If on the instructions of his employer such an employee resumes or continues work without having had such eight consecutive hours off duty he shall be paid at double rates until he is released from duty for such period and he shall then be entitled to be absent until he has had eight consecutive hours off duty without loss of pay for ordinary working time occurring during such absence.

Provided that where a day worker on a five-days' week is required to work overtime on a Saturday the first prescribed crib time shall, if occurring between 10 a.m. and 1 p.m., be paid at ordinary rates.

Unless the period of overtime is less than one and a half hours an employee before starting overtime after working ordinary hours shall be allowed a meal break of twenty minutes which shall be paid for at ordinary rates. Unless the employer advises an employee on the previous day or earlier that the amount of overtime to be worked will necessitate the partaking of a second or subsequent meal (as the case may be) the employer shall provide such second and/or subsequent meals or make payment in lieu thereof as above prescribed.

If an employee pursuant to notice has provided a meal or meals and is not required to work overtime or is required to work less than the amount advised he shall be paid as above prescribed for meals which he has provided, but which are surplus.

(b) Employment shall be terminated by a week's notice on either side given at any time during the week, or by the payment or forfeiture of a week's wages, as the case may be. This shall not affect the right of the employer to dismiss any employees without notice for malingering, inefficiency, neglect of duty, or misconduct, and in such cases the wages shall be paid up to the time of dismissal only; or to deduct payment for any day the employee cannot be usefully employed because of any strike or through any breakdown in machinery, or any stoppage of work by any cause for which the employer cannot reasonably be held responsible. Where an employee has given or been given notice as aforesaid he shall continue in his employment until the date of the expiration of such notice. Any employee who having given or been given notice as aforesaid, without reasonable cause (proof of which shall lie on him) absents himself from work during such period, shall be deemed to have abandoned his employment and shall not be entitled to payment for work done by him within that period.

A junior or apprentice employed in any printing office may, subject to the written approval of the said Union, agree with his employer to attend the place of employment outside the usual working hours to arrange the heating of linotype metal-pots, and for such attendance shall be given such allowance in time or money as is reasonable for time so occupied by him. Any agreement made in accordance with this clause shall not be deemed to contravene any prescribed condition in the Determination relating to wages or the starting or finishing times of any shift or weekly hours of employment.

## TERMS OF EMPLOYMENT.

21. (a) No employee shall be employed other than as a weekly time work employee or a weekly piecework employee, or a casual time work employee or a casual piecework employee.
- (b) Weekly time work employee to become entitled to payment of a weekly wage shall perform such work as the employer shall from time to time require on the days and during the hours usually worked by such employee; but such work shall be of a similar class to the work usually performed by such employee.
- (c) A weekly pieceworker is a pieceworker engaged as a weekly employee. The following conditions apply to the employment of a weekly pieceworker :—
- (i) On each working day or night of the week, the weekly pieceworker shall present himself for employment at the usual time for beginning work at the place of business of the employer, unless informed by the employer that his attendance on any day or on any night is not required, but in any case where an employer has no work for a pieceworker to do on the next following shift, he shall so inform the employee prior to his terminating work, and in any such case the employee shall not be obliged to present himself for work on the following shift.
- (ii) If the weekly pieceworker begins work on any such day or any night, he shall (subject to the provisions of sub-clause (d) hereof) receive not less than four hours' continuous employment, or be paid for such four hours at the rate prescribed for a machine compositor on time work.
- (iii) Subject to the provisions of sub-clause (d) hereof, a weekly pieceworker shall be guaranteed at least 30 hours' employment in any working week. If such employment is not provided for him in any week, and in such week he complies with the provisions of paragraph (i) of this sub-clause, and faithfully performs all work provided for him during that week, he shall be paid for any hours short of this guarantee at the rate prescribed for a machine compositor on time work, and this notwithstanding that any public holiday or holidays occur in such week.
- (iv) In respect of each public holiday referred to in clause 24 hereof, which occurs in any week, and on which the weekly pieceworker is not required to work by the employer, he shall be paid for five hours at the rate prescribed for a machine compositor on time work.
- (d) The employment of a weekly time work or piecework employee may be terminated by one week's notice on either side, and such notice may be given at any time during any week to take effect one week after the day on which it is given. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency (but only where the employee has less than one week's service), neglect of duty, or misconduct, and in such case wages shall be paid up to the time of dismissal only, or to deduct payment for any day the employee cannot usefully be employed because of any strike of the said Union, or any other Union, or through the breakdown of machinery or any stoppage of work for any cause for which the employer cannot be held responsible.
- (e) Where a weekly piecework employee gives or receives one week's notice of the termination of his employment, he shall during the week that such notice runs, be given the same amount of piecework as it has been customary for him to perform during the period of his employment.

(f) If an employee's services be terminated during the course of a week, he shall be paid all money due to him at the termination of his service, or all money due to such employee shall be forwarded to him by post within 24 hours thereafter.

#### SICK LEAVE.

22. The following provisions shall apply to sick leave and sick pay:—

- (a) Any weekly time work employee not attending for duty will lose his pay for the actual time lost unless he produces, or forwards within 28 hours of the commencement of such absence, evidence satisfactory to the employer that his non-attendance was due to personal ill health necessitating such absence.
- (b) A weekly pieceworker not attending for duty will be excused for not presenting himself for employment at the proper time and place, and such non-attendance shall not disentitle such pieceworker to payment for such absence if within 28 hours of the commencement of any such absence he produces or forwards to the employer evidence satisfactory to the employer, that his non-attendance was due to personal ill health necessitating such absence.
- (c) A weekly pieceworker shall be paid for the actual hours of his absence or absences (subject to sub-clause (e) herein), at the rate prescribed for a machine compositor on time work. An employer shall be entitled to count time of absence in any week in which a pieceworker has been sick to make up the weekly guarantee of hours in any week in which a pieceworker has worked less than 30 hours.
- (d) The year to be observed herein shall begin on the first day of January in each year.
- (e) A time worker or a pieceworker shall be entitled to not more than 40 hours' payment in any year under this clause of the Determination, notwithstanding that he may be employed by different employers.

#### CUMULATIVE SICK LEAVE.

23. (a) Sick leave shall accumulate from year to year so that the period of 40 hours in each year of employment (or any balance of the period) specified in clause 22 hereof which has in any year not been allowed to an employee by an employer as paid sick leave, may be claimed by the employee and subject to the conditions prescribed in clause 22 shall be allowed by that employer in a subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant hereto shall be available to the employee for a period of two years but for no longer from the end of the year of employment in which it accrues.

(b) Notwithstanding anything to the contrary contained herein, any employee who at the commencement of this Determination has acquired rights under the Determination hereby rescinded shall have such rights preserved to him as though they were prescribed in this Determination and his employer shall grant them to the employee on application.

(c) An employee's rights under this clause shall begin to accrue from the first day of January.

#### LEAVE OF ABSENCE.

24. (a) Nothing in this clause has reference to absence occasioned by ill health.

(b) In any daily newspaper office every employee shall be entitled to and be allowed three calendar weeks' and two days' leave (excluding Christmas Day and Good Friday) on full pay in respect of each completed period of twelve calendar months' service, of which three calendar weeks and two days, two calendar weeks at least shall be consecutive during the continuance of this Determination. Should any employee be required to work on Christmas Day or Good Friday, he shall, within seven days of either holiday, be given a day off in lieu thereof.

(c) In other than a daily newspaper office (including a commercial printing office) every employee shall be entitled to and be allowed two calendar weeks' leave and ten public holidays on full pay in respect of each completed period of twelve calendar months' service during the continuance of this Determination, such two calendar weeks' leave to be consecutive, provided that by agreement between the Union and the employer the period of consecutive leave may be reduced to meet special circumstances in the case of weekly newspapers (but not so as to deprive the employee of any part of the leave provided) and provided further that the ten public holidays may be either public and/or local holidays as the employer and the employee may agree upon.

(d) In this Determination "public holiday" means the day observed as any of the following days or any days substituted therefor:—New Year's Day, Good Friday, Easter Saturday, Easter Monday, Labour Day, Christmas Day, Boxing Day, Australia Day, Queen's Birthday, Anzac Day, together with such district or local holidays as may be observed in the district or place in which an employee works. Where a holiday may fall on a non-working day and the State may with regard to its own employees prescribe in the following week a certain working day as an additional holiday, such working day shall be a public holiday within the meaning of this clause.

(e) An employee, for his own purposes, and with the consent of the employer, may elect to take off an equivalent number of days in lieu of and in substitution for one or more of the public holidays to which this clause entitles him.

(f) The period of consecutive weeks' leave prescribed in sub-clause (b) hereof shall include public holidays occurring within the period, but shall not include Good Friday or Christmas Day. The period of consecutive weeks' leave prescribed in sub-clause (c) hereof shall not include public holidays but should a public holiday fall within the period it shall not reduce the number of ten public holidays to which the employee is entitled under this sub-clause.

(g) Leave shall be taken at such time as the employer deems convenient, but within three months of such leave becoming due. The employer may, at his option, allow an employee to take such leave before the completion of such twelve calendar months' service. An employee shall be given at least one month's notice of the commencing date on which he will be required to take his leave.

(h) If the employment be terminated after any leave shall become due and the leave not have been taken, the employee shall be entitled to the payment of wages in lieu thereof appropriate for his period of leave as prescribed in sub-clauses (b) and (c) hereof, less any days of leave which may have been taken by him, the wages to be calculated as of the date when the leave accrued due.

(i) If during any twelve months of his service the employment of an employee who has been employed for more than three calendar months is terminated, such employee shall be paid the proportion of wages appropriate for his period of leave as prescribed in sub-clauses (b) and (c) hereof, which the period of employment bears to twelve calendar months, less any paid holidays occurring within the period on which the employee had not worked. For the purposes of this clause, "the period of employment" shall mean the period commencing with his first employment, or upon the expiration of any twelve months of his employment. Any employee, other than a casual employee, whose period of employment when terminated is less than thirteen weeks, shall have a day's pay granted to him for any holiday worked by him falling within the period of employment unless a day's leave in lieu thereof has been given.

(j) Each employee before going on leave, shall be paid his wages for the period of leave. For the purpose of this sub-clause the wage shall be at the rate prescribed by clause 2 of this Determination for the occupation in which the employee was ordinarily employed immediately prior to the commencement of his leave, unless the employee was being paid a higher wage, when it shall be that higher wage. If the employee is a pieceworker, the pay to be given for the period of leave of absence shall be at the rate fixed for a time worker doing the same class of work as that of the employee.

(k) An employer shall not terminate the employment of a weekly employee for the purposes of evading payment for the holidays prescribed by this Determination.

(l) If during any twelve months of his service an employee entitled under this clause to ten public holidays on full pay has not been allowed at least ten public holidays, he shall be paid, if a time worker, an ordinary day's pay, or if a pieceworker, an ordinary day's pay for a time work machine compositor, in respect of each public holiday (not exceeding in all the number of ten) on which he has been required to work notwithstanding that for the week including such public holidays he has been paid his full weekly wage or piecework rate, as the case may be, and such amount may be claimed within twelve months after the expiration of such twelve months.

(m) If in any twelve months of his service an employee entitled under this clause to leave on full pay as prescribed in sub-clauses (b) and (c) hereof, has not been allowed such leave, he shall be paid for each of the days mentioned, if a time worker, at the full rate of payment, or if a pieceworker at the rate for a time work machine compositor, notwithstanding that in respect of each of such days he has already received his wages or piecework payment, as the case may be, without deduction, and such amount may be claimed within twelve months after the expiration of such twelve months.

(n) Payment under either of sub-clauses (l) and (m) hereof shall not excuse an employer for failure to allow an employee to take a holiday or leave to which he is entitled under this clause and such failure shall be a breach of this Determination, notwithstanding any agreement whereby the employee purports to waive the holiday or leave to which he is entitled.

24A. In connexion with the visit to Australia of Her Majesty Queen Elizabeth II., where a public holiday or public half-holiday is proclaimed by Order in Council throughout any municipality or part thereof, or within any defined area, such public holiday or public half-holiday shall, so far as such municipality or part thereof, or such defined area is concerned, be deemed to be included in the list of holidays prescribed in clause 24 (d) hereof.

Provided that an employee who fails to attend for work on the working day before and/or after such public holiday or public half-holiday without reasonable excuse shall not be entitled to be paid for such public holiday or public half-holiday.

(a) Each employer shall keep a time and wages book, correctly and fully written up in ink in English, showing the name of each employee and his occupation, the hours worked (including overtime) each day or night, and the wages, overtime and allowances paid each week, provided that the employer may, at his option, use a mechanical clock in lieu of a time book for the purpose of recording the time of each employee.   - (ii) a weekly piece-worker; or
  - (iii) a casual time-worker; or
  - (iv) a casual piece-worker.
- (b) A weekly time-worker, to become entitled to payment of a weekly wage, shall perform such work as the employer shall from time to time require on the days and during the hours usually worked by such employee.
- (c) A weekly piece-worker is a piece-worker engaged as a weekly employee. The following conditions apply to the employment of a weekly piece-worker:—
- (i) On each working day or night of the week he shall present himself for employment at the usual time for beginning work at the place of business of the employer unless informed before leaving work by the employer that his attendance on any day or any night is not required.
  - (ii) If he has not been informed as provided in paragraph (i) hereof, and actually presents himself on any such day or any such night he shall receive not less than four hours' continuous employment or be paid for such four hours (or any part of such four hours as would be non-working time) at the appropriate rate of a time-worker. Provided that a weekly piece-worker on day work working on a Saturday shall receive not less than three hours' work or be paid for such three hours (or any part of such three hours as would be non-working time) at the rate aforesaid, and his shift shall finish not later than noon.
  - (iii) (1) The provisions of this paragraph (iii) shall have full force and effect notwithstanding anything contained in this Determination or in any Schedule thereto.
  - (2) In this paragraph the words "the corresponding time-worker" mean:—
    - (a) As to an adult male, as defined by clause 39 (f) hereof—an adult male weekly time-worker employed in the same calling as the weekly piece-worker who is concerned;
    - (b) As to an adult female, as defined by clause 39 (f) hereof—an adult female weekly time-worker employed in the same calling as the weekly piece-worker who is concerned; and
    - (c) As to a male junior—a male junior weekly time-worker of the same age employed in the same calling as the weekly piece-worker who is concerned; and
    - (d) As to a female junior or any female of less than five years' experience—a female junior weekly time-worker of corresponding experience employed in the same calling as the weekly piece-worker concerned.
  - (3) For any week in which he has worked the full hours of duty, the weekly piece-worker shall be paid at least the corresponding time-worker's wage.
  - (4) For any week in which, though he has complied with the provisions of paragraph (i) of this sub-clause, he is not required to work the full hours of duty, he shall be paid for that week the corresponding time-worker's wage.
  - (5) If in any week there occurs a public holiday, as provided in clause 7 hereof, upon which the weekly piece-worker is not required to work, he shall be paid, in addition to his aggregate piece-worker earnings for that week, a sum equivalent to that paid to the corresponding time-worker for such public holiday.
  - (iv) Notwithstanding anything in this Determination contained, lateness shall not, except as in this condition provided, affect the right of a piece-worker to the benefits of this sub-clause (d). A piece-worker's earnings shall not be subjected to deduction for lateness or lost time unless such lateness or lost time would cause an employer to make a payment which he otherwise would not be required to make. Subject to this condition, where a piece-worker is late or loses time on any day he shall be subject only to such a deduction from any moneys due to him as is proportionate to the time actually lost by him.
- (d) (i) The employment of a weekly time-worker or piece-worker may be terminated by a week's notice on either side or by the employer at his option by payment of a week's wages in lieu of notice and such notice may be given on any day of the week to take effect one week after the day on which it is given. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty or misconduct, and in such case wages shall be paid up to the time of dismissal only, or to deduct payment for any day the employee cannot usefully be employed because of any strike or through any breakdown of machinery or any stoppage of work for any cause for which the employer cannot be held responsible.
- Provided always that the notice referred to in paragraph (i) of this sub-clause shall not be given so as to take effect concurrently with any constant service leave to which the employee may be entitled and such notice or payment in lieu of notice shall be additional to any bonus payable to the employee under clause 10 of this Determination.

(ii) In the event of work being temporarily stopped by a breakdown of machinery, or by any cause for which the employer cannot be held responsible, and the employee has lost at least two days' pay, the employee, whether a weekly time-worker or weekly piece-worker, may inform the employer of his intention to terminate his employment, whereupon the employment shall be terminated without the employee being required to give the week's notice mentioned in paragraph (i) hereof, and he shall be paid such moneys as are due to him under this Determination.

(e) Where a weekly piece-worker gives or receives a week's notice of the termination of his employment, he shall during the week that such notice runs be given the same amount of piece-work as it has been customary for him to perform during the period of his engagement.

(f) If an employee's services be terminated during the course of the week, he shall be paid all money due to him at the termination of his service, or all money due to such employee shall be forwarded to him by post within twenty-four hours thereafter. Without prejudice to his liability to legal proceedings in respect of such non-observance, an employer not observing this provision shall pay such employee an extra full day's pay for each day after the employer's usual pay day upon which he applies at the employer's place of business for payment of the amount due to him, and does not receive it.

#### SICK LEAVE.

20. The following provisions shall apply to sick leave and sick pay:—

- (a) A weekly time-worker not attending for duty shall lose his pay for the actual time lost unless he produces or forwards within twenty-eight hours of the commencement of such absence evidence or a message satisfactory to the employer that his non-attendance was due to personal ill-health necessitating such absence.
- (b) An employer who deems the evidence or message referred to in paragraph (a) hereof to be unsatisfactory may (within 48 hours from the receipt thereof) forward to the employee by registered post or by telegram or deliver to him a request for further evidence of the personal ill-health necessitating his absence. The employee shall reply within 48 hours from the receipt of the request. He may deliver his reply to the employer or send it by registered post or by telegram.
- (c) If an employer within 48 hours after the receipt by him of the reply referred to in paragraph (b) hereof fails to dispatch, in the manner provided in paragraph (b) hereof, a written notice to the employee that he does not accept the reply as satisfactory evidence of the facts alleged by it, it shall be deemed to be *prima facie* evidence that the absence of the employee was due to personal ill-health.
- (d) If an employer within 48 hours after receipt by him of the written reply referred to in paragraph (b) hereof does not accept such as satisfactory evidence of personal ill-health, he may require further evidence and the employee must within a reasonable time furnish such further evidence. If the employer requires the employee to obtain a medical certificate or other proof of personal ill-health, he shall pay or refund any fee and incidental expenses necessarily paid or incurred by the employee. The employee shall submit to medical examination at the employer's expense if so required and shall not obstruct or interfere with inquiries deemed to be necessary by the employer.
- (e) In any case where the period of 48 hours referred to in paragraphs (c) and (d) hereof expires after the finish of the last working day in the calendar week, or on a public holiday, the period shall be deemed to extend to noon of the next ordinary working day, and in any case where illness commences after the finish of such last working day the said period of 48 hours shall be deemed to commence at the starting hour of the next ordinary working day.
- (f) A weekly piece-worker shall be excused from presenting himself for employment at the proper time and place each day because of personal ill-health and shall be paid at the corresponding time-worker's wage for the period of ill-health in all respects as if during such period he had been a weekly time-worker employed on such days and during such hours as are usually worked by time-workers upon any day shift, and he shall comply with and be subject to the conditions for time-workers prescribed in paragraph (a) hereof.
- (g) A weekly employee shall not be entitled to the sick pay benefits of this clause until he has worked in the employment of his employer for a period of three working weeks.
- (h) Notwithstanding that he may be employed by different employers he shall not be entitled to payment for non-attendance on the ground of personal ill-health for more than 40 hours in each year. Such year shall begin on the first day of January of each year.
- (i) Wherever in this clause the words corresponding time-worker's rate of wages occur, they shall have the meaning assigned to them by sub-clause (c) (iii) of clause 19, any requirement in "writing" shall be deemed to be complied with where a telegram is received or dispatched. The words "pay for the actual time lost" shall not include the night shift allowance, as provided in clauses 2 and 4, nor any allowance in respect of bronzing and dusting off, as provided in clause 35.

#### CUMULATIVE SICK LEAVE.

21. (a) Sick leave shall accumulate from year to year so that the period of 40 hours in each year (or any balance of the period) specified in clause 20 hereof which has in any year not been allowed to an employee by an employer as paid sick leave, may be claimed by the employee and subject to the conditions prescribed in clause 20, shall be allowed by that employer in a subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant hereto shall be available to the employee for a period of two years but for not longer from the end of the year in which it accrues.

(b) An employee's rights under this clause shall begin to accrue from the first day of January, 1949.

A casual employee, after two weeks of continuous employment as a casual employee, shall become a weekly time-worker or weekly piece-worker.

(b) A casual employee has been continuously employed when he or she has worked the same days and hours as a weekly time-worker.

(c) If a casual employee commences duty on any day, or is directed to attend for duty and actually attends on any day, such employee, if a time-worker, shall in respect of such day be paid at the rate herein provided and for six hours (either day or night) at the least, and if a piece-worker, shall, in respect of such day, be given four hours' work at the least, or paid for four hours (or any part of such four hours as would be non-working time) at the appropriate rate for a time-worker.

(d) A casual employee, whether working at piece-work or time-work and whether working on day or night shift shall be paid for such work the piece-work rate or the hourly rate prescribed for such work, with the addition of 15 per cent.

(e) A casual employee, when working on a holiday or on overtime or at a time for which a weekly employee is paid above his ordinary rate of pay shall have his rate of pay as a casual employee increased by the same proportion (e.g., one-half or double, as the case may be) as the weekly worker's rate applicable to the class of work done by the casual employee is directed to be increased under this Determination for work done on such holiday, overtime, or other time, with the addition of 15 per cent.

#### OVERALLS, UNIFORMS, ETC.

23. (a) An employer who requires any employee to wear at his or her work a uniform or overall shall provide same and keep it clean and in repair without expense to the employee.

(b) Where a change of dress of employees is rendered necessary by the work to be done, the employer shall provide suitable dressing rooms, and allow each employee dressing time each day.

## MIXED FUNCTIONS.

24. Where during any day a time-worker or piece-worker is employed on work requiring the performance of functions involving different rates of wages prescribed by this Determination, the minimum rate of wage to be paid to the employee for that day shall be calculated as if the employee performed such only of the said functions as involved the highest rate of wage.

## PIECE-WORK.

25. (a) The piece-work rates payable to adults and juniors shall be uniform and not differential.
- (b) When an employee is employed upon piece-work to perform any of the functions or duties for which a time wage is fixed by this Determination and for which a piece-work rate is not fixed, then the minimum piece-work rates for such work shall be so calculated by the employer that an average adult worker may earn at the least at such piece-work rate, if employed during the hours fixed for work for time-workers, a sum equal to such time-worker's wage, with the addition of 12½ per cent., and such piece-work rates shall be notified to the employee before the work is commenced by him. All such piece-work rates so fixed shall be posted and kept posted in a conspicuous and easily accessible place in the workroom. Any such rate which provides a wage not less than that stipulated herein for an average adult worker, and which has been in operation for one month, shall remain unchanged unless a change is agreed to by the Union.
- (c) No undue advantage shall be given to one piece-worker over another. This provision applies to the quantity and to the classes or quality of work to be supplied to the employee.

- (iv) All waiting time shall be entered in such book by the piece-worker.
- (v) Nothing in this sub-clause (f) shall operate to prevent an employer from having his own book or other form of record for his own purposes kept in any manner he may desire, and in such book or other form of record he may require the piece-worker to make such entries as he deems to be necessary.
- (g) When piece-workers are kept waiting for work or any materials, all waiting time shall be totalled up when the day's work is finished, and paid for at not less than the corresponding time-worker's rate. A piece-worker shall be deemed to be waiting for work unless directed not to remain on the employer's premises for work.
- (h) A weekly piece-worker of more than five years' experience in the branch of the industry in which he or she is employed shall not for any other reason than inefficiency be changed to time work (1) unless paid the corresponding time-worker's hourly rate with 12½ per cent. in addition; or (2) unless given one week's notice by the employer of his intention to require him or her to work as a time-worker.

ADJUSTMENT OF BASIC WAGE.

39. (a) For the purposes of this Determination, the expression "Commonwealth Statistician's 'all items' retail price index numbers" or any like expression means the numbers stated to be such index numbers in any document purporting, and not proved to be wrongly so purporting to be printed by the Commonwealth Government Printer, or to be signed by or on behalf of the Commonwealth Statistician.

(b) Until the beginning of the first pay period to commence in February, 1954, the amounts of the basic wage shall be as prescribed in clause 38.

(c) During each future successive period beginning with the first pay period to commence in a February, a May, an August, or a November, the amount of the basic wage shall be adjusted by the following method, namely, by multiplying the last published Commonwealth Statistician's "all items" retail price index number for the period next preceding the quarter for which the adjustment is made by the factor 1.03 taken to one place of decimals, the resultant whole number being the amount of the basic wage expressed in shillings, but should the decimal number reach .5 or more the basic wage shall be taken to the next higher shilling.

(d) The wages for male juniors and for female juniors shall be the under-mentioned percentages of the total wage of an employee working at the following classes of work:—

- (a) Male Junior not being an apprentice.—Percentage of rate prescribed for "any other adult male".
- (b) Female Junior.—Percentage of an adult female rate of £8 13s. per week (subject to adjustment).

At the end of each working week, the aggregate earnings of the piece-worker for such week shall be ascertained according to the piece-work provisions of this Determination, and where the piece-worker has worked on each and every day ordinarily worked in such week such aggregate earnings shall be increased or decreased by the sum of 1s. 1½d. for each shilling by which the basic wage has been increased or decreased in accordance with the foregoing provisions of this clause, but where the piece-worker has not worked on each and every day ordinarily worked in such week, then the aggregate earnings shall be increased or decreased by a part of such sum proportionate to the number of days worked calculated to the nearest penny.

(f) For the purpose of ascertaining the amount of any increase or decrease in the earnings of a piece-worker in accordance with the provisions of sub-clause (e) of this clause, the total basic wage prescribed shall be taken to have been £4 9s. per week.

## SCHEDULE "A".

## PIECE-WORK RATES AND CONDITIONS FOR CARDBOARD BOX-MAKING.

The minimum rates to be paid for the classes of work hereinafter referred to in Parts 1, 2, and 3 of this Schedule when performed by piece-work employees and the conditions which shall govern and apply to all such piece-workers shall, subject to clauses 18, 19 and 24 of this Determination, be the rates of pay and the conditions prescribed for the classes of work hereinafter set out.

In addition to the piecework rates set out in this Schedule a pieceworker shall be paid £9 3s. 7d. for each full week worked or a *pro rata* amount according to the time actually worked if less than a full week be worked.

## PART 1.—CLAUSES APPLYING TO BOTH HAND AND MACHINE WORK.

1. Measurements: The following shall be observed:—

- (a) To get any combined measurement of a rectangular shape, measure only one length and one width, and add together; add one depth where depth is mentioned. Where the shape is triangular, measure the triangle over its longest and shortest sides, or over two sides where all the sides are equal in length, and add together; add one depth where the depth is mentioned.
- (b) To get the measurement of a box or lid, or anything connected with a box or lid when of a shape not rectangular, nor triangular, nor round, nor oval, the measurements shall (except where otherwise directed) be taken at the longest measurements in length and width, and then add one depth where depth is mentioned. When of a shape round or oval, the measurement shall be taken round the circumference and the resulting measurement halved, then add one depth where depth is mentioned.
- (c) An extension top or bottom shall be measured to include the extension, as later shown under the heading "Tops or Bottoms, (3)."
- (d) Subject to anything expressly stated in this Schedule to the contrary, "running inches" shall be ascertained over the longest measurements of the paper or material, and "width" shall be ascertained at the widest points of the paper or material.

2. Measurements on a box or lid shall be inside measurements.

3. When any measurement is described as "to" or "up to" it shall include the number to which it refers, and when any prescribed number of inches is exceeded the rate to be paid shall be the next highest rate prescribed.

4. The rates fixed in this Schedule are for boxes or lids, or parts in or in connexion therewith, made with any kind of material other than wood, and with any kind of adhesive. Where made wholly or partly of wood the rates herein shall be doubled except in respect to lathing and mousing.

5. Piece-work rates for the making of a box or lid do not include lidding, nesting, tying or parcelling, for which operations separate rates are prescribed.

6. When a piece-worker is required to use different coloured papers as covering, in prescribed quantities, she shall, unless such coloured papers and quantities are counted for her and so arranged as not to impede her work, be paid one-tenth above the rate fixed for the appropriate operations performed by her.

7. The rates of this Schedule shall be increased by one-half for each operation performed on a box or lid, or on any part of a box or lid, or on anything to be used in connexion with a box or lid, which is star-shaped, heart-shaped, half-moon or horseshoe-shaped, or similarly shaped; and by one-quarter when of any other shape, but not including any rectangular or triangular shape, and not including any round or oval shape having a circumference 22 inches or over and of a depth  $3\frac{1}{2}$  inches or over.

The foregoing extra charges shall not apply to (a) full top papers or bottom papers for rectangular or triangular boxes or lids, with the corners cut out, for which see the section headed "Tops or Bottoms," 1 (b), in Part 2 of this Schedule; or to (b) snipping, nesting, tying, parcelling, or taping; or to (c) affixing labels or seals.

8. Where for any reason any piece-worker has to perform any operation on work which has been given to her in any quantity less than three dozen she shall be paid for each and every operation performed on such work at the corresponding time-worker's rate, with  $12\frac{1}{2}$  per cent. in addition, or at a piece-work rate complying with the terms of clause 24 (b) of this Determination agreed upon between the employer and the Union; provided that this clause shall not apply where an employee is occupied upon any such quantity for a period longer than one hour. In addition to any other work to which this clause applies it shall apply to nesting, tying, parcelling and taping.

9. When a rate is fixed for an operation and associated with it there is a minimum payment per gross (as distinct from the lowest prescribed piece-work rate) such minimum payment shall be made in all cases where the piece-worker is unable to earn such minimum payment if paid such lowest prescribed rate only.

Extra charges contained in this Schedule shall not be included to make up the minimum.

Where the quantity of work done by any piece-worker is less than one gross, the payment for such quantity shall be in proportion to the minimum payment per gross.

10. Where strawboard or leatherboard is referred to herein, the term shall be taken to include similar materials in each class.

11. The equivalent thickness of each one ounce in the weight of any board shall be  $\frac{3}{1000}$ ths of an inch, that is to say, a 10-oz. board, or a board of a caliper of .030, equals  $\frac{30}{1000}$ ths of an inch.

12. Each extra charge under the Schedule shall be computed independently of any other extra charge which any class of work may carry; that is to say, the charge for any work (before adding any extra charges), shall be ascertained, and where such charge has to be increased by one-fourth and one-half, it shall, if of 1s., become 1s. 3d. and then 1s. 9d.

13. In this Schedule, wherever appearing, the contraction "l" shall mean length, "w" width, and "d" depth.

14. In this Schedule any reference to the Union shall mean the Victorian Branch of the Printing Industry Employees' Union of Australia.

15. Waiting Time: See Determination clause 24 (A); also Part 3, Machine Work, of this Schedule.

(b) Notwithstanding the provisions of sub-clause (a) hereof, if the full period of sick leave as prescribed is not taken in any year, such portion as is not taken shall be cumulative from year to year up to a period not exceeding one hundred and twenty hours of working time which shall be the maximum amount of leave to which an employee may be entitled in any year of service without deduction of pay.

For the purposes of this sub-clause, service prior to the 1st August, 1949, shall be disregarded.

ADJUSTMENT OF BASIC WAGE.

17. (a) For the purposes of this Determination, the expression "Commonwealth Statistician's 'all items' retail price index numbers" or any like expression means the numbers stated to be such index numbers in any document purporting, and not proved to be wrongly so purporting to be printed by the Commonwealth Government Printer or to be signed by or on behalf of the Commonwealth Statistician.

(b) Until the beginning of the first pay period to commence in February, 1954, the amount of the basic wage shall be as prescribed in clause 16.

(c) During each future successive period beginning with the first pay period to commence in a February, a May, an August, or a November, the amount of the basic wage shall be adjusted by the following method, namely, by multiplying the last published Commonwealth Statistician's "all items" retail price index number by the factor .103 taken to one place of decimals, the resultant whole number being the amount of the basic wage expressed in shillings, but should the decimal number reach .5 or more the basic wage shall be taken to the next higher shilling.

(d) The wages rates for adult females are based on a basic wage being 75 per cent. of the basic wage for adult males calculated to the nearest 6d., half or less than half of 6d. to be disregarded. The wages rates for adult females shall be adjusted by increasing or decreasing such rates by the amount of the difference from time to time in the said basic wage for females.

(b) Notwithstanding the provisions of sub-clause (a) hereof, if the full period of sick leave as prescribed is not taken in any year, such portion as is not taken shall be cumulative from year to year up to a period not exceeding one hundred and twenty hours of working time which shall be the maximum amount of leave to which an employee may be entitled in any year of service without deduction of pay.

(b) Notwithstanding the provisions of sub-clause (a) hereof, if the full period of sick leave as prescribed is not taken in any year, such portion as is not taken shall be cumulative from year to year up to a period not exceeding one hundred and twenty hours of working time which shall be the maximum amount of leave to which an employee may be entitled in any year of service without deduction of pay.

For the purposes of this sub-clause service prior to the 1st August, 1949, shall be disregarded.

(c) During each future successive period beginning with the first pay period to commence in a February, a May, an August, or a November, the amount of the basic wage shall be adjusted by the following method, namely, by multiplying the last published Commonwealth Statistician's "all items" retail price index number by the factor .103 taken to one place of decimals, the resultant whole number being the amount of the basic wage expressed in shillings, but should the decimal number reach .5 or more the basic wage shall be taken to the next higher shilling.
