Labour and Industry Acts.

AMENDING DETERMINATION OF THE TANNERS BOARD.

IN accordance with the provisions of the Labour and Industry Acts, the Tanners Board has made the following amending Determination, namely:—

That, on the 14th November, 1956, the Determination made on the 27th July, 1955, and published in *Government Gazette*, No. 859 of the 25th November, 1955, shall be amended by adding the following new clause:—

OLYMPIC GAMES HOLIDAY.

8A. In connexion with the holding of the Olympic Games in Victoria, during the months of November, and December, 1956, where a holiday or half-holiday is proclaimed by Order in Council throughout any Municipality or part thereof, or within any defined area, such holiday or half-holiday shall, so far as such Municipality or part thereof, or such defined area is concerned be deemed to be included in the list of holidays prescribed in clause 8.

Provided that no employee shall be entitled to the conditions prescribed by this clause for more than the equivalent of one working day.

Provided further that an employee who fails to attend for work on the working day before and/or after such holiday or half-holiday without reasonable excuse shall not be entitled to be paid for such holiday or half-holiday.

P. A. RANGLES, J.P., Chairman.

J. V. WILLOX, Secretary.

Melbourne, 14th November, 1956.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for ensuring transparency and accountability in financial operations.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support effective decision-making.

3. The third part of the document focuses on the analysis and interpretation of the collected data. It discusses the various statistical and analytical tools used to identify trends, patterns, and insights from the data.

4. The fourth part of the document discusses the application of the analyzed data to various business and operational decisions. It emphasizes the importance of using data-driven insights to optimize performance and improve decision-making.

5. The fifth part of the document discusses the challenges and limitations associated with data analysis and interpretation. It highlights the need for careful consideration of the context and quality of the data used in the analysis.

6. The sixth part of the document discusses the future trends and developments in data analysis and interpretation. It highlights the increasing importance of data-driven decision-making and the need for continuous learning and adaptation to new technologies and methods.

7. The seventh part of the document discusses the ethical considerations and privacy concerns associated with data analysis and interpretation. It emphasizes the need for transparency and accountability in the use of data and the protection of individual privacy.

8. The eighth part of the document discusses the role of data analysis and interpretation in various industries and sectors. It highlights the wide range of applications and the potential for data-driven insights to improve performance and efficiency.

9. The ninth part of the document discusses the importance of data analysis and interpretation in the context of business and organizational success. It emphasizes the need for data-driven insights to inform strategic decision-making and improve overall performance.

10. The tenth part of the document discusses the conclusion and key takeaways from the document. It summarizes the main points and emphasizes the importance of data analysis and interpretation in the modern business environment.
