## COUNTRY ROADS BOARD.

*At the Executive Council Chamber, Melbourne, the sixteenth day of November, 1954.*

PRESENT:

His Excellency the Governor of Victoria.  
Mr. Stoneham | Mr. Scully.

### ORDER APPROVING OF A NEW MAIN ROAD IN THE SHIRE OF UPPER YARRA.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Warburton-road in the Shire of Upper Yarra should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Woori Yallock, the boundaries of which are as follow:—Commencing at a point on the southern boundary of allotment 82 of the said parish distant 81 deg. 33 min. 131 links from the south-western angle of the said allotment; thence by lines bearing respectively 72 deg. 32½ min. 170.9 links, 56 deg. 174 min. 258.7 links, 41 deg. 29½ min. 466.2 links, 213 deg. 4 min. 90 links, 221 deg. 10 min. 571 links, and 261 deg. 33 min. 265 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan numbered 5969, lodged in the office of the Country Roads Board.

And the Honorable Samuel Merrifield, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

## TOWN OF PORTLAND.

## BY-LAW No. 70.

A By-law of the Town of Portland, made under the *Local Government Acts* and the *Uniform Building Regulations*, Victoria, and numbered 70, for determining, applying, dispensing with, or regulating such matters or things as are left to be determined, applied, dispensed with, or regulated by the Council of the Town of Portland under the *Uniform Building Regulations*, Victoria.

IN pursuance of the powers conferred by the *Local Government Acts* and the *Uniform Building Regulations*, Victoria, and of any and every other power it thereunto enabling, the Mayor, Councillors, and Burgesses of the Town of Portland order as follows:—

*Minimum Area, Depth, Width of Frontage, and Minimum Distance of Outer Walls from Boundaries.*

1. By-law No. 68 of this Town is hereby repealed.
2. The minimum area, depth, width of frontage, and the minimum distance of outer walls from boundaries specified in column 3 of Table 803 of the *Uniform Building Regulations*, Victoria, as amended by the *Uniform Building Regulations Amending Regulations No. 4* (hereinafter called the *Regulations*) are hereby adopted as the minimum area, depth, width of frontage, and minimum distance of outer walls from boundaries for land on which a building shall be constructed throughout the municipality. Provided that should the Council in open meeting and by a simple majority so determine the minimum block frontage so specified may be reduced to not less than 49 feet, providing the minimum area of the site be not reduced below 6,300 square feet. This proviso, however, shall only extend to bona fide cases where a subdivision of the land in the possession of the one owner would, if 50 feet frontage were insisted upon, have the effect of creating lots of greater frontage than reasonably required, having regard to the locality and general purpose of the subdivision.

*Sites Below Minimum Requirements.*

3. Notwithstanding anything contained in the *Regulations*, the Council, on application in writing by the owner of the land falling within the classes hereinafter mentioned, may, by resolution carried by a majority of the Council, issue a permit to such owner to:—

- (a) construct a building of Class I. or II. occupancy on land of a lesser area, depth, or width of frontage, or at a lesser distance from the boundaries than those specified in column 3 of Table 803 of the *Regulations*, or
- (b) construct a building of Class III., IV., V., VI., VII., or VIII. occupancy on land having an area, depth, or width of frontage less than that prescribed in clause 808 of the *Regulations*—

in any case where, on the date of the commencement of the *Regulations* such land existed as a separate allotment and has not since been reduced in area, or is shown on any plan of subdivision approved by the Council and lodged in the Office of Titles.

*Rear Access.*

4. In the case of a building on any land forming part of a subdivision approved by the Council and lodged with the Office of Titles prior to the date of the commencement of the *Regulations*, the requirements of clause 811 of the *Regulations* are hereby dispensed with.

5. This By-law shall have effect throughout the whole of the Municipal District of the Town of Portland.

6. This By-law shall come into operation when confirmed by the Governor in Council and immediately after publication in the *Victoria Government Gazette*.

The Resolution for passing this By-law was agreed to by the Council on the 10th day of August, 1954, and confirmed on the 7th day of September, 1954.

The common seal of the Town of Portland was hereunto affixed on the 7th day of September, 1954, in the presence of—

S. L. PATTERSON, Councillor.  
(SEAL) P. HODGE, Councillor.  
E. NOEL T. HENRY, Town Clerk.

Approved by the Governor in Council, 3rd November, 1954.—A. MAHLSTEDT, Clerk of the Executive Council.

A By-law of the Shire of Mulgrave, made under the Local Government Acts and the Uniform Building Regulations, Victoria, and numbered 60, for adopting the minimum area, depth, and width of frontage specified in column 4 of Table 803 of the Uniform Building Regulations, Victoria, and for other purposes.

IN pursuance of the powers conferred by the Local Government Acts and of any and every other power it thereunto enabling, the President, Councillors, and Ratepayers of the Shire of Mulgrave order as follows:—

1. Clauses 2 and 3 of By-law No. 54 of the Shire of Mulgrave are hereby repealed.

2. The minimum area, depth, and width of frontage specified in column 4, Table 803, of the Uniform Building Regulations, Victoria, as amended by the Uniform Building Regulations amending Regulation No. 3, and the Uniform Building Regulations amending Regulation No. 4, is hereby adopted as the minimum area, depth, and width of frontage of land on which a building shall be constructed throughout the whole of the municipal district.

3. Subject to the Regulations made pursuant to section 17 of the Slum Reclamation and Housing Act, in any case where on the date of the commencement of the

Uniform Building Regulations, Victoria (hereinafter called "the Regulations") land existed as a separate allotment and has not since been reduced in area or was shown on any plan of subdivision approved by the Council and lodged in the Office of Titles—

- (a) The Council may permit any person to construct a building of Class I. Occupancy on such land having a lesser area, depth, or width of frontage than those specified in clause 2 of this By-law, whether or not such building be constructed at lesser distances from boundaries than those prescribed in clause 2 of this By-law or in clauses 805 and 806 of the Regulations.
- (b) The Council may permit any person to construct a building of Class III, V, VI, VII, or VIII. Occupancy or a building to which a building of Class IV. Occupancy is attached on such land having an area, depth, or width of frontage less than that prescribed in clause 808 of the Regulations.

Resolution for passing this By-law agreed to by the Council the 29th day of July, 1954, and confirmed the 26th day of August, 1954.

The corporate seal of the Shire of Mulgrave was hereunto affixed on the 26th day of August, 1954, in the presence of—

(SEAL) A. D. WHALLEY, President.  
L. ALLEN, Councillor.

SUBSCRIPTIONS.—The subscription, including postage, is £2 5s. per annum, £1 2s. 6d. half-yearly, or 11s. 3d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the GAZETTE.

ADVERTISEMENTS are charged at the rate of 1s. 4d. per line single column, and 2s. 8d. per line double column.

The title (£5 Reward, Dissolution of Partnerships, &c.) forms one or more lines as a heading.

On an average, ten words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and Five p.m. at double rates on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are Nine pence, posted One shilling, each.

Prices Regulation Acts.

PRICES REGULATION ORDER No. 662.

CARTAGE RATES—FRESH FRUIT AND TOMATOES.

IN pursuance of the powers conferred upon me by the Prices Regulation Acts, I, John Francis Waldron, Prices Commissioner, hereby make the following Order:—

*Citation.*

1. This Order may be cited as Prices Regulation Order No. 662.

*Revocation.*

2. Prices Regulation Order No. 607 is hereby revoked.

*Application.*

3. This Order shall apply to the road transport by motor vehicle of fresh fruit and tomatoes in cases, and the return of such cases when empty, from place to place in Victoria as specified in the Schedules to this Order.

*Maximum Rates.*

4. Subject to the provisions of this Order, I fix and declare the maximum rate which may be charged for transporting cased fresh fruit and tomatoes, and empty fruit or tomato cases to be as follows:—

- (a) For cartage from any place within a distance of 5 miles from the principal post office of any city or town specified in the First Schedule to this Order to any place within 10 miles of the General Post Office, Melbourne, to be the rate appropriate to each such city or town set out in that Schedule.
- (b) For cartage from any place within a distance of 5 miles from the principal post office of any town specified in the Second Schedule to this Order to the destination therein specified, to be the rates set out in that Schedule opposite each such journey.
- (c) For cartage to any local cannery or railway station in Victoria where either of the distances specified in the Third Schedule to this Order applies, to be the rates set out in that Schedule opposite each such distance.

- (d) For cartage from grower's orchard to cool stores or packing sheds at Harcourt, Victoria, where one of the distances specified in the Fourth Schedule to this Order applies, to be the rates set out in the Schedule opposite each such distance.
- (e) For cartage from cool stores or packing sheds at Harcourt, Victoria, to the Harcourt Railway Station and also stacking at the said rail siding, to be the rates specified in the Fifth Schedule to this Order.

*Records to be Kept.*

5. Every person supplying the service of transporting by motor vehicle cased fresh fruit and tomatoes, and/or such cases when empty, the maximum rates for which are fixed under this Order, shall maintain a record of each cartage service showing:—

- (a) Name and address of customer.  
 (b) Date of supplying service.  
 (c) Loading and delivery points in respect of each trip.  
 (d) Number of full cases carted on each trip.  
 (e) Number of empty cases carted on each trip.

*Fixation of Maximum Rates by Notice.*

6. Notwithstanding the foregoing provisions of this Order, I declare the maximum rate at which the service of transporting by motor vehicle fresh fruit and tomatoes specified in a notice given in pursuance of this clause may be supplied by any person in Victoria to whom such notice is given, to be such rate as is fixed by the Commissioner by notice in writing to that person.

## DETERMINATION OF A WAGES BOARD ADJUSTED PURSUANT TO SECTION 33 OF THE LABOUR AND INDUSTRY ACT 1953.

I, Henry Norman Jones, Secretary for Labour and Industry, in pursuance of the powers conferred by the Labour and Industry Act, hereby make and issue the following adjusted Determination of the Wages Board referred to hereunder showing adjusted rates and prices to operate from the beginning of the first pay period to commence in November, 1954.

Dated at Melbourne, this  
19th day of November, 1954.

H. N. JONES,  
Secretary for Labour and Industry.

*Leading Hands.*

Leading hands in charge of not less than three and not more than ten employees, 9s. per week extra; more than ten and not more than twenty employees, 18s. per week extra; more than twenty employees, 27s. per week extra.

*APPRENTICESHIP.*

3. (a) An employer may employ any minor as an apprentice in any work covered by this Determination provided that no minor shall be employed in the trade or occupation of an Electroplater—1st class otherwise than under a contract of apprenticeship as hereinafter provided.

*Contract of Apprenticeship.*

(b) Every contract of apprenticeship hereinafter made shall contain—

- (i) the names of the parties;
- (ii) the date of birth of the apprentice;
- (iii) a statement of the trade or trades to which the apprentice is to be bound and which he is to be taught during the course and for the purpose of the apprenticeship;
- (iv) a covenant by the master to teach and instruct or cause the apprentice to be taught or instructed in the trade to which the apprentice is bound;
- (v) the date at which the apprenticeship is to commence or from which it is to be calculated;
- (vi) all other conditions of apprenticeship.

*Cancellation or Suspension of Indenture.*

(c) Subject to the approval of the Secretary for Labour and Industry, but not otherwise, an indenture of apprenticeship may be suspended or cancelled—

- (i) by mutual consent;
- (ii) if through lack of orders or financial difficulties an employer is unable to find suitable employment for an apprentice and a transfer to another employer cannot be arranged;
- (iii) if, in the opinion of the Secretary for Labour and Industry, circumstances exist which render such suspension or cancellation necessary or desirable.

Any covenant in an indenture inconsistent with the provision of this clause shall be null and void and of no force or effect while this Determination remains in force and applies to the parties to the indenture.

*Proportion.*

(d) An employer shall not employ apprentices in excess of the proportion hereinafter prescribed:—

- (i) In the trade of an electroplater 1st class—One apprentice to every three or fraction of three electroplaters—1st class.
- (ii) In all other cases—Three male apprentices to every three or fraction of three male workers receiving not less than 234s. per week, and two female apprentices to every three female workers receiving not less than 175s.6d. per week.

For the purpose of ascertaining the number of apprentices, the number of tradesmen shall be deemed to be the average number working during the immediately preceding six months, and, in ascertaining such proportion an employer actually working in any workshop shall be deemed to be a tradesman.

A person who is for a term not exceeding two years taking practical training in a workshop in continuance of a course of training for professional work shall not be taken into account in calculating the proportion of apprentices to journeymen.

*Period of Apprenticeship.*

(e) If the apprentice when indentured is under the age of seventeen years—five years; if over the age of seventeen years—four or five years, at the option of the contracting parties.

*Adult Apprentices.*

(f) Any apprentice who cannot complete his full term of apprenticeship before reaching his twenty-second birthday may, by agreement with his master, serve as an apprentice until he reaches the age of 23 years.

*Probationary Period.*

(g) Minors may be taken on probation for three months and if apprenticed such three months shall count as part of their period of apprenticeship. An employer shall, within fourteen days of employing a probationer, notify the apprenticeship authorities of the employment of such probationer to any of the trades mentioned herein.

*Wages.*

(h) The minimum weekly rates of wages for apprentices shall be the undermentioned percentages of the contemporaneous basic wage, and in all contracts of apprenticeship hereafter made the employer shall covenant of pay wages of not less than such rates.

The total wage of apprentices shall be calculated to the nearest sixpence, any broken part of sixpence in the result not exceeding threepence to be disregarded.

(i) *Wages per Week of 40 Hours.*

										Percentage of Basic Wage.	Total Wage Payable.
										Per Week.	£ s. d.
<i>Four and Five-year Terms.</i>											
1st year	..	..	..	..	..	..	..	..	..	32	3 15 0

4th year	..	..	..	..	..	..	..	..	..	100 + 6s.	12 0 0

An employee who is under 21 years of age on the expiration of his apprenticeship and thereafter works as a minor in the occupation to which he has been apprenticed shall be paid at not less than the adult rate prescribed for that classification.

*Hours.*

(j) The ordinary hours of employment of apprentices shall not in each workshop exceed those of the journeymen.

*Overtime and Shift Work.*

(k) No apprentice under the age of 18 years shall be required to work overtime or shift work unless he so desires.

No apprentice shall except in an emergency work or be required to work overtime or shift work at times which would prevent his attendance at technical school as required by any statute, Determination or regulation applicable to him.

*Payment by Results.*

(l) An apprentice shall not work under any system of payment by results.

*Lost Time.*

(m) The apprentice at the end of the calendar period of any year in which he has actually given service to the master upon less than the ordinary working days prescribed in this Determination, or in which he has unlawfully absented himself without the master's consent shall, for every day short of the said number of working days, and for every day of such absence, serve one day, and the calendar period of the succeeding year of his service shall not be deemed to begin until the said additional day or days shall have been served.

Provided that in calculating the extra time to be so served, the apprentice shall be credited with time which he has worked during the relevant year in excess of his ordinary hours.

*Prohibition of Premiums.*

(n) An employer shall not, either directly or indirectly, or by any pretence or device receive from any person or require or permit any person to pay or give any consideration in the nature of a premium or bonus for the taking or binding of any probationer or apprentice.

*Attendance at Technical Schools.*

(o) Apprentices attending technical colleges or schools and presenting reports of satisfactory conduct shall be reimbursed all fees paid by them.

*Annual and Sick Leave.*

(p) Apprentices shall be entitled to sick and annual leave in accordance with the provisions of clauses 16 and 17 hereof respectively.

**FEMALES AND UNAPPRENTICED MALE JUNIORS.**

4. (a) Subject to the exception hereinafter provided, the minimum rates of wage for junior females and for unapprenticed male juniors employed in occupations for which apprenticeship is not provided by this Determination shall be as follows:—

*Wages per Week of 40 Hours.*

						*Percentage of Basic Wage.	Additional Amount.	Total Wage Payable.
						Per Week.	Per Week.	Per Week.

20 years of age ..	..	..	..	..	..	88	7 0	10 13 0

\* The percentages in the case of junior females are related to the female basic wage, and for junior males to the male basic wage. The total wage is calculated to the nearest 6d., half or less than half of 6d. in a result is disregarded.

The numbers of juniors employed at polishing or grinding, line or hand decorating or coating shall not exceed the numbers of male adults employed on any of these classifications.

The total wage shall be calculated to the nearest sixpence, any broken part of sixpence in the result not exceeding threepence to be disregarded.

(b) Junior employees shall not be employed:—

If under the age of 16 years—

on oil or gas burners or fires used for heating or small articles; or  
using electric arc or oxy-acetylene blow pipe.

Clauses, other than clauses 2, 3 and 4, of the said Determination shall remain in force.

No. 995.—11414/54.—PRICE 3d.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in the context of financial reporting and auditing. The text highlights that without reliable records, it is difficult to verify the accuracy of financial statements and to identify any potential discrepancies or fraud.

2. The second part of the document focuses on the role of internal controls in ensuring the integrity of financial data. It explains that internal controls are designed to prevent errors and detect any irregularities before they become significant. The text stresses that a robust system of internal controls is crucial for maintaining the trust of stakeholders and for ensuring compliance with relevant regulations and standards.

3. The third part of the document addresses the challenges associated with implementing effective internal controls. It notes that while the benefits of internal controls are clear, their implementation can be complex and costly. The text discusses various factors that can hinder the successful implementation of internal controls, such as lack of resources, inadequate training, and resistance to change. It also provides some suggestions for overcoming these challenges, such as seeking external expertise and fostering a culture of continuous improvement.

4. The fourth part of the document discusses the importance of regular monitoring and evaluation of internal controls. It explains that internal controls are not a one-time exercise but rather an ongoing process. The text emphasizes that regular monitoring and evaluation are necessary to ensure that internal controls remain effective and relevant in the face of changing circumstances. It also highlights the importance of documenting the results of monitoring and evaluation activities and using this information to make necessary adjustments to the internal control system.

5. The fifth part of the document discusses the role of external audits in providing an independent assessment of the financial statements and internal controls. It explains that external audits are conducted by qualified auditors who are not affiliated with the organization being audited. The text stresses that external audits provide a high level of assurance regarding the accuracy and reliability of the financial statements and the effectiveness of the internal controls. It also discusses the importance of cooperating with the external auditors and providing them with all necessary information and access to the internal control system.

6. The sixth part of the document discusses the importance of communication and transparency in the financial reporting process. It explains that clear and concise communication is essential for ensuring that the financial statements are understood and trusted by stakeholders. The text emphasizes that transparency is a key factor in building trust and confidence in the organization's financial reporting. It also discusses the importance of providing timely and accurate information to stakeholders and of being open to feedback and criticism.

7. The seventh part of the document discusses the importance of staying up-to-date with the latest developments in financial reporting and auditing. It explains that the field of financial reporting and auditing is constantly evolving, with new standards and regulations being introduced regularly. The text stresses that organizations must stay up-to-date with these developments to ensure that their financial reporting and internal controls remain compliant and effective. It also provides some suggestions for staying up-to-date, such as attending professional development courses and participating in industry conferences.

8. The eighth part of the document discusses the importance of maintaining a strong ethical culture within the organization. It explains that a strong ethical culture is essential for ensuring that all transactions and activities are conducted in a fair and honest manner. The text emphasizes that a strong ethical culture is a key factor in building trust and confidence in the organization's financial reporting. It also discusses the importance of providing training and guidance to employees on ethical issues and of holding all employees accountable for their actions.

9. The ninth part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in the context of financial reporting and auditing. The text highlights that without reliable records, it is difficult to verify the accuracy of financial statements and to identify any potential discrepancies or fraud.

10. The tenth part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in the context of financial reporting and auditing. The text highlights that without reliable records, it is difficult to verify the accuracy of financial statements and to identify any potential discrepancies or fraud.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text suggests that organizations should implement robust systems to track and document every aspect of their operations, from procurement to sales.

2. The second part of the document addresses the challenges of data management in a rapidly changing environment. It highlights the need for flexible and scalable solutions that can adapt to evolving requirements. The author argues that investing in modern data infrastructure is crucial for ensuring long-term success and competitiveness.

3. The third part of the document focuses on the role of technology in enhancing operational efficiency. It explores various digital tools and platforms that can streamline processes, reduce errors, and improve overall productivity. The text encourages organizations to embrace innovation and leverage technology to gain a competitive edge.

4. The fourth part of the document discusses the importance of collaboration and communication in achieving organizational goals. It stresses that effective teamwork and clear communication are fundamental to success. The author provides practical advice on how to foster a collaborative culture and ensure that all team members are aligned and working towards common objectives.

5. The fifth part of the document addresses the issue of risk management. It outlines the various risks that organizations face, from financial to operational, and provides strategies for identifying, assessing, and mitigating these risks. The text emphasizes that proactive risk management is essential for protecting the organization's assets and ensuring its long-term sustainability.

6. The sixth part of the document discusses the importance of continuous learning and development. It highlights the need for organizations to invest in their workforce and provide opportunities for growth and advancement. The author argues that a commitment to learning and development is essential for staying relevant in a dynamic market.

7. The seventh part of the document addresses the issue of sustainability and social responsibility. It outlines the various ways in which organizations can contribute to society and the environment, from reducing carbon footprints to supporting local communities. The text emphasizes that sustainable practices are not only good for the planet but also good for the bottom line.

8. The eighth part of the document discusses the importance of innovation and creativity. It highlights the need for organizations to foster a culture of innovation and encourage employees to think outside the box. The author argues that innovation is the key to driving growth and achieving long-term success.

9. The ninth part of the document addresses the issue of leadership and management. It outlines the various skills and qualities that are essential for effective leadership, such as communication, decision-making, and empathy. The text provides practical advice on how to develop and strengthen leadership capabilities.

10. The tenth part of the document discusses the importance of monitoring and evaluation. It highlights the need for organizations to regularly assess their performance and make adjustments as needed. The author argues that monitoring and evaluation are essential for ensuring that the organization is on track to achieve its goals and objectives.
