DEBENTURES.

2. (a) An application to purchase debentures, excepting where made on a form accompanying a prospectus calling for subscriptions by public tender, shall be in accordance with Form 1, and on receipt of the purchase money the Commissioners shall proceed to allot the debentures applied for in accordance with the application, and the Registrar shall issue the required debentures and a receipt for the debentures shall be given by the purchaser.
- (b) If necessary, arrangements may be made by the Registrar for the delivery through a bank of debentures which cannot be handed personally to the owner at the Registry. A receipt shall be obtained and attached to the relevant application.

INSCRIPTION OF STOCK.

Minimum Holding.

3. Except with the approval of the Commissioners to the contrary, stock shall be inscribed or remain inscribed only in sums of £10, or in sums which are multiples of £10 where the sum inscribed is in excess of £10.

Application for Stock.

4. An application to purchase stock, excepting where made on a form accompanying a prospectus calling for subscriptions by public tender, shall be in accordance with Form 1, and shall be accompanied by the purchase money. In the case of a joint account, the application shall set forth the names of the applicants in the order in which they are to appear in the Stock Ledger.

Allotment of Certificate of Inscription—Form 3.

5. On receipt of the said application, together with purchase money, the Commissioners shall proceed to allot the stock applied for in accordance with the application, and the Registrar shall cause to be inscribed the name of the purchaser, together with the amount of stock purchased, and such other matters and particulars as he may deem necessary, and he shall initial each entry in the Stock Ledger as evidence of its correctness. After such inscription, a certificate of inscription in Form 3 shall be transmitted by the Registrar to the purchaser or his agent or attorney.

Exchange of Debentures for Stock—Form 4.

6. Where any person desires to exchange debentures of the Commissioners held by him for stock, he shall transmit to the Registrar an application in Form 4, and shall lodge therewith the debentures held by him; on receipt whereof the Registrar shall forward the applicant an interim receipt in Form 2, and thereupon the Commissioners will issue and allot stock in accordance with such application, and the Registrar will forward a certificate of inscription in Form 3 within fourteen days of the issue of the interim receipt. The debentures (together with all coupons in respect of interest not yet due) lodged with such application shall be cancelled by the Registrar, and shall thereupon be destroyed by the Registrar in the presence of the State Auditor-General, or an officer appointed by him for the purpose, and the Auditor-General shall certify to the Commissioners accordingly. For the purpose of exchange as aforesaid, the value of the stock and debentures shall be taken as par and the exchange effected on that basis, and on every such exchange the appropriate entries shall be made in the Stock Ledger and duly attested under section 8 of these Regulations.

Exchange of Stock for Debentures—Form 11.

7. (a) Upon application in accordance with Form 11 for the issue of debentures in exchange for stock, the Registrar shall debit the account concerned in the Stock Ledger, and issue debentures of the same currency and rate of interest and for the amount of stock debited. A receipt for the debentures, if given at the Registry, shall be endorsed at the foot of the application. A notification in Form 11A shall immediately be forwarded by post to the stock owner at his registered address.

(b) Before giving delivery of the debentures, the Registrar shall cause the overdue interest coupons to be cut off and cancelled.

(c) Debentures shall not be issued in exchange for stock in cases where the stock is inscribed in the name of an infant or in the name of a person of unsound mind, jointly with others not under legal disability.

Verification of Ledger Entries.

8. Every entry in the Stock Ledger shall be initialed by the Registrar or such other officer of the Commissioners as the Commissioners shall from time to time appoint, and such ledger shall be audited from time to time by the Auditor-General.

Stock Certificate Lost or Destroyed may be Replaced.

9. If any certificate of inscription is lost, mislaid, or destroyed, the Registrar shall, on being applied to, issue a duplicate certificate in place of the certificate so lost, mislaid, or destroyed, and such duplicate certificate shall be delivered only to the person whose name is inscribed in the Stock Ledger as the holder of the stock or to his attorney or agent.

Joint Owners, Companies, Corporations, Firms, Societies, &c.

10. (a) Stock may be inscribed in the name or names of one or more persons, not exceeding four, and the full name, address, and description of each shall be given.

(b) Stock may be inscribed in the name of a registered company or other corporation, but the Registrar must first be furnished with a copy of the certificate of incorporation or special Act of Parliament under which such corporation is established, together with a certified specimen of the seal of the corporation, a duly verified copy of the Memorandum and Articles of Association of the Company or of the Regulations or By-laws of the Corporation governing the mode of affixing the seal, and the full names and specimen signatures of all persons authorized to sign documents in connexion therewith. The document containing such information shall be in Form 4 (a), and shall, unless the Registrar otherwise decides, be signed and sealed in the presence of an officer of the Commissioners. The Registrar shall cause such document to be affixed in the Signature Records, and thereafter it shall not be necessary for an officer of the Commissioners to witness the affixing of such corporation's seal. If, from any cause, any such authorized person is substituted by another person, notification, in writing and under seal, must be given to the Commissioners.

(c) Firms will not be registered as such, but in the names of the individual partners.

(d) Stock may be inscribed in the name of a Friendly Society, Trade Union, or other registered society, but the Registrar shall first be supplied with a copy of rules of the society or union, together with

a certificate in Form 4B, signed by the President or other principal executive officer of such society or union, stating the full names of the persons authorized by such society or union to apply for and deal with stock on its behalf, and containing specimen signatures of the persons so authorized.

Minors and Persons of Unsound Mind.

11. (a) Stock may be inscribed in the name of a minor solely, and a minor may transfer such stock, provided that if the minor has not attained, or appear to the Registrar not to have attained the age of fourteen years, such stock shall not be transferred nor The Geelong Harbor Trust debentures issued in exchange without the consent of the minor's guardian. Debentures issued in exchange may be delivered by the Registrar to such guardian, whose receipt shall be a valid discharge.

(b) In cases where stock is inscribed in the name of a minor jointly with one or more adult persons, the redemption money may, if the minor has attained the age of fourteen years, be paid to such minor jointly with the adult person or persons in whose names the stock is inscribed. In cases where the minor has not attained the age of fourteen years, or appears to the Registrar to have not attained the age of fourteen years, such redemption money may be paid to the minor's guardian jointly with the adult person or persons in whose names the stock is inscribed.

(c) Where stock is inscribed in the name of an infant or persons of unsound mind jointly with any person or persons not under legal disability, a power of attorney for the receipt of the interest on such stock shall be sufficient authority in that behalf if given under the hand and seal of the person or persons not under disability and duly attested. The Registrar, before acting on any such power of attorney, may require proof of his satisfaction of the alleged infancy or unsoundness of mind by statutory declaration of competent persons, or otherwise in such manner as he may reasonably require.

Change of Address.

12. Any change of address of a stockholder shall be at once notified in writing to the Registrar, who shall enter the new address in the Stock Ledger and send a notification to the holder at the old address.

Persons whose Names are Inscribed Alone Recognized as Owners.

13. The Commissioners and Registrar shall, for all purposes, be entitled to regard the person or persons whose name or names are inscribed in the Stock Ledger as the true and absolute owners and holders of the stock in relation to which such name or names is or are so inscribed, and all receipts, acquittances, discharges, releases, and documents whatsoever executed by such person or persons in relation to such stock, or the interest thereon, shall be deemed for all purposes and against all persons to be documents duly executed by the person or persons entitled to such stock or interest, as the case may be.

Trusts not Recognized.

14. No entry of any Trust shall be made in the Stock Ledger, and the Commissioners shall be entitled to treat the person or persons whose name or names are inscribed in the Stock Ledger in respect of any stock as the absolute owner or owners thereof, and accordingly shall not be bound to recognize any equitable or other claim to or interest in such stock on the part of any other person.

Receipts of Joint Holders.

15. The receipt of any one stockholder or of his attorney or agent in the case of stock inscribed in more than one name for any interest or for any document relating to such stock shall be a sufficient discharge to the Commissioners in respect thereof, but a discharge in respect of repayment of principal must be given by all stockholders in a joint account.

TRANSFERS OF STOCK.

Transfer Books.

16. (a) There shall be kept at the office of the Commissioners books to be called "Transfer Books," wherein all transfers of stock or any part thereof shall be entered, which entries shall be numbered consecutively, for each rate per cent. of each issue or class beginning on the 1st January in each year, a corresponding number being placed on the form from which the entry is made. All transfers shall be in the Form 5, and shall be fully signed by the parties making and

accepting such transfers, and, in the case of a corporation, properly sealed, or if any such party or parties be absent, by his or their attorney or attorneys thereunto lawfully authorized as hereinafter mentioned. Every such transfer shall pass the right to all interest becoming due and payable after the date of registration thereof, so that the Commissioners shall not be under any necessity to apportion any such interest as between transferrer and transferee.

(b) Signatures to transfers shall be attested by one of the witnesses indicated on Form 5.

(c) Registration will not be made of any transfer or application for transfer received within a period of 21 days immediately preceding the date of maturity of stock, nor within fourteen days prior to the date on which interest is due.

(d) Upon receipt of a Deed of Transfer the Registrar shall inspect the Stock Ledger, and shall thereupon mark such Deed of Transfer with a notice that the stock transferred is registered in the name of the transferrer if such be the case. The Deed of Transfer may be registered at any time within fourteen days of being so marked, notwithstanding that the transferrer, after executing the transfer, has died or become bankrupt, but if after the expiry of the said period of fourteen days and before registration the transferrer has died or become bankrupt no transfer of stock shall be registered if the Registrar has knowledge of the death or bankruptcy.

(e) The Registrar may, if he thinks fit, without assigning any reason, decline to register any transfer of stock.

(f) On a transfer being lodged for registration the Registrar may, if he thinks fit, require the production of the Original Certificate of Inscription for cancellation and retention by him, and a fresh certificate shall be issued to the transferrer for the balance of stock (if any) remaining to his credit.

Transfers after Notice of Intention to Redeem.

(g) Where debentures or stock have been issued for a period which may be determined whether at any time or at one of several dates by the Commissioners by notice, such notice may in default of other provisions in the relevant prospectus be given by advertisement appearing at least six months before the intended date of determination in a daily newspaper published in each of the capital cities of the Commonwealth and in Geelong, and no transfer of the stock after the publication of such advertisement shall affect the right of the Commissioners to redeem the stock at the date so notified.

Transfers to be Lodged on a Transfer Day.

17. Every transfer of stock shall be lodged at the office on a transfer day. The transfer days will be Monday, Tuesday, Wednesday, Thursday, and Friday in each week, from 10 a.m. to 1 p.m. and 2 p.m. to 3 p.m., except when any of such days falls on a public holiday.

Stock Ledger, &c., to be Closed.

18. The Registrar will cause the Stock Ledger and transfer books to be closed for a period of fourteen clear days next before any of the days on which interest on the stock is payable, and shall cause the amount of the stock respectively standing to the credit of the several holders thereof to be ascertained and the balances to be struck in the proper ledger, and the persons, who on the day such books are so closed are inscribed as holders of stock, shall be entitled to receive the interest next payable thereon.

Entries in Stock Ledger.

19. (a) As soon as possible after the entry of any transfer or transmission of stock, the amount of stock transferred or transmitted shall be debited in the proper account in the Stock Ledger, and shall be forthwith credited in the same ledger to the account of the person or persons to whom it shall have been so transferred or transmitted, and the Registrar shall cause the said Stock Ledger to be compared with the transfers and applications so as to ascertain that all the business transacted has been duly and properly entered and recorded.

(b) In the event of any stock being inscribed incorrectly owing to a mistake in any document, the account may be amended by a letter or declaration or in such other manner as the Registrar may reasonably require, and in the event of the alteration of any name or names a request from the transferrer in the original transfer shall be required by the Registrar.

(c) The transferrer and transferee shall be notified by the Registrar of the completion of the transactions. In the case of a joint account notification shall be made only to the first inscribed owner.

TRANSMISSION OF STOCK, ETC.

Executors or Administrators Alone Recognized.

20. (a) The executors or administrators of a deceased stockholder (not being one of several joint holders) shall be the only persons recognized by the Commissioners as having any title to the stock inscribed in the name of such deceased stockholder.

(b) (i) On the decease of one of the owners in a joint account, the death may be proved by production of probate of will, letters of administration, or certificate of death, and, if required by the Registrar, a declaration by some disinterested person, approved by the Registrar, in Form 6A. On completion of the proof of death, the stock and dividends thereon will be registered in the name of the survivor or survivors.

(ii) On the decease of the last survivor in a joint account, the death must be proved as in the case of a sole owner, and steps taken to inscribe the stock in the name of the executor or administrator of the last survivor.

Transmission, Evidence of.

21. (a) If any stock has been transmitted in consequence of the death or bankruptcy of any stockholder or by any lawful means other than by a transfer under these Regulations, application for registration of such transmission shall be made in Form 6, and shall be authenticated by a statutory declaration and in such other manner as the Registrar may require.

(b) In the case of transmission in consequence of death such declaration shall be in Form 6A.

(c) Every declaration made pursuant to this section shall be signed and made by some credible person before a Justice of the Peace of the State of Victoria or a Commissioner for Affidavits or Declarations or if made outside the State of Victoria before a Notary Public or British Consul or Vice-Consul or other British Authority, who shall also certify to the identity of the applicant.

(d) Every application for transmission shall be delivered to the Registrar, together with any documents authenticating the same, and shall be numbered by him consecutively as though it were a transfer.

Persons Entitled to be Registered on Transmission.

22. (a) The person becoming entitled on transmission in the manner aforesaid may either himself be registered as the holder of the stock so transmitted or instead of being himself registered may make such transfer of the stock as the stockholder from whom the same was transmitted could have made, and any such transfer shall be accompanied by such evidence in proof of the title of the transferrer as the Registrar may reasonably require, and the person becoming entitled pursuant to this section shall be entitled to receive the interest on such stock and to all other advantages he would be entitled to if he were the registered holder of the stock.

(b) The Registrar shall require the signatures of persons who claim transmission of stock by virtue of their appointment as executors, administrators or trustees to be verified to his satisfaction by a disinterested person approved by the Registrar.

(c) Where the Registrar is satisfied that stock is inscribed in the name of a person whose property is required by law to be placed in the hands of a Public Curator or other officer charged with the duty of administering the estates of deceased or missing persons or persons under disability the Registrar may, upon receiving such indemnity from the Public Curator or officer as he thinks necessary, transfer the stock to the name of the Public Curator or officer.

(d) Upon the transmission having been duly made, the Registrar shall forward to the person making the request for transmission a notice to that effect, in accordance with Form 3.

Marriage of Female Stockholder.

23. In the event of the marriage of a female stockholder, such stockholder may apply, in writing, in Form 10, to have such stock inscribed in her married name, or jointly with any other name, and shall lodge therewith the certificate of inscription of such stock and her marriage certificate or certificate of registration of marriage under the hand of the proper State officer and such other proofs as the Registrar may reasonably require, and the Registrar shall thereupon have such stock inscribed as required, and shall issue a new certificate of inscription in that name, and shall cancel and retain the old certificate.

Notification of the alteration shall be made in accordance with Form 3.

POWER OF ATTORNEY.

Power of Attorney, Form 7.

24. (a) Any attorney who shall be appointed by any stockholder for all or any of the purposes authorized by these Regulations or approved by the Commissioners shall be thereunto authorized by writing under hand and seal attested by two or more credible witnesses, and except with the Registrar's approval to the contrary every such power shall be in Form 7 and shall be executed and attested in accordance with the instructions printed at the foot thereof or endorsed thereon and duly stamped, and shall be deposited and kept at the office, and shall be as valid and effectual to all intents and purposes as if the same had been filed in the office of the Registrar-General, and the death, bankruptcy, or (if a female) the marriage of the principal or the revocation of such power had not been registered according to law, and the same shall continue in force until actual written notice of the death of the grantor of such power or of the revocation thereof shall have been received by the Registrar, and the burden of proof of such receipt shall be upon the person seeking to impeach any act of the Registrar or the Commissioners purporting to have been done by virtue or reason of such power. In case of a joint account such power of attorney shall be signed by all the owners. No form of any such power of attorney shall be supplied to any person except on the written request of the registered holder of the stock to be affected thereby or some other person on behalf of such owner, as approved by the Registrar.

(b) Where in the opinion of the Registrar, it is not convenient to obtain a power of attorney in accordance with Form 7, the Registrar may act on a power of attorney which is not in accordance with Form 7, but in such a case, if the power of attorney has been lodged with a State Officer, the Registrar may act only after a copy of the power of attorney, or extract thereof attested by the proper State Officer, has been lodged with the Registrar, or, if the power of attorney has not been lodged with a State Officer the Registrar may act only if a copy of the power of attorney or an extract thereof, verified by a person approved by the Registrar, has been lodged with the Registrar, and if the power of attorney has been attested, as provided in regard to Form 7, provided that in every case where the power of attorney is not in accordance with Form 7, the Registrar may require a declaration from the attorney that he has not received notice of revocation of such power by death of the owner or otherwise.

(c) Every power of attorney or copy or extract of a power of attorney lodged with the Registrar under these regulations shall be retained by him and filed in a Register of Powers of Attorney.

Power of Attorney, &c.—When to be Lodged.

25. Every power of attorney, probate, letters of administration, marriage certificate, or certificate of registration of marriage, certificates of adjudication, order of sequestration, declaration, &c., must be lodged at the office of the Registrar at least two clear working days before the same can be acted upon, and neither the Commissioners nor the Registrar shall be answerable for any claim made or loss arising by reason of their not having acted upon any such document or of their or his having acted otherwise than in accordance with the same during a period of two clear working days after the same has been so lodged.

INTEREST AND PRINCIPAL.

Interest—When Due.

26. Interest is due half-yearly (on such dates during the currency of the stock as shall have been prescribed by the Resolution of the Commissioners creating the stock) for the half-year ended with the day previous to those dates respectively, and is payable on and after those dates, holidays excepted.

Payment of Interest.

27. (1) Interest will be paid in one of the following modes:—

- (a) Unless otherwise instructed, payment will be made by cheque sent by ordinary prepaid letter, through the post, addressed to the stockholder, or the owner whose name in a joint account is first inscribed in the Stock Ledger, at his address last notified to the Registrar before the closing of the Stock Ledger or to some person, a specimen of whose signature shall be supplied to the Registrar on Form 13, nominated, in writing, by the stockholder and in the case of a joint holding by all or the first-named

stockholder. Cheques will be made payable to the order of the stockholder or such nominated person, and will be crossed "not negotiable."

(b) By payment into an account in a bank including a Savings Bank within the Commonwealth, having a branch at Geelong, at the risk of the stockholder, under the following conditions:—

(i) Any stockholder who desires to have his interest cheques as they become due paid to the credit of a bank account, including a Savings Bank, must fill up and sign an authority in the Form 8 contained in the Schedule. In the case of a joint account, all the owners, or the owner whose name is first inscribed, may sign the form.

(ii) Applications for payment into a bank account must be lodged at the office fourteen days before the interest is due, and the instructions therein will remain in force, although the stock may have been added to or partly transferred.

(2) If interest is payable to a bank account or to a person other than the owner, or other than the first-named owner in a joint account, a note shall be made in the Stock Ledger, and the authority for same shall be filed by the Registrar.

(3) Any change of address of the person to whom interest payments are to be sent should be notified at once to the Registrar. When any such notification reaches the Registrar less than fourteen clear days before the next interest is due, the Registrar cannot undertake to record it until after the payment of the next interest.

(4) In the absence of any notification to the contrary, it will be taken for granted that interest payments sent by post have duly reached their destination. When they are not received on the correct day, notice should be sent to the Registrar without delay.

FORMS.

28. All forms from which entries are made shall be carefully preserved. When any reference is made to a form, the reference shall be to the appropriate form in the Schedule. Forms to the like effect may be used on the approval of the Registrar.

GENERAL.

Specimen Signatures, &c.

29. (a) The Registrar shall take such steps as are necessary to immediately secure either by post (in which case they must be witnessed by a credible person and tested), or personally, specimen signatures of all stock owners. The signatures to all forms shall be tested by comparison with those in the Signature Records.

(b) If in cases where the owner is not personally known to the Registrar, or where the Registrar is doubtful as to the genuineness of a signature, or if for any other reason he is not satisfied as to the genuineness of an application, a notice of dealing in accordance with Form 9 shall be forwarded to the owner by the Registrar, who shall not register the transaction until a sufficient time has elapsed for a reply to be received.

(c) All possible precautions shall be taken by the Registrar for the security of the stock to its owner and to guard against fraud or improper transactions. Erasures must not be made in the Stock Ledger. Errors must be ruled through, and the correct entries made.

(d) In all cases of proposed dealings in stock, the attendance of the owner at the Commissioners' office should, when practicable, be arranged.

(e) No person other than the officers immediately engaged on Inscribed Stock business and of the Auditor-General's office shall have access to any of the books, forms, or other records, and all officers are expressly forbidden to divulge any information coming to their knowledge in the course of their duties except as necessary in the transaction of business or as required by law.

(f) The Registrar shall be responsible for carrying out the provisions of The Geelong Harbor Trust (Financial) Act 1952 relating to debentures and inscribed stock and of these Regulations and for ensuring the safe custody of books, forms, records, and other documents relating to debentures and inscribed stock.
