully employ juniors without taking into account previous experience shall be guilty of a breach of this Determination.
- (d) The proportion of female apprentices and/or junior workers shall not exceed two to one adult female receiving the minimum wage.

Clauses, other than clauses 2, 4, 5 and 6, of the said Determination shall remain in force.

Proportion.

MALE APPRENTICES.

One male apprentice to every three or fraction of three adult male workers receiving not less than 237s, per week of 40 hours.

No 713 -7691/52.-Price 3D.

Э.

MALE IMPROVERS.

Such numbers of improvers as shall not together with apprentices exceed, in the aggregate, one to every three or fraction of three adult male workers receiving not less than 237s. per week of 40 hours.

FEMALE APPRENTICES.

Fancy Goods Section.

Three female apprentices to every adult female worker receiving not less than 173s, per week of 40 hours.

All Other Sections.

One female apprentice to each adult female worker receiving not less than 173s, per week of 40 hours.

FEMALE IMPROVERS.

Fancy Goods Section.

Such number of improvers as shall not together with apprentices exceed, in the aggregate, three to each adult female worker receiving not less than 173s. per week of 40 hours.

All Other Sections.

Such number of improvers as shall not together with apprentices exceed, in the aggregate, one to each adult female worker receiving not less than 173s. per week of 40 hours.

- not less than 173s. per week of 40 hours.

 (a) Except in the fancy goods section of the industry, the number of adult females or adult males respectively employed at any given time shall be deemed to be the weekly average number employed (exclusive of any female employees employed in the fancy goods section of the industry) during the immediately preceding period of twelve calendar months. For the purpose of ascertaining the proportion of improvers to male or female adults, there shall be a weekly count, and any union official making an inspection of the books to ascertain such proportion shall take the weekly average number of such male or female adults as the case may be, and the average number of male or female improvers employed during the week in which the inspection is made.

 (b) Notwithstanding anything hereinbefore contained, junior workers receiving the adult wage prescribed for the class of work being performed by them, shall be counted as adult workers in calculating the proportion of juniors, but, in calculating such wage, bonuses shall not be considered as part of the wage.

Leading Hands.

Leading hands in charge of not less than three and not more than ten employees, 9s. per week extra; more than ten and not more than twenty employees, 18s. per week extra; more than twenty employees, 27s. per week extra.

Provided that an employee in an electric supply undertaking detailed to act as leading hand in charge of two other adult employees working away from power station or workshop (one of whom is of the same classification as himself) shall be paid 6s. per week extra.

Tradesmen in Large Power Houses.

Tradesmen and/or welders and their assistants employed in large operating power houses (i.e., power houses developing more than 8,000 kilowatts) other than those not on the regular staff engaged on new construction work shall be paid 6s. per week extra, and other apprentices and unapprenticed juniors 3s. per week extra; such amount shall be deemed to include all special rates prescribed in clause 5. This allowance shall, continue to be payable to tradesmen attached to the staffs of such power houses while carrying out repairs or maintenance in rotary converter sub-stations which are in regular operation.

Ship Repairing.
Employees engaged on ship repairs shall be paid the following additional margins:—

Tradesmen Ali other labour

3.

.. APPBENTICESHIP. (Other than those covered by the Apprenticeship Commission.)

Apprenticeship Trades.

(a) An employer shall not employ minors in the following trade or occupations otherwise than under a contract of apprenticeship as hereinafter provided:—

Boilermaker and/or structural steel tradesman and/or welder special class.

Period of Apprenticeship.

(b) If the apprentice when indentured is under the age of seventeen years—five years; if over the age of seventeen years—four or five years, at the option of the contracting parties.

Contract of Apprenticeship.

- (c) Every contract of apprenticeship hereinafter made shall contain-

 - (i) the names of the parties;
 (ii) the date of birth of the apprentice;
 (iii) a statement of the trade or trades to which the apprentice is to be bound and which he is to be taught during the course and for the purpose of the apprenticeship;
 (iv) a covenant by the master to teach and instruct or cause the apprentice to be taught or instructed in the trade to which the apprentice is bound;
 (v) the date at which the apprenticeship is to commence or from which it is to be calculated;
 (vi) all other conditions of apprenticeship.

Cancellation or Suspension of Indentures.

- (d) Subject to the approval of the Secretary for Labour, but not otherwise, an indenture of apprenticeship may be suspended or cancelled---
 - (i) by mutual consent;
 - (ii) if through lack of orders or financial difficulties an employer is unable to find suitable employment for an apprentice and a transfer to another employer cannot be arranged;
 - (iii) if in the opinion of the Secretary for Labour, circumstances exist which render such suspension or cancellation necessary or desirable.

Any covenant in an indenture inconsistent with the provisions of this clause shall be null and void and of no force or effect while this Determination remains in force and applies to the parties to the indenture.

Instruction in Welding .-

(e) The training of apprentices to boilermaking or structural steel work shall include instruction in electric welding and/or oxy-acetylene welding as far as is practicable with the facilities available in the shop in which they are trained.

Proportion.

(f) (i) The proportion of apprentices who may be taken by an employer shall not exceed one apprentice for every two or fraction of two tradesmen.

For the purpose of ascertaining the number of apprentices, the number of tradesmen shall be deemed to be the average number working during the immediately preceding six months, and, in ascertaining such proportion an employer actually working in any workshop shall be deemed to be a tradesman.

A person who is, for a term not exceeding two years, taking practical training in a workshop in continuance of a course of training for professional work shall not be taken into account in calculating the proportion of apprentices to journeymen.

(ii) Notwithstanding anything hereinbefore provided in the trade of boilermaker, an employer may with the consent of the Apprenticeship Commission and upon satisfying that authority that he has the plant, equipment and staff necessary for the proper tuition of each apprentice concerned take apprentices in excess of the proportion herein prescribed. Until further order apprentices to taken shall not be counted in future calculations of the proportion of apprentices to journeymen authorized by this Determination.

Adult Apprentices.

(g) Any apprentice who cannot complete his full term of apprenticeship before reaching his twenty-second birthday may by agreement with his master, serve as an apprentice until he reaches the age of 23 years.

Probationary Period.

(h) Minors may be taken on probation for three months, and if apprenticed such three months shall count as part of their period of apprenticeship. An employer shall within fourteen days of employing a probationer notify the apprenticeship authorities of the employment of such probationer to any of the trades mentioned herein.

Wages.

(i) The minimum weekly rates of wage for apprentices shall be the under-mentioned percentages of the contemporaneous basic wage prescribed for the area in which they are employed, and in all contracts of apprenticeship hereafter made the employer shall covenant to pay wages of not less than such rates:

An employee who is under 21 years of age on the expiration of his apprenticeship and thereafter works as a minor in the occupation to which he has been apprenticed shall be paid at not less than the adult rate prescribed for that classification.

Hours.

(j) The ordinary hours of employment of apprentices shall not in each workshop exceed those of the journeymen.

Overtime and Shift Work.

(k) No apprentice under the age of eighteen years shall be required to work overtime or shift work unless he so desires. No apprentice shall except in an emergency work or be required to work overtime or shift work at times which would prevent his attendance at technical school as required by any statute, determination, or regulation applicable to him.

Payment by Results.

(I) An apprentice shall not work under any system of payment by results.

Lost Time.

(m) The apprentice at the end of the calendar period of any year in which he has actually given service to the master upon less than the ordinary working days prescribed in this Determination, or on which he has unlawfully absented himself without the master's consent shall, for every day short of the said number of working days, and for every day of such absence, serve one day, and the calendar period of the succeeding year of his service shall not be deemed to begin until the said additional day or days shall have been served. Provided that in calculating the extra time to be so served the apprentice shall be credited with time which he has worked during the relevant year in excess of his ordinary hours.

(n) An employer shall not, either directly or indirectly, or by any pretence or device receive from any person or require or permit any person to pay or give any consideration in the nature of a premium or benus for the taking or binding of any probationer or apprentice.

Attendance at Technical Schools.

- (o) Apprentices attending technical colleges or schools and presenting reports of satisfactory conduct shall be reimbursed all fees paid by them. Annual and Sick Leave.
- (p) Apprentices shall be entitled to sick and annual leave in accordance with the provisions of clauses 16 and 17 hereof respectively. UNAPPRENTICED MALE JUNIORS.
- 4. (a) Subject to the exceptions hereinafter provided, the minimum rates of wage for unapprenticed male juniors employed in occupations for which apprenticeship is not provided by this Determination shall be the undermentioned:—

Factories and Shops Acts.

DETERMINATION OF A WAGES BOARD ADJUSTED PURSUANT TO SECTION 21 OF THE FACTORIES AND SHOPS ACT 1934 (No. 4275).

I, Henry Norman Jones, Acting Secretary for Labour, in pursuance of the powers conferred by the Factories and Shops Acts, hereby make and issue the following adjusted Determination of the Wages Board referred to hereunder showing adjusted rates and prices to operate from the beginning of the first pay period to commence in August, 1952.

Dated at Melbourne, this 14th day of August, 1952.

H. N. JONES, Acting Secretary for Labour.

KNITTING TRADE BOARD.

Clauses 2 and 3 of the Determination published in Government Gazette No. 727 of the 27th July, 1951, shall be replaced by the following clauses:—

- (b) The total wage shall be claculated to the nearest sixpence, any fraction of sixpence in the result not exceeding threepence to be disregarded.
- (c) Changes in rates shall be effective from the beginning of the first pay period to commence after the attainment of the prescribed age.
- (d) Notwithstanding anything elsewhere in this clause contained, a junior female, after four years' experience in the industry covered by this Determination, shall be paid the rates prescribed for an adult female in the classification in which she is employed.

Proportion of Juniors.

(e) In any factory the proportion of juniors shall not exceed two to each employee receiving not less than the minimum adult rate. In determining the proportion of juniors to employees receiving the adult rate, each shift shall be taken into account separately. Provided that, in the full-fashioned department of the knitting section, the proportion of females shall be one junior female to each female receiving the adult wage, and the proportion of males shall be two junior males to each three males receiving the adult wage. Provided also that, in computing the proportion of juniors in the full-fashioned department of the knitting section, employees in the throwing départment shall not be counted and the count for the remainder of the full-fashioned department shall be taken over all the shifts.

EXCEPTIONS AND MODIFICATIONS.

Note.-Notwithstanding anything elsewhere in this Determination contained or prescribed:-

- (a) The provisions of clauses 6, 7, 8, 9, 10, 11, 12, 14, 15, 16, 21, 22, 23, 24, and 25 of this Determination shall not apply to or in respect of the employment of an employee ordinarily employed by the employer upon maintenance in or in connexion with a mixed enterprise but in lieu thereof the employer shall be bound to observe towards any such employee the provisions of any award, determination, or agreement applicable to the majority of the other persons employed by him in such a mixed enterprise. The employer shall nevertheless be bound to apply to and in respect of such an employee the provisions of the other clauses not specifically in this sub-clause mentioned in this Determination.
- (b) The provisions of clauses 9, 15, and 21 shall not apply to or in respect of the employment of an employee in or in connexion with a carpentry or joinery shop or a carpentry or joinery mill.
- (c) (i) Where an employee, employed in an employer's shop, works by direction of his employer on a building, fixing therein or thereon material made in such shop, he shall be paid for such work as for shop work and in addition shall be paid (to the nearest 1d.) a proportionate amount of the disabilities allowance set out in Section A—Weekly Employees clause 31, for building construction work, for the time so employed.
- (ii) Where a maintenance carpenter or joiner is employed on building construction work, as herein defined, he shall be paid for such work as for work in a mixed enterprise and in addition shall be paid (to the nearest ld.) a proportionate amount of the disabilities allowance set out in Section A.—Weekly Employees clause 31, for building construction work for the time so employed; for the purposes of this sub-clause a maintenance carpenter or joiner shall be regarded as employed on building construction when he is required to and does work on the site in connexion with the erection or demolition of a building exceeding 250 square fect in floor area; or the repair, maintenance, renovation, or ornamentation of buildings or structures which are not directly concerned with the activities of the establishment in which, or the employer by whom, he is employed.

Clauses, other than clause 2 of the said Determination, as amended by the Industrial Appeals Court on the 8th May, 1951, and the 4th March, 1952, shall remain in force.

Factories and Shops Acts.

DETERMINATION OF THE RABBIT PROCESSING BOARD.

Notes.-(a) This Determination applies to the whole of the State of Victoria.

(b) On the 19th June, 1951, the Shops Board No. 10 (Fish and Poultry) was deprived of the power to determine the lowest prices or rates which may be paid to any person or persons, or classes of persons, employed in or in connexion with the trade, business, or occupation of preparing or processing uncooked rabbits or hares for the retail, wholesale, or export trade, and such power was conferred exclusively on the Rabbit Processing Board.

In accordance with the provisions of the Factories and Shops Acts, the Wages Board appointed to "determine the lowest prices or rates which may be paid to any person or persons, or classes of persons, employed in or in connexion with the trade, business, or occupation of preparing or processing uncooked rabbits or hares for the retail, wholesale, or export trade"....

has made the following Determination, namely:-

1. That as from the beginning of the first pay period to commence in August, 1952, the last previous Determination of this Board shall be revoked and replaced by this Determination.

ADJUSTMENT OF BASIC WAGE.

- 24. (a) For the purposes of this Determination, the expression "Commonwealth Statistician's 'all items' retail price index numbers" or any like expression means the numbers stated to be such index numbers in any document purporting, and not proved to be wrongly so purporting, to be printed by the Commonwealth Government Printer or to be signed by or on behalf of the Commonwealth Statistician.
- (b) Until the beginning of the first pay period to commence in November, 1952, the amount of the basic wage shall be as prescribed in clause 23.
- (c) During each future successive period beginning with the first pay period to commence in a November, a February, a May, or an August, the amount of the basic wage shall be adjusted by the following method, namely, by multiplying the last published Commonwealth Statistician's "all items" retail price index number by the factor ·103 taken to one place of the decimals, the resultant whole number being the amount of the basic wage expressed in shillings, but should the decimal number reach ·5 or more the basic wage shall be taken to the next higher shilling.
- (d) The wages of Juveniles shall be the appropriate percentages as set out in clause 2, such wages shall be calculated to the nearest 6d., half or less than half of 6d. to be disregarded.
