Saturday and Sunday duty shall be equitably distributed amongst transport staff.

(iii) *Employees on Call and Standing By.*

(a) Time on call means time during which, in accordance with the on-call roster, an employee who is rostered off duty is required to hold himself in readiness to answer a call.

Stand-by time means time during which an employee who does not reside on the station premises is required to remain on those premises during periods when he is not rostered for duty.

- (b) Time on call shall not be counted as time worked unless an employee is called out for duty, in which case, subject to the provisions of this sub-clause as to time off in lieu of payment, an employee shall be paid at appropriate rates (ordinary or overtime) for the actual period or periods of duty with a minimum payment of one hour for the time so worked in any day during which the employee is on call. In lieu of payment for time actually worked when called out, equivalent time off may be given in a current cycle of fourteen days. Where practicable, if an employee has been called out for duty at night during his normal sleeping hours and he is rostered for day duty on the next day, such time off shall be given at a time mutually arranged during that period of day duty. In other cases the employee shall be given at least two days' notice of when the time off is to be allowed.

Employees shall be free from "on call" duty every second week-end and for at least six days in every period of fourteen consecutive days.

- (c) Stand-by time shall be counted as time worked except in one-man branch stations.
- (d) As compensation for time on call, an employee who, during a period of his employment is required to be on call pursuant to paragraph (b) of this sub-clause, shall be paid for each and every week of such period of employment an additional sum of ten shillings. This paragraph shall not apply to employees in one-man branch stations.
- (e) One-man Branch Stations:—As compensation for time on call employees shall be given accommodation, rent free, and shall be supplied, without charge, with fuel and light. They shall be given relief from duty for one day in each seven days and shall be paid the rate prescribed by this Determination for station officers. Days of relief from duty may be accumulated by mutual arrangement between the employee and the superintendent-secretary up to a maximum of eight days. Nothing in this paragraph shall be deemed to prohibit an employee in a one-man branch station from temporarily leaving the station at times when he is rostered on duty after having made arrangements satisfactory to the superintendent-secretary, or in his absence his deputy, for a proper carrying on by him of the service during his temporary absence.

CASUAL LABOUR.

3. A casual employee, i.e., a person who is employed for not more than sixteen hours to be worked in not more than two days, shall be paid per hour an amount equal to $1\frac{1}{10}$ th of the weekly rate prescribed by this Determination for the work performed divided by 40.

4. Subject to sub-clause (iii) of clause 2 hereof all time worked in excess of the number of hours fixed for a week's or a fortnight's work as the case may be shall be paid for at the rate of time and a half, unless time off in lieu of payment for time actually worked is given in a current cycle of fourteen days.

(b) (i) Except by mutual agreement between the employer and the employee concerned the leave prescribed by sub-clause (a) hereof shall not be taken until six months prior to the employee attaining 65 years or on termination of employment if such termination takes place prior to the employee attaining the age hereinbefore referred to.

Provided that employees rostered for duty prior to 11 a.m. on the day of such absence shall not be required to give notice before 9 a.m.
