#### SHIRE OF KANIVA WATERWORKS TRUST.

RATING BY-LAW FOR 1959 IN THE URBAN DISTRICT OF KANIVA.

THE Chairman and Commissioners of the Shire of Kaniva Waterworks Trust, in pursuance of the powers conferred by the Water Acts, do hereby make the following By-law:—

The following rate and charges are those which the occupiers or owners of lands and tenements liable to be rated shall pay for the year 1959 in respect of water supplied by the Trust within the Urban District of Kaniva, as such district has been proclaimed and defined.

For the supply of water for domestic purposes, a rate is hereby made of Two shillings in the pound on the annual municipal valuation of such lands and tenements. Provided that in no case shall the amount of the rate payable in respect of any tenement (other than land on which there is no building) be less than Forty shillings, and in respect of land on which there is no building less than Ten shillings.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of Fifteen pence per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Eighteen pence per 1,000 gallons.

The charge for water supplied by measure to any property not rated by the Trust shall be an amount equal to the district rate of Two shillings in the pound on the valuation of the property by the Trust, provided that such charge shall not be less than Forty shillings.

Allowance and excess water to be at district charge per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust.

**Public Institutions and Others.**—The charge for water supplied to all Government Departments shall be by special agreement, or shall be an amount equal to the district rate of Two shillings in the pound on the valuation of the property by the Trust, provided that such charge shall not be less than Forty shillings. Meter to be installed if required by Trust; allowance and excess water to be at district charge per 1,000 gallons.

Water supplied to churches and public hospitals shall be by measure at Fifteen pence per 1,000 gallons.

For water supplied to parks and recreation grounds, and cricket, bowling, or tennis clubs, the charge shall be subject to arrangements with the Trust.

**Water Troughs.**—Private water troughs will be charged for at the rate of Twelve shillings per annum each, except where, in the opinion of the Trust, a meter shall be necessary, in which case the minimum charge shall be for 8,000 gallons per annum at Eighteen pence per 1,000 gallons.

**Period of Rate.**—That the above-mentioned rate is made for one year, commencing on the 1st day of January, 1959, and ending on the 31st day of December, 1959, and shall be due and payable on the 2nd day of February, 1959, at the office of the said Trust.

Such persons as the Commissioners of the Trust may from time to time appoint for that purpose shall be authorized to demand and receive and collect and recover the said rate and charges.

By-law passed and adopted this 18th day of November, 1958.

#### MOE WATERWORKS TRUST.

##### RATING BY-LAW FOR THE YEAR 1959.

**THE** Moe Waterworks Trust, in pursuance and exercise of powers conferred by the Water Acts, hereby makes a rate for the supply of water for domestic purposes of One shilling in the pound of the net annual valuation (municipal) of lands and tenements liable to be rated within the Moe Urban District.

Provided that in no case shall the amount of the rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Forty-five shillings, and in respect of any land on which there is no building, less than Twenty-seven shillings and six pence.

Such rates are made and shall be levied upon the occupiers or owners of said lands and tenements for the year commencing the 1st day of January, 1959, and shall be due and payable on the 5th day of January, 1959, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which at a charge of One shilling per 1,000 gallons would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the preceding clause, is hereby fixed at Five pence per 1,000 gallons.

The charge for water supplied by measure shall be payable on demand at the office of the Trust.

## ORDER APPROVING OF A DEVIATION FROM A FOREST ROAD IN THE SHIRE OF NARRACAN.

**WHEREAS** the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council

that it appears to it desirable that the deviation herein-after referred to from the existing Waihalla-road in the Shire of Narracan (declared to be a forest road under the *Country Roads (Forest Roads and Stock Routes) Act 1943* (No. 4953) which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 1st September, 1948, on page 5612) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the *Country Roads Act* has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All those pieces of land in the Parish of Moondarra, the boundaries of which are as follow:—

- (a) Commencing at the western angle of allotment 4b, section B, of the said parish; thence by lines bearing respectively 33 deg. 47 min. 1701 links, 29 deg. 52 min. 298 links, 171 deg. 28 min. 48.8 links, 209 deg. 52 min. 126.4 links, 201 deg. 2½ min. 264.9 links, 211 deg. 29 min. 417 links, 230 deg. 14 min. 130 links, 214 deg. 47 min. 780.9 links, 208 deg. 28 min. 300.4 links, and 334 deg. 8 min. 86.1 links to the point of commencement.
- (b) Commencing at the eastern angle of lot 30 on plan of subdivision numbered 5583 lodged in the Office of Titles, and being part of allotment 4A, section B, of the said parish; thence by lines bearing respectively 209 deg. 55 min. 35 links, 10 deg. 0 min. 68.9 links, and 171 deg. 40 min. 37.9 links to the point of commencement—

which said pieces of land are particularly delineated and shown coloured red on survey plan numbered 6953, lodged in the office of the Country Roads Board.

And the Honorable Sir Thomas Karran Maltby, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,  
Clerk of the Executive Council.

## ORDER APPROVING OF WIDENING AN EXISTING MAIN ROAD IN THE SHIRE OF MORNINGTON.

**WHEREAS** the Country Roads Board constituted under the *Country Roads Act 1928* (hereinafter called "the principal Act") has in exercise of its powers under the *Country Roads Act 1948* for the purpose of widening Tyabb-road in the Shire of Mornington (declared to be a main road under the principal Act, which declaration was confirmed by an Order in Council published in the *Government Gazette* of the seventeenth day of April, 1946, on pages 1325-6), by Resolution dated the thirtieth day of September, 1957, fixed new alignments for the east and west sides of the said road: And whereas by sub-section (3) of section 2 of the *Country Roads Act 1948* it is provided (*inter alia*) that the widening of any main road pursuant to such Act shall for all purposes be deemed to be the making of such main road pursuant to the principal Act: And whereas by sub-section (2) of section 2 of the *Country Roads Act 1948* it is provided (*inter alia*) that no main road shall be widened pursuant to that Act unless the Governor in Council has by Order published in the *Government Gazette* approved such widening: And whereas the said Board in accordance with the requirements of section 19 of the principal Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said road is proposed to be made and the

cost of acquiring the land: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land which it is necessary to acquire for the purpose: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby for the purposes of the *Country Roads Act* 1948 approve of the said road being widened so as to include therein the land described in the Schedule hereto and doth hereby for the purposes of the principal Act approve of the said road being made over the land described in the said Schedule.

## SCHEDULE.

## RIVER IMPROVEMENT ACT 1948.

*At the Executive Council Chamber, Melbourne, the  
second day of December, 1958.*

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Cameron  
Mr. Thompson

Mr. Reid.

## SNOWY RIVER IMPROVEMENT TRUST.—RATING DIVISIONS, 1958.

**W**HEREAS by section 36 of the *River Improvement Act* 1948 it is provided, *inter alia*, that for the purpose of making and levying any river improvement rate the properties to be rated may be arranged in so many and such divisions as are determined by the Governor in Council having regard to the relative extent of the benefits which may be expected to be derived by such properties from the river improvement works for the district:

And whereas by Order made on the Twentieth day of November, 1952, the Governor in Council determined that the properties within the Snowy River Improvement District should be arranged in five divisions in the manner therein provided:

And whereas by section 17 of the afore-mentioned Act the Governor in Council is empowered to make additional Orders relating to any district and its river improvement authority and in any such Order to repeal any of the provisions of any previous Order and to make any Order which might have been made in the original Order constituting such District or the Trust therefor:

And whereas it is now considered to be desirable to determine that the number of such divisions shall be more than five:

Now, therefore, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, under the powers conferred by the *River Improvement Act* 1948 and all other powers enabling him in that behalf, doth by this Order repeal the provisions of the said Order made on the twentieth day of November, 1952, and doth hereby determine that the properties within the Snowy River Improvement District shall be arranged in eight divisions in the manner hereinafter provided:—

(1) That the said divisions shall be known as the First, Second, Third, Fourth, Fifth, Sixth, Seventh and Eighth Divisions.

(2) That the First Division shall comprise those lands coloured green on the plan titled "Snowy River Improvement District Rating Divisions, 1958", signed and sealed by the Snowy River Improvement Trust and approved by

the Governor in Council and deposited in the office of the State Rivers and Water Supply Commission, at Melbourne.—(Corres. 57/25352.)

(3) That the Second Division shall comprise all those lands coloured brown on the said plan.

(4) That the Third Division shall comprise all those lands coloured yellow on the said plan.

(5) That the Fourth Division shall comprise all those lands coloured grey on the said plan.

(6) That the Fifth Division shall comprise all those lands coloured purple on the said plan.

(7) That the Sixth Division shall comprise all those lands coloured pink on the said plan.

(8) That the Seventh Division shall comprise all those lands coloured blue on the said plan.

(9) That the Eighth Division shall comprise all those lands within the said district not included in the First, Second, Third, Fourth, Fifth, Sixth and Seventh Divisions.

And the Honorable Wilfred John Mibus, Her Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,  
Clerk of the Executive Council.

##### CITY OF FOOTSCRAY.

###### By-Law No. 233.

A By-law of the City of Footscray numbered 233, made under the provisions of the Local Government Acts prohibiting the leaving, standing, of derelict, or unregistered motor cars on streets or roads, and providing for the removal and disposal of such motor cars, and the imposition of charges for such removal and disposal.

**IN** pursuance of the powers conferred upon it by the Local Government Acts and of every other power it thereunto enabling, the Mayor, Councillors, and Citizens

of the City of Footscray with the approval of the Governor in Council order as follows:—

1. In this By-law the words "derelict motor car" shall mean any derelict motor car which has remained apparently abandoned in the same position in any street for a period exceeding seven days, and "motor car" shall have the same meaning as provided for in the *Motor Car Act 1946*.

2. No person shall leave any derelict or unregistered motor car standing on any street or road within the municipality of Footscray.

3. Any officer of the Council authorized by it in that behalf may cause any derelict or unregistered motor car left standing in any street or road, to be removed by such reasonable means as he may think fit, to some place set aside by the Council for that purpose.

4. As soon as reasonably may be after any such car has been removed as aforesaid, the Council shall cause to be published in a newspaper generally circulating in the municipal district, a notice in the form in the Schedule hereto.

5. If within fourteen days after such publication, such motor car shall be claimed by any person producing to the Council proof to its satisfaction that he is the owner or entitled to possession thereof, and the appropriate charge prescribed by this By-law shall be paid in respect thereof, such motor car shall be released to such person.

6. (a) Where any such motor car is not so released within fourteen days after the publication of such notice as aforesaid, the Council may, after a period of twenty-one days from the expiration of such notice, cause the same to be sold, either by public auction or private contract.

(b) The proceeds of such sale shall be applied firstly in payment of the appropriate charge for the removal thereof, and the residue (if any) shall be payable to any person producing to the Council proof to its satisfaction that he is the owner of such motor car and entitled to receive such residue.

(c) If within three months after the date of such sale, no person shall have claimed the residue, and produced such proof as aforesaid to the Council, the residue shall be paid into the municipal fund.

7. If the Council shall be unable to sell such motor car within one month from the expiration of such period of twenty-one days, the same may be disposed of by the Council in such manner as it may think fit.

8. The charge for the removal of any derelict or unregistered motor car, pursuant to this By-law, is hereby prescribed as a sum equivalent to fifteen shillings for each mile or part thereof of the distance between the place where such motor car was left standing, to the place set aside by the Council pursuant to clause 3 hereof.

9. This By-law shall apply to and have operation throughout the whole of the municipal district.

#### THE SCHEDULE HEREINBEFORE REFERRED TO.

Notice is hereby given that the undermentioned derelict or unregistered motor car was, pursuant to the provisions of By-law No. 233 of the City of Footscray removed from \_\_\_\_\_ street on the \_\_\_\_\_ day of \_\_\_\_\_ 19\_\_\_\_ to the Council's yard in \_\_\_\_\_

Unless the charges for the removal thereof as fixed by the said By-law are paid within fourteen days from the publication hereof, and the said motor car released, the same will be sold or otherwise disposed of by the Council.

#### Local Government Act 1946—Sections 510 and 594.

#### CITY OF GEELONG WEST.

#### NOTICE OF INTENTION TO ACQUIRE LAND COMPULSORILY AND NOTICE OF SCHEME.

WHEREAS pursuant to Division 4 of Part XVIII, and Division 13 of Part XIX, of the *Local Government Act 1946*, the Council of the City of Geelong West, deems it expedient to execute the following work or undertaking within the corporate limits of the said city for the purpose whereof the exercise of its compulsory powers of taking land will in its opinion be necessary; and has resolved that it is desirable that a new street to be called "Gordon-avenue" should be opened, and portion of a lane known as Ruffins-lane, be widened in accordance with plans submitted by the City Engineer. And whereas in addition to purchasing or compulsorily taking any land for the purpose of such new street, it is also desirable that other land, (hereinafter referred to as "surplus land") situate in the neighbourhood though not actually required for the purpose of the proposed new street, and of the widening of portion of Ruffins-lane should also be purchased or compulsorily taken, and has directed that a scheme be prepared in accordance with section 594 of Division 13, Part XIX, of the said Act for submission to the Minister for approval of the Governor in Council. Notice is hereby given as follows:—

1. The Council of the City of Geelong West has caused to be prepared, and has approved of such specifications, maps, plans, sections and elevations, as are necessary showing:—

(a) the nature and extent of the said work or undertaking, namely the construction of the said new street, and the widening of portion of Ruffins-lane, and the exact site and admeasurements thereof;

(b) on and through what lands the same is proposed to be placed and extended;

(c) the names of the owners or reputed owners, lessees, or reputed lessees, and the occupiers thereof so far as such names can be ascertained by the Council.

2. The Council of the City of Geelong West has prepared a scheme under the provisions of section 594 of the *Local Government Act 1946* for submission to the Minister for the approval of the Governor in Council—the purport of such scheme is as follows:—

(a) To open a new street to be called "Gordon-avenue" and widen portion of Ruffins-lane in accordance with plan marked "B", and thereon coloured brown.

(b) To purchase or compulsorily take and use the land required for such new street and widening Ruffins-lane, and to purchase or compulsorily take other land referred to as surplus land situate in the neighbourhood, and shown on said plan marked "B", coloured red.

(c) To subdivide the surplus land for sale into 53 lots as shown on said plan marked "B", such subdivision to comply with the requirements of the Uniform Building Regulations (Victoria).

(d) The estimated cost of carrying out the scheme is Fifty-nine thousand five hundred and thirty-one pounds.

It is proposed to obtain the required funds for carrying out the scheme by way of bank overdraft under the provisions of section 435, or by way of loan under the provisions of Part XV, of the *Local Government Act 1946*.

3. All such specifications, maps, plans, sections and elevations, referred to in clause 1 hereof as well as a copy of such scheme with relative plans, referred to in clause 2 hereof, are deposited for inspection at the office of the Council, Town Hall, Geelong West, and are open for inspection at the place aforesaid during office hours by all persons interested, free of charge, for the space of 40 clear days from the publication of this notice in the *Government Gazette*.

4. The said Council hereby requires all persons affected by the proposed work or undertaking referred to in clause 1, or by the scheme referred to in clause 2, to set forth in writing, addressed to the said Council, or to the Town Clerk, within 40 clear days from the publication of this notice in the *Government Gazette*, all objections which they may have to the said work or undertaking, or to the said scheme.

5. At the next ordinary meeting of the Council, after the expiration of the said 40 clear days, the Council will

consider any objections to the said work or undertaking, or to the said scheme, and any person so objecting may appear before the Council in support of such objection.

Dated the 26th day of November, 1958.

By order of the Council,

H. R. FRENCH, Town Clerk.

Harwood and Pincott, Geelong solicitors, for the Mayor, Councillors, and Citizens of the City of Geelong West.

#### CITY OF MALVERN.

##### By-Law No. 133.

##### *Parking Areas in Streets and Roads.*

A By-law of the City of Malvern, made under Part VII, Division 1, of the *Local Government Act* 1946, and numbered 133, for appointing in streets and roads standing places for motor cars.

1. In this By-law, unless inconsistent with the context or subject-matter—

“Council” means the Council of the City of Malvern.

“Motor car” has the same meaning as in the *Motor Car Act* 1951.

“Officer” means any person authorized in writing by the Council.

“Town Clerk” means the Clerk of the City or the person appointed to carry out the duties of the Municipal Clerk.

2. The Council hereby appoints as street parking areas for motor cars the streets designated in Schedule A hereof.

3. The Council may appoint such officers as it thinks proper to supervise such street and road parking areas, and every driver of a motor car shall pay to such officers a fee of Three shillings per diem for each motor car parked in any street parking area.

4. Any person not being an officer of the Council who, without authority, shall on any pretext pretend to be a street parking area attendant or officer of the Council or who shall in any way assume the duties of a street parking area attendant or officer of the Council or who shall obstruct, hinder or delay any officer supervising any street parking area as aforesaid in the execution of his duty shall be guilty of an offence.

5. In any street parking area a motor car shall be parked by the driver thereof as follows:—

(a) as directed by the officer supervising the street parking area; or

(b) if no such officer be present by taking up a position thereon in order of arrival thereat and in such a manner as will enable the motor car to take up or leave such position without disturbance to other motor cars already parked and also in such a way as will permit the latter to leave their respective positions without difficulty and not otherwise.

6. ## SPRINGHURST WATERWORKS TRUST.

### BY-LAW No. 1.

*Standing Orders for Regulating and Appointing the Place and Hour of Meetings of the Springhurst Waterworks Trust, and Providing for the Management and Conduct of Business Thereat.*

**THE** Springhurst Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks District:—

1. In all cases not provided for by the Acts of Parliament of Victoria relating to authorities, or by this By-law, resort shall be had to the rules, forms, and usages of the Parliament of Victoria, which shall be followed so far as the same are applicable to the proceedings of the Trust.

2. *Place and Hour of Meetings.*—Meetings of the Trust shall be held periodically on the first Monday in the month, at 8 o'clock p.m., at the office of Springhurst and District Dairy Co. Upon notice of motion the time, day, and hour of the meeting may be altered by a majority of the Commissioners. A notice of every regular meeting of the Commissioners shall be, by the Trust Secretary, delivered or sent by post, addressed to the usual address of the Commissioner, three clear days, at least, prior to the day on which such intended meeting is to be held.

3. *Meeting, Resolutions at, Not to be Revoked.*—No Resolution at any meeting of the Commissioners shall be revoked or altered at any subsequent meeting, unless notice of intention to propose such revocation or alteration be given by the Trust Secretary to each of the Commissioners seven days at least before holding the meeting, nor unless such revocation or alteration be determined upon by a majority consisting of at least two-thirds of the Commissioners present at such subsequent meeting (if the number of the Commissioners present at such subsequent meeting be not greater than the number present when such Resolution was come to), or by majority if the number of Commissioners present at such subsequent meeting be greater than the number present at such former meeting.

4. *Business, &c., Order of, Minutes.*—At every meeting of the Commissioners the first business thereof shall be reading and putting a question for the confirmation of the minutes of the proceedings at the preceding meeting, and no discussion shall be permitted thereon, except as

to their accuracy as a record of the proceedings, and the rough minutes of the proceedings of the Commissioners at any meeting shall be read at the close of such meeting, if required by any Commissioner present at such meeting.

5. After the signing of the minutes by the Chairman, the order of the business of any ordinary meeting shall be as follows, or as near thereto as may be practicable; but for the greater convenience of the Commissioners at any particular meeting thereof it may be altered by Resolution to that effect:—

- (1) Reading of copies of letters sent by the authority of the Commissioners, if called for.
- (2) Reading letters received, and considering and ordering thereon.
- (3) Reception and reading of petitions and memorials.
- (4) Receiving deputations from the ratepayers.
- (5) Presentation of reports of committees and officers.
- (6) Payments.
- (7) Orders of the day, including subjects continued from proceedings of former meetings, and any business the Chairman may think desirable.
- (8) Other motions of which previous notice has been given.
- (9) Notices of motion and the order of business at a Special Meeting shall be the order in which such business stands in the notice thereof.

6. *Titles, Official.*—The Commissioners, in meeting, shall designate each other by their official titles, namely, that of Chairman or Commissioner, as the case may require.

7. *Who to Speak.*—If two or more Commissioners rise to speak at the same time, the Chairman shall decide which is entitled to priority.

8. *Chairman to Rise Whilst Addressing Meeting.*—The Chairman shall rise in addressing the Commissioners to discuss any question, and shall not leave the Chair on such occasions.

9. *Commissioners Not to Speak Twice on the Same Question.*—No Commissioner shall speak twice on the same question, unless entitled to reply, or in the explanation when he has been misrepresented or misunderstood.

10. *Points of Order.*—The Chairman, when called upon to decide on points of order or practice, shall state the provision, rule, or practice which he deems applicable to the case, without discussing or commenting on the same, and his decision as to order or explanation in each case shall be final.

11. *Commissioners Not to Digress or Impute Improper Motives.*—No Commissioner shall digress from the subject matter of the question under discussion, nor impute improper motives, and all personal reflections on Commissioners shall be deemed disorderly, and every Commissioner so doing shall, upon being called to order by the Chairman, apologize for such conduct, and withdraw such imputations or reflections, as the case may be.

12. A Commissioner called to order shall sit down unless permitted to explain.

13. *Persons Not Commissioners to Leave when Requested.*—No person not being a Commissioner who, having been admitted to any meeting of the Commissioners, shall be guilty thereof of any improper or disorderly conduct, and every such person shall leave such meeting when requested by the Chairman to do so.

14. *Call of the Commissioners.*—No Commissioner shall absent himself from any meeting held in compliance with an order for a call of the whole Commissioners without reasonable excuse to the satisfaction of the majority thereof.

15. *Documents to be Produced.*—Any Commissioner may of right demand the production of any of the documents of the Trust applying to the question under discussion.

16. *Motions, Amendments, and Notice Thereof.*—All notices of motion shall be in writing, dated, and numbered, and given by the intending mover to the Trust Secretary at the close of meeting of the Commissioners, or if not given at the meeting then seven days prior to the day which the next meeting of the Commissioners is to take place, and the Secretary shall enter the same in the notice of motion book, in the order in which they may be received.

17. *No Motion Without Notice.*—No Commissioner shall make any motion initiating a subject for discussion, except in pursuance of notice given as prescribed in the last preceding clause.

18. *Motions on Petitions.*—No motion, except that for receiving the same, shall, unless under most urgent circumstances, be made on any petition, memorial or other like application until the next ordinary meeting of the Commissioners after that at which it has been presented.

19. *Motions to be Moved in Order.*—Except by leave of the Commissioners, motions shall be moved in the order in which they have been received and recorded by the Trust Secretary in the notice of motion book, and if not so moved or postponed shall be struck out.

20. *Motions Not to be Proceeded with in the Absence of the Mover.*—No motion entered in the notice of motion book shall be proceeded with in the absence of the Commissioner who gave notice of the same, unless by some other Commissioner producing written authority from him to that effect.

21. No motion for an address or petition shall be entertained unless the mover shall, at some previous meeting, have submitted a draft of the same.

22. *Mover of Motion or Amendment Not to be Interrupted.*—Any Commissioner desirous of making a motion or amendment, or taking part in discussion thereon, shall rise and address the Chairman, and shall not be interrupted unless called to order, when he shall sit down until the Commissioner calling to order shall have been heard thereon, and the question or order disposed of, when the Commissioner in possession of the Chair may proceed with the subject.

23. *Nature of Motion to be Stated.*—Any Commissioner desirous of proposing an original motion or amendment must state the nature of the same before he addresses the Commissioners thereon.

24. *Leave to be Obtained Before Motion Withdrawn.*—No motion or amendment shall be withdrawn without the leave of the Commissioners.

25. *Motions to be Seconded Prior to Discussion.*—No motion or amendment shall be discussed or put to the vote of the Commissioners unless it be seconded; but a Commissioner may, however, require the enforcement of any standing order of the Commissioners by directing the Chairman's attention to the infraction thereof.

26. *Mover and Not the Seconder Held to Have Spoken.*—A Commissioner moving a motion shall be held to have spoken thereon, but a Commissioner merely seconding shall not be held to have spoken upon it.

27. *Motion to be in Writing.*—At every meeting of the Commissioners, all motions, whether original motions or amendments, shall be reduced to writing, signed by the mover, and be delivered to the Chairman immediately on their being moved and seconded.

28. *Amendments.*—No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

29. *Amendment to Become the Question.*—If an amendment be carried, the amendment shall become itself the question, whereupon any further amendment upon any portion of the question may be moved.

30. *Second Amendment may be Moved.*—If an amendment be negatived, then a second may be moved to the question to which the first-mentioned amendment was moved, but only one amendment shall be submitted to the Commissioners for discussion at a time.

31. *Right of Mover to Reply.*—The mover of every original proposition, but not of any amendment, shall have a right to reply, immediately after which question shall be put from the Chair, but no Commissioner shall be allowed to speak more than once on the same question, unless permission be given to explain or the attention of the Chair be called to a point of order.

32. *Adjournment, Motion for.*—No discussion shall be allowed on any motion for adjournment of the Commissioners, but if, on the question being put, the motion be negatived, the subject then under consideration, the next on the notice paper shall be discussed, or any other than may be allowed precedence before any subsequent motion of adjournment be made.

33. *Protest, Commissioners May.*—Any Commissioner may protest against any Resolution of the Commissioners, and notice of intention to protest shall, in every case, be given forthwith on the adoption of the Resolution protested against, and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Commissioners by the protesting Commissioner in a book to be kept for that purpose in the Trust Secretary's office, and signed by such Commissioner, and shall also be entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the Commissioners to be not in accordance with truth or in its terms disrespectful to the Commissioners.

34. *Lapsed Questions.*—If a debate on any motion moved and seconded be interrupted by the number of Commissioners present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted on motion upon notice.

35. *Order of the Day to be Restored.*—If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice book for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

36. *Voting.*—Whenever a division shall be demanded by any Commissioner, the Commissioners voting in the affirmative shall first hold up their hands, and all those voting in the negative shall then hold up their hands, and result be declared by the Chairman. The Chairman shall have a deliberate vote, and in case of an equal division he shall have a casting vote, and every Commissioner present shall vote except he be disabled by law from doing so.

37. *Questions to be Put.*—The Chairman shall, in taking the sense of the Commissioners, put the question first in the affirmative, then in the negative, and the result thereof shall be recorded in the minutes.

38. *Contents of Petitions.*—It shall be incumbent on every Commissioner presenting a petition to acquaint himself with the contents thereof, and to ascertain that it does not contain language disrespectful to the Commissioners, and that the contents do not violate any By-law or any provision thereof.

39. *Name at Beginning of Petition.*—Every Commissioner presenting a petition to the Commissioners shall write his name at the beginning thereof.

40. *Petition to be in Writing.*—Every petition shall be in writing and not printed or lithographed, and shall contain the prayer of the petitioner at the end thereof, and be signed by at least one person on every sheet on which it is written.

41. *How Signed.*—Every petition shall be signed by the persons whose names are appended thereto by their names or marks and by no one else, except in cases of incapacity by sickness.

42. *No Letters, &c, to be Attached.*—No letters, affidavits, or other documents shall be attached to any petition.

43. *Presentation of Petitions.*—Every Commissioner presenting a petition to the Commissioners shall confine himself to a statement of the persons from whom it comes, of the number of signatures attached to it, of the material allegations contained in it, and to the reading of the prayer thereof.

44. *Deputations.*—Deputations from the ratepayers wishing to be heard before the Commissioners in support of any petition, or otherwise, must send in an application in writing, to the Trust Secretary, at least three clear days before the meeting of the Commissioners at which such petition is intended to be presented.

45. *Cheques to be Signed.*—All cheques shall be signed by two Commissioners, and countersigned by the Secretary.

46. *Appointment to Permanent Office.*—No appointment to any permanent office at the disposal of the Commissioners shall take place until seven clear days' public notice shall have been given by advertisement in one or more newspapers circulating in the district of Springhurst, inviting applications from qualified candidates for same.

47. *Salaries to be Fixed.*—The salary or allowance attached to all offices and places at the disposal of the Commissioners shall, in all cases, be fixed before they proceed to appoint any person to fill the same.

48. *Commissioners, &c., Not to be Surety.*—No Commissioner or officer of the Commissioners, and no assessor or auditor shall be received as a surety, for any officer appointed by the Commissioners, or for any work to be done for the Commissioners.

49. *Contracts.*—In all cases of security being given for the faithful performance of any contract, the expenses of preparing such security shall be borne by the person providing the same.

50. *Plans, &c.*—All the plans and specifications for any public work shall be laid before the Commissioners at least six days prior to the same being considered and ordered upon, and be open for inspection by any Commissioner during that time, except in cases of emergency.

51. *Secretary to Expend Moneys.*—It shall be lawful for the Secretary from time to time, on the written order of the Chairman, to disburse such moneys as shall have been appropriated by the Commissioners for the purposes of this clause, and as shall be required for any necessary occasion, not exceeding in the whole in an interval between two ordinary meetings of the Commissioners the sum of Ten pounds.

52. *Addresses to the Governor, &c.*—All addresses to the Governor shall be presented by the Chairman and Trust Secretary, unless otherwise ordered by the Commissioners.

53. *Suspension of Regulations.*—Any one or more of the rules and provisions herein contained may be suspended for a special purpose on motion upon notice being given, and shall not otherwise be suspended except by a unanimous vote of the Commissioners.

54. *Penalty.*—Every person who shall so offend against this By-law shall be liable to a penalty not exceeding Five pounds for each such offence.

55. *Common Seal.*—The common seal of the Trust shall be kept in a locked box, of which the key shall be kept by the Trust Secretary, and the corporate seal shall not be affixed to any document unless the Chairman of the Trust and the Secretary, or in the absence of the Chairman, unless two Commissioners and the Secretary be present.

Passed this 24th day of February, 1958.

(SEAL) D. J. DUNNE, Chairman.  
R. HARBINSON, Commissioner.  
PATRICK J. HESSION, Secretary.

## LAKES ENTRANCE WATERWORKS TRUST.

### BY-LAW No. 2.

THE Lakes Entrance Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts doth hereby make the By-law following for its Waterworks District:—

#### PART I.—INTERPRETATION.

##### Definitions.

1. In this By-law unless inconsistent with the context or subject matter—

“The Act” means the Water Acts.

“Fittings” includes all appliances and things whatsoever, other than pipes, used in connexion with the conveying supplying, storing, or regulation of the flow of water in or derived from a main pipe.

“Main Pipe” means any pipe belonging to or under the control of the Trust and used for the conveying or supplying of water.

“Person” includes a Corporation or Company.

“Private Service” means and includes all pipes and fittings used in connexion with the supply of water from a main pipe to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

“Proper Officer” means any employee of the Trust authorized to execute any function on behalf of the Trust.

“Service Pipe” means any pipe (not being a main pipe) used for the conveying or supplying of water derived from a main pipe.

“Trust” means the Lakes Entrance Waterworks Trust.

“Works” means works of or in connexion with the laying constructing altering disconnecting removing repairing renewing or maintaining of a private service or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

#### PART II.—LICENSING OF PLUMBERS.

##### Unlicensed Persons not to Interfere with Private Services.

2. Before any person shall affix alter repair or in any manner interfere with any pipe of the Trust or any service pipe tap or meter or other fitting connected with the main pipes of the Trust, he shall obtain from the Trust a licence in that behalf to execute such works, and no

unlicensed person shall affix alter repair or in any manner interfere with any such main pipe service pipe tap meter or other fittings as aforesaid.

##### Period of Licences; Cancellation of Licences; Fees Payable.

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Trust at its discretion from time to time in each case to the following 31st December. The Trust shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Trust shall be sole judge. For each original licence the licensee shall pay to the Trust a fee of One pound, and for each renewal Five shillings.

##### Proof of Fitness to be Given.

4. Before any licence shall be granted by the Trust, the person applying for such licence shall satisfy the Trust by any tests required by the Trust or by virtue of his registration by the Plumbers and Gasfitters' Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Trust relating to water supply and with the Act so far as it applies to town supplies. The Trust may, if it so sees fit, refuse to grant such licence.

#### PART III.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

##### Notice of Works to be Given.

5. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Water Act 1928)—

(a) without having given to the Trust not less than two days prior to the commencement of the execution of such works—

(i) notice in writing of his intention so to do specifying the tenement in on or in respect of which it is proposed to execute such works and the time or times (being between the hours of 8 a.m. and 5 p.m. on any week day except a public holiday or a Saturday) during which it is proposed to execute such works.

(ii) a complete specification in writing of the works proposed to be done setting out the mode form strength material construction dimensions and arrangement of all pipes fittings and structures intended to be used in the execution of such works.

(iii) in the case of every private service containing any service pipe of diameter larger than 2 inches a properly prepared plan drawn to a scale specified thereon of the premises in on or in respect of which it is proposed to execute the said works showing thereon all buildings erections and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon.

Every notice specification and plan shall be signed by the licensed plumber actually engaged to carry out the works referred to in the notice, or by a licensed plumber employing another licensed plumber to carry out the work under his supervision.

(b) contrary to or not in conformity with this By-law or such notice specification and plan mentioned in sub-paragraphs (i) (ii) and (iii) of paragraph (a) of this clause.

#### Plumbers to Report.

6. Each licensed plumber shall report to the Proper Officer of the Trust the completion of any new work extensions or repairs in connexion with any service within twenty-four hours of effecting same.

#### Carrying Out of Plumbing Work.

7. Every licensed plumber shall in carrying out any work of water supply—

(a) Execute the work in accordance with the provisions of the Act and of the By-laws of the Trust and any special directions or orders given or issued thereunder by the Trust or by the Proper Officer of the Trust; and

(b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Trust; and

(c) use materials of the description quality kind and standard prescribed by this By-law; and

(d) employ only competent operatives and assistants; and

(e) obtain permission, where necessary, for the execution of the work on, over or through any private property, or any street road park reserve or other public place or property;

(f) pay all fees payable to the council of a municipality for the opening of any public road or street or otherwise in connexion with the works; and

(g) restore upon completion of the work any part of any public road or street to the satisfaction of the municipal council or other authority having control thereof; and

(h) except where authorized in writing by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the Proper Officer of the Trust; and

(i) take all proper and necessary precautions so that no accident, damage or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and

(j) exercise at all times immediate supervision over the work.

8. (a) No service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which supplies water otherwise than by measure to any tenement shall have a bore exceeding  $\frac{3}{4}$  inch.

(b) No person shall connect or affix to the Trust's mains any service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which has a diameter exceeding the appropriate diameter listed in the schedule hereunder written corresponding either to the Net Annual Valuation of the property to be served or to the anticipated annual consumption of water at the said property as demonstrated to the satisfaction of the Proper Officer of the Trust and certified to under his hand, whichever is the larger—

Net Annual Valuation of Property.	Annual Consumption of Water.	Maximum Diameter of Service Pipe Allowed (in inches).
Not over £150 .. ..	Not over 200,000 gallons .. ..	$\frac{1}{2}$
Over £150 but not over £300 .. ..	Over 200,000 gallons, but not over 500,000 gallons .. ..	1
Over £300 but not over £500 .. ..	Over 500,000 gallons, but not over 800,000 gallons .. ..	$1\frac{1}{2}$
Over £500 but not over £1,000 .. ..	Over 800,000 gallons, but not over 1,500,000 gallons .. ..	$1\frac{3}{4}$
Over £1,000 but not over £2,000 .. ..	Over 1,500,000 gallons, but not over 3,000,000 gallons .. ..	2

#### Depth of Service Pipes.

9. No person shall lay construct repair or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is securely clipped to a structure or is laid and constructed in such manner that the same is at all points at a depth of not less than 12 inches below the surface of the ground. Every such service pipe for such portion of its length as lies in or on any road street lane or right-of-way or where it may be exposed to vehicular traffic shall be laid and constructed in such manner that the same is at all points at a depth of not less than 18 inches below the surface of the ground or at such greater depth as the council of the municipality having control of the said road street lane or right-of-way may require.

#### Access to Service Pipes.

10. No person shall—

(a) lay construct or alter any private service or any part thereof,

(b) erect or construct any building erection or structure

in such place position or manner that any part of such private service is not easily accessible for the purposes of inspection repair and renewal unless such part is comprised of copper piping and copper fittings.

#### Arrangement of Stop-Tap, etc.

11. Every meter, stop-tap and stop-tap ferrule shall be opposite the tenement supplied and in one line at right angles to the main pipe to which such stop-tap ferrule is fixed, unless such an arrangement is impracticable in which case such services shall be provided with two high

pressure screw down stop-taps, one of which shall be fixed opposite the stop-tap ferrule on the main pipe and the other in accordance with the provisions of clause 18 of this By-law.

#### Cross Connexions.

12. No person shall permit or suffer any fluid solid or gas, which in the opinion of the Proper Officer of the Trust is capable of polluting water supplied by the Trust, to have means of access to any pipe in communication directly or indirectly with any main pipe of the Trust.

Where any service pipe is connected to any cistern tank or receptacle used for the storage of water or fluid, there shall be an effective air gap at the outlet of such service pipe and the said outlet shall be not less than one-half inch above the highest possible water level in the said cistern tank or receptacle.

#### Connexions to Steam Boilers.

13. Water supply connexions to steam boilers shall be made as follows:—

(a) By direct connexion from a service pipe, in which case a screw down high pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be fixed between the stop-tap and the boiler and a half-inch testing ferrule or bib-tap shall be fixed between the reflux valve and the stop-tap; or

(b) By direct connexion from a service pipe together with an injected supply from a storage tank or condensate sump, in which case, in addition to the provisions of paragraph (a) hereof, the injected water to a boiler shall be taken through

a separate opening in the wall of the boiler. In no circumstances shall a connexion be permitted between any service pipe and the piping from a storage tank or condensate sump.

Water connexions may be made through the tops or sides of steam boilers.

#### PART IV.—MATERIALS.

##### *Specifications for Piping and Materials.*

14. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications:—

- (a) The whole of the pipes and fittings shall be of the best quality galvanized wrought-iron, copper, brass, cast iron, welded mild steel or asbestos cement, shall be sound and free from all defects and shall comply with the relevant specifications of the Standards Association of Australia where such specifications have been issued.
- (b) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in case of wrought-iron piping) properly galvanized throughout and shall be of equal strength and thickness throughout the entire body of the same.
- (c) Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.
- (d) All ends of galvanized wrought-iron and brass pipes bends and fittings shall be properly and truly threaded and capable of being screwed into thimbles, tees or fittings.
- (e) All stop-taps and bib-taps shall be screw down high pressure taps made of hard brass or gun-metal.

#### PART V.—CONNEXIONS TO MAINS.

##### *One Service Pipe to Each Tenement.*

15. No person shall affix or connect or cause or permit to be affixed or connected to any main pipe more than one service pipe or private service for the supply of water for domestic purposes to any one tenement.

##### *Connexion to Main Pipe.*

16. No person shall affix or connect any service pipe to any main pipe save by means of a stop-tap ferrule to which a right-angle bend of copper alloy is properly and securely attached.

##### *Size of Tappings Permitted.*

17. (a) The maximum diameters ofappings that will be permitted for main pipes of the respective diameters set out hereunder, and for cases where the tapping is made with or without a tapping saddle, are as follows:—

MAXIMUM DIAMETER OF TAPPING IN INCHES.

Diameter of Main Pipe in Inches.	Without Tapping Saddle (Cast-iron Main Pipes Only).	With Tapping Saddle.
3	$\frac{3}{4}$	$1\frac{1}{2}$
4	$1\frac{1}{4}$	$1\frac{1}{2}$
5	1	$1\frac{1}{2}$
6	1	$2\frac{1}{2}$
7	1	$2\frac{1}{2}$
8	$1\frac{1}{2}$	$2\frac{1}{2}$
9	$1\frac{1}{2}$	$2\frac{1}{2}$
Over 9	2	$2\frac{1}{2}$

##### *Tapping Fees.*

(b) No person shall affix or connect or cause to be affixed or connected any service pipe to any main pipe without having first paid to the Trust a tapping fee of Seven shillings and six pence (7s. 6d.).

##### *Position of Stop-taps.*

18. A high-pressure screw down stop-tap properly secured shall be fixed on each water service in one of the following positions:—

- (a) between the main pipe and the building line within six feet of the building line, and in this case the stop-tap shall be covered by a box which shall comply with the requirements of the municipality in which the service is laid

(b) where a meter is fixed, between the meter and the inlet bend thereto.

(c) where a meter is not fixed, on the service pipe above the ground in an accessible position not more than six feet inside the building line.

#### PART VI.—REPAIR.

##### *Repair of Service Pipes.*

19. Any person using any private service shall at all times keep same in proper repair.

##### *Trust Can Repair Service Pipe in Certain Circumstances.*

20. If any person refuses neglects or delays to have any private service or any part thereof used by him properly repaired after having been required in writing by the Proper Officer of the Trust so to do the Trust by its Proper Officers servants or agents may enter into or upon any premises supplied by such private service or any part thereof and may where necessary repair or renew such private service or any part thereof so as to prevent the waste of water and may charge such person with the cost and expense of such repair or renewal and such cost and expense shall be a debt due by such person to the Trust.

#### PART VII.—METERS.

##### *Meters Supplied and Maintained.*

21. (a) Except as permitted in clause 34 of this By-law no person shall use any private service save for the supply of water solely for domestic purposes exclusive of the watering of any garden unless the whole of the water supplied to such private service passes through a meter.

(b) Such meters will be provided and maintained by the Trust and every person before installing a private service shall ascertain from the Trust the size of meter to be installed and shall make provision in the arrangement and construction of the private service for connexion of such meter in accordance with the following requirements:—

- (i) The meter shall be located within the property and not more than six feet from the building line.
- (ii) The meter shall be in an easily accessible position protected from accidental damage.
- (iii) The meter shall be properly and securely affixed to such private service or service pipe by means of connexions or quarter bends of brass, copper or copper alloy.
- (iv) The meter shall be fixed truly level on a solid foundation of brick stone or concrete the top of which foundation is level with or above the surface of the ground.
- (v) All washers used for connexion couplings for meters shall be made of leather.

(c) Pending connexion of the said meter the person authorized to install the service pipe shall connect a distance piece in the service pipe in place of the meter.

##### *Restriction of Access to Meter.*

22. No person shall construct place stack or store or permit or suffer to be constructed placed stacked or stored any building erection material or thing over or upon any meter connected or affixed to any private service or shall do or permit or suffer to be done any act matter or thing whereby inspection of such meter shall be prevented obstructed or in any way rendered difficult or interfered with.

##### *Replacement and Testing of Meter.*

23. (a) The Trust may at any time replace or remove for testing any meter attached to any private service.

##### *Fees Returned in Certain Circumstances.*

(b) Any consumer may at any time request the Trust in writing to test any meter attached to his private service and through which water supplied to him passes and shall at the time of the delivery of such request pay to the Trust the sum of One pound (£1). The Trust shall thereupon remove and test the meter or cause the same to be tested in such manner as it thinks fit. If such meter is found to be registering correctly the Trust may retain such sum of One pound (£1) in satisfaction of the fee for testing meter hereinbefore prescribed but if such meter is found to be registering incorrectly such sum of One pound (£1) shall be returned to such consumer.

##### *Consumer Leaving Tenement to Notify Trust.*

24. Every person who shall cease to occupy the premises on which such meter is fixed shall give to the Trust in writing at least six days notice of his intention to do so.

## PART VIII.—MISUSE AND WASTE.

*Supply Restricted to One Tenement Only.*

25. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

*Cisterns, Tanks and Troughs.*

26. No person shall use or permit or suffer the use of any private service or any part thereof for the supply of water to any cistern tank or water trough unless such cistern tank or water trough is watertight and is provided with an equilibrium ball-valve or other mechanism efficiently regulating the flow of water thereinto in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water trough means a water trough used for the supply of water to animals.

*Water Closets and Urinals.*

27. No person shall construct lay or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet or any part thereof save through a cistern or tank.

*Baths.*

28. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than 100 gallons of water.

*No Overflow Pipe on Baths.*

29. No person shall affix an overflow pipe to any bath.

*Wasting of Water.*

30. No person supplied with water by the Trust shall waste the same or permit or suffer the same to run to waste.

*Sale of Water.*

31. No person shall take or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Trust and no person shall sell any water supplied by the Trust.

*Fire Brigades.*

32. No person other than a servant or agent of the council of the municipality of Tambo or the Lakes Entrance Fire Brigade in the execution of his duty as such servant or agent shall without the written permission of the Trust open close or otherwise interfere with any hydrant attached to any main pipe.

*Taps in Parks and Reserves.*

33. No person other than a servant or agent of the municipality Corporation or body having the care and management of a public park public garden or reserve for public purposes shall without the previous consent of the Trust open close or otherwise interfere with any tap valve or other like regulator (except a drinking fountain or other tap provided for public use) in on or connected with any service pipe used for the supply of water to such park garden or reserve.

## PART IX.—PRIVATE FIRE SERVICES.

*Private Fire Services.*

34. (a) Private fire services comprising pipes and fittings not exceeding six inches in diameter and without meters may be permitted at the expense of the owner of the premises subject to the payment of a fee of Fifteen shillings (15s.) per annum. Every such fire service shall be sealed. Except in case of fire no person shall without the authority of the Trust wilfully break the seal affixed to any private fire service and in the event of any such

seal having been broken accidentally or otherwise the occupier of the tenement shall within twenty-four hours thereafter give notice in writing of the fact at the office of the Trust, and except in the case of a fire he shall pay a resealing fee of Fifteen shillings (15s.). No water shall be taken from any sealed portion of a private service except for the extinction of fire.

(b) Except as expressly provided in sub-clause (a) of this clause all portions of private services installed for fire service purposes shall comply with all provisions of this By-law.

(c) Every private fire service pipe shall be laid and fixed in a conspicuous position and shall be painted with a distinguishing coating of bright red paint which shall be maintained at all times.

(d) Any application for a fire service shall be made by the owner of the premises and in writing to the Trust.

(e) In the event of the owner or occupier committing any offence under the Act or any breach of this By-law or permitting or suffering any such offence or breach to be committed the Trust may by notice in writing to the owner withdraw permission for the private fire service and such service shall thereupon be disconnected.

## PART X.—INSPECTIONS.

*Inspections.*

35. Any person authorized by the Trust in that behalf either generally or for any class of cases or in any particular case may at all reasonable times:—

(a) enter into or upon any premises for the purpose of inspecting and may inspect any private service or any part thereof or any works in course of execution therein or thereon, and/or

(b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon and may give to the owner or occupier of such premises or any person engaged in executing such works any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works.

(c) For any such purpose as aforesaid may dig or excavate in or upon any such premises.
