FOSTER WATERWORKS TRUST.

RATING BY-LAW 1956.

THE Foster Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of One shilling and three pence in the pound on the annual municipal valuation of lands and tenements within the Foster Urban District.

Provided that in no case shall the amount payable per annum in respect of any tenement (other than land where there is no building) be less than Forty-two shillings, and in respect of any land on which there is no building less than Fifteen shillings per annum.

Such rate is made for the year commencing the 1st day of January, 1956, and shall be payable on the 30th day of April, 1956, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at the charge of One shilling and six pence per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling and six pence per 1,000 gallons.

The charge for water supplied by measure to any property not rated by the Trust is hereby fixed at One shilling and six pence per 1,000 gallons, and the minimum quantity of water to be charged for in cases where water is so supplied is hereby fixed at 42,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust.

Passed at a meeting of the Trust held on the 28th day of March, 1956.

(SEAL) J. DAVIES, Commissioner.
DOUGLAS M. DAVIS, Commissioner.
W. S. PEARL, Secretary.

Approved 24th April, 1956.—W. J. MIBUS, Minister of Water Supply.

HEATHCOTE WATERWORKS TRUST.

RATING BY-LAW FOR YEAR 1956.

THE Heathcote Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Two shillings and three pence in the pound on the annual municipal valuation of the lands and tenements liable to be rated within the Heathcote Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land upon which there is no building) be less than Forty-five shillings and in respect of any land on which there is no building less than Fifteen shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1956, and ending on the 31st day of December, 1956, and shall be payable on the 15th day of May, 1956, at the office of the Trust, High-street, Heathcote.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of Two shillings per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the preceding clause, is hereby fixed at Two shillings per 1,000 gallons.

The charge for water supplied by the Trust by measure shall be payable, on demand, at the office of the Trust.

Passed this 13th day of April, 1956.

REGULATIONS.

IN pursuance of the powers conferred by the Weights and Measures Acts, His Excellency the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, doth make the Regulations following (that is to say):—

The Weights and Measures Regulations 1952 as amended are hereby further amended as follows:—

1. Regulation 8 is hereby revoked and the following expression is substituted therefor:—

“ 8. Local standards of weight shall be verified at the office of the Superintendent at intervals not exceeding two years.

Provided that the Superintendent, in any case where the local standards of weight are reserved exclusively for the verification of working standards of weight, may if he thinks fit give written authority for the extension of such intervals to a total of not more than five years.”

2. Paragraph (b) of Regulation 11 is hereby revoked and the following expression is substituted therefor:—

“ (b) On and after the first day of January, 1957, no beam-scale shall be used by an inspector employed by any local authority, in the verification or inspection of weights, unless the Superintendent has certified that such beam-scale has been verified within the immediately preceding period of two years and has been found suitable for such purpose.”

3. Paragraph (d) of Regulation 19 is hereby revoked and the following expression is substituted therefor:—

“ (d) after a period of five years from the date of these Regulations, any instrument which is not of a pattern approved under section 32 of the Acts or Regulations 25 and 26 hereof, unless such instrument has been previously verified under the Acts or under any corresponding enactment before the operation of the Acts.”

4. Paragraph (h) of Regulations 82 is hereby revoked and the following expression is substituted therefor:—

“ (h) have the graduations on any steelyard, dial or quadrant fine, sharp and distinctive straight lines of which, unless otherwise approved, there shall be not more than sixteen to the inch, and have the principal subdivisions marked by longer graduations.

Provided that any weighing instrument with not more than twenty-four such graduations to the inch, which has been in use prior to the date of these Regulations, may be verified until ten years after that date if, in the opinion of the inspector, the weight indications can be clearly read.”

5. The word “and” at the end of paragraph (3) of proviso (ii) to paragraph (o) of Regulation 82 is hereby revoked and the following expression is hereby added to such proviso:—

“ (5) on a self-indicating weighing instrument, cause the pointer or other indicating device to move from rest to an appreciably different position; and ”.

6. The word "and" at the end of proviso (v) to paragraph (p) of Regulation 82 is hereby revoked, the full stop at the end of proviso (vi) to such paragraph is hereby revoked and the expression "; and" is substituted therefor and the following additional proviso is added to such paragraph:—

"(vii) a mechanical stirring device may be operated on any weighing instrument which is being used for weighing milk which is sold by wholesale and the price of which is based on determinations of the butterfat content of the milk, if the use of such device does not cause an error exceeding one pound, in excess or deficiency, in any such weighing."

7. In paragraph (a) of Regulation 99—

(a) The expression "Over 60 lb. and not over 100 lb." is hereby revoked and the expression "Over 60 lb. and under 100 lb." is substituted therefor; and

(b) The expression "Over 100 lb." is hereby revoked and the expression "100 lb. and over" is substituted therefor.

8. In Regulation 119, the expression "(a)" is hereby inserted between the expressions "119." and "The weight" and the following expression is hereby added at the end of such Regulation:—

"(b) On any self-indicating or ticket-printing platform weighing machine or self-indicating or ticket-printing weighbridge not stamped with a mark of verification before the first day of June, 1957, the maximum weight corresponding to the interval between successive graduations or between successive quantities which can be recorded on a ticket-printing instrument (as the case may be) shall be in accordance with the following Table:—

Capacity of Instrument.	Maximum Weight.
Less than 56 lb.	1 oz.
Not less than 56 lb., but less than 1 cwt.	2 oz.
Not less than 1 cwt., but less than 2 cwt.	4 oz.
Not less than 2 cwt., but not over 5 cwt.	8 oz.
Over 5 cwt., but not over 10 cwt.	1 lb.
Over 10 cwt., but not over 1 ton	2 lb.
Over 1 ton, but not over 2 tons	4 lb.
Over 2 tons, but not over 5 tons	7 lb.
Over 5 tons, but not over 20 tons	14 lb.
Over 20 tons, but not over 40 tons	28 lb.
Over 40 tons, but not over 75 tons	56 lb.
Over 75 tons	1 cwt.

Provided that such maximum weights may be increased—

(a) on instruments used only for the determination of freight charges, to twice those specified in the above Table; and

(b) as determined by the Superintendent, if he thinks fit, on instruments which are of approved pattern and are used only for weighing commodities specified by the Superintendent."

9. Regulation 142 is hereby revoked and the following expression is substituted therefor:—

142. (a) Liquid-measuring instruments shall be classed as "wholesale" if such instruments either—

- (i) are intended only for individual deliveries of not less than forty-four gallons; or
- (ii) are capable of delivering liquid at a rate exceeding twenty gallons per minute.

(b) Liquid-measuring instruments not classified as "wholesale" shall be classified as "retail".

10. In paragraph (a) of Regulation 151, the word "retail" is hereby inserted between the word "No" and the expression "liquid-measuring instrument".

11. In Regulation 154 as amended, the word "retail" is hereby inserted between the word "Every" and the expression "liquid-measuring instrument".

12. The following expression is hereby added at the end of Regulation 156:—

“ Provided that this Regulation shall not prohibit the approval of the pattern of a flow-meter intended only for the sale by retail of lubricants for motor vehicles and having the indicating elements capable of passing through the zero position (with continued delivery of liquid) after a quantity of liquid corresponding with the maximum movement of the indicating elements has been delivered if—

- (i) such flow-meter indicates clearly and definitely the initial zero condition;
- (ii) in the case of an instrument intended only for measuring lubricants for use in differentials or gear boxes, such instrument is capable of delivering at least one gallon before the indicating elements again pass through the zero position; and
- (iii) in the case of an instrument intended for measuring lubricants other than for differentials or gear boxes, such instrument is capable of delivering at least two and one-half gallons before the indicating elements again pass through the zero position.”

13. The following expression is hereby added at the end of Regulation 165:—

“ Provided that paragraph (d) of this Regulation shall not prohibit the approval of the pattern of an instrument of the flow-meter type, having fitted to it means of recording the total volume of liquid passed through such instrument.”

14. In Regulation 176, the expression “(unless a direction to the contrary is given by the Superintendent)” is hereby inserted between the words “draft” and “shall”.

15. Sub-paragraph (xix) of paragraph (a) of Regulation 187 is hereby revoked and the expression “(xix) wholesale liquid-measuring instruments” is substituted therefor.

16. The following expression is hereby added at the end of Regulation 188:—

- “ (e) Any liquid measure which is used in the measurement of petroleum products and the capacity of which is certified pursuant to any Commonwealth Act providing for excise or customs duty shall be exempted from verification.”

17. Paragraph (g) of Regulation 195 is hereby revoked and the following expression is substituted therefor:—

- “ (g) if a certificate issued under Regulation 26 hereof—
- (i) limits the trades in or purposes for which a weight, measure or instrument of a specified pattern may be used, use such weight, measure or instrument in any other trade or for any other purpose; or
 - (ii) provides that an instrument shall be marked ‘FOR FACTORY USE ONLY’ or ‘FOR PRE-PACKAGING ONLY’, use such instrument for weighing or measuring any goods in the presence of the purchaser;”.

18. Paragraph (b) of Regulation 209 is hereby revoked and the following expression is substituted therefor:—

- “ (b) Except where otherwise specifically provided in Regulations 211 and 220 of these Regulations, Regulations 209 to 221 inclusive of these Regulations shall apply within the municipalities and portions thereof within which the provisions of Division 3 of Part V. of the Acts for the time being apply.”

19. In Regulation 211, the expression “(a)” is hereby inserted between the expressions “211.” and “Every seller” and the following expression is hereby added to such Regulation:—

- “ (b) Coke when sold in any part of Victoria whatsoever may be sold by approximate weight in full sacks each containing approximately but not less than the net approximate weight stated on a ticket issued pursuant to subsection (3) of section 83 of the Acts.”

20. The following expression is hereby added to Regulation 220:—

“Provided that, in any case to which the conditions of paragraph (b) of Regulation 211 of these Regulations apply, the net approximate weight of coke may be written on such ticket instead of the net weight of such coke.”

21. The following proviso is hereby added to paragraph (b) of Regulation 238 of these Regulations:—

“Provided that application may be made by any Government Department or by the Town Clerk or Shire Secretary of any municipality which is the owner of a public weighbridge, for the renewal of the licence of a person previously licensed as a weighman and employed as such by such Government Department or municipality.”

22. In paragraph (l) of Regulation 242, the expression “one shilling” is hereby revoked and the expression “not more than two shillings and sixpence” is substituted therefor.

23. In the second proviso to Regulation 243, the word “reasonable” is hereby revoked and the word “reasonably” is substituted therefor.

24. Paragraph (a) of Regulation 258 is hereby revoked and the following expression is substituted therefor:—

“(a) In all cases where earth, sand or ballast is sold or is carried for sale on any vehicle, the seller or intending seller shall cause the correct weight or measure (as the case may be) and a description of the earth, sand or ballast to be clearly stated on a ticket bearing the name and address of the seller or intending seller and shall cause such ticket to be handed to the purchaser at the time of delivery of such earth, sand or ballast.”

25. Paragraph (a) of Regulation 259 is hereby revoked and the following expression is substituted therefor:—

“(a) The capacity of any receptacle used for the determination for trade of a quantity of earth, sand or ballast by cubic measurement, whether or not such receptacle is fitted to or forms part of any vehicle, shall be determined by an inspector in terms of cubic yards.”

26. Paragraph (e) of Regulation 259 is hereby revoked and the following expression is substituted therefor:—

“(e) An inspector shall not stamp with a mark of verification and shall not issue a certificate in respect of any receptacle which is likely to change in volume or to allow earth, sand or ballast to escape therefrom to the detriment of the purchaser.”

27. Paragraph (f) of Regulation 259 is hereby revoked and the following expression is substituted therefor:—

“(f) An inspector shall retain his records of the dimensions of any receptacle which he stamps with a mark of verification or in respect of which he issues a certificate in accordance with paragraph (d) of this Regulation, for at least two years or until the receptacle is re-verified (whichever is the earlier).”

28. In Table 1 of Part XXIV., the following expression is hereby inserted after that portion of the Table relating to “Length” immediately before the expression “*Avoirdupois Weights*”:—

“Provided that the tolerances in excess or deficiency, on fabric tapes used only in the verification of fabric-measuring instruments shall be 1/32 inch per yard”.

29. In that portion of Table 3 of Part XXIV. relating to “BEAM-SCALES,” the expression “at any Load up to the Full Capacity” is hereby revoked.

30. In that portion of Table 3 of Part XXIV. relating to “COUNTER SCALES, OTHER THAN DISPENSING SCALES,” the expression “at any Load up to the Full Capacity” is hereby revoked.

31. In that portion of Table 3 of Part XXIV. relating to “SPRING BALANCES,” the expression “at any load up to the Full Capacity” is hereby revoked.

32. In Table 3 of Part XXIV., that portion of the Table relating to "SELF-INDICATING COUNTER MACHINES," is hereby revoked and the following expression is substituted therefor:—

"SELF-INDICATING COUNTER MACHINES.

Over 1 cwt. ..		8 drams per cwt.	1 oz. per cwt.

The tolerances both in sensitiveness reciprocal and in excess or deficiency shall be as shown under 'A' or 'B', whichever are the less.

Provided that—

- (i) in the case of any partly self-indicating instrument of approved pattern, in which the range of the self-indicating part of the instrument is not more than one-fiftieth of the capacity of the instrument and in which the tolerance 'B' in sensitiveness reciprocal or in excess or deficiency is less than the tolerance 'A', the Superintendent if he thinks fit may determine that the tolerance 'A' shall apply to weighings made in the range of the self-indicating part of such instrument;
- (ii) the tolerances on verification on every self-indicating counter machine in use before the date of these Regulations shall, until ten years after that date, be one and one-half times those specified in this Table; and
- (iii) the tolerances on verification on every self-indicating counter machine used only for determining freight charges shall be twice those specified in this Table."

33. That portion of Table 3 of Part XXIV. relating to "CRANE WEIGHING MACHINES (CAPACITY UNDER TWO TONS), WALL BEAMS, DEAD-WEIGHT MACHINES, PLATFORM WEIGHING MACHINES AND OVERHEAD WEIGHING MACHINES," is hereby revoked and the following expression is substituted therefor:—

"CRANE WEIGHING MACHINES (CAPACITY UNDER TWO TONS), WALL BEAMS, DEAD-WEIGHT MACHINES, PLATFORM WEIGHING MACHINES AND OVERHEAD WEIGHING MACHINES.

* On any instrument in which the smallest interval between successive graduations on the weight-indicating scale represents less than twice the tolerance in sensitiveness reciprocal or in excess or deficiency herein prescribed, a tolerance equal to the weight represented by one-half of such interval shall be applied in lieu of the tolerance herein prescribed.

In these tests the load shall be distributed on the platform (if any).

Provided that the tolerances on verification on crane weighing machines (other than spring crane weighing machines) used only for ascertaining freight charges or other approved purpose shall be one and one-half times those specified in this Table.

Provided also that the tolerances on verification on spring crane weighing machines (whether or not used only for ascertaining freight charges) shall be twice those specified in this Table.

Provided also that, for ten years after the date of these Regulations, the tolerances on verification on any platform weighing machine which was in use before such date and is used only for ascertaining freight charges shall be one and one-half times those specified in this Table.

Provided also that, if any platform weighing machine is clearly and prominently stamped 'COAL' or 'FUEL' the tolerances on verification on such platform weighing machine shall be twice those specified in this Table."

34. That portion of Table 3 of Part XXIV. relating to "CRANE WEIGHING MACHINES (CAPACITY OF TWO TONS AND OVER) AND WEIGHBRIDGES" is hereby revoked and the following expression is substituted therefor:—

"CRANE WEIGHING MACHINES (CAPACITY OF TWO TONS AND OVER) AND WEIGHBRIDGES.

Tolerance on verification in weight required to bring back the shank of the steel-yard from its position of greatest displacement (accelerating instruments)	4	7	12	17	22	27	32	32 lb. plus ½ lb. per ton over 30 tons
Tolerance on verification in sensitiveness reciprocal (self-indicating instruments)	*4	*8	*10	*12½	*15	*17½	*20	*20 lb. plus ½ lb. per ton over 30 tons
Tolerance on verification in excess or deficiency (self-indicating instruments)	*4	*10	*20	*25	*30	*35	*40	*40 lb. plus 1 lb. per ton over 30 tons

* On any instrument in which the smallest interval between successive graduations on the weight-indicating scale represents less than twice the tolerance in sensitiveness reciprocal or in excess or deficiency herein prescribed, a tolerance equal to the weight represented by one-half of such interval shall be applied in lieu of the tolerance herein prescribed.

In these tests, the load shall be distributed on the platform (if any).

Provided that the tolerances on verification on crane weighing machines (other than spring crane weighing machines) used only for ascertaining freight charges or other approved purposes shall be one and one-half times those specified in this Table.

Provided also that the tolerances on verification on spring crane weighing machines (whether or not used only for ascertaining freight charges) shall be twice those specified in this Table.

Provided also that, for ten years after the date of these Regulations, the tolerances on any weighbridge which was in use before such date and is used only for ascertaining freight charges shall be one and one-half times those specified in this Table.

Provided also that, if any weighbridge is clearly and prominently stamped 'COAL' or 'FUEL', the tolerances on verification on such weighbridge shall be twice those specified in this Table."

35. In that portion of Table 3 of Part XXIV. relating to "BABY-WEIGHING SCALES." the expression "at any Load up to the Full Capacity" is hereby revoked.

36. In that portion of Table 3 of Part XXIV. relating to "LIQUID-MEASURING INSTRUMENTS.", the following expression is hereby revoked:—

"On retail liquid-measuring instruments the tolerance, on verification, in excess only, shall be—

As approved, but not exceeding 5 per centum, for less than $\frac{1}{2}$ gallon

1 fluid ounce for $\frac{1}{2}$ gallon

1 $\frac{1}{2}$ fluid ounces for 1 gallon

plus $\frac{1}{2}$ fluid ounce for each gallon over 1 gallon."

and the following expression is substituted therefor:—

"On retail liquid-measuring instruments, the tolerance, on verification, in excess only shall be—

Quantity Indicated.	Tolerance.
$\frac{1}{2}$ pint	2 fl. dr.
1, $1\frac{1}{2}$ pints	3 fl. dr.

Mr. McArthur

REGULATIONS.—AMENDMENT No. 5.

IN pursuance of the powers conferred by the Motor Car Acts and all other powers him thereunto enabling, His Excellency the Governor of the State of Victoria in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, doth hereby amend the Motor Car Regulations 1952 as follows (that is to say):—

1. In clauses 21 and 22, after the words "motor car" (wherever occurring), there shall be inserted the words "or trailer".

2. Clause 155 is hereby revoked and the following clause substituted therefor:—

"155. (1) Every motor car used for the carriage of passengers for hire or reward and every motor car used for the carriage of goods for hire or reward or in the course of trade and every trailer used for the carriage of goods for hire or reward or in the course of trade shall have—

Tare and maximum gross weight to be shown on certain vehicles.

(a) the word 'GROSS' followed by the maximum weight (as shown in the certificate of registration of such motor car or trailer) of the motor car or trailer (as the case may be) and of the load that may be carried thereon; and

(b) the word 'TARE' followed by the weight of such motor car or trailer (as the case may be) when unladen—

painted in letters and figures at least 2 inches in height and of proportionate breadth and in clear contrast with the background on the right side of such motor car or trailer or on a plate of metal or wood or other material attached to the right side of such motor car or trailer and displayed and maintained so as to be clearly visible and legible at a distance of 15 feet. In the case of any motor car used for the carriage of goods for hire or reward or in the course of trade of which the load capacity as shown in the certificate of registration of such motor car is greater than 2 tons, if there is a door on the right side of such motor car, such letters and figures shall be painted on or such plate shall be attached to such door.

Provided that this sub-clause shall not apply to any motor car licensed under the *Transport Regulation Act* 1955 for the carriage of not more than eight passengers for hire or reward.

(2) Every motor car used for the carriage of goods for hire or reward or in the course of trade of which the load capacity as shown in the certificate of registration of such motor car is greater than 2 tons shall have the correct name and address of the owner of such motor car painted on the right side thereof, in letters and figures at least 2 inches in height and of a proportionate breadth and in clear contrast with the background and displayed and maintained so as to be clearly visible and legible at a distance of 15 feet. If there is a door on the right side of such motor car, such letters and figures shall be painted on such door.

Name and address of owner on certain vehicles.

(3) Every person who uses or drives or causes to be used or driven on any highway any motor car or trailer to which this clause applies and on which—

(a) letters and figures are not painted, displayed and maintained as required by sub-clauses (1) and (2) of this clause; or

(b) letters and figures purporting to indicate the 'gross' or 'tare' weight specified by sub-clause (1) of this clause or the name and address specified by sub-clause (2) of this clause are painted or displayed but are not correct—

shall be guilty of an offence."

3. In clause 176—

- (a) for the expression "176. No person", there shall be substituted the expression "176. (1) No person"; and
- (b) at the end of the clause there shall be added the following sub-clause:—

(2) No driver of any motor car shall permit any person to be carried between himself and the right side of such motor car: Provided that this sub-clause shall not apply to any motor car prescribed in either of the provisos to clause 97 of these Regulations.

4. After clause 193 there shall be inserted the following new clause:—

Driver's
Log Book.

"193A. (1) The owner of every motor car used for the carriage of passengers for hire or reward or for the carriage of goods for hire or reward or in the course of trade shall supply to every driver of such motor car in his employ a book to be known as a 'Driver's Log Book' which shall contain forms securely bound, numbered serially in duplicate, and printed and ruled in the form or to the effect of the form contained in the Sixty-fourth Schedule.

(2) Every driver of any such motor car (whether or not he is the owner or part owner thereof) shall record in a Driver's Log Book, and the owner of such motor car shall cause to be so recorded, all the particulars required to be recorded in such Driver's Log Book. Every particular in respect of times of starting and ceasing work and periods of rest therefrom shall be written in the Driver's Log Book at the time and place of such starting, ceasing or period (as the case may be).

(3) On the first day after the completion of each weekly pay period or as soon thereafter as is practicable every driver of such a motor car shall produce the Driver's Log Book used by him for the purposes of this clause in respect of such period to the owner of such motor car or his agent, who shall remove from the Driver's Log Book one copy of each sheet so used by such driver during the said period.

(4) During the period of six months next succeeding the date on which any record is made by a driver in a Driver's Log Book, such driver shall retain in the Driver's Log Book the second or duplicate copy of every sheet on which such record has been made and the owner of the motor car shall retain in chronological order at his place of business from which the motor car normally operates every sheet which he has obtained from such Driver's Log Book in respect of such record. Every such driver and every such owner shall, on demand made by any member of the Police Force, or any Inspector under the *Labour and Industry Act 1953*, or any person authorized in that behalf in writing (either generally or in any particular case) by the Transport Regulation Board or the Country Roads Board, make available every such record for inspection.

(5) Notwithstanding anything in this clause, it shall be sufficient compliance with the requirements thereof if, in the case of any driver of any motor car used for the carriage of goods for hire or reward or in the course of trade whose duties do not at any time require him to be absent from the place of business of the owner of the motor car from which it normally operates for any period of more than eleven hours or to be at a greater distance therefrom than 50 miles, the owner of the motor car at such place of business maintains such records of the driver's hours of employment as are required under the *Labour and Industry Act 1953*.

(6) Any person who fails to comply with the provisions of this clause shall be guilty of an offence against these Regulations."

5. In the Fourth Schedule—

- (a) after the item "Name of builder or manufacturer" there shall be inserted the following items:—
- "Year of manufacture.
Model number";

(b) after the item "Colour of wheels" there shall be inserted the following items:—

- "Number of axles.
- Number of axles with single wheels.
- Number of axles with dual wheels.
- If the trailer has two axles, the distance between the centre lines of the axles";

(c) after the item "Type of tires" there shall be inserted the following items:—

- "Size of tires.
- Ply or tires"; and

(d) after the item "Weight of trailer . . . tons . . . cwt. . . . qrs. . . . lb." there shall be inserted the item "Load capacity as specified by maker."

6. In the Tenth Schedule—

- (a) for the words "Transport Regulation Acts" there shall be substituted the expression "*Transport Regulation Act 1955*"; and
- (b) for the expression "Part II. of the *Transport Regulation Act 1933*" there shall be substituted the words "that Act."

7. In the Thirteenth Schedule—

- (a) after the item "Type of tires" there shall be inserted the item "Size of tires"; and
- (b) for the item "Weight" there shall be substituted the items—
 - "Weight of trailer (unladen) . . . cwt.
 - Load capacity of trailer as approved by the Chief Commissioner of Police . . . cwt.
 - Maximum permissible weight of trailer and load (subject to the restrictions contained in clause 32 of the *Motor Car Act 1951*) . . . cwt."

8. After the Sixty-third Schedule there shall be inserted the following new Schedule:—

(e) Cause such receptacle to be continuously covered save when refuse or rubbish is being deposited therein or discharged therefrom.

5. No person shall deposit or cause to be deposited any wet refuse or rubbish, ashes, flowers or garden clippings in any receptacle.

6. Every occupier of premises shall on the morning of the day appointed by the Council for the collection of refuse or rubbish place the covered receptacle at or near the entrance to the premises where the same may be easily picked up and emptied by the contractor.

7. The occupier of any premises desirous of disposing of any indestructible rubbish or waste material not permitted to be placed in refuse or rubbish receptacle may cause the same to be carted to a tip approved of and defined by the Council from time to time and disposed of thereat in the manner required by notice exhibited at such tip or by such other means as the Council or its authorized officer may direct, provided that no timber, box, cardboard, carton, paper, hedge clippings or other inflammable material shall be so disposed of.

8. Before any motor-car body or chassis or other bulky article having a volume of more than 2 cubic feet is disposed of at the tip such article shall be reduced to a reasonable size by cutting or flattening so that it will pack firmly and take up a minimum of space.

9. No person except the Council's garbage contractor shall unless with the permission of the Council or its authorized officer deposit or cause to be deposited at the tip any waste foodstuff, trade waste or other putrescible matter and where such permission has been so obtained such person upon depositing such matter shall immediately cause the same to be covered with sufficient soil to prevent any nuisance arising therefrom as the Council's authorized officer shall direct.

10. No person shall without the consent of the Council or its authorized officer enter upon a site enclosed as a tip except for the purpose of depositing rubbish therein.

11. No person shall light any fire within the site of the tip.

12. Every person lawfully entering any tip site shall upon leaving see that the gates are effectively closed.

13. No person shall deposit or leave any refuse or rubbish on any land, road, street, lane or passage.

14. No person shall permit any cattle to enter or graze upon the site of any tip.

15. Any person committing a breach of this By-law shall for every such breach be liable to a penalty not exceeding Five pounds and in the case of a continuing offence to a further penalty not exceeding Two pounds.

16. This By-law shall come into operation upon its publication in the *Victoria Government Gazette*.

SHIRE OF MARONG.

TAKE notice that the Council of the Shire of Marong intends to make application to the Governor in Council for a licence to close unused road between C.A.'s 3b2, sections 16 and 5A, 5B, section 17, in the Parish of Yarraberb, for a period of ten years from date of granting such licence. The present licensee of the closed road is L. Nankivell. It is intended to insert special provisions in the licence requiring the erection of unlocked swing gate and a cattle ramp at the northern end of the road to be closed.

The reason for closing the road is that it has been a closed road for over 50 years, and by taking action to have it closed for a period of ten years under section 553 of the *Local Government Act 1946*, a cattle pit can be placed thereon, thus providing ready and easy access to the few people who may desire to use same.

By order of the Council,
6839 ROSS M. GRAHAM, Shire Secretary.

SHIRE OF MIRBOO.

NOTICE OF INTENTION TO BORROW MONEY.

NOTICE is hereby given that the Council of the Shire of Mirboo propose borrow on the credit of the President, Councillors and Ratepayers of the said shire the sum of Three thousand three hundred pounds, such sum to be raised by the issue of debentures in accordance with the provisions of the *Local Government Act 1946*

It is further proposed that—

1. The rate of interest to be named in such debentures shall be Five pounds per centum per annum.
2. The interest thereon shall be payable half yearly on the 1st day of December and the 1st day of June, at the National Bank of Australasia Limited, Melbourne.
3. The moneys borrowed shall be re-payable at the National Bank of Australasia Limited, Melbourne, by half-yearly instalments, on the 1st day of December and the 1st day of June.
4. The loan is to be liquidated by a provision out of the Revenue Account of £315 6s. 8d. each year during the currency of the loan.
5. The loan is to be expended in the purchase of a weatherboard residence situated in Baromi-road, Mirboo North.

Dated at Mirboo North this 11th day of April, 1956.
6831 G. J. MORTON, Shire Secretary.

SHIRE OF WANNON.
By-Law No. 32.

A By-law of the Shire of Wannon made under the provisions of sections 197 and 545 of the *Local Government Act 1946*, for regulating conditions under which cattle may be driven on to any road for the purpose of grazing thereon with the Council's consent.

IN pursuance of the powers conferred by the *Local Government Act 1946*, the President, Councillors, and Ratepayers of the Shire of Wannon, order as follows:—

1. By-law number 13 of the Shire of Wannon is hereby repealed.
2. (a) Except where otherwise provided this By-law shall apply within the whole of the municipality of the Shire of Wannon.
(b) The "Council" shall be deemed to be the Council of the Shire of Wannon wherever appearing in this By-law.
3. Any ratepayer of the Shire of Wannon or any resident householder within the Shire of Wannon who is the owner of cattle may make application to the Council of the Shire of Wannon to register a number not exceeding two head of cattle being dairy cows only in each of the quarters of the year provided in clause 6 hereof to graze such cattle on the streets, roads, and reserves within the boundaries and under the care and management of the Shire of Wannon subject to the provisions hereof.
4. The application for the registration of such cattle to graze shall be in the form in the schedule hereto and shall be signed by the applicant who shall make a declaration of the bona fides of his ownership of the cattle sought to be registered. The applicant shall specify (*inter alia*) particulars, descriptions, earmarks, brands, apparent marks and brands and age of the cattle he desires to be registered.
5. The application for the registration to graze cattle shall be submitted to the Council for consideration, which shall grant or refuse a permit.
(a) The Council may refuse to grant a permit without giving any reasons for its decision.
(b) If the Council shall approve of the application to register cattle to graze the Council shall issue a permit in the form to be approved by the Council to the applicant.
(c) The Council shall not approve any application in which the applicant has not satisfied the conditions laid down in this By-law or any other By-law or amendment thereto.
(d) The Council may approve of the application to graze cattle with or without any amendments thereto and the Council shall at all times have

the discretion as to the number of cattle which each applicant shall be entitled to register to graze under this By-law and the Council shall also have the discretion to decide upon what streets, roads, and reserves the applicant may graze the registered cattle from time to time and may vary the numbers of cattle permitted to graze during any quarter of the year, and the streets, roads, and reserves upon which such cattle may be grazed.

6. The fee or charge for grazing such registered cattle payable by the applicant shall be at the rate of One shilling for each head of cattle per week per quarter or such other amount as shall be fixed from time to time by Resolution of the Council; the fee or charge shall be payable quarterly in advance to the herdsman of the Council. The quarters shall begin on the 1st day of each of the months of October, January, April, and July in each year. If a permit to graze cattle shall be granted during the currency of any quarter the fees or charges payable shall be apportioned according to the unexpired portion of the quarter but not less than one month's fees shall be payable in any such case.

7. No person shall graze or allow to graze any cattle which are not registered pursuant to this By-law and upon which the fee chargeable has not been paid, and any such cattle found upon any street, road or reserve within the boundaries of the Shire of Wannon may be impounded by the Council's herdsman.

8. The permit to graze cattle shall be limited to the hours between sunrise and sunset and any cattle found grazing upon any street, road, or reserve between the hours of sunset and sunrise whether registered or not may be impounded by the Council's herdsman.

9. No person shall drive or permit or cause to be driven or allow any cattle onto any State Highway within the meaning of the Country Roads Acts for the purpose of grazing. Any cattle found grazing upon any State Highway as aforesaid whether registered or not may be impounded by the Council's herdsman.

10. The Council shall not in any circumstances be liable for any loss by theft or death, or for any injury or damage to or the straying of any cattle, or for any injury or damage to persons or property caused by any cattle grazing under a permit issued by the Council, nor for the supply of a sufficiency of grass or water, and the permit to graze shall be applied for and obtained strictly subject to this condition, and the applicant shall in his application to register cattle to graze agree to keep the President, Councillors, and Ratepayers of the Shire of Wannon indemnified against any claims, demands, accounts, actions, or damages which may result from either directly or indirectly the grazing of the applicant's cattle on any streets, roads, or reserves within the boundaries of the Shire of Wannon.

11. No application to register cattle which are not the bona fide property of the applicant shall be approved by the Council and every applicant shall make a statutory declaration in the application to the effect that the cattle are the bona fide property of the applicant.

12. Every person to whom a permit shall be issued under this By-law shall obtain from the Council's herdsman at a price to be fixed from time to time by Resolution of the Council a tag for each head of cattle registered bearing the licence number of the cattle so registered and shall affix and at all times keep affixed the same around the neck of each of the cattle so licensed under this By-law, and any cattle found on any street, road, or reserve without the Council's tag affixed shall be deemed to be not properly registered.

13. Upon any cattle ceasing to be licensed to graze under this By-law the licensee shall return to the Council the tag or tags issued in respect of such cattle or shall pay to the Council the price thereof fixed as aforesaid. Any tag lost during the currency of the permit shall be replaced by another similar tag to be purchased by the licensee from the Council at a like price.

14. If the tag has previous to the passing of this By-law been issued by the Council to any applicant such tag must be returned or its loss satisfactorily accounted for as a condition precedent to the registration of any cattle by such applicant.

15. Nothing in this By-law shall prevent the operation of section 17 of the *Police Offences Act 1928*, and any amendments thereto, nor shall the Council be responsible or accountable in any way to the owner of any cattle registered under this By-law for any penalty incurred by such owner under such section, or for the impounding of any cattle registered under this By-law by the owner or occupier of property abutting upon any street, road, or reserve, or by any other person.

16. A registered owner of cattle shall acquaint the herdsman of the fact of the sale or death or withdrawal of any registered cattle, and in the case of sale of the name and address of the purchaser. The Council shall have the power to terminate the permission to graze any cattle of the applicant at the end of any current quarter if reported by the herdsman to be suffering from any form of complaint or disease or if feed or water shall become scarce or insufficient.

17. No person shall be permitted to graze any animals of whatsoever nature on any streets, roads, or reserves within the boundaries of the Shire of Wannan except as in this By-law or in any other By-law or Regulation of the Shire of Wannan provided.

18. Where any animal of whatsoever nature whether or not registered, pursuant to this By-law dies upon any street, road, or reserve, the owner of such animal shall at his own expense remove or cause to be removed the same from such street, road, or reserve within 24 hours of the death of the animal.

19. This By-law shall not apply to the Queen's Park Reserve and the Reservoir Paddock Reserve in and adjoining the Township of Coleraine.

SCHEDULE REFERRED TO.

I, _____ of _____ hereby apply to the Council of the Shire of Wannan for permission to graze upon a street, road or reserve under the Council's care and management, and in pursuance and in terms of the foregoing By-law, the following cattle, and I hereby agree to absolve the President, Councillors and Ratepayers of the Shire of Wannan from any liability for any loss or damage to such cattle while grazing, and hereby agree to keep the President, Councillors and Ratepayers of the Shire of Wannan indemnified against all claims, accounts, actions, demands and damages which may result from the grazing of the said cattle on any streets, roads or reserves within the boundaries of the Shire of Wannan, and I solemnly and sincerely declare that I am the bona fide owner of the cattle specified in Column 2 hereunder and I am not acting as the agent or servant of any other person in applying for registration of such cattle—

COLUMN 1. Name of Applicant applying to Register	COLUMN 2. Particulars of cattle sought to be registered	COLUMN 3. Descriptions, brands, earmarks or other marks of such cattle

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of an Act of the Parliament of Victoria rendering persons making false declarations punishable for wilful and corrupt perjury.

Declared at _____ in the State of Victoria by the said _____ this _____ day of _____ 19.. _____ day of _____ Before me _____ A Justice of the Peace in and for the _____ Bailiwick of Victoria.

Resolution for passing this By-law agreed to by the Council of the Shire of Wannan this 13th day of February, 1956, and confirmed on the 9th day of April, 1956.
