Vegetation Diseases (Fruit Fly) Act 1947 (No. 5258).
DECLARING A PROCLAIMED AREA.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by section 3 of the *Vegetation Diseases (Fruit Fly) Act 1947 (No. 5258)*, it is provided that, where the Governor in Council is of opinion that it is necessary to protect the fruit industry against the introduction or spread of the insects of the family *Trypetidae* (commonly known as fruit flies), he may by Proclamation declare any portion of Victoria specified therein to be a proclaimed area, and prohibit the planting on any land in the proclaimed area of any plant or vegetable specified, and prohibit the removal from any property within the proclaimed area to any other property within the area and from any place in the proclaimed area to any place outside the area of any fruit or vegetable, and require occupiers and owners of land in the proclaimed area to take such action for the eradication or prevention of the spread of fruit fly as is specified in the Proclamation: Now, therefore, I, the Governor of the State of Victoria in the Commonwealth of Australia, being of opinion that it is necessary to protect the fruit industry of Victoria against the introduction or spread of the insects of the family *Trypetidae* (commonly known as fruit flies), and by and with the advice of the Executive Council of the said State, do by this my Proclamation hereby—

1. Declare that portion of Victoria—

In the Cities of Caulfield, Prahran and St. Kilda within a boundary commencing at the intersection of Cheel-street and High-street, thence proceeding south-easterly along Cheel-street to Kooyong-road, thence southerly along Kooyong-road to Glenhuntly-road, thence westerly along Glenhuntly-road and a straight line projected west to the littoral of Port Phillip Bay, thence generally north-westerly along the littoral of Port Phillip Bay to a straight line projected south-west from the south end of Frazer-street, thence north-westerly along Frazer-street to the St. Kilda railway line, thence north-easterly by a straight line to Lorne-street along Lorne-street to St. Kilda-road, thence easterly across St. Kilda-road to High-street, thence easterly along High-street to Cheel-street at the commencing point to be a proclaimed area.

2. Prohibit the removal from any place within the proclaimed area to any other place within the area or to any place outside the area of any fruit or vegetable or any case or package which has contained any fruit or vegetable unless such removal is made on the instruction of an inspector.

3. Require occupiers and owners of land, not being a commercial orchard, in the proclaimed area to apply to all trees and plants of the following kinds—

Apples, apricots, brambles and other berry fruits, cape gooseberries, cherries, citrus fruits, cucumbers, egg fruit, figs, gooseberries, grapes, guavas, loquats, medlars, nectarines, passion fruit, peaches, pears, peppers, persimmons, plums, prunes, quinces, rock melons, sweet melons, tomatoes and all other trees and plants which have edible fruits,

one of the following treatments:—

- (a) Thoroughly spray with an efficient garden spray pump the whole of foliage with a solution containing two thousand (2,000) parts of Dichlorodiphenyl-trichloroethane (D.D.T.) to one million (1,000,000) parts of water (0.2 per cent.) at intervals of not more than twenty-one (21) days commencing at the time fruit on such trees and plants has set and continuing until one (1) month after it has been harvested, or
- (b) Apply by spraying, or by splashing the required quantity of solution on the foliage of trees and plants by any suitable method such as with a large paint brush dipped in an open container or from a bottle with a perforated stopper at intervals not longer than seven (7) days commencing at the time the fruit has set and continuing until one (1) month after it has been harvested to the foliage on at least three (3) different parts of each tree and to the foliage of all plants a solution consisting of two (2) ounces of tartar emetic and two and one-half (2½) pounds of white sugar in four (4) gallons of water, or a solution consisting of two (2) ounces of sodium fluosilicate and two and one-half (2½) pounds of white sugar in four (4) gallons of water, at the rate of ten (10) fluid ounces per tree and ten (10) fluid ounces per two hundred (200) square feet of planted area of such plants.

4. Require occupiers and owners of land in the proclaimed area to take action as and when directed by a notice served on such occupier or owner by an inspector and within the time specified in such notice—

(a) To remove all plants of—

Tomato (*Lycopersicum* sp.),
Pepper (*Capsicum* sp.),
Egg Plant (*Solanum melongena*),
Ornamental Solanum (*Solanum* sp.),
Rock Melon (*Cucumis* sp.),
Sweet Melon (*Cucumis* sp.),
Cucumber (*Cucumis* sp.),
Cape Gooseberry (*Physalis edulis*),
Brambles (except cultivated varieties),
Box thorn, provided that where box thorn is grown as a hedge along a boundary or dividing fence the occupier or owner may continue to so grow it on the following conditions:—

(i) Cut back the hedge forthwith and periodically as necessary to retain it within a height not exceeding six (6) feet from the ground level and a width not exceeding two (2) feet.

(ii) That when such a hedge has been cut back to within the foregoing dimensions, he shall thoroughly spray it forthwith to cover all parts of the plants forming the hedge with a solution containing two thousand (2,000) parts of two-four Dichlorophenoxy-acetic acid (2-4D), or one of its derivatives, to one million (1,000,000) parts of water (0.2 per cent.) and he shall spray it thereafter as often as is necessary to prevent the plants from forming fruit—

and refrain from planting such plants while this Proclamation remains in force.

(b) To remove from all trees and plants growing upon the said land and to pick up from the said land all of the following fruits and/or vegetables:—

Apples, apricots, brambles and other berry fruits, cape gooseberries, cherries, citrus fruits, cucumbers, egg fruit, figs, gooseberries, grapes, guavas, loquats, medlars, nectarines, passion fruit, peaches, pears, peppers, persimmons, plums, prunes, quinces, rock melons, sweet melons, tomatoes and all edible fruits of all trees and plants, including all such fruit and vegetables which shall form on such trees and plants after the service of the said notice during such time as this Proclamation remains in force.

(c) To dispose of all such fruits and/or vegetables by boiling for fifteen (15) minutes, or burning them so as to destroy all eggs and larvae of the fruit fly or burying them under a depth of soil of at least three (3) feet after having applied to the upper layer of such buried fruit or vegetables D.D.T. at the rate of not less than one-half ounce per square yard in the form of a spray containing not less than 0.2 per cent. of the pure para para isomer of D.D.T. or in the form of a dust containing not less than 2 per cent. of the pure para para isomer of D.D.T. or by otherwise treating them as an inspector may direct, in such a manner as to kill all eggs, larvae and pupae of fruit flies.

(d) To spray all trees and plants growing on the said land with a solution containing two thousand (2,000) parts of Dichloro-diphenyl-trichloroethane (D.D.T.) to one million parts of water (0.2 per cent.) or in the case of a commercial orchard equipped with a power spraying plant approved by an inspector, with a solution containing one thousand (1,000) parts of D.D.T. to one million parts of water (0.1 per cent.) at intervals not exceeding twenty-one (21) days during the period specified in such notice, and/or with such other solution as is specified in the said notice at times specified therein.

(e) To treat the soil beneath and around trees suspected by an inspector to be infested or to have been infested with fruit fly by applying uniformly to the surface of an area or areas marked by an inspector a dust containing 1 per cent. of the pure gamma isomer of Benzene hexachloride at the rate of not less than (2) ounces per square yard, and/or by giving such other treatment as is specified in the said notice.

(f) To reduce, if necessary, all tall growing trees and plants covered by this Proclamation, except when grown as a commercial orchard or plantation, to a height which will permit them to be stripped of fruit and/or sprayed to the satisfaction of an inspector.

5. Require occupiers and owners of land in the proclaimed area to give access to such land at all times to an inspector with or without assistants for the purpose of inspection and/or applying on such properties any spray material and/or for the purpose of removing any fruit or vegetables or prohibited plant, and/or performing such other acts which in the opinion of an inspector are necessary for the eradication or prevention of the spread of fruit flies.

GOD SAVE THE QUEEN!

EXTENSION OF APPLICATION OF PARKING OF VEHICLES ACTS.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by sub-section (2) of section 2 of an Act of the Parliament of Victoria passed in the second year of the reign of Her Majesty Queen Elizabeth II, intituled the *Parking of Vehicles Act 1953*, as amended by the *Parking of Vehicles (Amendment) Act 1955*, it is enacted that the said Acts shall apply only in respect of parking infringements occurring in any area or circumstances specified for the purpose by proclamation of the

Governor in Council published in the *Government Gazette*, and occurring after the date of such proclamation, and that no such proclamation shall be made unless the council of any municipality the municipal district or any part of the municipal district of which is specified therein has requested the Governor in Council to extend the application of the said Acts to such municipal district or part thereof:

And whereas the Councils of the City of Malvern and the Shire of Dandenong have requested that the provisions of the said Acts be extended to apply to the municipal districts of those municipalities, and the Council of the City of Melbourne has requested that the provisions of the said Acts be extended to apply to so much of the municipal district of that municipality as the said Acts have not already been applied:

Now, therefore, I, the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, do, by this Proclamation, specify for the purposes of the Parking of Vehicles Acts—

- (1) the areas of the whole of the municipal districts of the City of Malvern and the Shire of Dandenong; and
- (2) that part of the municipal district of the City of Melbourne not already so specified.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this sixth day of June, in the year of our Lord One thousand nine hundred and fifty-six, and in the fifth year of the reign of Her Majesty Queen Elizabeth II.

Weights and Measures Acts.

ADDITION TO THE CENTRAL HIGHLANDS WEIGHTS AND MEASURES UNION.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the Weights and Measures Acts, it is amongst other things enacted that, at the request of the Councils of all the municipalities concerned, the Governor in Council may by Proclamation declare that any municipality specified in such Proclamation shall be added to and form part of a Union:

And whereas the Town of Castlemaine, the Borough of Daylesford and the Shires of Broadford, Glenlyon, Kilmore, Kyneton, Maldon, McIvor, Metcalfe, Newham and Woodend, Newstead and Pyalong, do constitute a Union under the title of the "Central Highlands Weights and Measures Union" for the purposes of the Weights and Measures Acts:

And whereas the Council of each of the said municipalities and the Councils of the municipalities of the Borough of Clunes, and the Shires of Avoca, Lexton and Talbot have requested that the Borough of Clunes and the Shires of Avoca, Lexton and Talbot should be added to and form part of the said Union:

Now therefore I, the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, do by this my Proclamation declare that, as from the first day of July, 1956, the Borough of Clunes and the Shires of Avoca, Lexton and Talbot shall be added to and form part of such Union and do fix as follows the apportionment among such municipalities of the expenses devolving on the Union under the said Acts:—

1. The amount to be contributed by each municipality of the Union as reconstituted in accordance with this Proclamation shall bear the same proportion to the expenses devolving on the Union as the number of persons residing in each such municipality bears to the total number of persons residing in all the municipalities of the Union.
2. The number of persons residing in each such municipality shall be deemed to be the number of persons residing therein as disclosed by the last periodical census conducted by or on behalf of the Government of the Commonwealth of Australia.
3. The provisions set forth in paragraphs (1) and (2) hereof shall have effect from the first day of October next after the declaration or publication by or on behalf of the Commonwealth of Australia of the result of the periodical census showing the number of persons residing in each such municipality.

Provided that from the first day of July, 1956, until the thirtieth day of September next after the declaration or publication of the result of the census aforesaid, the apportionment among such municipalities of the expenses devolving upon the Union shall be as follows (that is to say):—

Town of Castlemaine	17 per centum.
Borough of Clunes	2 per centum.
Borough of Daylesford .. .	9 per centum.
Shire of Avoca	6 per centum.
Shire of Broadford	5 per centum.
Shire of Glenlyon	6 per centum.
Shire of Kilmore	5 per centum.
Shire of Kyneton	16 per centum.
Shire of Lexton	3 per centum.
Shire of Maldon	5 per centum.
Shire of Metcalfe	6 per centum.
Shire of McIvor	6 per centum.
Shire of Newham and Woodend ..	5 per centum.
Shire of Newstead	5 per centum.
Shire of Pyalong	2 per centum.
Shire of Talbot	2 per centum.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this sixth day of June, in the year of our Lord One thousand nine hundred and fifty-six, and in the fifth year of the reign of Her Majesty Queen Elizabeth II.

MORNINGTON SEWERAGE AUTHORITY.

BY-LAW NO. 2.—RELATING TO FEES FOR PLANS, INSPECTIONS, AND ALTERATIONS.

THE Mornington Sewerage Authority, pursuant to and in exercise and execution of the powers and authorities conferred on it by the Sewerage Districts Acts and of any and every other power or authority in anywise enabling it in that behalf, doth hereby make and prescribe the following By-law, that is to say:—

1. Section 8 of the Authority's By-law No. 1 is hereby repealed and the following section substituted therefor:—

Section 8. Copies of the Authority's plans, and/or designs of individual house drainage, will be furnished by the Authority upon application on the prescribed form and payment for the same as follows, and subject to conditions as follows:—

(a) Where the Authority prepares designs and carries out work—

(i) In all cases in which the Authority designs the work and has the same carried out for the owner, a charge equal to Ten per centum of the capital costs of the work shall be paid to the Authority for the preparation of the design and specification, the letting of the contract, and the supervising of details in connexion with the work.

(ii) For making and/or examining any alterations or additions to a plan previously issued or approved by the Authority, a charge of Fifteen shillings (15s.) shall be made for each fitting or drain altered or added.

(b) Where the Authority prepares designs and the owner carries out the work—

(i) For a plan of design, including surveys, for every house, shop, factory, or other building, a charge of Sixty shillings (60s.), plus Seven shillings and six pence (7s. 6d.) for each fitting.

(ii) For making and/or examining any alterations or additions to a plan previously issued or approved by the Authority, a charge of Fifteen shillings (15s.) shall be made for each fitting or drain altered or added.

(iii) For the inspection and testing of drains a fee of Thirty shillings (30s.) for a first inspection and a further Fifteen shillings (15s.) for each additional sectional inspection or for each additional inspection necessary owing to faulty work.

(iv) For the inspection of plumbing a fee of Thirty shillings (30s.) for each ten fittings or part of ten fittings for a first inspection and a further Fifteen shillings (15s.) for each additional sectional inspection or for each additional inspection necessary owing to faulty work.

(v) For the final inspection by the Authority's Engineer and charting work on the Authority's plans, a fee of Thirty shillings (30s.) for each ten fittings or part of ten fittings, plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.

(vi) The Authority, through its duly appointed officers, may, during the construction of the work, order the owner to carry out such additions and/or amendments as may be necessary for the satisfactory completion of the work. The house connexion shall not be passed until the installation, together with any amendments and/or additions which may be ordered have been completed to the satisfaction of the Authority.

(c) Where the owner designs and carries out the work—

(i) For the supply of a block plan, a fee of Seven shillings and six pence (7s. 6d.). For tenements exceeding 4,000 square feet in ground floor area and/or properties exceeding 2 acres in extent, an additional fee of Seven shillings and six pence (7s. 6d.) shall

be charged for each additional 4,000 square feet, or part thereof, and/or for each additional 2 acres, or part thereof.

(ii) The owner shall submit for examination a properly-drawn design on tracing cloth or good quality paper and a typewritten specification. The design and specification shall be supplied to the Authority in triplicate. The work shall not proceed until the owner's design and specification have been approved by the Authority's Engineer and the third copy of each returned to the owner with the endorsement thereon of the form of approval used by the Authority.

(iii) For examining the owner's plan of design and specification, a charge of Thirty shillings (30s.) where the number of fittings does not exceed five, plus Seven shillings and six pence (7s. 6d.) for each fitting exceeding five.

(iv) For examining any alterations or additions to a plan previously issued or approved by the Authority, a minimum charge of Seven shillings and six pence (7s. 6d.) shall be made for each fitting of drain altered or added.

(v) For the inspection and testing of drains, a fee of Thirty shillings (30s.) for a first inspection and a further Fifteen shillings (15s.) for each additional sectional inspection and for each additional inspection necessary owing to faulty work.

(vi) For the inspection of plumbing, a fee of Thirty shillings (30s.) for each ten fittings, or part thereof, for a first inspection, plus a further Fifteen shillings (15s.) for each additional sectional inspection and for each additional inspection necessary owing to faulty work.

(vii) For the final inspection by the Authority's Engineer and charting work on the Authority's plans, a fee of Thirty shillings (30s.) for each ten fittings, or part of ten fittings, plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.

(viii) The Authority, through its duly appointed officers, may, during the construction of the work, order the owner to carry out such additions and/or amendments as may be necessary for the satisfactory completion of the work. The house connexion shall not be passed until the installation, together with any amendments and/or additions, which may be ordered, have been completed to the satisfaction of the Authority.

(d) The fees specified in paragraph (a) hereof shall be added to the capital cost of the work, and the total amount then due shall be paid by the owner as directed by the Authority.

(e) The fees specified in paragraphs (b) and (c) hereof shall be payable by the owner on demand.

The foregoing By-law was made and passed by the Mornington Sewerage Authority at a Special Meeting held on Friday, 9th December, 1955, and confirmed at a subsequent Special Meeting of the Authority on the 13th day of January, 1956.

In witness whereof the common seal of the said Authority was affixed hereto, in the presence of—

(SEAL)

JAMES O. WATT, Chairman.
JOHN D. EVANS, Member.
D. G. COLLINGS, Secretary.

Approved by the Governor in Council,

**DEVENISH WATERWORKS TRUST.
RATING BY-LAW FOR 1956.**

THE Devenish Waterworks Trust, in pursuance and exercise of the powers conferred by the *Water Acts*, doth hereby make the following rates for the supply of water for domestic purposes on lands and tenements liable to be rated within the Devenish Urban District.

On such lands and tenements a rate of Three shillings and six pence in the pound on the amount of the annual municipal valuation not exceeding Twenty-five pounds, and One shilling and six pence in the pound on the amount of the annual municipal valuation exceeding

Twenty-five pounds, but not exceeding Seventy-five pounds, and One shilling in the pound on the amount of the annual municipal valuation exceeding Seventy-five pounds.

Provided that in no case shall the amount payable per annum in respect of any tenement (other than land on which there is no building) be less than Four pounds seven shillings and six pence, and in respect of any land on which there is no building less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1956, and shall be payable on the 18th day of June, 1956, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at the charge of Two shillings per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust, in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the said Trust.

Passed the 22nd day of May, 1956.

REGULATIONS UNDER THE PETROL PUMPS ACT 1928.

PURSUANT to the powers conferred by Section 7 of the *Petrol Pumps Act 1928* and all other powers in that behalf him enabling. His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, hereby repeals all previous regulations made for or with respect to the matters referred to in Section 7 of the *Petrol Pumps Act 1928* and makes the following regulations:—

TANKS, APPARATUS PIPES AND APPLIANCES FOR THE SUPPLY OF MOTOR SPIRIT TO PETROL PUMPS.

1. All tanks shall be strongly constructed of the best mild steel plates of thickness not less than that shown in the following table:—

Underground Tanks.

Actual Capacity in Gallons. Minimum thickness of metal in inches.

	Shell Plates.	Nearest Gauge.	Head Plates.	Nearest Gauge.
Up to 550.	5/64.	14.	5/64.	14.
551 to 1,100.	1/8.	10.	1/8.	10.
1,101 to 5,500.	11/64.	7.	13/64.	6.

2. All tanks must be capable at all times of resisting a test of compressed air at a pressure of not less than 5 lbs. per square inch.

3. All joints of tanks must be metal to metal and rivetted or welded in accordance with best boiler-making practice, and all junctions at pipe inlets through tank plates shall be made oil, vapor and water-tight.

4. All tanks shall be installed at least two feet underground in every part, and shall be set level in every part and effectively covered with sand or earth or other substance approved by an officer authorized by the council of the municipality within which the petrol pump is situated.

5. A tank shall be fitted with an effective breather or vent pipe, and such vent pipe shall be efficiently protected by wire gauze of not less than 28 meshes per lineal inch or other effective flame arresting device near the ground level and also at the head of the vent. The head of the vent shall be so constructed as to be weather-proof.

6. No vent pipe to a tank shall be less than $\frac{3}{4}$ inch diameter, and the head of the vent shall be carried to a height of not less than 12 feet above ground; if in the open, it shall be stayed or supported in such manner as may be approved by an officer authorized by the council of the municipality within which the petrol pump is situated. If the vent is attached to or within a building of any kind, such vent must be carried at least two feet clear above such building and must terminate at least five feet, measured either horizontally or vertically, from any window, door or other opening in the building.

7. The opening at the bottom of the suction line, or foot valve or draw off pipe in a tank shall be at least one inch higher than the bottom end of either fill or dip pipes and there shall be provided at all times an effective liquid seal in the tank.

8. The bottom end of the fill pipe in a tank shall be carried down so as to be not less than one inch lower than the end opening of the suction line or foot valve opening thereon.

9. The bottom end of the dip pipe in a tank shall be carried down so as to be not less than one inch lower than the end opening of the suction line or foot valve or draw off pipe.

10. There shall be no opening of any kind in the walls of the fill pipes or dip pipes of a tank capable of communicating with the gases or vapours in such tank.

11. All fill pipes and dip pipes of a tank shall be so constructed and fitted that the liquid seal can at all times be tested by an officer authorized by the council of the municipality within which the petrol pump is situated.

12. All fill pipes and dip pipes of a tank shall be effectively closed with covers at all times when such fill pipes and dip pipes are not in use for filling or dipping, and shall be fitted with an effective seal or otherwise secured against access by unauthorized persons. Covers of all street boxes shall be so secured that they cannot be opened except by a special appliance.

13. A tank and all pipes and fittings connected therewith shall at all times be protected from mechanical injury and the site of the tank shall be such as will enable this to be done.

14. No tank for the keeping or storage of motor spirit shall be placed under any portion of a public highway.

15. A tank before being placed underground shall be thoroughly coated on the outside with tar, bitumen or other suitable rust resisting material and the bottom of the excavation shall be tamped hard and covered with a cushion of sand six inches thick before the tank is placed in position.

16. All fill pipes shall have a regular gradient to the tank without any rises, and all fill pipes, dip pipes or other pipes connected to the tank shall be above the level of the top of the tank.

17. All pipes connected with the tank shall be of standard galvanised wrought iron or brass, and all fittings shall be of galvanised iron or brass and all unions shall make close fitting metal to metal joints without packing gaskets.

18. All pipes should be connected with the tank as indicated on the diagram to these regulations, or in any other effective manner, having regard to the said regulations.

19. An automatic measuring device may be attached to an underground tank, provided that there shall be no dip opening to the tank unless such dip opening is enclosed within the sealed cover of the automatic measuring device and the whole apparatus is gastight.

Installation of Underground Tanks, &c.

20. The following procedure must be observed in the installation of underground tanks used for supplying motor spirit to a petrol pump:—

- (1) Before any tank is installed, it shall be tested for tightness by compressed air to a pressure of not less than 5 lbs. per square inch.
- (2) All joints or seams must be covered with a film of soapy water or kerosene and any faulty spots shall be made good and the tank re-tested in the manner before provided.
- (3) The hole to be excavated for the tank must be made sufficiently large to allow a working clearance of not less than six (6) inches all around the tank.
- (4) The tank must be lowered very carefully into the hole, and the top of the tank correctly levelled, and be not less than two (2) feet below the surface of the ground.
- (5) A uniform fall of at least two (2) inches in ten (10) feet must be allowed in the pipe line from the fill box to the tank.
- (6) All pipe fittings on the tank must be plumb, and so maintained whilst sand, earth or other substance (approved by an officer authorized by the council) is filled around the tank.
- (7) The trench in which the pipes are placed must be wide enough to allow the pipes to be placed side by side, and deep enough to ensure that at the fill box the top of the pipes will be at least nine (9) inches below the ground surface.

Petrol Pumps.

21. Every pump to be used for the sale of motor spirit shall be substantially constructed, effective for its purpose, and maintained in an efficient condition and free from leakage, and shall comply with the following requirements:—

- (1) The cast iron base of the pump, if on the footway, must be fixed with concrete in a position and at a level as directed by the council of the municipality in which the petrol pump is situated.

- (2) No individual reservoir, bowl or measuring device of a pump shall have a total capacity exceeding six gallons, and, if of glass, shall be fully protected against breakage.
- (3) No motor spirit shall be allowed to remain within the bowl of the pump except at such time as the pump is in actual operation in the course of being filled or emptied.
- (4) Every pump shall be fitted with a visible measuring device.
- (5) The delivery nozzle of every pump shall be effectively earthed and shall be of metal, conductive rubber or other material sufficiently conductive to prevent the accumulation of a static charge on the nozzle.
- (6) Every pump not being of the coin-operated self-serve type shall be capable of being effectively locked or otherwise protected against access by unauthorized persons, unless such pump is situated within a building and such building is locked. Coin-operated self-serve pumps may be accessible for use by the public without the presence of an attendant, provided that—
 - (a) the coin-operated control mechanism is located at least twenty feet from the pump;
 - (b) the pump is not installed within a building nor within ten feet therefrom; and
 - (c) written approval of the site of the pump and the site of the coin-operated control mechanism has been obtained from the council of the municipality in which the pump is situated.
- (7) The electrical equipment of petrol pumps and the connection of petrol pumps to the electricity supply shall comply with the requirements of the regulations made pursuant to the provisions of the *Electric Light and Power Act 1928* and the *State Electricity Commission Act 1928*.
- (8) Every electric motor installed in or on a petrol pump shall be of the totally enclosed type, and so arranged that there is no danger of the ignition of inflammable vapour.
- (9) Where conductors in the pump are joined to conductors from the switchboard, they shall be joined by means of soldered joints, connectors or a plug and socket within the pump casing. Every soldered joint or joint made by means of a connector or a plug and socket, shall be contained within a flame proof enclosure. Where supply conductors emerge from the supply conduit, they shall be sealed with sealing compound.
- (10) A convenient remote emergency shut off for electric power to pumps shall be provided.

Portable Wheel Tanks.

Bowser.
Satam, Sur chariot-citerne.

23. A portable wheel tank shall not exceed fifty gallons capacity and shall be either:—

- (1) (a) Strongly constructed of metal not less than 3/16 inch in thickness;
(b) Permanently attached to a carriage provided with all metal wheels with rubber tyres;
(c) Permanently attached to an approved pump so that, as far as practicable, the fill pipes, dip pipes and draw off pipes are arranged as required for underground tanks to provide a liquid seal;
(d) Equipped with an efficient relief valve effectively protected by wire gauze of mesh not less than 28 meshes per lineal inch or other flame arresting device; and
(e) Painted on the outside to prevent corrosion; or
- (2) A drum securely attached to a carriage which shall comply with the following requirements:—
 - (a) It shall be fitted with all metal wheels with rubber tyres;
 - (b) It shall be constructed so that it cannot be readily tipped over;
 - (c) It shall be fitted with an approved pump, which shall comply as far as practicable, with the requirements for petrol pumps prescribed in these regulations, provided—
 - (i) The reservoirs or bowls or measuring devices (if any) on the pump have not collectively a total capacity exceeding two gallons;
 - (ii) The suction pipe from the pump is of substantial construction and of such material that it will not be damaged by contact with motor spirit;
 - (iii) The device for connecting the suction pipe to the drum is strongly constructed of brass, is so arranged that an airtight joint is made, and is fitted with an effective relief valve protected by wire gauze of mesh not less than 28 meshes per lineal inch, or other flame arresting device;
 - (d) The drum shall comply with the specifications for returnable mild steel drums for the carriage of motor spirit set out in the Victorian Railways Commissioner's By-law No. 375;
 - (e) No drum under any circumstances shall be filled with motor spirit except at a depot specially constructed for this work;
 - (f) The pumps and drums shall be maintained in thorough repair by the company distributing the motor spirit; and
 - (g) The pump shall be connected to or disconnected from the drum by no person except an employee of the company distributing the motor spirit, who shall seal the suction pipe to the drum in such a manner that it will be impossible to remove the suction pipe without breaking the seal.

24. A portable wheel tank must be kept on premises, but may be temporarily taken from premises to a footway for the purpose of

selling or supplying motor spirit; after such sale or supply, such tank must be immediately wheeled within the premises.

Keeping in Repair of Petrol Pumps, Tanks, Apparatus, Pipes and Appliances for the Sale of Motor Spirit Through Petrol Pumps.

25. It shall be the duty of every person selling or supplying motor spirit from petrol pumps, whether in or on any footways or in buildings or on land occupied by persons carrying on the business of supplying motor spirit, to keep in a fit state of repair such petrol pumps, also tanks, apparatus, pipes and appliances for the supply of motor spirit to such petrol pumps.

Precautions to be Taken Against Fire and Explosion.

26. It shall be the duty of every person supplying motor spirit from petrol pumps to see that every precaution is taken against fire or explosion, in particular—

- (1) No supply of motor spirit shall be made to a vehicle whilst the engine of such vehicle is running.
- (2) The person supplying motor spirit shall see that the vehicle driver has switched off the engine before the fuel tank is opened.
- (3) The person supplying motor spirit shall not smoke whilst making a delivery of motor spirit, and he shall caution any person who is in close proximity to the fuel tank of a vehicle against smoking or throwing lighted matches or cigarettes, etc., where they may come in contact with petrol vapors during filling operations.
- (4) In the case of coin-operated self-serve pumps, the following notice, in white letters at least three inches high on a red background, shall be fixed and maintained on or alongside the pump:—

DANGER.

NO SMOKING.

Switch off Engine Before Removing Fuel Tank Cap.

27. The owner of every petrol pump shall provide in a readily accessible position at least one (1) 2-gallon foam extinguisher or other suitable extinguisher approved by the Chief Officer, Metropolitan Fire Brigade, Melbourne. Where more than two pumps are installed, there shall be at least one additional approved extinguisher for every three pumps.

Operation of Regulations.

28. The provisions of these regulations shall take effect and operate throughout the whole of the State of Victoria: Provided, however, that the provisions of the regulations numbered 1 to 22 shall not apply with respect to petrol pumps or tanks (other than portable tanks) in use prior to the 26th March, 1929.

And the Honorable Sir Thomas Karran Maltby, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.
