Leave "

(a) When leave with pay is approved, the basis for determining the amount which may be granted shall be ascertained by crediting the officer with the following periods.

	Leave on full pay.	Leave on half pay.
At commencement of duty ..	16 days	16 days
On completion of two years' service and each year's service thereafter	8 days	8 days

(b) To determine the leave for which an officer is eligible at any time all leave granted during his service at rates of full pay and half pay respectively shall be deducted from the appropriate period ascertained under the provisions of the preceding paragraph.

(c) After deduction has been made as provided in the preceding paragraph the period remaining at each rate of pay shall be the amount of leave for which the officer is eligible:

Provided that, notwithstanding the amount of sick leave standing to the credit of any officer, continuous leave with pay shall not be granted for any period longer than fifty-two weeks inclusive of any recreation leave which may be granted. Where an officer has had fifty-two weeks continuous leave with pay, no further leave with pay shall be granted until such officer has completed a period of duty of not less than four weeks.

(d) For each week an officer is absent on leave with full pay the amount of leave on full pay standing to his credit shall be reduced by five days.

For each week an officer is absent on leave with half pay the amount of leave on half pay standing to his credit shall be reduced by five days notwithstanding that his pay is reduced to half pay for seven days.

Where the absence exceeds one or more weeks but does not extend to a further week the number of weeks shall be recorded as hereinbefore provided and the remaining days shall be debited as a period of less than a week.

When the period of leave granted to an officer with pay (whether full pay or half pay) does not extend to a week his appropriate credit shall, subject to the provisions of Regulation 33, be reduced by the number of days he would have been required to be on duty if he had not been absent on sick leave.

For the purposes of these Regulations, so far as they relate to sick leave, a week shall be deemed to be any period of seven consecutive days inclusive of Sunday.

(e) In these Regulations, so far as they relate to sick leave, "Service" means continuous service inclusive of any period of absence on leave, provided that, in determining at any time the amount of leave standing to the credit of an officer who has been absent on leave without pay (other than for the purpose of serving with the Commonwealth Defence Forces) continuously for a period extending beyond six months, such period as is in excess of six months shall not be counted as service.

32. (1) Where an officer whose normal working week is from Monday to Friday inclusive is absent through illness on a Saturday on which he is rostered to perform duty, such day shall not be deemed to be a day in which he is required to be on duty, and, in respect of such a day, no debit shall be made against his sick leave credit, but, in the case of any such absence, the Commissioners may require the production of a medical certificate.

(2) Where an officer whose normal working week is from Monday to Friday inclusive, is granted sick leave for a period which includes a period during which he would but for such sick leave have been rostered off duty in respect of duty performed by him on a Saturday morning, he shall after resuming duty from sick leave, be granted time off in lieu of any such duty performed before he commenced sick leave.

33. (1) A public holiday observed between the first and last days of a period of sick leave of an officer shall be regarded as part of the sick leave

(a) the Commissioners may require a medical certificate to be furnished with respect to any absence, and

(2) No leave shall be granted with pay on account of illness caused by the misconduct of the officer or in any case of absence from duty without sufficient cause. Where the Commissioners have occasion for doubt as to the cause of illness or the reason for absence, they shall before accepting a medical certificate refer such certificate to the Government Medical Officer for report.

(3) If the number of days which an officer is absent in any year without a medical certificate exceeds five days in the aggregate, the number of days absence in excess of five shall not be granted as sick leave, but shall be deducted from his annual recreation leave or be granted without pay.

35. If any officer in the discharge of his duty sustains bodily injury of such a nature as to incapacitate him for all duty, and the Commissioners are satisfied that such injury was not contributed to by negligence or misconduct of the officer, such officer shall, apart from any sick leave which may be standing to his credit, be granted leave on full pay during such incapacity less the amount paid by way of weekly compensation by the Commissioners' Insurance Brokers. Leave granted under the provision of this sub-regulation shall not be regarded as a debit against the officer and shall not exceed a continuous period of fifty-two weeks inclusive of any other leave which may be granted with pay.

36. (1) If any officer is certified by an approved Medical Officer to be suffering from Poliomyelitis, or the after effects thereof, and to be unfit for duty, leave of absence may be granted on the following terms, viz., six months on full pay and three months half pay. Any leave so granted in excess of the amount standing to his credit shall not be regarded as a debit against such officer and on his resumption of duty he shall be entitled to a total initial credit of not less than sixteen days on full pay and sixteen days on half pay; or

(2) If any officer is certified by an approved Medical Officer to be suffering from pulmonary tuberculosis and to be probably curable, leave of absence may be granted on the following terms, viz., six months on full pay and three months on half pay: Provided that such pay may be made conditional to the officer undergoing treatment in an approved sanatorium when so recommended by the approved Medical Officer. Any leave so granted in excess of the amount standing to his credit shall not be regarded as a debit against such officer. On his resumption of duty, such officer shall be entitled to a total initial credit of not less than sixteen days on full pay and sixteen days on half pay.

Leave of absence under this sub-regulation shall not be granted to any officer who is certified by an approved Medical Officer as having suffered from pulmonary tuberculosis prior to being accepted for employment in the Service.

(3) Every application for leave shall be made to the Commissioners through the officer in charge of the section in which the officer is employed.

(4) If any officer falls sick when on recreation leave and produces at the time satisfactory medical evidence, he may be granted, at a time convenient to the Commissioners, additional leave equivalent to the period of sickness falling within the scheduled period of recreation leave and the absence will be recorded as sick leave subject to sick leave credits, provided that, at the time of obtaining the medical certificate, the officer is confined to his home or place of residence and that the medical evidence indicates that he is so confined and that sick leave for not less than one week is needed.

(5) No officer shall be eligible for recreation leave until he has completed twelve months' service.

" Leave for Pension Review "

42. (1) Subject to the production of satisfactory evidence as to the necessity of the leave an officer who is an ex-serviceman or an ex-servicewoman, may be granted under Regulation 13, leave without pay, in one or more periods, and without deduction from recreation or sick leave credits, up to a maximum of two weeks in each year of service for any of the following reasons:—

43. (1) Every officer in the service who has served for ten years " Furlough " shall be entitled to be granted by the Commissioners three months' long service leave with pay in respect of that period of ten years' service, and a further three months' long service leave with pay on completion of 20 years' service but no part of such further three months shall accrue, or become due, until completion of such twenty years' service.

long service leave with pay on the basis of one-twentieth of six months' leave for each completed year.

(3) The Commissioners shall have discretion as to the time of granting any leave under this regulation so that the service will not be unduly affected by the granting of such leave to numbers of officers at or about the same time.

(4) Where on account of age or ill health an officer retires that officer may by notice in writing to the Commissioners elect to take pay in lieu of the whole or any part of any such leave to which he is entitled and the Commissioners shall grant him pay in lieu thereof accordingly.

(5) Where the appointment of any female officer is terminated on account of or in anticipation of marriage, she may by notice in writing to the Commissioners elect to take pay in lieu of the whole or any part of such leave and the Commissioners on her marriage or in such other special circumstances as the Commissioners in their discretion determine shall grant her pay in lieu thereof accordingly.

44. The pay which any officer shall be entitled in respect of any period of furlough shall be on the basis of the annual rate of pecuniary emoluments which were payable periodically and regularly to such officer immediately prior to the date of commencement of his furlough, and in respect of or incidental to his employment in the service and which he would have continued to receive in the normal course had he remained on duty during the period of his furlough, but such pay shall not include any payments which the officer was receiving for travelling allowances or for incidental expenses or any payment of a temporary character: Provided that where an officer whilst absent on furlough becomes eligible for and is granted an increment, the rate of emolument payable to him shall be increased by the amount of such increment as from and inclusive of the date from which it was granted.

" Pay in lieu of furlough "

45. Where an officer, or the legal personal representative of any deceased officer, is granted pay in lieu of the whole or part of any furlough to which such officer is or was entitled, the amount of pay shall be determined in accordance with the preceding regulation as if the period of furlough in respect of which pay is granted, commenced on the date of the retirement, the termination of the services or the death (as the case may be) of such officer, but no increase in such amount shall be payable in respect of any increment to which such officer would have been entitled during such period had he continued to be employed in the service.

(2) Notwithstanding anything contained in the foregoing where the higher duties allowance payable in accordance with this regulation would increase an officer's remuneration to a rate in excess of an annual standard salary of £970 the officer shall be paid such allowance as the Commissioners may determine.

(3) Where an officer temporarily occupies a higher position, but does not perform the whole of the duties usually performed by the holder of that position, he may be paid such allowance as the Commissioners may determine.
