**STATE RIVERS AND WATER SUPPLY COMMISSION.**

**BY-LAW No. 5152.—RATES AND CHARGES FOR WATER—URBAN DISTRICTS.**

**THE** State Rivers and Water Supply Commission, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following:—

1. The following Rates for the supply of water for domestic purposes are hereby made, and shall be levied upon the occupiers or owners of lands and tenements within the respective Urban Districts as set out hereunder:—

Lands or tenements situate in a street in which a pipe for the supply of water has been laid down—a rate of such amount in the pound of the annual municipal valuation of such lands or tenements as is set down in column 2 opposite the name of the respective Urban Districts in column 1 of the Schedule hereto: Provided that the total amount of the rate payable annually in respect of any such lands or tenements (other than land on which there is no building) shall be not less than the sum set down in column 3 opposite the name of the respective Urban Districts in column 1 of the said Schedule, and in respect of any such lands or tenements on which there is no building shall be not less than the sum set down in column 4 opposite the name of the respective Urban Districts in column 1 of the said Schedule.

2. Such Rates are made and shall be levied for the year beginning with the 1st day of July, 1957, and ending with the 30th day of June, 1958, and shall be payable on the 25th day of October, 1957, at the office of the State Rivers and Water Supply Commission, at the place set down in column 6 opposite the name of the respective Urban Districts in column 1 of the said Schedule.

3. Interest will be chargeable on all Rates and Charges for water remaining unpaid for a period of six months from the date such rates and charges become payable.

4. The maximum quantity of water to be supplied per annum without further charge to properties rated by the Commission shall be the quantity which, if charged for at the amount per 1,000 gallons set down in column 5 opposite the name of the respective Urban Districts in column 1 of the said Schedule, would give an amount equal to that payable per annum in respect of the properties so supplied under the provisions of any By-law of the Commission for making and levying rates.

5. For all water supplied per annum in excess of the maximum quantity referred to in clause 4 of this By-law the charge shall be the amount per 1,000 gallons set down in column 5 opposite the name of the respective Urban Districts in column 1 of the said Schedule.

Such charge shall be payable on demand at the office of the State Rivers and Water Supply Commission at the place mentioned in column 6 opposite the name of the respective Urban Districts in column 1 of the said Schedule.

6. For the supply of water by measure from the pipes of the Commission to lands and tenements within the respective Urban Districts as set out hereunder which are not liable to any rate made under any By-law of the Commission—

The charge to be paid for water so supplied shall, except in cases of special agreements with the Commission, be such amount per 1,000 gallons as is set down in column 5 opposite the name of the respective Urban Districts in column 1 of the Schedule hereto: Provided that where any minimum annual charge has been fixed by the Commission, the quantity of water to be supplied for such minimum annual charge in each case shall, except in cases of special agreements with the Commission, be the quantity which, if charged for at the amount per 1,000 gallons set down in column 5 opposite the name of the respective Urban Districts in column 1 of the said Schedule, would give an amount equal to that payable in respect of such minimum annual charge, and for all water supplied in excess of such quantity the charge shall be the amount per 1,000 gallons set down in the said column 5, opposite the name of the respective Urban Districts in column 1 of the said Schedule.

7. The charges as set out in clause 6 of this By-law are made and shall be levied for the year beginning with the 1st day of July, 1957, and ending with the 30th day of June, 1958, and shall be payable on demand at the office of the State Rivers and Water Supply Commission at the place mentioned in column 6 opposite the name of the respective Urban Districts in column 1 of the said Schedule.

8. Such person or persons as the State Rivers and Water Supply Commission may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said Rates and charges for water.
