6. Notification, in writing, that stripping operations have been commenced must be forwarded to the officer in charge within 48 hours from date thereof.
7. No tree shall be felled or stripped on any area which the officer in charge directs is not to be operated upon, and no particular tree specially marked by him to remain standing shall be felled or stripped.
8. In the event of stripping being permitted on any area regarded as a tourist resort all tops must be lopped, stacked, and burned under the direction of and in accordance with the written conditions specified by the officer in charge.
9. No tree shall be felled so as to fall into any water-course or to obstruct any road or track.
10. Except with the permission of the officer in charge, no tree of less than 5 inches diameter shall be stripped when of the black or feather-leaved variety, or less than 2½ inches in diameter when of the broad-leaved species, unless otherwise stated in the licence.
