MALE APPRENTICES.

One male apprentice to every three or fraction of three adult male workers receiving not less than 253s. per week of 40 hours.

No. 718.—8329/55.—PART 3D.

MALE IMPROVERS.

Such numbers of improvers as shall not together with apprentices exceed, in the aggregate, one to every three or fraction of three adult male workers receiving not less than 253s. per week of 40 hours.

FEMALE APPRENTICES.

Fancy Goods Section.

Three female apprentices to every adult female worker receiving not less than 188s. per week of 40 hours.

All Other Sections.

One female apprentice to each adult female worker receiving not less than 188s. per week of 40 hours.

FEMALE IMPROVERS.

Fancy Goods Section.

Such number of improvers as shall not together with apprentices exceed, in the aggregate, three to each adult female worker receiving not less than 188s. per week of 40 hours.

All Other Sections.

Such number of improvers as shall not together with apprentices exceed, in the aggregate, one to each adult female worker receiving not less than 188s. per week of 40 hours.

(a) Except in the fancy goods section of the industry, the number of adult females or adult males respectively employed at any given time shall be deemed to be the weekly average number employed (exclusive of any female employees employed in the fancy goods section of the industry) during the immediately preceding period of twelve calendar months. For the purpose of ascertaining the proportion of improvers to male or female adults, there shall be a weekly count, and any union official making an inspection of the books to ascertain such proportion shall take the weekly average number of such male or female adults as the case may be, and the average number of male or female improvers employed during the week in which the inspection is made.

(b) Notwithstanding anything herein contained, juniors receiving the adult wage prescribed for the class of work being performed by them, shall be counted as adults in calculating the proportion of juniors but in calculating such wage, bonuses shall not be considered as part of the wage. Provided however that a junior classified by an employer as an adult shall thereafter continue to be so classified both in his present or future employment by the said employer and shall be entitled to the adult rate of payment prescribed by this Determination.
