PIECEWORK WHICH MAY BE FIXED BY AN EMPLOYER.

22. The Board determines, under the provisions of Section 150 of the *Factories and Shops Act 1928* (No. 3677), that any employer may fix and pay piecework prices to any person employed in the glazed pipes and salt-glazed ware, general pottery and insulator making, and tile sections of the trade at work for which piecework prices have not been specified above, provided that any such employer shall base such piecework prices on the earnings of an average worker working under like conditions, and such piecework prices shall be fixed so that an average worker can earn not less than the wages rates that are fixed by the Board for such work.

PERIODICAL ADJUSTMENT OF WAGES.

23. The wages rates for males set out in clause 2 are based upon the following basic wage and, pursuant to the provisions of Section 21 of the *Factories and Shops Act 1934*, the Board hereby determines that such rates shall be automatically adjusted by the same amount and at the same time as such basic wage as prescribed in clause 24. Provided that adjustments to the rates for adult females, apprentices, and improvers and to the piecework prices, shall be made as follows:—

- (a) The basic wage for adult females shall be 75 per cent. (to the nearest 6d., half or less than half of 6d. to be disregarded) of the basic wage prescribed hereunder.
- (b) The wages rates for apprentices and improvers shall be adjusted according to the percentages set out in clause 25 of the respective basic wage for the sex and area in which they are employed; such adjustments shall be calculated to the nearest 6d., half or less than half of 6d. to be disregarded.
- (c) The earnings of pieceworkers shall be adjusted by adding or subtracting, as the case may be, to the amount set out in the margin the amount of the rise or fall in the basic wage.

24. (a) For the purposes of this Determination, the expression "Commonwealth Statistician's 'all items' retail price index numbers" or any like expression, means the numbers stated to be such index numbers in any document purporting, and not proved to be wrongly so purporting, to be printed by the Commonwealth Government Printer or to be signed by or on behalf of the Commonwealth Statistician.

(b) Until the beginning of the first pay period to commence in May, 1953, the amount of the basic wage shall be as prescribed in clause 23.

(c) During each future successive period beginning with the first pay period to commence in a May, an August, a November, or a February, the amount of the basic wage shall be adjusted by the following method, namely, by multiplying the last published Commonwealth Statistician's "all items" retail price index number by the factor .103 taken to one place of decimals, the resultant whole number being the amount of the basic wage expressed in shillings but, should the decimal number reach .5 or more, the basic wage shall be taken to the next higher shilling.
