Marketing of Primary Products Act 1935.

REPORT BY THE CONSUMERS COMMITTEE TO THE HON. THE MINISTER OF AGRICULTURE IN ACCORDANCE WITH SECTION 15 OF THE "MARKETING OF PRIMARY PRODUCTS ACT 1935."

AT a meeting of the Consumers Committee held on the 25th June, 1953, the following Resolution was carried:—

"That in accordance with section 15 (2) of the Marketing of Primary Products Act (No. 4337), this Committee desires to report its concern at the present high price of poultry foods with the resultant high price of eggs to consumers, and is particularly concerned with regard to the reported statements that the Commonwealth Government proposes to abolish the present subsidy on feed wheat. This Committee views with alarm the sharp increase in the price of eggs that would follow the lifting of the subsidy and the probable decrease in production with the resultant shortages in the supply of eggs to consumers. This Committee is of the opinion that the effect of the operations of the Egg and Egg Pulp Marketing Board would not be the cause of the high price of eggs that would follow the lifting of the subsidy and feels that some action should be taken to ensure that the price of feed wheat should be kept at a level to enable eggs to be produced and sold at a price within the means of consumers."
