STATE RIVERS AND WATER SUPPLY COMMISSION.  
By-LAW No. 5208.—MORNINGTON PENINSULA WATERWORKS DISTRICT.

THE State Rivers and Water Supply Commission, hereinafter referred to as "the Commission," in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following, restricting the use for other than domestic purposes of water supplied by the said Commission within that portion of the Mornington Peninsula Waterworks District specified in clause 1 of this By-law:—

1. This By-law shall apply to and have force within that portion of the Mornington Peninsula Waterworks District (except within any urban districts thereof), which is within the Shire of Flinders.

2. This By-law shall come into operation at such time or times as the Commission directs by notice published in a newspaper circulating generally within that portion of the Mornington Peninsula Waterworks District specified in clause 1 of this By-law, and shall cease to operate at such time or times as the Commission may direct by notice so published.

3. Subject to the provisions of clause 4 of this By-law, no person shall, with water supplied by the Commission, water any garden, lawn, or other land (other than that comprising market gardens, nurseries, or poultry farms conducted for commercial purposes) in that portion of the Mornington Peninsula Waterworks District specified in clause 1 of this By-law, unless by means of a hose held in the hand, or by means of a can or other vessel held in the hand.

4. No person shall, with water supplied by the Commission, water any land comprising sports grounds, golf courses, racecourses, public bowling and croquet greens, and public tennis courts in that portion of the Mornington Peninsula Waterworks District specified in clause 1 of this By-law by means of fixed sprinklers, except between the hours of 7 p.m. and 12 midnight of the same day.

5. Every person who uses or permits or suffers water supplied by the Commission to be used contrary to the provisions of this By-law shall be guilty of an offence, and shall be liable to a penalty not exceeding Five pounds, recoverable summarily before any court of competent jurisdiction.

No. 258.—10951/57.

6. If any person supplied with water by the Commission wrongfully does or causes or permits to be done anything in contravention of this By-law, the Commission may (without prejudice to any remedy in respect thereof) close or cut off any of the pipes by or through which water is supplied by the Commission to him or for his use, and may cease to supply him with water as provided by the Water Acts.

The foregoing By-law was made by the State Rivers and Water Supply Commission on the 11th day of November, 1957, and the common seal of the said Commission was hereunto affixed the 14th day of November, 1957, in the presence of—

(SEAL) L. R. EAST, Chairman.

This By-law shall come into operation at such time or times as the Commission directs by notice published in a newspaper circulating generally within that portion of the Chelsea-Frankston Urban District specified in clause 1 of this By-law and shall cease to operate at such time or times as the Commission may direct by notice so published.

3. Subject to the provisions of clauses 4 and 5 of this By-law, no person shall, with water supplied by the Commission, water any garden, lawn, or other land (other than commercial market gardens, commercial nurseries or land used for the growing of green feed for commercial poultry farms) within that portion of the Chelsea-Frankston Urban District specified in clause 1 of this By-law unless by means of a hose held in the hand, or by means of a can or other vessel held in the hand and then only between the hours of 5.30 p.m. and 8 p.m. of the same day.

4. No person shall, with water supplied by the Commission, water any commercial market gardens, commercial nurseries or land used for the growing of green feed for commercial poultry farms by means of fixed sprinklers between the hours of 5.30 p.m. and 8 p.m. of the same day.

5. No person shall, with water supplied by the Commission, water any land comprising sports grounds, golf courses, racecourses, public and club bowling and croquet greens, and public and club tennis courts within that portion of the Chelsea-Frankston Urban District specified in clause 1 of this By-law by means of fixed sprinklers except between the hours of 8 p.m. and 10 p.m. of the same day.

6. Every person who uses or permits or suffers water supplied by the Commission to be used contrary to the provisions of this By-law shall be guilty of an offence, and shall be liable to a penalty not exceeding Five pounds, recoverable summarily before any court of competent jurisdiction.

7. If any person supplied with water by the Commission wrongfully does or causes or permits to be done anything in contravention of this By-law, the Commission may (without prejudice to any remedy in respect thereof) close or cut off any of the pipes by or through which

water is supplied by the Commission to him or for his use, and may cease to supply him with water as provided by the Water Acts.

The foregoing By-law was made by the State Rivers and Water Supply Commission on the 11th day of November, 1957, and the common seal of the said Commission was hereunto affixed the 14th day of November, 1957, in the presence of—

*Vegetation Diseases (Fruit Fly) Act 1947 (No. 5258).*  
DECLARING A PROCLAIMED AREA.

## PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by section 3 of the *Vegetation Diseases (Fruit Fly) Act 1947 (No. 5258)*, it is provided that, where the Governor in Council is of opinion that it is necessary to protect the fruit industry against the introduction or spread of the insects of the family *Trypetidae* (commonly known as fruit flies), he may by Proclamation declare any portion of Victoria specified therein to be a proclaimed area, and prohibit the planting on any land in the proclaimed area of any plant or vegetable specified and prohibit the removal from any property within the prescribed area to any other property within the area and from any place in the prescribed area to any place outside the area of any fruit or vegetable, and require occupiers and owners of land in the proclaimed area to take such action for the eradication or prevention of the spread of fruit fly as is specified in the Proclamation: Now, therefore, I, the Governor of the State of Victoria, in the Commonwealth of Australia, being of opinion that it is necessary to protect the fruit industry of Victoria against the introduction or spread of the insects of the family *Trypetidae* (commonly known as fruit flies), and by and with the advice of the Executive Council of the said State, do by this my Proclamation hereby—

## 1. Declare that portion of Victoria—

Within the Parish of Dousta Galla, County of Bourke described in the Customs Proclamation No. 870 under the *Customs Act 1901-1954* and published in the *Commonwealth Government Gazette* of October 1955 as the Melbourne Airport, to be a proclaimed area.

2. Prohibit the removal from any place within the area prescribed in clause 1 to any other place within the area or to any place outside the area of any fruit or vegetable or any case or package which has contained any fruit or vegetable unless such removal is made on the instruction of an inspector.

3. Prohibit the planting on any land in the proclaimed area of any of the following fruits, trees, plants and/or vegetables:—

Apples, apricots, brambles and other berry fruits, cape gooseberries, cherries, citrus fruits, cucumbers, egg fruit, figs, gooseberries, grapes, guavas, loquats, medlars, nectarines, passion fruit, peaches, pears, peppers, persimmons, plums, prunes, quinces, rock melons, sweet melons, tomatoes, ornamental solanum, box thorn, provided that where box thorn is grown as a hedge along a boundary or dividing fence the occupier or owner may continue to so grow it on the following conditions:—

(i) Cut back the hedge forthwith and periodically as necessary to retain it within a height not exceeding six (6) feet from the ground level and a width not exceeding two (2) feet.

(ii) That when such hedge has been cut back to within the foregoing dimensions, he shall thoroughly spray it forthwith to cover all parts of the plants forming the hedge with a solution containing two thousand (2,000) parts of two-four Dichloro-phenoxy-acetic acid (2-4D), or one of its derivatives, to one million (1,000,000) parts of water (0.2 per cent.) and he shall spray it thereafter as often as is necessary to prevent the plants from forming fruit.

and refrain from planting such plants while this Proclamation remains in force.

4. Require occupiers and owners of land in the proclaimed area to take action as and when directed by a notice served on such occupier or owner by an inspector and within the time specified in such notice—

(a) To remove from all trees and plants growing upon the said land and to pick up from the said land all of the following fruits and/or vegetables:—

Apples, apricots, brambles and other berry fruits, cape gooseberries, cherries, citrus fruits, cucumbers, egg fruit, figs, gooseberries, grapes, guavas, loquats, medlars, nectarines, passion fruit, peaches, pears, peppers, persimmons, plums, prunes, quinces, rock melons, sweet melons, tomatoes, and all edible fruits of all trees and plants, including all such fruit and vegetables which shall form on such trees and

plants after the service of the said notice during such time as this Proclamation remains in force.

- (b) To dispose of all such fruits and/or vegetables by boiling for fifteen (15) minutes, or burning them so as to destroy all eggs and larvæ of the fruit fly or burying them under a depth of soil of at least 3 feet after having applied to the upper layer of such buried fruit or vegetables D.D.T. at the rate of not less than one-half ounce per square yard in the form of a spray containing not less than 0.2 per cent. of the pure para para isomer of D.D.T. or in the form of a dust containing not less than 2 per cent. of the pure para para isomer of D.D.T. or by otherwise treating them as an inspector may direct in such a manner as to kill all eggs, larvæ and pupæ of fruit flies.
- (c) To spray all trees and plants growing on the said land with a solution containing two thousand (2,000) parts of Dichloro-diphenyl-trichloro-ethane (D.D.T.) to one million parts of water (0.2 per cent.) (or in the case of a commercial orchard equipped with a power spraying plant approved by an inspector, with a solution containing one thousand (1,000) parts of D.D.T. to one million parts of water (0.1 per cent.)) at intervals not exceeding twenty-one (21) days during the period specified in such notice, and/or with such other solution as is specified in the said notice and at times specified therein.
- (d) To treat the soil beneath and around trees suspected by an inspector to be infested or to have been infested with fruit fly by applying uniformly to the surface of an area or areas marked by an inspector a dust containing 1 per cent. of the pure gamma isomer of Benzene hexachloride at the rate of not less than two (2) ounces per square yard, and/or by giving such other treatment as is specified in the said notice.
- (e) To reduce, if necessary, all tall growing trees and plants covered by this Proclamation, to a height which will permit them to be stripped of fruit and/or sprayed to the satisfaction of an inspector.

5. Require occupiers and owners of land in the proclaimed area to give access to such land at all times to an inspector with or without assistance for the purpose of inspection and/or applying on such properties any spray material and/or for the purpose of removing any fruit or vegetables or prohibited plant, and/or performing such other acts which in the opinion of an inspector are necessary for the eradication or prevention of the spread of fruit flies.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twentieth day of November in the year of our Lord One thousand nine hundred and fifty-seven, and in the sixth year of the reign of Her Majesty Queen Elizabeth II.

## BACCHUS MARSH SHIRE COUNCIL.

## BY-LAW NO. 3.

THE Bacchus Marsh Shire Council, in pursuance and exercise of the powers and authorities conferred by the Water Acts doth hereby make the By-law following for its Waterworks District:—

## PART I.—INTERPRETATION.

*Definitions.*

1. In this By-law unless inconsistent with the context or subject matter—

“The Act” means the Water Acts.

“Council” means the Bacchus Marsh Shire Council.

“Proper Officer” means any employee of the Council authorized to execute any function on behalf of the Council.

“Person” includes a Corporation or Company.

“Main Pipe” means any pipe belonging to or under the control of the Council and used for the conveyance or supply of water.

“Service Pipe” means any pipe (not being a main pipe) used for the conveyance or supply of water derived from a main pipe.

“Fittings” includes all appliances and things whatsoever, other than pipes, used in connexion with the conveyance supply storage or regulation of the flow of water in or derived from a main pipe.

“Private Service” means and includes all pipes and fittings used in connexion with the supply of water from a main pipe to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

“Works” means the works of or in connexion with the laying construction alteration disconnection removal repair renewal or maintenance of a private service or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

## PART II.—LICENSING OF PLUMBERS.

*Unlicensed Persons not to Interfere with Private Services.*

2. Before any person shall affix any service pipe to any main pipe of the Council or alter repair or in any manner interfere with any pipe of the Council or any service pipe tap or meter or other fitting connected with the main pipes of the Council, he shall obtain from the Council a licence in that behalf to execute such works, and no unlicensed person shall affix alter repair or in any manner interfere with any such main pipe service pipe tap meter or other fittings as aforesaid.

*Period of Licences; Cancellation of Licences; Fees Payable.*

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Council at its discretion from time to time in each case to the following 31st December. The Council shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Council shall be sole judge. For each original licence the licensee shall pay to the Council a fee of One pound, and for each renewal Five shillings.

*Proof of Fitness to be Given.*

4. Before any licence shall be granted by the Council, the person applying for such licence shall satisfy the Council by any tests required by the Council or by virtue of his registration by the Plumbers and Gasfitters Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Council relating to water supply and with the Act so far as it applies to town supplies. The Council may, if it so sees fit, refuse to grant such licence.

## PART III.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

*Notice of Works to be Given.*

5. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Water Act 1928)—

(a) without having given to the Council not less than two days prior to the commencement of the execution of such works—

(i) notice in writing of his intention so to do specifying the tenement in on or in respect of which it is proposed to

execute such works and the time or times (being between the hours of 8 a.m. and 5 p.m. on any week day except a public holiday or a Saturday) during which it is proposed to execute such works.

(ii) a complete specification in writing of the works proposed to be done setting out the mode form strength material construction dimensions and arrangement of all pipes fittings and structures intended to be used in the execution of such works.

(iii) in the case of every private service containing any service pipe of diameter larger than 2 inches a properly prepared plan drawn to a scale specified thereon of the premises in on or in respect of which it is proposed to execute the said works showing thereon all buildings erections and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon.

Every notice specification and plan shall be signed by the licensed plumber actually engaged to carry out the works referred to in the notice, or by a licensed plumber employing another licensed plumber to carry out the work under his supervision.

(b) contrary to or not in conformity with this By-law or such notice specification and plan mentioned in sub-paragraphs (i) (ii) and (iii) of paragraph (a) of this clause.

*Plumbers to Report.*

6. Each licensed plumber shall report to the Proper Officer of the Council the completion of any new work extensions or repairs in connexion with any service within twenty-four hours of effecting same.

*Carrying Out of Plumbing Work.*

7. Every licensed plumber shall in carrying out any work of water supply—

(a) Execute the work in accordance with the provisions of the Act and of the By-laws of the Council and any special directions or orders given or issued thereunder by the Council by the Proper Officer of the Council; and

(b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Council; and

(c) use materials of the description quality kind and standard prescribed by this By-law; and

(d) employ only competent operatives and assistants; and

(e) obtain permission, where necessary, for the execution of the work on, over or through any private property, or any street road park reserve or other public place or property; and

(f) pay all fees payable to the council of a municipality for the opening of any public road or street or otherwise in connexion with the works; and

(g) restore upon completion of the work any part of any public road or street to the satisfaction of the municipal council or other authority having control thereof; and

(h) except where authorized in writing by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the Proper Officer of the Council; and

(i) take all proper and necessary precautions so that no accident, damage or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and

(j) exercise at all times immediate supervision over the work.

8. (a) No service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which supplies water otherwise than by measure to any tenement shall have a bore exceeding  $\frac{3}{4}$  inch.

(b) No person shall connect or affix to the Council's mains any service pipe (other than those installed for fire service purposes and sealed in accordance with the

provisions of clause 34 of this By-law) which has a diameter exceeding the appropriate diameter listed in the schedule hereunder written corresponding either to the Net Annual Valuation of the property to be served or to

the anticipated annual consumption of water at the said property as demonstrated to the satisfaction of the Proper Officer of the Council and certified to under his hand, whichever is the larger—

Net Annual Valuation of Property.	Annual Consumption of Water.	Maximum Diameter of Service Pipe Allowed (in Inches).
Not over £150 .. .. .	Not over 200,000 gallons .. .. .	$\frac{3}{4}$
Over £150 but not over £300 .. .. .	Over 200,000 gallons, but not over 500,000 gallons .. .. .	1
Over £300 but not over £500 .. .. .	Over 500,000 gallons, but not over 800,000 gallons .. .. .	$1\frac{1}{4}$
Over £500 but not over £1,000 .. .. .	Over 800,000 gallons, but not over 1,500,000 gallons .. .. .	$1\frac{1}{2}$
Over £1,000 but not over £2,000 .. .. .	Over 1,500,000 gallons, but not over 3,000,000 gallons .. .. .	2

*Depth of Service Pipes.*

9. No person shall lay construct repair or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is securely clipped to a structure or is laid and constructed in such manner that the same is at all points at a depth of not less than 12 inches below the surface of the ground. Every such service pipe for such portion of its length as lies in or on any road street lane or right-of-way or where it may be exposed to vehicular traffic shall be laid and constructed in such manner that the same is at all points at a depth of not less than 18 inches below the surface of the ground or at such greater depth as the council of the municipality having control of the said road street lane or right-of-way may require.

*Access to Service Pipes.*

10. No person shall—

- (a) lay construct or alter any private service or any part thereof,
- (b) erect or construct any building erection or structure

in such place position or manner that any part of such private service is not easily accessible for the purposes of inspection repair and renewal unless such part is comprised of copper piping and copper fittings.

*Arrangement of Stop-Tap, etc.*

11. Every meter, stop-tap and stop-tap ferrule shall be opposite the tenement supplied and in one line at right angles to the main pipe to which such stop-tap ferrule is fixed, unless such an arrangement is impracticable in which case such services shall be provided with two high pressure screw down stop-taps, one of which shall be fixed opposite the stop-tap ferrule on the main pipe and the other in accordance with the provisions of clause 18 of this By-law.

*Cross Connexions.*

12. No person shall permit or suffer any fluid solid or gas, which in the opinion of the Proper Officer of the Council is capable of polluting water supplied by the Council, to have means of access to any pipe in communication directly or indirectly with any main pipe of the Council.

Where any service pipe is connected to any cistern tank or receptacle used for the storage of water or fluid, there shall be an effective air gap at the outlet of such service pipe and the said outlet shall be not less than one-half inch above the highest possible water level in the said cistern tank or receptacle.

*Connexions to Steam Boilers.*

13. Water supply connexions to steam boilers shall be made as follows:—

- (a) By direct connexion from a service pipe, in which case a screw down high pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be fixed between the stop-tap and the boiler and a half-inch testing ferrule or bib-tap shall be fixed between the reflux valve and the stop-tap; or
- (b) By direct connexion from a service pipe together with an injected supply from a storage tank or condensate sump, in which case, in addition to the provisions of paragraph (a) hereof, the injected water to a boiler shall be taken through a separate opening in the wall of the boiler. In no circumstances shall a connexion be permitted between any service pipe and the piping from a storage tank or condensate sump.

Water connexions may be made through the tops or sides of steam boilers.

*Specifications for Piping and Materials.*

14. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications:—

- (a) The whole of the pipes and fittings shall be of the best quality galvanized wrought-iron, copper, brass, cast iron, welded mild steel or asbestos cement, shall be sound and free from all defects and shall comply with the relevant specifications of the Standards Association of Australia where such specifications have been issued.
- (b) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in case of wrought-iron piping) properly galvanized throughout and shall be of equal strength and thickness throughout the entire body of the same.
- (c) Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.
- (d) All ends of galvanized wrought-iron and brass pipes bends and fittings shall be properly and truly threaded and capable of being screwed into thimbles, toes or fittings.
- (e) All stop-taps and bib-taps shall be screw down high pressure taps made of hard brass or gun-metal.

**PART V.—CONNEXIONS TO MAINS.**

*One Service Pipe to Each Tenement.*

15. No person shall affix or connect or cause or permit to be affixed or connected to any main pipe more than one service pipe or private service for the supply of water for domestic purposes to any one tenement.

*Connexion to Main Pipe.*

16. No person shall affix or connect any service pipe to any main pipe save by means of a stop-tap ferrule to which a right-angle bend of copper alloy is properly and securely attached.

*Size of Tappings Permitted.*

17. (a) The maximum diameters of tappings that will be permitted for main pipes of the respective diameters set out hereunder, and for cases where the tapping is made with or without a tapping saddle, are as follows:—

MAXIMUM DIAMETER OF TAPPING IN INCHES.

Diameter of Main Pipe in Inches.	Without Tapping Saddle (Cast-iron Main Pipes Only).	With Tapping Saddle.
3	$\frac{3}{4}$	$1\frac{1}{4}$
4	$\frac{3}{4}$	$1\frac{1}{4}$
5	1	$1\frac{1}{2}$
6	1	$2\frac{1}{4}$
7	1	$2\frac{1}{2}$
8	$1\frac{1}{4}$	$2\frac{1}{2}$
9	$1\frac{1}{2}$	$2\frac{1}{2}$
Over 9	2	$2\frac{1}{2}$

*Tapping Fees.*

(b) No person shall affix or connect or cause to be affixed or connected any service pipe to any main pipe without having first paid to the Council a tapping fee of Twenty shillings (20s.).

*Position of Stop-taps.*

18. A high-pressure screw down stop-tap properly secured shall be fixed on each water service in one of the following positions:—

- (a) between the main pipe and the building line within six feet of the building line, and in this case the stop-tap shall be covered by a box which shall comply with the requirements of the municipality in which the service is laid.
- (b) where a meter is fixed, between the meter and the inlet bend thereto.
- (c) where a meter is not fixed, on the service pipe above the ground in an accessible position not more than six feet inside the building line.

**PART VI.—REPAIR.***Repair of Service Pipes.*

19. Any person using any private service shall at all times keep same in proper repair.

*Council Can Repair Service Pipe in Certain Circumstances.*

20. If any person refuses neglects or delays to have any private service or any part thereof used by him properly repaired after having been required in writing by the Proper Officer of the Council so to do the Council by its Proper Officers servants or agents may enter into or upon any premises supplied by such private service or any part thereof and may where necessary repair or renew such private service or any part thereof so as to prevent the waste of water and may charge such person with the cost and expense of such repair or renewal and such cost and expense shall be a debt due by such person to the Council.

**PART VII.—METERS.***Meters Supplied and Maintained.*

21. (a) Except as permitted in clause 34 of this By-law no person shall use any private service save for the supply of water solely for domestic purposes exclusive of the watering of any garden unless the whole of the water supplied to such private service passes through a meter.

(b) Such meters will be provided and maintained by the Council and every person before installing a private service shall ascertain from the Council the size of meter to be installed and shall make provision in the arrangement and construction of the private service for connexion of such meter in accordance with the following requirements:—

- (i) The meter shall be located within the property and not more than six feet from the building line.
- (ii) The meter shall be in an easily accessible position protected from accidental damage.
- (iii) The meter shall be properly and securely affixed to such private service or service pipe by means of connexions or quarter bends of brass, copper or copper alloy.
- (iv) The meter shall be fixed truly level on a solid foundation of brick stone or concrete the top of which foundation is level with or above the surface of the ground.
- (v) All washers used for connexion couplings for meters shall be made of leather.

(c) Pending connexion of the said meter the person authorized to install the service pipe shall connect a distance piece in the service pipe in place of the meter.

*Restriction of Access to Meter.*

22. No person shall construct place stack or store or permit or suffer to be constructed placed stacked or stored any building erection material or thing over or upon any meter connected or affixed to any private service or shall do or permit or suffer to be done any act matter or thing whereby inspection of such meter shall be prevented obstructed or in any way rendered difficult or interfered with.

*Replacement and Testing of Meter.*

23. (a) The Council may at any time replace or remove for testing any meter attached to any private service.

*Fees Returned in Certain Circumstances.*

(b) Any consumer may at any time request the Council in writing to test any meter attached to his private service and through which water supplied to him passes and shall at the time of the delivery of such request pay to the Council the sum of One pound (£1). The Council shall thereupon remove and test the meter or cause the same to be tested in such manner as it thinks fit. If such meter is found to be registering correctly the Council may retain such sum of One pound (£1) in satisfaction of the

fee for testing meter hereinbefore prescribed but if such meter is found to be registering incorrectly such sum of One pound (£1) shall be returned to such consumer.

*Consumer Leaving Tenement to Notify Council.*

24. Every person who shall cease to occupy the premises on which such meter is fixed shall give to the Council in writing at least six days notice of his intention to do so.

**PART VIII.—MISUSE AND WASTE.***Supply Restricted to One Tenement Only.*

25. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

*Cisterns, Tanks and Troughs.*

26. No person shall use or permit or suffer the use of any private service or any part thereof for the supply of water to any cistern tank or water trough unless such cistern tank or water trough is watertight and is provided with an equilibrium ball-valve or other mechanism efficiently regulating the flow of water thereinto in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water trough means a water trough used for the supply of water to animals.

*Water Closets and Urinals.*

27. No person shall construct lay or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet or any part thereof save through a cistern or tank.

*Baths.*

28. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than 100 gallons of water.

*No Overflow Pipe on Baths.*

29. No person shall affix an overflow pipe to any bath.

*Wasting of Water.*

30. No person supplied with water by the Council shall waste the same or permit or suffer the same to run to waste.

*Sale of Water.*

31. No person shall take or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Council and no person shall sell any water supplied by the Council.

*Fire Brigades.*

32. No person other than a servant or agent of the council of the municipality of Bacchus Marsh or the Bacchus Marsh Fire Brigade in the execution of his duty as such servant or agent shall without the written permission of the Council open close or otherwise interfere with any hydrant attached to any main pipe.

*Taps in Parks and Reserves.*

33. No person other than a servant or agent of the municipality Corporation or body having the care and management of a public park public garden or reserve for public purposes shall without the previous consent of the Council open close or otherwise interfere with any tap valve or other like regulator (except a drinking fountain or other tap provided for public use) in on or connected with any service pipe used for the supply of water to such park garden or reserve.

**PART IX.—PRIVATE FIRE SERVICES.***Private Fire Services.*

34. (a) Private fire services comprising pipes and fittings not exceeding six inches in diameter and without meters may be permitted at the expense of the owner of the premises subject to the payment of a fee of Fifteen shillings (15s.) per annum. Every such fire service shall be sealed. Except in case of fire no person shall without the authority of the Council wilfully break the seal affixed to any private fire service and in the event of any such seal having been broken accidentally or otherwise the occupier of the tenement shall within twenty-four hours thereafter give notice in writing of the fact at the office of the Council, and except in the case of a fire he shall pay a resealing fee of Fifteen shillings (15s.). No water shall be taken from any sealed portion of a private service except for the extinction of fire.

(b) Except as expressly provided in sub-clause (a) of this clause all portions of private services installed for fire service purposes shall comply with all provisions of this By-law.

(c) Every private fire service pipe shall be laid and fixed in a conspicuous position and shall be painted with a distinguishing coating of bright red paint which shall be maintained at all times.

(d) Any application for a fire service shall be made by the owner of the premises and in writing to the Council.

(e) In the event of the owner or occupier committing any offence under the Act or any breach of this By-law or permitting or suffering any such offence or breach to be committed the Council may by notice in writing to the owner withdraw permission for the private fire service and such service shall thereupon be disconnected.

#### PART X.—INSPECTIONS.

##### Inspections.

35. Any person authorized by the Council in that behalf either generally or for any class of cases or in any particular case may at all reasonable times:—

(a) enter into or upon any premises for the purpose of inspecting and may inspect any private service or any part thereof or any works in course of execution therein or thereon, and/or

(b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon and may give to the owner or occupier of such premises or any person engaged in executing such works any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works.

(c) For any such purpose as aforesaid may dig or excavate in or upon any such premises.

##### Hindering of Inspections.

36. No person shall obstruct hinder impede resist oppose or refuse admission to any premises by the Proper Officer or any person duly authorized in that behalf by the Council, or shall fail or neglect to carry out and observe all lawful directions and instructions given by him.

#### PART XI.—PENALTIES.

##### Penalties.

37. Any person who commits any breach of any of the provisions of this By-law shall be liable to a penalty of not more than Five Pounds (£5) and in the case of a continuing offence to a further penalty not exceeding Five Pounds (£5) for every day after notice of the offence from the Council.

Passed this 10th day of June, 1957.

#### Housing Acts. (Section 40 of Act 4996.)

GENERAL NOTICE TO PARTIES EMPOWERED BY THE "LANDS COMPENSATION ACT 1928" TO SELL AND CONVEY OR GRANT AND RELEASE, PURSUANT TO SECTION 40 OF ACT 4568, AS AMENDED BY PARAGRAPH (b) OF SECTION 40 OF ACT 4996.

GENERAL NOTICE TO TREAT FOR LAND IN A RECLAMATION AREA AT CARLTON.

IN pursuance of the provisions contained in the *Slum Reclamation and Housing Act 1938* (No. 4568) as amended by the *Housing Act 1943* (No. 4996) and of the *Lands Compensation Act 1928* (No. 3711), the Housing Commission (hereinafter referred to as "the Commission") hereby doth give notice that the lands, tenements and hereditaments described in the Schedule hereto are required for the purpose of the Housing Acts and that the Commission is authorized by the provisions of section 20 of the said *Slum Reclamation and Housing Act 1938* (No. 4568) to purchase or take compulsorily the said lands.

And the Commission accordingly hereby gives notice to all the parties interested in such land and to all persons empowered by the *Lands Compensation Act 1928* to sell and convey or grant and release the land so required that it requires to take and purchase the land

referred to in the said Schedule hereto and that it is willing to treat with such parties or persons for the purchase thereof and as to the compensation to be made and for the damage that may be sustained by reason of the execution of the works.

And further the Commission hereby requires such parties or persons on or before the expiration of 21 days from the 14th day of December, 1957, to deliver to the offices of the Commission, at 179 Queen-street, Melbourne, a statement, in writing, of the particulars of the estate and interest in the said lands, tenements and hereditaments and of the claims made in respect thereof.

Dated the 26th day of November, 1957.

By order of the Commission,  
G. G. BOLWELL,  
Secretary.

## MOE WATERWORKS TRUST.

## RATING BY-LAW FOR THE YEAR 1958.

**T**HE Moe Waterworks Trust, in pursuance and exercise of powers conferred by the Water Acts, hereby makes a rate for the supply of water for domestic purposes of One shilling in the pound of the net annual valuation (municipal) of lands and tenements liable to be rated within the Moe Urban District.

Provided that in no case shall the amount of the rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Forty-five shillings, and in respect of any land on which there is no building less than Twenty-seven shillings and six pence.

Such rates are made and shall be levied upon the occupiers or owners of said lands and tenements for the year commencing the first day of January, 1958, and shall be payable on the third day of January, 1958, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of One shilling per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the preceding clause, is hereby fixed at Five pence per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust.

Passed this 9th day of October, 1957.

**T**HE Council of the Shire of Beechworth, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Two shillings in the pound of the annual municipal valuation of lands and tenements liable to be rated within the Shire of Beechworth Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenements (other than land on which there is no building) be less than Forty-five shillings, and in respect of any land on which there is no building less than Twenty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of October, 1957, and shall be payable on the 10th day of December, 1957, at the office of the said Council.

The maximum quantity of water to be supplied in any one year without any further charge to any property rated by the Council is hereby fixed at the quantity which, at a charge of One shilling and six pence per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Council in excess of such quantity, computed as in the preceding clause, is hereby fixed at One shilling and three pence per 1,000 gallons.

The charge for water supplied by measure to any property shall be payable, on demand, at the office of the Council.

Dated this 4th day of October, 1957.

(SEAL)           H. R. SINCLAIR, Chairman.  
                  M. V. SMITH, Commissioner.  
                  G. T. GRAY, Secretary.

Approved, 19th November, 1957.—W. J. MIBUS, Minister of Water Supply.

## SHIRE OF CRESWICK.

## BOROUGH RIDING WATER SUPPLY DISTRICT.

*Rating By-law for the Year Commencing 1st October, 1957.*

**T**HE Council of the Shire of Creswick, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the following rates for the supply of water for domestic purposes on lands and tenements liable to be rated within the Borough Riding of the Shire of Creswick Water Supply District.

On such lands and tenements a rate of Fifteen pence in the pound of the amount of the annual municipal value.

Provided that in no case shall the amount of the rate payable in respect of any tenement (other than land on which there is no building) be less than Twenty-five shillings, and, in respect of any land on which there is no building, less than Five shillings.

Such rates are made and levied upon the occupiers or owners of the said lands and tenements for the year commencing 1st October, 1957, and shall be payable on Friday, 7th March, 1958, at the office of the Council.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Council is hereby fixed at the quantity which, at a charge of Eighteen pence per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Council in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Eighteen pence per 1,000 gallons, except in the case of industries and sporting bodies, to which the charge shall be Ten pence per 1,000 gallons.

The charge for water supplied by measure to any property not rated by the Council is hereby fixed at Eighteen pence per 1,000 gallons, and the minimum quantity of water to be charged for in cases where water is so supplied is hereby fixed at 5,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Council.

The charge for water supplied at stand pipes shall be Nine pence per load of 180 gallons.

Passed by the Council of the Shire of Creswick on Monday, 11th November, 1957.

The common seal of the President, Councillors, and Ratepayers of the Shire of Creswick was affixed hereto in the presence of—

(SEAL) EDWARD MIZZONI, President.  
E. J. SEMMENS, Councillor.  
J. B. WILKIE, Shire Secretary.

Approved, 19th November, 1957.—W. J. MIBUS, Minister of Water Supply.

## Water Acts.

## CITY OF ARARAT WATER SUPPLY DISTRICT.

## BY-LAW No. 64.

*Rating By-law for the Year Ending 30th September, 1958.*

**T**HE Council of the City of Ararat, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of One shilling and eight pence in the pound of the annual municipal valuation of lands and tenements liable to be rated within the City of Ararat Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement be less than Three pounds, and in respect of any land on which there is no building less than One pound ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year ending 30th day of September, 1958, and shall be payable on the 2nd day of January, 1959, at the office of the said Council.

The maximum quantity to be supplied in any one year without further charge to any property rated by the Council is hereby fixed at the quantity which, at a charge of Twenty pence for each 1,000 gallons supplied up to and including 24,000 gallons, and a charge of Thirty pence for each 1,000 gallons supplied in excess of that figure, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Council in excess of such maximum quantity, computed as in the preceding clause, is hereby fixed at Two shillings and six pence per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Council.

Passed this 11th day of November, 1957.

DECLARATION OF A DEVIATION FROM THE CALDER HIGHWAY IN THE SHIRE OF SWAN HILL.

WHEREAS by sections 74 and 58 of the Country Roads Act 1928 (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act has by Resolution declared a deviation to be a State highway the said Board may also declare that such deviation shall be in lieu of any existing highway or part thereof named in such Resolution and that on publication in the Government Gazette of the Order confirming such Resolution the existing highway or part thereof shall cease to be a State highway or be discontinued as provided in the Resolution: And whereas the said Board has by Resolution declared the deviation on the land described in the First Schedule to such Resolution to be a State highway and has also declared that such deviation shall be in lieu of the part of the existing highway being the land described in the Second Schedule to the said Resolution and that such part of the said existing road as is described in the Third Schedule shall be discontinued: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

Resolution for Declaration of a Deviation under the Country Roads Act.

Whereas the land the site of the highway the course of which is below set out was taken by the Board under the provisions of the Country Roads Act 1928 for the purpose of constructing such highway deviation which highway deviation has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the highway aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by sections 74 and 58 of the said Act doth by this present Resolution hereby declare the said highway deviation the course of which is described in the First Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a State highway within the meaning and for the purposes of the Country Roads Act 1928: And the said Board doth also declare that such deviation shall be in lieu of the existing highway or part thereof described in the Second Schedule hereto and that such part of the said existing highway as is described in the Third Schedule shall be discontinued.

W. M. HOUSTON,  
Government Printer.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and Five p.m. at double rates on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are One shilling, posted One shilling and three pence.

No GAZETTES prior to January, 1950, in stock.

\*\*\*ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.

SUBSCRIPTIONS.—The subscription, including postage, is £2 15s. per annum, £1 7s. 6d. half-yearly, or 13s. 9d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the GAZETTE.

ADVERTISEMENTS are charged at the rate of 1s. 6d. per line single column, and 3s. per line double column.

The title (£5 Reward, Dissolution of Partnerships, &c.) forms one or more lines as a heading.

On an average, ten words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE "VICTORIA GOVERNMENT GAZETTE."

ATTENTION is invited to the following procedure in relation to the publication of official matter in the *Government Gazette*:—

1. *Matter submitted to the Executive Council.*

Matter submitted to the Executive Council which requires gazettal will normally be published in the issue of the following week.

Where urgent gazettal is required, special arrangements should be made with the *Gazette* Officer.

Publication will be facilitated by the submission of carbon copies for the use of the *Gazette* Officer.

2. *Other matter.*

(a) All other matter duly certified by a responsible officer for publication should be lodged with the *Gazette* Officer not later than half-past Ten a.m. on Tuesday.

(b) Lengthy or involved notices should be forwarded several days before publication.

(c) Proofs, which will be supplied only when specifically requested, or at the direction of the *Gazette* Officer, should be returned promptly to avoid delay in publication.

(d) No additions or amendments to matter for publication will be accepted by telephone.
