Nothing in this sub-clause shall limit the employer's rights under sub-clause (a) hereof.

(d) Where an employee is engaged for broken periods of service in successive years with the same employer, each period including and subsequent to a qualifying period of three months' service shall be added for the purpose of calculating credit of sick leave as prescribed herein.

(e) If the full period of sick leave as prescribed above is not taken in any year such portion as is not taken shall be cumulative from year to year. For the purposes of this sub-clause service prior to the 28th April, 1950, shall be disregarded.

(f) The employer shall not terminate the services of an employee during the currency of any period of sick leave with the object of avoiding his obligations under this clause.
