MELBOURNE AND METROPOLITAN BOARD OF WORKS.

UPPER YARRA YARRA RIVER.—HENLEY-ON-YARRA.

Notice to Boatmen and Others.

BOATMEN and others are hereby notified that permission has been granted to the Melbourne Amateur Regatta Association, in connexion with the Annual Regatta, to row races on the Henley course on the Upper Yarra on the 12th and 14th March, 1955, hereinafter referred to as "Henley Days", and that motor and other boats permitted to be on the river during those days must observe the following Regulations, viz.:—

Boat races must not be obstructed, nor public safety or order endangered.

Every motor-boat must have a supply of dry sand with shovel or scoop and carry—

- (a) a bucket with rope attached; and
- (b) an approved chemical fire extinguisher for fire extinguishing purposes, and no inflammable oil or spirit shall be exposed or transferred from one receptacle to another.

All non-competing boats must be kept off the course during the racing programme.

No boats other than those engaged in the authorized race or races shall land passengers on the boat stagings in front of the boathouses on the south bank of the River Yarra near Prince's Bridge.

Passengers on any boat overcrowded or incompetently managed may be ordered to disembark.

No boat deemed by the River Officer or his Deputy to be too large or deemed to be offensive, dangerous, unsuitable, or unsightly, shall remain on the river along the course or adjacent waters.

The directions of the officers in charge of the course must be strictly attended to.

All boats (except racing boats) must move up stream along the right hand (south) bank, and must move down stream along the opposite (north) bank.

All boats must give way to racing boats going up stream to the start of the course.

No advertisement or objectionable device will be permitted to be shown on any boat.

No fireworks or firearms will be allowed to be discharged from any boat, except where permission of the River Officer or his Deputy has been given.

No motor or other boats will be allowed to ply for hire between Prince's Bridge and the Church-street Bridge between the hours of 10 a.m. and 6 p.m. on the Henley Days except under special permit from the Board.

All motor-boats shall hold a permit from the River Officer to enter or remain on that part of the River Yarra between Prince's Bridge and the Church-street Bridge between the hours of 10 a.m. and 6 p.m. on the Henley Days.

An applicant for permit must apply at the office of the River Officer, 110 Spencer-street, Melbourne, and furnish the name and dimensions of the boat for which a permit is required; also the name and address of the owner, and of the person taking charge of the boat on Henley Day. If the boat is unnamed, some identification number must be affixed to the bow of each boat.

No permit shall be given to a motor-boat exceeding a length of 35 feet from stem to stern, or with a beam exceeding 9 feet over all, unless the River Officer shall see fit to do so. It is recommended that a gangway be provided for each motor-boat to enable passengers to reach the bank.

No permit shall be given for boats burning other than liquid fuel.

A permit shall not be transferable by the holder or in respect of motor-boats.

A limited number of moorings will be available along the Henley Reserve landing stage, and early application to the River Officer for the same is invited. An applicant must give name and dimensions of boat, and must provide his own mooring ropes. Pegs will be supplied.

Acceptance of a permit shall be a guarantee that its holder and the boat it is issued for will observe the Regulations, whether general or special.

All motor-boats shall be moored in the positions allotted to them by 10 a.m., and shall remain moored until the finish of the racing programmes.

All motor-boats on south bank must moor bow up stream, and all motor-boats on north bank must moor bow down stream.

Motor-boats not moored along the Henley Reserve landing-stage must use the mooring pegs provided on the north or south side of the river, and must moor at post bearing same number as shown on permit.

On the Henley Days the length of oars used by any boat other than racing boats, between Church-street Bridge and Prince's Bridge, shall not exceed 8 feet.

Boats over 25 feet in length, or boats with jib-booms or other objectionable projections, will not be permitted on the Yarra between Prince's Bridge and Church-street Bridge between the hours of 10 a.m. and 6 p.m. on the Henley Days.

After sunset motor-boats shall exhibit standard navigation and stern lights and shall not tow any other boat; rowing boats and canoes shall exhibit a white light.

No boat shall traverse that section of the River between Swan-street Bridge and a point opposite the western end of the Henley Reserve landing-stage between the hours of 9 p.m. and 9.45 p.m.

A VACANCY having occurred for a Member of the State Superannuation Board in consequence of the resignation of Norman Gordon McNicol, an officer within the meaning of the *Superannuation Act 1928* (No. 3782) other than an officer of the Railway Service, who was elected and appointed as a Member of the said Board for a period of five years from the 24th day of December, 1950, notice is hereby given in accordance with Part V. of the *Superannuation Act 1928*, that an election will be held to elect one Member of the State Superannuation Board, who shall be an officer within the meaning of the said Act, other than an officer of the Railway Service, for the remainder of the term for which the said Norman Gordon McNicol was elected and appointed, viz., until the 23rd day of December, 1955, in the manner specified as follows:—

Appointment of Election Officials.

1. For the purpose of this election John Leo Molan, of the State Treasury, shall be the Returning Officer.
2. The Returning Officer may, by writing under his hand, appoint some person to be his substitute, and may in a like manner appoint persons to assist him as Poll Clerks in the conduct of the election.
3. The Returning Officer, the Substitute Returning Officer, and every Poll Clerk shall, before entering upon any of their duties in connexion with the election, make and sign before some authorized person a declaration in the form of the First Schedule hereto.

Enrolment.

4. Ballot-papers shall be forwarded to all officers, other than officers in the Railway Service, provided that no election shall be invalidated by reason merely that ballot-papers have been irregularly forwarded to those who are not "officers" or have been omitted to be sent to officers unless in the opinion of the Minister such irregularity or omission has affected the result of the election.

Nominations.

5. No person shall be capable of being elected a Member of the Board unless duly nominated.
6. A nomination shall be in the form of the Second Schedule hereto; shall be signed by not less than twenty persons entitled to vote at the election for which the candidate is nominated; shall be lodged with or delivered to the Returning Officer, at the State Treasury, Melbourne, not later than Twelve o'clock noon on the ninth day of March, 1955, hereinafter referred to as "nomination day"; and shall contain the consent of the candidate to act if elected.

Withdrawal of Nominations.

7. Any candidate may, by written notice addressed to the Returning Officer, withdraw his consent to his nomination at any time not later than Twelve o'clock noon on nomination day, and such candidate shall be considered as not having been nominated. The Returning Officer shall thereupon omit the name of such candidate from the ballot-papers.

Nominations Advertised.

8. On the day following nomination day, the Returning Officer shall announce the full name, Department, and Branch of each officer nominated, and shall forthwith cause notice thereof to be published in the *Government Gazette*.

Uncontested Election.

9. If at the election one candidate only is nominated, that candidate shall be declared duly elected, and notice thereof shall forthwith be published in the *Government Gazette*.

Polling.

10. If at the election more candidates than one have been nominated, a vote shall be taken to decide the election, and the Returning Officer shall forthwith cause ballot-papers to be printed in the form of the Third Schedule hereto, or to the like effect, and shall, by himself or his substitute or a Poll Clerk, sign or initial each of such ballot-papers, and shall enclose it with an unfastened envelope having his own name and address printed thereon, and shall send by post, or cause to be delivered, to every voter, one of such ballot-papers and envelopes pertaining to the election.

11. After having recorded his vote, the voter shall enclose such ballot-paper in the envelope furnished to him with the printed address of the Returning Officer thereon; shall sign his name in the space provided for the purpose on the face of the envelope; shall state his Department and Branch; and shall stamp and post (or deliver) the same so that it will be received by the Returning Officer not later than Four o'clock in the

afternoon of the seventh day of April, 1955, hereinafter referred to as "the day of the election". Any ballot-paper which is not enclosed in such addressed envelope with the voter's signature and the other specified particulars thereon, or in which the directions in the Third Schedule hereto have not been complied with, and any ballot-paper forwarded through the post the postage thereon not being fully prepaid, shall not be counted in the scrutiny. The decision of the Returning Officer as to the validity or invalidity of a ballot-paper shall be final.

12. Upon a voter making and transmitting to the Returning Officer a statement in writing setting out his full name, Department, and Branch, that he has not received a ballot-paper, or that the ballot-paper received by him has been destroyed and that he has not already voted, the Returning Officer may issue a new ballot-paper to such voter.

Preferential Voting.

13. A voter shall mark his ballot-paper by placing the figure 1 opposite the name of the candidate for whom he votes as his first preference, and shall give contingent votes for all the remaining candidates by placing the figures 2, 3, and 4 (and so on as the case requires) opposite their names, so as to indicate by such numerical sequence the order of his preference.

Scrutineers.

14. Each candidate shall be entitled to appoint, in writing, one scrutineer to be present when the envelopes containing ballot-papers are being opened at the commencement of the scrutiny, and to remain during the scrutiny. Every scrutineer shall, before he acts as such, make and sign before the Returning Officer a like declaration to that which the Returning Officer and other officers employed in the conduct of the election are required to make and sign.

The Scrutiny.

15. The scrutiny shall not commence until after Four o'clock in the afternoon of the day of the election.
16. The Returning Officer, the Substitute Returning Officer, or any Poll Clerk duly appointed shall—
 - (a) produce unopened all envelopes containing ballot-papers received up to the time of closing the poll;
 - (b) examine each envelope, and if it is properly signed, and if it contains the necessary particulars thereon and otherwise complies with the provisions herein contained, accept the vote for further scrutiny;
 - (c) if an envelope is not properly signed or otherwise does not comply with the provisions herein contained, reject the vote without opening the envelope;
 - (d) place the unrejected envelopes on a table face downwards, so that the signatures of the voters shall not be visible;
 - (e) open each unrejected envelope, withdraw the ballot-paper contained therein, and, without inspecting the vote or permitting any other person to do so, deposit the ballot-paper in a ballot-box;
 - (f) when all unrejected envelopes have been opened and the ballot-papers withdrawn therefrom and deposited in the ballot-box, open the ballot-box and count the votes.

Adjournment of Scrutiny.

17. The Returning Officer may from time to time adjourn the scrutiny to a day and hour fixed by him and notified to the scrutineers.

Provisions of State Law to Operate.

18. Subject to the provisions contained herein, the election shall be conducted in accordance with the provisions of the law for the time being regulating elections for the Legislative Assembly, so far as they can be made applicable, *mutatis mutandis*.

Recounts.

19. At any time before the gazettal of the result of the election as hereinafter provided, the Returning Officer may, if he thinks fit, on the written request of any candidate setting forth the reasons for the request, or of his own motion, make a recount of the ballot-papers.

If the Returning Officer refuses on the request of a candidate to make a recount of the ballot-papers, the candidate may, in writing, appeal to the Minister to direct a recount, and the Minister may, as he thinks fit, either direct a recount or refuse to direct a recount.

Cases of Equal Voting.

20. If on any count two candidates have an equal number of votes, the Returning Officer shall decide by lot which candidate shall be declared defeated.

Publication of Results.

21. The Returning Officer shall prepare a statement showing the result of the election and the name of the candidate elected, and transmit the statement to the Minister, who shall notify such result in the *Government Gazette*.

Disposal of Ballot-papers, &c.

The Returning Officer shall, within a month after the publication of the result of the election in the *Government Gazette*, destroy all ballot-papers and envelopes used at such election.
