ROAD TRAFFIC ACT 1956.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Road Traffic Act 1956* it is amongst other things enacted that Part II. of the said Act shall apply only in respect of infringements occurring in any area or circumstance specified for the purpose of such Part by Proclamation of the Governor in Council published in the *Government Gazette* and occurring after the date of such Proclamation:

And whereas it is also enacted in the said Act that any such Proclamation may provide that such Part of the said Act shall apply only in respect of parking infringements or in respect of traffic infringements or in any particular area or circumstance:

And whereas it is further enacted that no such Proclamation shall be made in relation to parking infringements unless the council of any municipality the municipal district or any part of the municipal district of which is specified therein has requested the Governor in Council to extend the application of such Part to such municipal district or part thereof:

And whereas the Council of the Shire of Buln Buln has requested the Governor in Council to extend the application of such Part in respect only of parking infringements to the Township of Drouin:

Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State do by this my Proclamation specify the Township of Drouin as an area in which Part II. of the *Road Traffic Act 1956* shall apply in respect only of parking infringements occurring after the date hereof.

GRAIN ELEVATORS BOARD, VICTORIA.

BY-LAW RELATING TO THE CONDITIONS OF EMPLOYMENT OF STAFF.

THE Grain Elevators Board, in the exercise of the powers conferred upon it by the Grain Elevators Act hereby, subject to the approval of the Governor in Council, makes the following By-law.

By-law No. 29.

1. By-law No. 16 of the Grain Elevators Board is hereby amended as follows:—

In section 26 the words "and will be dependent upon the applicant's good conduct and regular attention to duty" shall be deleted.

After section 32 the following section shall be inserted:—

"32A. Notwithstanding anything contained in section 32 where an officer has exhausted his sick leave credits on full pay he may, in the event of continued or further illness, elect in writing to have the whole or any portion of the leave on half pay standing to his credit converted into leave on full pay, such conversion to be made on the basis that each credit of two days on half pay shall be deemed to be a credit of one day on full pay."

In section 48 after sub-section (1) the following sub-section shall be inserted:—

"(1A). In determining the entitlement of any officer to annual recreation leave in respect of any year of service, there shall not be regarded as service—

(i) the sum of any periods of sick leave or long-service leave to the extent that it exceeds three months in such year of service or to the extent that it exceeds any continuous period of three months;

(ii) except as may be determined by the Board, any period of leave without pay to the extent that it exceeds one month in such year of service.

(1B).—When in any year of service an officer is absent on leave for any period which under the provisions of sub-section (1A) of this section is not to be regarded as service, the period of leave of absence for recreation to which the officer would otherwise be entitled in respect of that year shall be reduced by one and a quarter days for each complete month of the aggregate of such periods of absence during such year.

Provided that where recreation leave has already been taken in excess of the reduced period so computed, the period of recreation leave to which the officer shall be entitled in respect of the following year of service shall be reduced by the period of excess leave so taken."

Section 50 shall be deleted and the following section substituted therefor:—

"50. Any officer required under the *Juries Act 1956* to appear and serve as a juror in any court shall be entitled to be granted by the chairman leave with pay for the period during which his attendance at court is required and any such officer shall not be required to pay to the Board or otherwise account for any fees received by him."

The above amendment shall take effect as from the first day of December, 1957.

In witness whereof the common seal of the Grain Elevators Board was hereunto affixed this 20th day of November, 1957, in the presence of—

(SEAL) H. GLOWREY, Chairman.
G. H. EVANS, Member.

Confirmed by the Governor in Council,
14th January, 1958,

A. MAHLSTEDT,
Clerk of the Executive Council.

CHARLTON WATERWORKS TRUST.

By-LAW No. 72.

THE Charlton Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks District:—

PART I.—INTERPRETATION.

Definitions.

1. In this By-law, unless inconsistent with the context or subject-matter—

“The Act” means the Water Acts.

“Fittings” includes all appliances and things whatsoever, other than pipes, used in connexion with the conveying, supplying, storing or regulation of the flow of water in or derived from a main pipe.

“Main pipe” means any pipe belonging to or under the control of the Trust and used for the conveying or supplying of water.

“Person” includes a Corporation or company.

“Private service” means and includes all pipes and fittings used in connexion with the supply of water from a main pipe to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

“Proper officer” means any employee of the Trust authorized to execute any function on behalf of the Trust.

“Service pipe” means any pipe (not being a main pipe) used for the conveying or supplying of water derived from a main pipe.

“Trust” means the Charlton Waterworks Trust.

“Works” means works of or in connexion with the laying, constructing, altering, disconnecting, removing, repairing, renewing or maintaining of a private service or any part thereof.

All words used in this By-law, which are also used in the Act, shall have the meanings assigned to them by the Act.

PART II.—LICENSING OF PLUMBERS.

Unlicensed Persons not to Interfere with Private Services.

2. Before any person shall affix any service pipe to any main pipe of the Trust or alter, repair or in any manner interfere with any pipe of the Trust or any service pipe, tap or meter or other fitting connected with the main pipes of the Trust, he shall obtain from the Trust a licence in that behalf to execute such works, and no unlicensed person shall affix, alter, repair or in any manner interfere with any such main pipe, service pipe, tap meter or other fitting as aforesaid.

Period of Licences; Cancellation of Licences; Fees Payable.

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Trust at its discretion from time to time in each case to the following 31st December. The Trust shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Trust shall be sole judge. For each original licence the licensee shall pay to the Trust a fee of One pound, and for each renewal Five shillings.

Proof of Fitness to be Given.

4. Before any licence shall be granted by the Trust, the person applying for such licence shall satisfy the Trust by any tests required by the Trust or by virtue of his registration by the Plumbers and Gasfitters Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Trust relating to water supply and with the Act so far as it applies to town supplies. The Trust may, if it so sees fit, refuse to grant such licence.

PART III.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

Notice of Works to be Given.

5. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Water Act 1928)—

(a) without having given to the Trust not less than two days prior to the commencement of the execution of such works—

(i) notice, in writing, of his intention so to do specifying the tenement in, on or in respect of which it is proposed to execute such works and the time or

times (being between the hours of 8 a.m. and 5 p.m. on any week-day except a public holiday or a Saturday) during which it is proposed to execute such works;

(ii) a complete specification, in writing, of the works proposed to be done setting out the mode, form, strength, material, construction, dimensions, and arrangement of all pipes, fittings, and structures intended to be used in the execution of such works;

(iii) in the case of every private service containing any service pipe of diameter larger than 2 inches a properly prepared plan drawn to a scale specified thereon of the premises in, on or in respect of which it is proposed to execute the said works showing thereon all buildings, erections, and structures on the said premises, and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon.

Every notice, specification, and plan shall be signed by the licensed plumber actually engaged to carry out the works referred to in the notice, or by a licensed plumber employing another licensed plumber to carry out the work under his supervision.

(b) contrary to or not in conformity with this By-law or such notice, specification, and plan mentioned in sub-paragraphs (i), (ii), and (iii) of paragraph (a) of this clause.

Plumbers to Report.

6. Each licensed plumber shall report to the Proper Officer of the Trust the completion of any new work, extensions or repairs in connexion with any service within 24 hours of effecting same.

Carrying Out of Plumbing Work.

7. Every licensed plumber shall in carrying out any work of water supply—

(a) execute the work in accordance with the provisions of the Act and of the By-laws of the Trust and any special directions or orders given or issued thereunder by the Trust by the Proper Officer of the Trust;

(b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Trust;

(c) use materials of the description, quality, kind, and standard prescribed by this By-law;

(d) employ only competent operatives and assistants;

(e) obtain permission, where necessary, for the execution of the work on, over or through any private property, or any street, road, park, reserve or other public place or property;

(f) pay all fees payable to the Council of a municipality for the opening of any public road or street or otherwise in connexion with the works;

(g) restore upon completion of the work any part of any public road or street to the satisfaction of the municipal council or other authority having control thereof;

(h) except where authorized, in writing, by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the Proper Officer of the Trust;

(i) take all proper and necessary precautions so that no accident, damage or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and

(j) exercise at all times immediate supervision over the work.

8. (a) No service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which supplies water otherwise than by measure to any tenement shall have a bore exceeding $\frac{3}{4}$ inch.

(b) No person shall connect or affix to the Trust's any service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which has a diameter exceeding the appropriate diameter listed in the schedule hereunder written corresponding either to

the net annual valuation of the property to be served, or to the anticipated annual consumption of water at the said property as demonstrated to the satisfaction of the Proper Officer of the Trust and certified to under his hand, whichever is the larger:—

Net Annual Valuation of Property.	Annual Consumption of Water.	Maximum Diameter of Service Pipe Allowed in Inches.
Not over £150 ..	Not over 200,000 gallons ..	$\frac{1}{2}$
Over £150 but not over £300	Over 200,000 gallons but not over 500,000 gallons	1
Over £300 but not over £500	Over 500,000 gallons but not over 800,000 gallons	$1\frac{1}{2}$
Over £500 but not over £1,000	Over 800,000 gallons but not over 1,500,000 gallons	$1\frac{3}{4}$
Over £1,000 but not over £2,000	Over 1,500,000 gallons but not over 3,000,000 gallons	2

Depth of Service Pipes.

9. No person shall lay, construct, repair or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is securely clipped to a structure or is laid and constructed in such manner that the same is at all points at a depth of not less than 12 inches below the surface of the ground. Every such service pipe for such portion of its length as lies in or on any road, street, lane or right-of-way or where it may be exposed to vehicular traffic shall be laid and constructed in such manner that the same is at all points at a depth of not less than 18 inches below the surface of the ground or at such greater depth as the Council of the municipality having control of the said road, street, lane or right-of-way may require.

Access to Service Pipes.

10. No person shall—

- (a) lay, construct or alter any private service or any part thereof,
- (b) erect or construct any building, erection or structure—

in such place, position or manner that any part of such private service is not easily accessible for the purposes of inspection, repair, and renewal unless such part is comprised of copper piping and copper fittings.

Arrangement of Stop-tap, &c.

11. Every meter, stop-tap, and stop-tap ferrule shall be opposite the tenement supplied and in one line at right angles to the main pipe to which such stop-tap ferrule is fixed, unless such an arrangement is impracticable in which case such services shall be provided with two high pressure screw-down stop-taps, one of which shall be fixed opposite the stop-tap ferrule on the main pipe and the other in accordance with the provisions of clause 18 of this By-law.

Cross Connexions.

12. No person shall permit or suffer any fluid, solid or gas, which in the opinion of the Proper Officer of the Trust is capable of polluting water supplied by the Trust, to have means of access to any pipe in communication directly or indirectly with any main pipe of the Trust.

Where any service pipe is connected to any cistern, tank or receptacle used for the storage of water or fluid, there shall be an effective air gap at the outlet of such service pipe and the said outlet shall be not less than $\frac{1}{2}$ inch above the highest possible water level in the said cistern, tank or receptacle.

Connexions to Steam Boilers.

13. Water supply connexions to steam boilers shall be made as follows:—

- (a) By direct connexion from a service pipe, in which case a screw-down high pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be fixed between the stop-tap and the boiler and a $\frac{1}{2}$ -in. testing ferrule or bib-tap shall be fixed between the reflux valve and the stop-tap; or
- (b) by direct connexion from a service pipe together with an injected supply from a storage tank or condensate sump, in which case, in addition to the provisions of paragraph (a) hereof, the injected water to a boiler shall be taken

through a separate opening in the wall of the boiler. In no circumstances shall a connexion be permitted between any service pipe and the piping from a storage tank or condensate sump.

Water connexions may be made through the tops or sides of steam boilers.

Specifications for Piping and Materials.

14. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications:—

- (a) The whole of the pipes and fittings shall be of the best quality galvanized wrought-iron, copper, brass, cast-iron, welded mild steel or asbestos cement, shall be sound and free from all defects, and shall comply with the relevant specifications of the Standards Association of Australia where such specifications have been issued.
- (b) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in case of wrought-iron piping) properly galvanized throughout, and shall be of equal strength and thickness throughout the entire body of the same.
- (c) Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.
- (d) All ends of galvanized wrought-iron and brass pipes, bends and fittings shall be properly and truly threaded and capable of being screwed into thimbles, toes or fittings.
- (e) All stop-taps and bib-taps shall be screw-down high pressure taps made of hard brass or gunmetal.

PART IV.—CONNEXIONS TO MAINS.

One Service Pipe to Each Tenement.

15. No person shall affix or connect or cause or permit to be affixed or connected to any main pipe more than one service pipe or private service for the supply of water for domestic purposes to any one tenement.

Connexion to Main Pipe.

16. No person shall affix or connect any service pipe to any main pipe save by means of a stop-tap ferrule to which a right-angle bend of copper alloy is properly and securely attached.

Size of Tappings Permitted.

17. (a) The maximum diameters of tappings that will be permitted for main pipes of the respective diameters set out hereunder, and for cases where the tapping is made with or without a tapping saddle, are as follows:—

MAXIMUM DIAMETER OF TAPPING IN INCHES.

Diameter of Mainpipe in Inches.	Without Tapping Saddle (Cast-iron Mainpipes Only).	With Tapping Saddle.
3	$\frac{1}{2}$	$1\frac{1}{2}$
4	$\frac{3}{4}$	$1\frac{1}{2}$
5	1	$1\frac{3}{4}$
6	1	$2\frac{1}{4}$
7	1	$2\frac{1}{2}$
8	$1\frac{1}{2}$	$2\frac{1}{2}$
9	$1\frac{3}{4}$	$2\frac{3}{4}$
Over 9	2	$2\frac{3}{4}$

Tapping Fees.

(b) No person shall affix or connect or cause to be affixed or connected any service pipe to any main pipe without having first paid to the Trust a tapping fee of Twenty shillings.

Position of Stop-taps.

18. A high pressure screw-down stop-tap properly secured shall be fixed on each water service in one of the following positions:—

- (a) Between the main pipe and the building line within 6 feet of the building line, and in this case the stop-tap shall be covered by a box which shall comply with the requirements of the municipality in which the service is laid.
- (b) Where a meter is fixed, between the meter and the inlet bend thereto.

- (c) Where a meter is not fixed, on the service pipe above the ground in an accessible position not more than 6 feet inside the building line.

PART V.—REPAIR.

Repair of Service Pipes.

19. Any person using any private service shall at all times keep same in proper repair.

Trust Can Repair Service Pipe in Certain Circumstances.

20. If any person refuses, neglects, or delays to have any private service or any part thereof used by him properly repaired after having been required, in writing, by the Proper Officer of the Trust so to do, the Trust by its Proper Officers, servants or agents may enter into or upon any premises supplied by such private service or any part thereof and may, where necessary, repair or renew such private service or any part thereof so as to prevent the waste of water, and may charge such person with the cost and expense of such repair or renewal, and such cost and expense shall be a debt due by such person to the Trust.

PART VI.—METERS.

Meters Supplied and Maintained.

21. (a) Except as permitted in clause 34 of this By-law, no person shall use any private service save for the supply of water solely for domestic purposes exclusive of the watering of any garden unless the whole of the water supplied to such private service passes through a meter.

(b) Such meters will be provided and maintained by the Trust, and every person before installing a private service shall ascertain from the Trust the size of meter to be installed and shall make provision in the arrangement and construction of the private service for connexion of such meter in accordance with the following requirements:—

- (i) The meter shall be located within the property and not more than 6 feet from the building line.
- (ii) The meter shall be in an easily accessible position protected from accidental damage.
- (iii) The meter shall be properly and securely affixed to such private service or service pipe by means of connexions or quarter bends of brass, copper or copper alloy.
- (iv) The meter shall be fixed truly level on a solid foundation of brick, stone or concrete, the top of which foundation is level with or above the surface of the ground.
- (v) All washers used for connexion couplings for meters shall be made of leather.

(c) Pending connexion of the said meter, the person authorized to install the service pipe shall connect a distance piece in the service pipe in place of the meter.

Restriction of Access to Meter.

22. No person shall construct, place, stack or store, or permit or suffer to be constructed, placed, stacked or stored any building, erection, material or thing over or upon any meter connected or affixed to any private service or shall do or permit or suffer to be done any act, matter or thing whereby inspection of such meter shall be prevented, obstructed or in any way rendered difficult or interfered with.

Replacement and Testing of Meter.

23. (a) The Trust may at any time replace or remove for test any meter attached to any private service.

Fees Returned in Certain Circumstances.

(b) Any consumer may at any time request the Trust, in writing, to test any meter attached to his private service and through which water supplied to him passes, and shall at the time of the delivery of such request pay to the Trust the sum of One pound. The Trust shall thereupon remove and test the meter or cause the same to be tested in such manner as it thinks fit. If such meter is found to be registering correctly, the Trust may retain such sum of One pound in satisfaction of the fee for testing meter hereinbefore prescribed, but if such meter is found to be registering incorrectly such sum of One pound shall be returned to such consumer.

Consumer Leaving Tenement to Notify Trust.

24. Every person who shall cease to occupy the premises on which such meter is fixed shall give to the Trust, in writing, at least six days' notice of his intention to do so.

PART VII.—MISUSE AND WASTE.

Supply Restricted to One Tenement Only.

25. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

Cisterns, Tanks, and Troughs.

26. No person shall use or permit or suffer the use of any private service or any part thereof for the supply of water to any cistern, tank or water-trough unless such cistern, tank or water-trough is watertight and is provided with an equilibrium ball-valve or other mechanism efficiently regulating the flow of water thereinto in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water-trough means a water-trough used for the supply of water to animals.

Water Closets and Urinals.

27. No person shall construct, lay or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet or any part thereof save through a cistern or tank.

Baths.

28. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than 100 gallons of water.

No Overflow Pipe on Baths.

29. No person shall affix an overflow pipe to any bath.

Wasting of Water.

30. No person supplied with water by the Trust shall waste the same or permit or suffer the same to run to waste.

Sale of Water.

31. No person shall take or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Trust, and no person shall sell any water supplied by the Trust.

Fire Brigades.

32. No person other than a servant or agent of the Council of the municipality of the Shire of Charlton or the Charlton Fire Brigade, in the execution of his duty as such servant or agent, shall, without the written permission of the Trust, open, close or otherwise interfere with any hydrant attached to any main pipe.

Taps in Parks and Reserves.

33. No person other than a servant or agent of the municipality, Corporation, or body having the care and management of a public park, public garden or reserve for public purposes shall, without the previous consent of the Trust, open, close or otherwise interfere with any tap, valve or other like regulator (except a drinking fountain or other tap provided for public use) in, on or connected with any service pipe used for the supply of water to such park, garden or reserve.

PART VIII.—PRIVATE FIRE SERVICES.

Private Fire Services.

34. (a) Private fire services comprising pipes and fittings not exceeding 6 inches in diameter and without meters may be permitted at the expense of the owner of the premises, subject to the payment of a fee of Fifteen shillings per annum. Every such fire service shall be sealed. Except in case of fire no person shall, without the authority of the Trust, wilfully break the seal affixed to any private fire service, and in the event of any such seal having been broken accidentally or otherwise the occupier of the tenement shall within 24 hours thereafter give notice, in writing, of the fact at the office of the Trust and, except in the case of a fire, he shall pay a re-sealing fee of Fifteen shillings. No water shall be taken from any sealed portion of a private service except for the extinction of fire.

(b) Except as expressly provided in sub-clause (a) of this clause, all portions of private services installed for fire service purposes shall comply with all provisions of this By-law.

(c) Every private fire service pipe shall be laid and fixed in a conspicuous position and shall be painted with a distinguishing coating of bright red paint, which shall be maintained at all times.

(d) Any application for a fire service shall be made by the owner of the premises and, in writing, to the Trust.

(e) In the event of the owner or occupier committing any offence under the Act or any breach of this By-law or permitting or suffering any such offence or breach to be committed, the Trust may by notice, in writing, to the owner withdraw permission for the private fire service and such service shall thereupon be disconnected.

PART IX.—INSPECTIONS.

Inspections.

35. Any person authorized by the Trust in that behalf either generally or for any class of cases or in any particular case may at all reasonable times—

- (a) enter into or upon any premises for the purpose of inspecting and may inspect any private service or any part thereof or any works in course of execution therein or thereon, and/or
- (b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon, and may give to the owner or occupier of such premises or any person engaged in executing such works any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works.
- (c) For any such purpose as aforesaid may dig or excavate in or upon any such premises.

Hindering of Inspections.

36. No person shall obstruct, hinder, impede, resist, oppose or refuse admission to any premises by the Proper Officer or any person duly authorized in that behalf by the Trust, or shall fail or neglect to carry out and observe all lawful directions and instructions given by him.

PART X.—PENALTIES.

Penalties.

37. Any person who commits any breach of any of the provisions of this By-law shall be liable to a penalty of not more than Five pounds (£5), and in the case of a continuing offence to a further penalty not exceeding Five pounds (£5) for every day after notice of the offence from the Trust.

38. By-law No. 28 of the Trust made the 18th day of February, 1926, is hereby expressly revoked.

Passed this 9th day of December, 1957.

COLAC WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1958.

THE Colac Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Eleven pence in the pound on the annual municipal valuations of lands and tenements liable to be rated within the Colac Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Sixty shillings, and in respect of land on which there is no building less than Forty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the 1st day of January, 1958, and shall be payable in one sum on the 31st day of March, 1958, at the office of the said Trust, and if not paid within six months from the date made payable will bear interest at the rate of 6 per cent. per annum from the date made payable until paid.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of One shilling and ten pence per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Two shillings and six pence per 1,000 gallons.

The charge for water supplied by measure to any property shall be payable, on demand, at the office of the said Trust.

Signed and sealed this 23rd day of December, 1957.

TRARALGON WATERWORKS TRUST.

BY-LAW No. 7, AMENDING BY-LAW RELATING TO MATERIALS TO BE USED FOR SERVICE PIPES.

THE Traralgon Waterworks Trust (hereinafter called "the Trust"), in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks District.

1. Delete clause 7, part III., By-law No. 4, passed the 18th day of September, 1939, and substitute the following new clause 7:—

Specification for Pipes and Materials.

7. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications:—

- (a) That part or any service pipe (including any bend, elbow or other fittings therefor) which extends in a thoroughfare from a water main to, and including the high pressure screw-down stop tap required to be fixed and all meter connexions shall be of the materials hereinafter set forth, that is to say:—

(1) Where the diameter of the service pipe is two inches (2 in.) or less—copper or brass, or other material as approved by the Trust.

(2) Where the diameter of the service pipe is greater than two inches (2 in.)—copper, brass, cast-iron, asbestos cement, or other material approved by the Trust.

- (b) All materials, pipes, bends, junctions, fittings, and apparatus shall be of the best quality of their respective kinds, sound, new, and free of defects and shall comply with the relevant specifications of the Standards Association of Australia where such specifications have been issued.

- (c) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore, and (in case of wrought-iron piping) properly galvanized throughout and shall be of equal strength and thickness throughout the entire body of the same.

- (d) Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.

- (e) All ends of galvanized wrought-iron and brass pipes, bends, and fittings shall be properly and truly threaded and capable of being screwed into thimbles, tees or fittings.

- (f) All stop taps and bib taps shall be screw-down high pressure taps made of hard brass or gun-metal.

- (g) Galvanized iron piping shall comply with the specification of the Standards Association of Australia for steel tubes and tubulars, and shall be of the following diameters and dimensions:—

Nominal Bore of Pipe.	Approximate Outside Diameter.	S.W.G.	Thickness.	Sockets Approximate Outside Diameter.	Sockets Minimum Length.

TRENTHAM WATERWORKS TRUST.
BY-LAW No. 2B.

THE Trentham Waterworks Trust, the waterworks district of which Trust is an urban district within the meaning of the Water Acts, doth hereby, in exercise of the powers in this behalf conferred on the said Trust by the Water Acts and of any and every other power hereunto it enabling, make the following By-law for such urban district:—

1. This By-law shall have effect throughout the whole of the said district.
2. This By-law shall come into operation at such time as the Trust from time to time directs by notice published in a newspaper circulating generally within the said district, and shall cease to have operation at such time as the Trust from time to time directs by a notice so published.
3. No person shall use water supplied by the Trust for the purpose of watering any garden, lawn, plantation, orchard, uncovered place, tree, plant or vegetation, otherwise than by means of a hose held in the hand or by means of a can or other vessel held in the hand.
4. These restrictions are in addition to the restrictions as imposed by the Trust's By-law No. 2A.
5. Any person of whose act or by or in consequence of whose order any water supplied by the Trust is used or consumed or allowed to run, and any person who permits or suffers any such water to be used or consumed or to run, and the occupier of any premises on or in which any such water is used or consumed or allowed to run in contravention of the provisions of this By-law, shall severally be guilty of a breach of this By-law.

6. Every person guilty of a breach of this By-law shall for every such breach, be liable to a penalty not exceeding Five pounds.

Resolution for making this By-law agreed to by the Trust on the 18th day of December, 1957.

The common seal of the Trentham Waterworks Trust was hereto affixed the 18th day of December, 1957, by order of the Trust, in the presence of—

J. G. ROTHE, Chairman.
(SEAL) M. TRESIDDER, Commissioner.
S. G. PORTER, Secretary.

Approved by the Governor in Council,

Clerk of the Executive Council.

KIEWA WATERWORKS TRUST.
RATING BY-LAW FOR THE YEAR 1958.

THE Kiewa Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the following rates for the supply of water for domestic purposes of lands and tenements liable to be rated within the Kiewa Urban District.

On such lands and tenements a rate of Four shillings in the pound on the amount of the annual municipal valuation not exceeding Sixty pounds, and where the annual municipal valuation exceeds Sixty pounds, a rate of Four shillings in the pound for the first Sixty pounds and One shilling in the pound for every pound exceeding Sixty pounds of such valuation.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Ten pounds and in respect of any lands on which there is no building be less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of such lands and tenements for the year commencing on the 1st day of January, 1958, and ending on the 31st day of December, 1958, and shall be payable on the 31st day of March, 1958, to the said Trust.

The maximum quantity of water to be supplied in any one year without any further charge to any property rated by the Trust is hereby fixed at the quantity which at a charge of One shilling per 1,000 gallons would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling per 1,000 gallons.

The charge for water supplied by the measure shall be payable, on demand, to the Trust.

Passed this 12th day of December, 1957.

(SEAL) MAX B. JAMISON, Chairman.
L. KRUTLI, Secretary.

Approved, 13th January, 1958.—W. J. MIBUS, Minister of Water Supply.

GLENROWAN WATERWORKS TRUST.
RATING BY-LAW FOR THE YEAR 1958.

THE Glenrowan Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Four shillings in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Glenrowan District.

Provided that in no case shall the amount of the rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Six pounds five shillings, and in respect of any land on which there is no building less than One pound ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1958, and shall be payable on the 1st day of February, 1958, at the office of the said Trust.

Passed this 15th day of December, 1957.

(SEAL) J. E. SCOTT, Chairman.
D. DARCY, Commissioner.
E. C. BATES, Secretary.

Approved, 13th January, 1958.—W. J. MIBUS, Minister of Water Supply.

BENALLA WATERWORKS TRUST.

BY-LAW No. 6.

THE Benalla Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its waterworks district:—

PART I.—INTERPRETATION.

Definitions.

1. In this By-law, unless inconsistent with the context or subject-matter:—

“The Act” means the Water Acts.

“Fittings” includes all appliances and things whatsoever, other than pipes, used in connexion with the conveying, supplying, storing, or regulation of the flow of water in or derived from a main pipe.

“Main pipe” means any pipe belonging to or under the control of the Trust and used for the conveying or supplying of water.

“Person” includes a corporation or company.

“Private service” means and includes all pipes and fittings used in connexion with the supply of water from a main pipe to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

“Proper officer” means any employee of the Trust authorized to execute any function on behalf of the Trust.

“Service pipe” means any pipe (not being a main pipe) used for the conveying or supplying of water derived from a main pipe.

“Trust” means the Benalla Waterworks Trust.

“Works” means works of or in connexion with the laying, constructing, altering, disconnecting, removing, repairing, renewing, or maintaining of a private service or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

PART II.—LICENSING OF PLUMBERS.

Unlicensed Persons Not to Interfere with Private Services.

2. Before any person shall affix any service pipe to any main pipe of the Trust or alter, repair, or in any manner interfere with any pipe of the Trust or any service, pipe, tap, or meter or other fitting connected with the main pipes of the Trust, he shall obtain from the Trust a licence in that behalf to execute such works, and no unlicensed person shall affix, alter, repair, or in any manner interfere with any such main pipe, service pipe, tap, meter, or other fitting as aforesaid.

Period of Licences; Cancellation of Licences; Fees Payable.

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Trust at its discretion from time to time in each case to the following 31st December. The Trust shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Trust shall be sole judge. For each original licence the licensee shall pay to the Trust a fee of One pound, and for each renewal Five shillings.

Proof of Fitness to be Given.

4. Before any licence shall be granted by the Trust, the person applying for such licence shall satisfy the Trust by any tests required by the Trust or by virtue of his registration by the Plumbers and Gasfitters Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Trust relating to water supply and with the Act so far as it applies to town supplies. The Trust may, if it so sees fit, refuse to grant such licence.

PART III.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

Notice of Works to be Given.

5. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the *Water Act 1928*)—

(a) without having given to the Trust not less than two days prior to the commencement of the execution of such works—

(i) notice in writing of his intention so to do specifying the tenement in, on, or in respect of which it is proposed to execute such works and the time or times (being between the hours of 8 a.m. and 5 p.m. on any week day

except a public holiday or a Saturday) during which it is proposed to execute such works;

(ii) a complete specification in writing of the works proposed to be done setting out the mode, form, strength, material, construction, dimensions, and arrangement of all pipes, fittings, and structures intended to be used in the execution of such works;

(iii) in the case of every private service containing any service pipe of diameter larger than 2 inches, a properly prepared plan drawn to a scale specified thereon of the premises in, on, or in respect of which it is proposed to execute the said works showing thereon all buildings, erections, and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon. Every notice, specification, and plan shall be signed by the licensed plumber actually engaged to carry out the works referred to in the notice, or by a licensed plumber employing another licensed plumber to carry out the work under his supervision;

(b) contrary to or not in conformity with this By-law or such notice, specification, and plan mentioned in sub-paragraphs (i), (ii), and (iii) of paragraph (a) of this clause.

Plumbers to Report.

6. Each licensed plumber shall report to the proper officer of the Trust the completion of any new work, extensions, or repairs in connexion with any service within 24 hours of effecting same.

Carrying Out of Plumbing Work.

7. Every licensed plumber shall, in carrying out any work of water supply—

(a) execute the work in accordance with the provisions of the Act and of the By-laws of the Trust and any special directions or orders given or issued thereunder by the Trust by the proper officer of the Trust; and

(b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Trust; and

(c) use materials of the description, quality, kind, and standard prescribed by this By-law; and

(d) employ only competent operatives and assistants; and

(e) obtain permission, where necessary, for the execution of the work on, over, or through any private property, or any street, road, park, reserve, or other public place or property; and

(f) pay all fees payable to the council of a municipality for the opening of any public road or street or otherwise in connexion with the works; and

(g) restore, upon completion of the work, any part of any public road or street to the satisfaction of the municipal council or other authority having control thereof; and

(h) except where authorized in writing by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the proper officer of the Trust; and

(i) take all proper and necessary precautions so that no accident, damage, or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and

(j) exercise at all times immediate supervision over the work.

8. All service pipes (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) shall have a bore of 3 inches unless special permission for a larger service shall have been given in writing by the Trust and the supply taken through a meter.

Depth of Service Pipes.

9. No person shall lay, construct, repair or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is securely clipped to a structure or is laid and constructed in such manner that the same is at all points at a depth of not less than 12 inches below the surface of the ground. Every such service pipe for such portion of its length as lies in or on any road, street, lane, or right-of-way or where it may be exposed to

vehicular traffic shall be laid and constructed in such manner that the same is at all points at a depth of not less than 18 inches below the surface of the ground or at such greater depth as the council of the municipality having control of the said road, street, lane, or right-of-way may require.

Access to Service Pipes.

10. No person shall—

- (a) lay, construct, or alter any private service or any part thereof,
- (b) erect or construct any building, erection, or structure—

in such place, position, or manner that any part of such private service is not easily accessible for the purposes of inspection, repair, and renewal unless such part is comprised of copper piping and copper fittings.

Arrangement of Stop-tap, &c.

11. Every meter, stop-tap, and stop-tap ferrule shall be opposite the tenement supplied and in one line at right angles to the main pipe to which such stop-tap ferrule is fixed, unless such an arrangement is impracticable, in which case such services shall be provided with two high-pressure screw-down stop-taps, one of which shall be fixed opposite the stop-tap ferrule on the main pipe and the other in accordance with the provisions of clause 18 of this By-law.

Cross Connexions.

12. No person shall permit or suffer any fluid, solid, or gas, which in the opinion of the proper officer of the Trust is capable of polluting water supplied by the Trust, to have means of access to any pipe in communication directly or indirectly with any main pipe of the Trust.

Where any service pipe is connected to any cistern, tank, or receptacle used for the storage of water or fluid, there shall be an effective air gap at the outlet of such service pipe and the said outlet shall be not less than $\frac{1}{2}$ inch above the highest possible water level in the said cistern tank or receptacle.

Connexions to Steam Boilers.

13. Water supply connexions to steam boilers shall be made as follows:—

- (a) By direct connexion from a service pipe, in which case a screw-down high-pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be fixed between the stop-tap and the boiler and a $\frac{1}{2}$ -in. testing ferrule or bib-tap shall be fixed between the reflux valve and the stop-tap; or
- (b) by direct connexion from a service pipe together with an injected supply from a storage tank or condensate sump in which case, in addition to the provisions of paragraph (a) hereof, the injected water to a boiler shall be taken through a separate opening in the wall of the boiler. In no circumstances shall a connexion be permitted between any service pipe and the piping from a storage tank or condensate sump. Water connexions may be made through the tops or sides of steam boilers.

Specifications for Piping and Materials.

14. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications:—

- (a) Between the main and the building line, or where a meter is fixed, between the main and the meter, new services with a diameter of 2 inches and under shall be of the best quality of either copper or brass piping. The whole of the pipes and fittings shall be of the best quality galvanized wrought iron, copper, brass, cast iron, welded mild steel or asbestos cement, shall be sound and free from all defects and shall comply with the relevant specifications of the Standards Association of Australia where such specifications have been issued.
- (b) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in case of wrought-iron piping) properly galvanized throughout and shall be of equal strength and thickness throughout the entire body of the same.
- (c) Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.

- (d) All ends of galvanized wrought-iron and brass-pipes bends and fittings shall be properly and truly threaded and capable of being screwed into thimbles, toes, or fittings.
- (e) All stop-taps and bib-taps shall be screw-down high-pressure taps made of hard brass or gunmetal.

PART V.—CONNEXIONS TO MAINS.

One Service Pipe to Each Tenement.

15. No person shall affix or connect or cause or permit to be affixed or connected to any main pipe more than one service pipe or private service for the supply of water for domestic purposes to any one tenement.

Connexion to Main Pipe.

16. No person shall affix or connect any service pipe to any main pipe save by means of a stop-tap ferrule to which a right-angle bend of copper alloy is properly and securely attached.

Tapping Fees.

17. No person shall affix or connect or cause to be affixed or connected any service pipe to any main pipe without having first paid to the Trust a tapping fee of Twenty shillings.

Position of Stop-taps.

18. A high-pressure screw-down stop-tap properly secured shall be fixed on each water service in one of the following positions:—

- (a) Where a meter is fixed, between the meter and the inlet bend thereto.
- (b) Where a meter is not fixed, on the service pipe above the ground in an accessible position not more than 6 feet inside the building line.

PART VI.—REPAIR.

Repair of Service Pipes.

19. Any person using any private service shall at all times keep same in proper repair.

Trust Can Repair Service Pipe in Certain Circumstances.

20. In any person refuses, neglects, or delays to have any private service or any part thereof used by him properly repaired after having been required in writing by the proper officer of the Trust so to do, the Trust by its proper officers, servants, or agents may enter into or upon any premises supplied by such private service or any part thereof and may where necessary repair or renew such private service or any part thereof so as to prevent the waste of water and may charge such person with the cost and expense of such repair or renewal and such cost and expense shall be a debt due by such person to the Trust.

PART VII.—METERS.

Meters Supplied and Maintained.

21. (a) Except as permitted in clause 34 of this By-law, no person shall use any private service save for the supply of water solely for domestic purposes exclusive of the watering of any garden unless the whole of the water supplied to such private service passes through a meter.

(b) Such meters will be provided and maintained by the Trust and every person before installing a private service shall ascertain from the Trust the size of meter to be installed and shall make provision in the arrangement and construction of the private service for connexion of such meter in accordance with the following requirements:—

- (i) The meter shall be located within the property and not more than 6 feet from the building line.
- (ii) The meter shall be in an easily accessible position protected from accidental damage.
- (iii) The meter shall be properly and securely affixed to such private service or service pipe by means of connexions or quarter bends of brass, copper, or copper alloy.
- (iv) The meter shall be fixed truly level on a solid foundation of brick, stone, or concrete, the top of which foundation is level with or above the surface of the ground.
- (v) All washers used for connexion couplings for meters shall be made of leather.

(c) Pending connexion of the said meter, the person authorized to install the service pipe shall connect a distance piece in the service pipe in place of the meter.

Restriction of Access to Meter.

22. No person shall construct, place, stack, or store, or permit or suffer to be constructed, placed, stacked, or stored any building, erection, material, or thing over or upon any meter connected or affixed to any private service, or shall do or permit or suffer to be done any act,

matter, or thing whereby inspection of such meter shall be prevented, obstructed, or in any way rendered difficult or interfered with.

Replacement and Testing of Meter.

23. (a) The Trust may at any time replace or remove for test any meter attached to any private service.

Fees Returned in Certain Circumstances.

(b) Any consumer may at any time request the Trust in writing to test any meter attached to his private service and through which water supplied to him passes and shall at the time of the delivery of such request pay to the Trust the sum of (One pound). The Trust shall thereupon remove and test the meter or cause the same to be tested in such manner as it thinks fit. If such meter is found to be registering correctly the Trust may retain such sum of (One pound) in satisfaction of the fee for testing meter hereinbefore prescribed but if such meter is found to be registering incorrectly such sum of (One pound) shall be returned to such consumer.

Consumer Leaving Tenement to Notify Trust.

24. Every person who shall cease to occupy the premises on which such meter is fixed shall give to the Trust in writing at least six days' notice of his intention to do so.

PART VIII.—MISUSE AND WASTE.

Supply Restricted to One Tenement Only.

25. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

Cisterns, Tanks, and Troughs.

26. No person shall use or permit or suffer the use of any private service or any part thereof for the supply of water to any cistern, tank, or water-trough unless such cistern, tank, or water-trough is watertight and is provided with an equilibrium ball-valve or other mechanism efficiently regulating the flow of water thereinto in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water-trough means a water-trough used for the supply of water to animals.

Water-closets and Urinals.

27. No person shall construct, lay, or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water-closet or any part thereof save through a cistern or tank.

Baths.

28. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than 100 gallons of water.

No Overflow Pipe on Baths.

29. No person shall affix an overflow pipe to any bath.

Wasting of Water.

30. No person supplied with water by the Trust shall waste the same or permit or suffer the same to run to waste.

Sale of Water.

31. No person shall take or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Trust and no person shall sell any water supplied by the Trust.

Fire Brigades.

32. No person other than a servant or agent of the Council of the Municipality of the Borough of Benalla or the Benalla Urban Fire Brigade in the execution of his duty as such servant or agent shall without the written permission of the Trust open, close, or otherwise interfere with any hydrant attached to any main pipe.

Taps in Parks and Reserves.

33. No person other than a servant or agent of the municipality, corporation, or body having the care and management of a public park, public garden, or reserve for public purposes shall without the previous consent of the Trust open, close, or otherwise interfere with any tap, valve, or other like regulator (except a drinking fountain or other tap provided for public use) in, on, or connected with any service pipe used for the supply of water to such park, garden, or reserve.

PART IX.—PRIVATE FIRE SERVICES.

Private Fire Services.

34. (a) Private fire services comprising pipes and fittings not exceeding 6 inches in diameter and without

meters may be permitted at the expense of the owner of the premises subject to the payment of a fee of (Fifteen) shillings per annum. Every such fire service shall be sealed. Except in case of fire no person shall without the authority of the Trust wilfully break the seal affixed to any private fire service and in the event of any such seal having been broken accidentally or otherwise the occupier of the tenement shall within 24 hours thereafter give notice in writing of the fact at the office of the Trust, and except in the case of a fire he shall pay a resealing fee of (Fifteen) shillings. No water shall be taken from any sealed portion of a private service except for extinction of fire.

(b) Except as expressly provided in sub-clause (a) of this clause all portions of private services installed for fire service purposes shall comply with all provisions of this By-law.

(c) Every private fire service hydrant shall be fixed in a conspicuous position in an approved hydrant box which shall be painted with a distinguishing coating of bright red paint which shall be maintained at all times.

(d) Any application for a fire service shall be made by the owner of the premises and in writing to the Trust.

(e) In the event of the owner or occupier committing any offence under the Act or any breach of this By-law or permitting or suffering any such offence or breach to be committed the Trust may by notice in writing to the owner withdraw permission for the private fire service and such service shall thereupon be disconnected.

PART X.—INSPECTIONS.

Inspections.

35. Any person authorized by the Trust in that behalf either generally or for any class of cases or in any particular case may at all reasonable times—

(a) enter into or upon any premises for the purpose of inspecting and may inspect any private service or any part thereof or any works in course of execution therein or thereon, and/or

(b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon and may give to the owner or occupier of such premises or any person engaged in executing such works any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works;

(c) for any such purpose as aforesaid may dig or excavate in or upon any such premises.

Hindering of Inspections.

36. No person shall obstruct, hinder, impede, resist, oppose, or refuse admission to any premises by the proper officer or any person duly authorized in that behalf by the Trust, or shall fail or neglect to carry out and observe all lawful directions and instructions given by him.

PART XI.—PENALTIES.

Penalties.

37. Any person who commits any breach of any of the provisions of this By-law shall be liable to a penalty of not more than Five pounds (£5) and in the case of a continuing offence to a further penalty not exceeding Five pounds (£5) for every day after notice of the offence from the Trust.

38. By-law No. 2 of the Trust made the 23rd day of December, 1890, is hereby expressly revoked.

Passed this 16th day of September, 1957.

DECLARATION OF THE WIDENING OF THE BOOROOKI-FRANCIS ROAD IN THE SHIRE OF KOWREE.

WHEREAS by section 21 of the *Country Roads Act* 1928 (No. 3662) as amended by the *Country Roads Act* 1956 (No. 5978) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act has taken the land necessary for constructing the road or deviation or widening it shall as soon as it thinks such road or deviation or widening is fit to be used as a public highway by Resolution declare the road or deviation or widening to be a main road or part thereof and that upon publication in the *Government Gazette* of the Order of the Governor in Council confirming such Resolution such road or deviation or widening shall thereupon be a main road or a part thereof within the meaning of the said Act:

And whereas the said Board has by Resolution declared the road on the land described in the Schedule to such Resolution to be part of a main road: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

Resolution for Declaration of the Widening of a Main Road under the Country Roads Act.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the Country Roads Act for the purpose of widening the main road aforesaid which widening has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Acts) thinks that the widening aforesaid is fit to be used as part of a public highway such Board at a meeting now holden doth by this Resolution hereby declare the same as described in the Schedule hereto with the commencing and terminating points thereof respectively specified to be part of the main road within the meaning and for the purposes of the Country Roads Acts.

CRIMES ACTS.

*At Government House, Melbourne, the
twenty-first day of January, 1958.*

PRESENT:

His Excellency the Governor of Victoria.
Mr. Cameron | Mr. Mibus.
Mr. Porter |

REGULATIONS.

IN pursuance of the powers conferred by the Crimes Acts and all other powers him thereunto enabling, His Excellency the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, doth hereby make the Regulations following (that is to say):—

1. A blood sample shall be obtained by venipuncture by a medical practitioner in accordance with the requirements hereinafter set out.

2. The site of the puncture shall be cleansed with soap and water. Methylated spirits, alcohol, tincture of iodine or any substance containing alcohol shall not be used.

3. A blood sample shall be withdrawn into a syringe, which has been sterilized by autoclaving or by boiling, and is dry. Alcohol or other substance containing alcohol shall not be used at any stage to clean, sterilize or dry the syringe or needle.

4. The amount of blood to be collected shall be approximately 10 millilitres. The sample shall be divided into two approximately equal parts, one of each of which parts shall be placed in a sterile tube containing 15 milligrams of potassium oxalate plus 5 milligrams of sodium fluoride to act as an anticoagulant and enzyme inhibitor and each tube shall be plugged with a tight fitting solid rubber plug and then shaken to mix the blood with the anticoagulant present in the tube. The medical practitioner shall attach to each of the two tubes a label bearing his signature, the name of the person from whom and the date and time when the blood sample was taken. He shall hand one tube to a member of the police force and the other to the person from whom the blood sample was taken.

5. The medical practitioner shall prepare a certificate in duplicate in the form of the First Schedule to the *Crimes (Amendment) Act 1957* and give one copy of the certificate to the member of the police force and the other to the person from whom the blood sample was taken.

Prescribed Method of Analysis.

6. The method of analysis for determination of the alcohol content in a blood sample shall be in accordance with the principles of the method of Kozelka and Hine as described in the *Journal of Industrial and Engineering Chemistry (Analytical Edition)* 13 (1941) page 905.

And the Honorable Murray Victor Porter, for and on behalf of Her Majesty's Attorney General for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

EXPLOSIVES ACT 1928.

At Government House, Melbourne, the
twenty-first day of January, 1958.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Cameron | Mr. Mibus.
Mr. Porter |

CLASSIFICATION OF EXPLOSIVES.

WHEREAS it is among other things enacted by section 53 of the *Explosives Act 1928* that the Governor in Council may from time to time by Order classify explosives: And whereas by virtue of such provision and by an Order in Council made on the 3rd day of November, 1954, the Governor in Council classified explosives: And whereas it is again necessary to classify explosives pursuant to the said provisions: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of the powers conferred by section 53 of the said Act, doth by this Order hereby classify explosives in the following manner (that is to say):—

Explosives shall be divided into seven classes, as follows:—

- Class 1.—Gunpowder.
- Class 2.—Nitrate Mixture.
- Class 3.—Nitro-Compound.
- Class 4.—Chlorate Mixture.
- Class 5.—Fulminate.
- Class 6.—Ammunition.
- Class 7.—Firework.

When an explosive falls within the description of more than one of the classes hereinafter mentioned, it shall be deemed to belong exclusively to the later or latest (as the case may be) of such classes.

For purposes of safety distances in connexion with the issue of licences for factories and magazines, all explosives have been categorized either X, Y, Z, ZZ, or V. These categories are defined as follows:—

- Category X.—Explosives having fire or slight explosion risk or both, with only local effect.
- Category Y.—Explosives having mass fire risk, or moderate explosion risk, but not mass explosion risk.
- Category Z.—Explosives having a mass explosion risk with serious missile effect.
- Category ZZ.—Explosives having mass explosion risk with minor missile effect.
- Category V.—Explosives having slight fire or explosion risk but producing toxic gases.

The following shall be the classification of explosives:—

River Improvement Act 1948.
 YATCHAW DRAINAGE TRUST.

At Government House, Melbourne, the
 twenty-first day of January, 1958.

PRESENT:

His Excellency the Governor of Victoria.
 Mr. Cameron | Mr. Mibus.
 Mr. Porter

YATCHAW DRAINAGE DISTRICT—EXTENT OF DISTRICT INCREASED—RATING DIVISIONS DETERMINED—BOUNDARIES SPECIFIED.

UNDER the powers conferred by the River Improvement Act 1948 and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, and at the request of the Yatchaw Drainage Trust, doth hereby declare, order, determine, and direct as follows:—

1. That the extent of the Yatchaw Drainage District be increased by adding to the said district the lands within the boundaries specified in the First Schedule hereto, and as on and from the date of this Order the extent of the Yatchaw Drainage District shall be deemed to be so increased.

2. That for the purpose of making and levying a drainage rate, the properties within the Yatchaw Drainage District shall be arranged in two divisions to be known as the First Division and the Second Division, and—

- (a) that the First Division shall comprise all those properties within the said district other than those within the boundaries specified in the First Schedule hereto;
- (b) that the Second Division shall comprise all those properties within the boundaries specified in the First Schedule hereto.

3. That as on and from the date of this Order the area within the boundaries specified in the Second Schedule hereto shall be deemed to be the Yatchaw Drainage District under the jurisdiction and control of the Yatchaw Drainage Trust.

REGULATIONS FOR THE CARE, PROTECTION AND MANAGEMENT OF THE YARRAWONGA WATER SUPPLY RESERVE.

WHEREAS by section 181 of the Land Act, 1928, as re-enacted by section 9 of the Land Act 1941, power is given to the Board of Land and Works to make Regulations in respect of the care, protection, and management of any Crown land which has been reserved under the Land Acts for any public purpose whatsoever and which has not been conveyed to or vested in trustees, and for the further purposes as enacted: Now therefore the Board of Land and Works, in pursuance of the power conferred as aforesaid, doth hereby make the following Regulations in respect of the land in the Township of Yarrowonga temporarily reserved by Orders in Council of the 17th June, 1941, and 15th May, 1956, as a site for Water Supply Purposes, known as the "Yarrowonga Water Supply Reserve".

1. In these Regulations unless inconsistent with the context or subject-matter:—

"Committee" means the persons, council or body appointed by the Governor in Council, or the Board of Land and Works, to be the Committee of Management of the Reserve hereinafter referred to.

"Organization" means any group collection or association (whether temporary or not) of persons and/or bodies (whether corporate or not) acting together for a purpose.

"Organized Event" means any affair enterprise or action undertaken by any organization as herein defined in furtherance of any purpose of such organization and (without limiting the generality of this definition) includes any gathering of

persons intended, planned, or brought about by any such organization for any purpose of such organization.

"Reserve" means the lands referred to in the preamble to these Regulations.

2. The Reserve shall be open to the public at all times and no charge shall be made for admission thereto, except on such days (not exceeding 52 in any one year) as the same or any portion thereof may be set apart by the Committee for sports, carnivals, regattas, fêtes, or holiday amusements of any kind on any of which days, a sum not exceeding Ten shillings may be charged and taken for the admission of every adult to the Reserve, or to the portion thereof at that time set apart for the purposes aforesaid:

3. No person shall enter or remain in the Reserve who may in any respect offend against decency as regards dress, language, or conduct.

4. No person shall leave or deposit or cause to be left or deposited on or in any part of the Reserve any broken glass or crockery or any tins, bottles, cartons, waste paper, or other litter or rubbish, or any food scraps, or other garbage, except in receptacles provided by the Committee for that purpose and marked "Rubbish".

5. No person shall on any part of the grounds of the Reserve without the consent in writing of the Committee first had and obtained play, practice, or engage in any game or sport, and then only on such part or parts of the said grounds as may be stipulated by the Committee for the purpose: Provided always that no such consent shall be deemed to authorize anything which may be a danger, inconvenience, or annoyance to any other person or persons in the Reserve.

6. No person shall throw or project in or across any part of the Reserve any stone or other hard object or missile.

7. No person whilst in the Reserve shall commit any nuisance or behave in such manner as to cause any danger, inconvenience, or annoyance to any other person or persons in the Reserve.

8. No person shall without the consent in writing of the Committee first had and obtained operate, or use in, or bring into the Reserve or any part thereof, any loud speaker, amplifier, or broadcasting or public address equipment (whether mechanical or electrical) for broadcasting music, speech, or other noises or sounds on the Reserve or any part thereof: Provided always that nothing in this Regulation contained shall be deemed to prohibit the *bona fide* and reasonable use by officials of any sporting body lawfully using the Reserve or any part thereof of any such equipment for the purpose of conducting sporting events.

9. No person shall clean fish in any part of the Reserve or fish at any point within the Reserve at on or within one hundred yards of any pier, jetty, or swimming pool.

10. No person whilst in the Reserve shall without the consent in writing of the Committee first had and obtained carry, use, or discharge any firearm, air gun, or other lethal weapon, or carry, use, explode, or light any fireworks or explosives: Provided always that nothing in this Regulation contained shall be deemed to prohibit the *bona fide* use by officials of any sporting body lawfully using the Reserve or any part thereof of any starter's pistol or starting gun in the conduct of sporting events.

11. No person whilst in the Reserve shall without the consent in writing of the Committee first had and obtained sell or offer for sale or hire any goods, wares, merchandise, produce, or other articles.

12. No person shall without the consent in writing of the Committee first had and obtained camp in any part of the Reserve and then only in such part of the Reserve as may be stipulated by the Committee for the purpose.

13. No person shall without the consent in writing of the Committee first had and obtained light any fire in any part of the grounds of the Reserve and then only in such place in the Reserve as may be stipulated by the Committee for the purpose.

14. No person shall without the consent in writing of the Committee first had and obtained erect or instal any booth, stall, or shelter, or any pier, jetty, landing, or ramp, or any other structure whatsoever, and then only in such manner and in such place as may be stipulated by the Committee.

15. No person shall without the consent in writing of the Committee first had and obtained bring into the grounds of the Reserve or any part thereof any motor vehicle or horse-drawn vehicle, and then only into such part or parts of the said grounds and for such purpose or purposes only as may be stipulated by the Committee.

16. No person shall ride or propel any bicycle or motor cycle in, along, across, or through the grounds of the Reserve or any part thereof: Provided always that bicycles may be parked in such racks, stands, or areas, as may be set apart by the Committee for such purposes and to enable the same to be so parked or taken out of the Reserve after having been so parked, but for no other purpose may be propelled by hand from the nearest point of access by land to the grounds of the Reserve to the place where they are so parked, or from such place to the nearest point of egress by land from the said grounds (as the case may be) without contravening this Regulation.

17. (a) No person shall bring or cause to be brought into the grounds of the Reserve or any part thereof, any horse, cattle, dog, sheep, pig, goat, or other animal, goose, duck, fowl, or other poultry, nor shall any person suffer to be brought or to be in or upon the Reserve or any part thereof any horse, cattle, dog, sheep, pig, goat, or other animal, goose, duck, fowl, or other poultry belonging to him or in his charge.

(b) The owner of any horse, cattle, dog, sheep, pig, goat, or other animal or of any goose, duck, fowl, or other poultry found wandering in any part of the Reserve, shall be guilty of an offence under these Regulations, and in addition to any other penalty or penalties, be liable to make compensation to the Committee for any damage done by such animal or poultry to the Reserve, or any part thereof or anything therein, and any and all such horses, cattle, dogs, sheep, pigs, goats, or other animals, and any and all such geese, ducks, fowls, or other poultry

may be impounded or dealt with by the Committee, or by any of its officers or by any of its servants thereunto authorized by it as by any law for the time being in force provided.

(c) Notwithstanding anything in this Regulation contained the Committee in its own discretion may at any time depasture or authorize the depasturing of live stock on any part or parts of the grounds of the Reserve, and may charge agistment fees therefor.

(d) This Regulation shall not apply to any horse whilst harnessed to any horse-drawn vehicle entering the grounds of the Reserve or any part thereof under the authority of the Committee pursuant to Regulation 15 of these Regulations.

18. No person or organization or person or persons acting on behalf of any organization shall without the consent in writing of the Committee first had and obtained and without first paying to the Committee such fees therefor as the Committee may demand, enter or remain in the grounds of the Reserve with or in or from any part of the said grounds set up, conduct or operate, or take any part in the setting up conduct or operation of any side-show or any device machine or equipment of, or in the nature of a merry-go-round, swinging-boat, ocean-wave, miniature-railway, shooting-gallery, water-boat, or any other device, machine or equipment (whether of the same or similar nature or not) usually run by professional side-show proprietors for the amusement of the public for reward.

19. No person whilst in the Reserve shall—

(i) remove or displace or deface or otherwise damage in any way whatsoever any notice or sign, or any board, tablet, or plate, or any support or fastening or fitting used or constructed or adapted to be used for the exhibition of any notice or sign or placard, and fixed or set up by the Committee, or any buoy flag or marker lawfully fixed or set up by any club or other body;

(ii) climb, jump over, or swing on any of the trees, gates, barriers, railings, or fences, or any of the said buoys flags or markers in or around the Reserve or any part thereof;

(iii) paint, fix, write, cut, carve, or in any way inscribe or engrave letters, figures, or marks upon or otherwise disfigure any tree, wall, seat, fence, building, pier, jetty, or other structure in the Reserve;

(iv) post, stick, or otherwise affix to anything in the Reserve, any advertisement, bill, placard, or other notice;

(v) spit or expectorate on any path or lawn or other area in the Reserve;

(vi) enter any plot or other area within the grounds of the Reserve for the time being enclosed for the planting or protection of trees, shrubs, or grass, or go upon any cultivated area, or garden bed within the said grounds, or pick or break any flower or shrub or tree therein;

(vii) without the consent in writing of the Committee first had and obtained dig or otherwise make or excavate any hole in any part of the grounds of the Reserve or interfere in any way with the surface of the grounds thereof.

20. No person or organization shall be entitled to use any part of the grounds of the Reserve for the purpose of conducting any organized event unless such person or organization or the person or persons acting on behalf of such organization shall first deposit with the Committee in cash (in addition to any fees for user which may be payable) the deposit moneys hereinafter mentioned to be applied as hereinafter provided that is to say:—

(a) In the case of the use of any part of the grounds of the Reserve without the use of any building, stand, booth, stall, ramp, pier, jetty, or other structure within the Reserve being the property of the Committee or appertaining to the Reserve such sum (if any) not exceeding Twenty-five pounds as the Committee may demand; or

(b) In the case of the use of any part of the grounds of the Reserve and also of any building, stand, booth, stall, ramp, pier, jetty, or other structure as aforesaid such sum (if any) not exceeding Fifty pounds as the Committee may demand.

The deposit moneys so paid shall upon such person or organization (as the case may be) vacating the Reserve be applied by the Committee first in or towards satisfaction

of the cost of restoration of or compensation for any damage whatsoever done to or suffered by the property of the Committee or appertaining to the Reserve during the conduct of any such organized event by whomsoever or whatsoever done, and also in satisfaction of the cost of cleaning up any rubbish or litter resulting from such use, and the balance (if any) thereof shall then be refunded to the payer or payers of the said deposit moneys. The determination as to whether or not any such damage has in fact been done or suffered and of the amount or value of the said restoration or compensation, shall be in the sole absolute and conclusive discretion of the Committee, and all persons and all organizations and the persons by or on whose behalf any such deposit moneys shall have been paid shall be deemed to have expressly agreed to the provisions of this Regulation.

21. No person or organization shall be entitled to use any part of the grounds of the Reserve for the purpose of conducting any organized event unless such person or organization or the person or persons acting on behalf of such organization shall first pay to the Committee for user such fee (if any) not exceeding the sum of Ten pounds as may be demanded by the Committee.

22. Where any person or organization seeking to use any part of the grounds of the Reserve for the purpose of conducting any organized event seeks to make any profit in so doing, such person or organization shall also be liable to pay to the Committee for user in addition to such fee (if any) as may have been demanded by the Committee pursuant to the last preceding Regulation, such percentage not exceeding fifty per centum of the net profits (if any) earned in the conduct of such organized event as may be demanded by the Committee. In such case the Committee may require any such person or organization prior to the commencement or during the conduct of any such organized event at the option of the Committee to lodge with the Committee either such guarantee for the due payment of any such percentage or such reasonable sum as security for the due payment of any such percentage as the Committee may determine and no person or organization shall be entitled to use or to proceed with the use of any part of the Reserve or to conduct or to proceed with the conduct of any organized event therein while any of the said requirements which may have been made by the Committee pursuant hereto shall remain in any respect unsatisfied.

23. Every person who rows, drives, sails, or handles any boat or other craft upon the water area of the Reserve recklessly or negligently or in a manner which is dangerous to any other boat or craft or to any other person or persons having regard to all the circumstances of the case shall be guilty of an offence against these Regulations.

24. Every person who in driving or sailing or handling any motor boat or sailing boat upon the water area of the Reserve commits any breach of any of the Steering and Sailing Rules set out in the Schedule hereto, shall be guilty of an offence against these Regulations.

25. Every person who having driven any motor boat within a distance of one hundred yards of any person bathing near the shore line or in or at any swimming pool or jetty or within the said distance of any boat or craft which is not a motor boat has done so at a speed or in a manner as to cause a wash which is a nuisance or annoyance to the person so bathing, or to any person or persons rowing, sailing, or handling such last-mentioned boat or craft (as the case may be) having regard to all the circumstances of the case shall be guilty of an offence against these Regulations.

26. The Committee shall have power from time to time to make and amend rules not in conflict with these Regulations governing the handling of water-ski boats and power-boats, the use of water-ski jumps and the conduct of water-ski-ing and power-boat racing, and to repeal such rules or any of them.

27. Nothing herein contained shall render unlawful any act, matter, or thing lawfully done or omitted to be done by any person, club, or other organization, or any member of any such club or organization under or by virtue of the terms of any existing licence or agreement lawfully given or made by the Committee to or with any such person, club or other organization.

28. Every person who shall commit any breach of any of these Regulations may be removed from the Reserve or from any place therein or directed forthwith to leave the Reserve or the said place by any officer or employee of the Committee thereunto authorized by the Committee or by any member of the Police Force and every such person

who shall fail to comply forthwith with any such direction shall be guilty of an offence against these Regulations. (Rs.5218.)

The common seal of the Board of Land and Works was hereunto affixed this sixteenth day of January, 1958, in the presence of—

(SEAL) KEITH TURNBULL, President.
W. T. LONG, Member.

Every person who contravenes or fails to comply with these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, as re-enacted by section 9 of the *Land Act 1941*, for each offence be liable to a penalty of not more than Five pounds and every person who contravenes or fails to comply with any such Regulation, and who, after he has been warned by any bailiff or member of the Police Force, does not desist therefrom, may be forthwith apprehended by such Bailiff or member of the Police Force and taken before some justice to be dealt with according to law and shall be liable to a penalty of not more than Ten pounds.

THE SCHEDULE REFERRED TO IN THE FOREGOING REGULATIONS.

STEERING AND SAILING RULES.

1. When two sailing boats are approaching one another so as to involve risk of collision, one of them shall keep out of the way of the other as follows, viz.:—
 - (a) A boat which is running free shall keep out of the way of a boat which is close-hauled.
 - (b) A boat which is close-hauled on the port tack shall keep out of the way of a boat which is close-hauled on the starboard tack.
 - (c) When both boats are running free with the wind on different sides, the boat which has the wind on the port side, shall keep out of the way of the other.
 - (d) When both are running free with the wind on the same side, the boat which is to windward shall keep out of the way of the boat which is to leeward.
 - (e) A boat which has the wind aft shall keep out of the way of the other boat.
2. When two motor boats are meeting end on or nearly end on, so as to involve risk of collision, each shall alter its course to starboard so that each may pass on the port side of the other.
3. When two motor boats are crossing so as to involve risk of collision, the boat which has the other on its own starboard side shall keep out of the way of the other.
4. When a motor boat and a sailing boat are proceeding in such directions as to involve risk of collision, the motor boat shall keep out of the way of the sailing boat.
5. Where by these Rules one of two boats is to keep out of the way, the other shall keep its course and speed.
6. Every boat which is directed by these Rules to keep out of the way of another boat, shall, if the circumstances of the case admit, avoid crossing ahead of the other.
7. Every motor boat which is directed by these Rules to keep out of the way of another boat, shall on approaching it, if necessary, slacken its speed or stop.
8. Notwithstanding anything contained in these Rules every boat overtaking any other, shall keep out of the way of the overtaking boat.
9. In obeying and construing these Rules, due regard shall be had to all dangers of navigation and collision, and to any special circumstances which may render a departure from the above rules necessary in order to avoid immediate danger.

THE "VICTORIA GOVERNMENT GAZETTE."

ATTENTION is invited to the following procedure in relation to the publication of official matter in the *Government Gazette*:—

1. Matter submitted to the Executive Council.

Matter submitted to the Executive Council which requires gazettal will normally be published in the issue of the following week.

Where urgent gazettal is required, special arrangements should be made with the *Gazette Officer*.

Publication will be facilitated by the submission of carbon copies for the use of the *Gazette Officer*.

2. Other matter.

(a) All other matter duly certified by a responsible officer for publication should be lodged with the *Gazette Officer* not later than half-past Ten a.m. on Tuesday.

(b) Lengthy or involved notices should be forwarded several days before publication.

(c) Proofs, which will be supplied only when specifically requested, or at the direction of the *Gazette Officer*, should be returned promptly to avoid delay in publication.

(d) No additions or amendments to matter for publication will be accepted by telephone.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and Five p.m. at double rates on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are one shilling, posted One shilling and three pence.

No GAZETTES prior to January, 1950, in stock.

***ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.

SUBSCRIPTIONS.—The subscription, including postage, is £2 15s. per annum, £1 7s. 6d. half-yearly, or 13s. 9d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the GAZETTE.

ADVERTISEMENTS are charged at the rate of 1s. 6d. per line single column, and 3s. per line double column. The title (65 Reward, Dissolution of Partnerships, &c.) forms one or more lines as a heading.

On an average, ten words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.
