*Vermin and Noxious Weeds Act 1949.*

LEAVE CONDITIONS—EMPLOYEES UNDER THE  
VERMIN AND NOXIOUS WEEDS ACT 1949.

WHEREAS by virtue and in exercise of the powers contained in the *Vermin and Noxious Weeds Act 1949* (No. 5431) the Secretary for Lands has recommended to the Governor in Council that various persons and classes of persons employed under the said Act shall be granted long service leave, recreation leave, sick leave, and special leave due to war disabilities under the conditions set forth in Schedule "A" hereto.

Now therefore His Excellency the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council thereof, doth, in pursuance of the powers conferred by the said Act and upon such recommendation, consent and by this Order hereby grant various persons and classes of persons employed under the said Act such long service leave, recreation leave, sick leave, and special leave due to war disabilities.

SCHEDULE "A."

LEAVE CONDITIONS OF PERSONS EMPLOYED FULL TIME BY GOVERNMENT DEPARTMENTS WHO DO NOT COME WITHIN THE DEFINITION OF "EMPLOYEE" IN SECTION 3 OF THE PUBLIC SERVICE ACT 1946.

1. These conditions are divided into parts as follows:—

- Part 1.—Long Service Leave.
- Part 2.—Recreation Leave.
- Part 3.—Sick Leave.
- Part 4.—Special Leave Due to War Disabilities.

2. *Definitions*.—Herein, unless inconsistent with the context or subject matter—

"Employee" means a person employed full time by a Government Department who does not come within the definition of employee in section 3 of the *Public Service Act 1946*.

"Minister" means the Minister for the time being administering the Department in which the person is employed.

"Retrenchment" means the termination of the services of any employee by the Department for reasons (other than for misconduct or any other cause within his own control) which, in the opinion of the Department, are considered to warrant a discontinuance of the services of such employee.

"Pay" means the wage or salary rate which an employee would have continued to have received in the normal course if he had remained on duty during the period of his long service leave; provided that there shall not be included in such wage or salary rate any payment for overtime,

or travelling allowance or incidental expenses or any payment of a temporary character in the nature of a reimbursement of expenditure incurred.

*Part 1.—Long Service Leave.*

3. Every employee who has served for twenty years in a Department shall be entitled, subject to the provisions of this Part, to be granted by the Minister six months' long service leave with pay in respect of that period of twenty years' service and three months' long service leave with pay in respect of each additional period of ten years' completed service:

Provided that any person employed at the Government Cool Stores who—

- (i) has had aggregate service of less than twenty years, but not less than ten years; and
- (ii) has been employed at the Government Cool Stores over a period of at least twenty years; and
- (iii) when not employed at the Government Cool Stores, has remained on call for employment thereat as and when required—

shall be entitled to be granted long service leave with pay in accordance with these conditions on a *pro rata* basis:

Provided further that in the case of any employee of a Department on the 4th February, 1948, who had served for twenty years or more that service shall count as twenty years only and additional periods shall be calculated only in respect of service after the said date.

4. The Minister shall have discretion to grant such leave so that the Department will not be unduly affected by the granting of such leave to numbers of employees at or about the same time.

5. No such leave shall be granted to any employee who attained the age of 65 years prior to the 4th February, 1948.

6. Any employee who has attained the age of 60 years shall be entitled, if he desires so to do, to retire. Except as determined by the Minister, the services of an employee shall not be retained or commenced after attainment of the age of 65 years.

7. Where on account of age ill-health or retrenchment the services of an employee are terminated, that employee may by notice in writing to the Minister, elect to take pay in lieu of the whole or any part of any such leave to which he is then entitled, and the Minister shall grant him pay in lieu thereof accordingly.

8. Where an employee entitled to such leave dies before or while taking such leave, the Minister shall, to the extent that pay in lieu thereof has not already been granted to that employee, grant pay in lieu of the whole or part of the leave not taken to the legal personal representative of the deceased employee.

9. In determining the eligibility of an employee for long service leave pursuant to these conditions, the aggregate periods of service of such employee shall be taken into consideration.

10. (1) For the purpose of the preceding clause 9, "service" of an employee shall include any period or periods of service in a Department, or where so determined by the Minister, under any other Victorian Government instrumentality or authority.

(2) In computing the duration of the service of an employee—

(a) there shall be included as a period of service any period or periods during which such employee has been absent from duty on recreation leave or on sick leave or on special leave due to war disabilities or on such other leave as the Minister may determine in any particular case; but

(b) there shall not be included as a period of service any period or periods of service served by him—

prior to his having voluntarily left, or having been dismissed for misconduct or any other cause within his own control from the employment of a Department or any Victorian Government instrumentality or authority; or prior to his absence from any such employment for any continuous period of five years or more (otherwise than on special leave, or on such other leave as the Minister may determine, or by reason of retirement on account of ill-health).

11. The pay to which any employee shall be entitled in respect of any period of long service leave shall be computed on the basis of the relevant award determination or other proper authority operative during such period of long service leave and shall be payable fortnightly, except that with the consent of the Minister the amount due may be paid in a lump sum at the commencement of such long service leave.

12. Where any employee, or the legal personal representative of any deceased employee, is granted pay in lieu of the whole or part of any long service leave to which such employee is or was entitled, the amount of such pay shall be determined in accordance with the preceding clause as if the period of long service leave in respect of which pay is granted commenced on the date of retirement, termination of the services or the death (as the case may be) of such employee, but no increase in such amount shall be payable as a result of any variation in the relevant award or determination to which such employee would have been entitled during such period had he continued to be employed by a Government Department.

13. Any questions arising as to the construction or interpretation of the provisions of this Part shall be submitted to the Public Service Board for decision.

#### Part 2.—Recreation Leave.

14. Every employee who has completed five years' continuous service shall be granted three weeks' recreation leave with respect to his sixth year of service and each subsequent year of service. Provided that, where the period of recreation leave is calculated on a calendar year basis, such recreation leave for the period worked to 31st December in the sixth year of service shall be granted on a *pro rata* basis.

#### Part 3.—Sick Leave.

15. Every employee who has completed 5 years' continuous service hereinafter referred to as the qualifying period shall be granted sick leave as prescribed by the Governor in Council from time to time by Regulations under Part III. of the Public Service Acts.

Provided that, upon the completion of the qualifying period, the calculation of the total credit shall be as follows:—

(a) sick leave credits granted with respect to the two years of service immediately preceding the completion of the qualifying period shall be cancelled and there shall be substituted therefor a sick leave credit calculated as if such two years' service were regarded as service as an employee under the Public Service Acts;

(b) to the credit established under paragraph (a) there shall be debited against such credit any sick leave taken during such two years of service;

(c) to the credit calculated under paragraphs (a) and (b), there shall be added any other sick leave standing to his credit in respect of service prior to such two years of service pursuant to any award determination or other proper authority.

The provisions of this Part shall not apply to any employee who receives a loading as part of his weekly or hourly wage in lieu of sick leave.

#### Part 4.—Special Leave Due to War Disabilities.

16. Where the employing Department is satisfied that the illness of an employee is directly attributable to or is aggravated by his service in the war which commenced in the year one thousand nine hundred and fourteen or in the year one thousand nine hundred and thirty-nine, such an employee may, apart from any sick leave which may be standing to his credit, be granted special leave with full pay up to but not exceeding eight days during each calendar year of service. Such special leave shall be cumulative provided that the total of the accumulated leave standing to his credit shall not at any time exceed sixty days.

Approved by the Governor in Council, 10th August, 1954.—A. MAHLSTEDT, Clerk of the Executive Council.
