KYNETON SHIRE WATERWORKS TRUST.

BY-LAW No. 4.

THE Kyneton Shire Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks District:—

PART I.—INTERPRETATION.

Definitions.

1. In this By-law unless inconsistent with the context or subject matter—

“The Act” means the Water Acts.

“Fittings” includes all appliances and things whatsoever, other than pipes, used in connexion with the conveying supplying storing or regulation of the flow of water in or derived from a main pipe.

“Main Pipe” means any pipe belonging to or under the control of the Trust and used for the conveying or supplying of water.

“Person” includes a Corporation or Company.

“Private Service” means and includes all pipes and fittings used in connexion with the supply of water from a main pipe to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

“Proper Officer” means any employee of the Trust authorized to execute any function on behalf of the Trust.

“Service Pipe” means any pipe (not being a main pipe) used for the conveying or supplying of water derived from a main pipe.

“Trust” means the Kyneton Shire Waterworks Trust.

“Works” means works of or in connexion with the laying constructing altering disconnecting removing repairing renewing or maintaining of a private service or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

PART II.—LICENSING OF PLUMBERS.

Unlicensed Persons not to Interfere with Private Services.

2. Before any person shall affix any service pipe to any main pipe of the Trust or alter repair or in any manner interfere with any pipe of the Trust or any service pipe tap or meter or other fitting connected with the main

pipes of the Trust, he shall obtain from the Trust a licence in that behalf to execute such works, and no unlicensed person shall affix alter repair or in any manner interfere with any such main pipe service pipe tap meter or other fitting as aforesaid.

Period of Licences; Cancellation of Licences; Fees Payable.

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Trust at its discretion from time to time in each case to the following 31st December. The Trust shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Trust shall be sole judge. For each original licence the licensee shall pay to the Trust a fee of One pound (£1), and for each renewal Five shillings (5s.).

Proof of Fitness to be Given.

4. Before any licence shall be granted by the Trust, the person applying for such licence shall satisfy the Trust by any tests required by the Trust or by virtue of his registration by the Plumbers and Gasfitters Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Trust relating to water supply and with the Act so far as it applies to town supplies. The Trust may, if it so sees fit, refuse to grant such licence.

PART III.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

Notice of Works to be Given.

5. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Water Act 1928)—

(a) without having given to the Trust not less than two (2) days prior to the commencement of the execution of such works—

(i) notice in writing of his intention so to do specifying the tenement in on or in respect of which it is proposed to execute such works and the time or times (being between the hours of 8 a.m. and 5 p.m. on any week day except a public holiday or a Saturday) during which it is proposed to execute such works.

(ii) a complete specification in writing of the works proposed to be done setting out the mode form strength material construction dimensions and arrangement

of all pipes fittings and structures intended to be used in the execution of such works.

- (iii) in the case of every private service containing any service pipe of diameter larger than two inches (2 in.) a properly prepared plan drawn to a scale specified thereon of the premises in on or in respect of which it is proposed to execute the said works showing thereon all buildings erections and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon.

Every notice specification and plan shall be signed by the licensed plumber actually engaged to carry out the works referred to in the notice, or by a licensed plumber employing another licensed plumber to carry out the work under his supervision.

- (b) contrary to or not in conformity with this By-law or such notice specification and plan mentioned in sub-paragraphs (i) (ii) and (iii) of paragraph (a) of this clause.

Plumbers to Report.

6. Each licensed plumber shall report to the Proper Officer of the Trust the completion of any new work extensions or repairs in connexion with any service within twenty-four (24) hours of effecting same.

Carrying Out of Plumbing Work.

7. Every licensed plumber shall in carrying out any work of water supply—

- (a) execute the work in accordance with the provisions of the Act and of the By-laws of the Trust and any special directions or orders given or issued thereunder by the Trust by the Proper Officer of the Trust; and
- (b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Trust; and

- (c) use materials of the description quality kind and standard prescribed by this By-law; and
- (d) employ only competent operatives and assistants; and
- (e) obtain permission, where necessary, for the execution of the work, on over or through any private property, or any street road park reserve or other public place or property; and
- (f) pay all fees payable to the Council of a Municipality for the opening of any public road or street or otherwise in connexion with the works; and
- (g) restore upon completion of the work any part of any public road or street to the satisfaction of the Municipal Council or other Authority having control thereof; and
- (h) except where authorized in writing by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the Proper Officer of the Trust; and
- (i) take all proper and necessary precautions so that no accident, damage or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and
- (j) exercise at all times immediate supervision over the work.

8. (a) No service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which supplies water otherwise than by measure to any tenement shall have a bore exceeding $\frac{3}{4}$ inch.

- (b) No person shall connect or affix to the Trust's mains any service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which has a diameter exceeding the appropriate diameter listed in the schedule hereunder written corresponding either to the Net Annual Valuation of the property to be served, or to the anticipated annual consumption of water at the said property as demonstrated to the satisfaction of the Proper Officer of the Trust and certified to under his hand, whichever is the larger—

Net Annual Valuation of Property.	Annual Consumption of Water.	Maximum Diameter of Service Pipe Allowed in Inches.
Not over £150	Not over 200,000 gallons, $\frac{3}{4}$
Over £150 but not over £300 500,000 gallons, 1
Over £300 but not over £500 800,000 gallons, $1\frac{1}{4}$
Over £500 but not over £1,000 1,500,000 gallons, $1\frac{1}{2}$
Over £1,000 but not over £2,000 3,000,000 gallons, 2

Depth of Service Pipes.

9. No person shall lay construct repair or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is securely clipped to a structure or is laid and constructed in such manner that the same is at all points at a depth of not less than twelve inches (12 in.) below the surface of the ground. Every such service pipe for such portion of its length as lies in or on any road street lane or right-of-way or where it may be exposed to vehicular traffic shall be laid and constructed in such manner that the same is at all points at a depth of not less than eighteen inches (18 in.) below the surface of the ground or at such greater depth as the Council of the Municipality having control of the said road street lane or right-of-way may require.

Access to Service Pipes.

10. No person shall—

- (a) lay, construct or alter any private service or any part thereof,
- (b) erect or construct any building erection or structure—

in such place position or manner that any part of such private service is not easily accessible for the purposes of inspection repair and renewal unless such part is comprised of copper piping and copper fittings.

Arrangement of Stop-Tap, &c.

11. Every meter, stop-tap and stop-tap ferrule shall be opposite the tenement supplied and in one line at right angles to the main pipe to which such stop-tap ferrule is

fixed, unless such an arrangement is impracticable in which case such services shall be provided with two (2) high pressure screw-down stop-taps, one (1) of which shall be fixed opposite the stop-tap ferrule on the main pipe and the other in accordance with the provisions of clause 18 of this By-law.

Cross Connexions.

12. No person shall permit or suffer any fluid solid or gas which in the opinion of the Proper Officer of the Trust is capable of polluting water supplied by the Trust, to have means of access to any pipe in communication directly or indirectly with any main pipe of the Trust.

Where any service pipe is connected to any cistern tank or receptacle used for the storage of water or fluid, there shall be an effective air gap at the outlet of such service pipe and the said outlet shall be not less than one-half inch ($\frac{1}{2}$ in.) above the highest possible water level in the said cistern tank or receptacle.

Connexions to Steam Boilers.

13. Water supply connexions to steam boilers shall be made as follows:—

- (a) By direct connexion from a service pipe, in which case a screw down high pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be fixed between the stop-tap and the boiler and a half-inch ($\frac{1}{2}$ in.) testing ferrule or bib-tap shall be fixed between the reflux valve and the stop-tap; or

- (b) By direct connexion from a service pipe together with an injected supply from a storage tank or condensate sump, in which case, in addition to the provisions of paragraph (a) hereof, the injected water to a boiler shall be taken through a separate opening in the wall of the boiler. In no circumstances shall a connexion be permitted between any service pipe and the piping from a storage tank or condensate sump.

Water connexions may be made through the tops or sides of steam boilers.

PART IV.—MATERIALS.

Specifications for Piping and Materials.

14. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications:—

- (a) The whole of the pipes and fittings shall be of the best quality galvanized wrought-iron, copper, brass, cast-iron, welded mild steel or asbestos cement, shall be sound and free from all defects and shall comply with the relevant specifications of the Standards Association of Australia where such specifications have been issued. That part of any service pipes of 2 inches diameter and less (including any bend, elbow or other fitting) which is between the main pipe and the meter or where no meter is fixed between the main pipe and the building line, shall be of copper or brass and shall be of the following diameters and dimensions:—

Copper pipes suitable for expanded and other approved compression fittings and for capillary and bronze welded joints:—

Nominal Bore of Pipe.	External Diameter.	Nominal Wall Thickness S.W.G.

2	2 $\frac{1}{8}$	11	2
2 $\frac{1}{2}$	2 $\frac{3}{8}$	11	2 $\frac{1}{2}$
3	3 $\frac{1}{8}$	10	3

- (b) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in case of wrought iron piping) properly galvanized throughout and shall be of equal strength and thickness throughout the entire body of the same.
- (c) Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.
- (d) All ends of galvanized wrought iron and brass pipes bends and fittings shall be properly and truly threaded and capable of being screwed into thimbles, toes or fittings.
- (e) All stop-taps and bib-taps shall be screw down high pressure taps made of hard brass or gun-metal.

PART V.—CONNEXIONS TO MAINS.

One Service Pipe to Each Tenement.

15. No person shall affix or connect or cause or permit to be affixed or connected to any main pipe more than one (1) service pipe or private service for the supply of water for domestic purposes to any one (1) tenement.

Connexion to Main Pipe.

16. No person shall affix or connect any service pipe to any main pipe save by means of a stop-tap ferrule to which a right-angled bend of copper alloy is properly and securely attached.

Size of Tappings Permitted.

17. (a) The maximum diameters of tappings that will be permitted for main pipes of the respective diameters set out hereunder, and for cases where the tapping is made with or without a tapping saddle, are as follows:—

MAXIMUM DIAMETER OF TAPPING IN INCHES.

Diameter of Main Pipe in inches.	Without Tapping Saddle (Cast-iron Main Pipes Only.)	With Tapping Saddle.
3	$\frac{3}{4}$	1 $\frac{1}{2}$
4	$\frac{1}{2}$	1 $\frac{1}{2}$
5	1	1 $\frac{1}{2}$
6	1	2 $\frac{1}{4}$
7	1	2 $\frac{1}{4}$
8	1 $\frac{1}{4}$	2 $\frac{1}{4}$
9	1 $\frac{1}{4}$	2 $\frac{1}{4}$
Over 9	2	2 $\frac{1}{2}$

Tapping Fees.

(b) No person shall affix or connect or cause to be affixed or connected any service pipe to any main pipe without having first paid to the Trust a tapping fee of Twenty shillings (20s.).

Position of Stop-taps.

18. A high pressure screw down stop-tap properly secured shall be fixed on each water service in one of the following positions:—

- (a) between the main pipe and the building line within six (6) feet of the building line, and in this case the stop-tap shall be covered by a box which shall comply with the requirements of the Municipality in which the service is laid.
- (b) where a meter is fixed, between the meter and the inlet bend thereto.
- (c) where a meter is not fixed, on the service pipe above the ground in an accessible position not more than six feet (6 ft.) inside the building line.

PART VI.—REPAIR.

Repair of Service Pipes.

19. Any person using any private service shall at all times keep same in proper repair.

Trust Can Repair Service Pipe in Certain Circumstances.

20. If any person refuses neglects or delays to have any private service or any part thereof used by him properly repaired after having been required in writing by the Proper Officer of the Trust so to do the Trust by its Proper Officers servants or agents may enter into or upon any premises supplied by such private service or any part thereof and may where necessary repair or renew such private service or any part thereof so as to prevent the waste of water and may charge such person with the cost and expense of such repair or renewal and such cost and expense shall be a debt due by such person to the Trust.

PART VII.—METERS.

Meters Supplied and Maintained.

21. (a) Except as permitted in clause 34 of this By-law no person shall use any private service save for the supply of water solely for domestic purposes exclusive of the watering of any garden unless the whole of the water supplied to such private service passes through a meter.
- (b) Such meters will be provided and maintained by the Trust and every person before installing a private service shall ascertain from the Trust the size of meter to be installed and shall make

provision in the arrangement and construction of the private service for connexion of such meter in accordance with the following requirements:—

- (i) The meter shall be located within the property and not more than six feet (6 ft.) from the building line.
 - (ii) The meter shall be in an easily accessible position protected from accidental damage.
 - (iii) The meter shall be properly and securely affixed to such private service or service pipe by means of connexions or quarter bends of brass, copper or copper alloy.
 - (iv) The meter shall be fixed truly level on a solid foundation of brick stone or concrete the top of which foundation is level with or above the surface of the ground.
 - (v) All washers used for connexion couplings for meters shall be made of leather.
- (c) Pending connexion of the said meter the person authorized to install the service pipe shall connect a distance piece in the service pipe in place of the meter.

Restriction of Access to Meter.

22. No person shall construct place stack or store or permit or suffer to be constructed placed stacked or stored any building erection material or thing over or upon any meter connected or affixed to any private service or shall do or permit or suffer to be done any act matter or thing whereby inspection of such meter shall be prevented obstructed or in any way rendered difficult or interfered with.

Replacement and Testing of Meter.

23. (a) The Trust may at any time replace or remove for testing any meter attached to any private service.

Fees Returned in Certain Circumstances.

- (b) Any consumer may at any time request the Trust in writing to test any meter attached to his private service and through which water supplied to him passes and shall at the time of the delivery of such request pay to the Trust the sum of One pound (£1). The Trust shall thereupon remove and test the meter or cause the same to be tested in such manner as it thinks fit. If such meter is found to be registering correctly the Trust may retain such sum of One pound (£1) in satisfaction of the fee for testing meter hereinbefore prescribed but if such meter is found to be registering incorrectly such sum of One pound (£1) shall be returned to such consumer.

Consumer Leaving Tenement to Notify Trust.

24. Every person who shall cease to occupy the premises on which such meter is fixed shall give to the Trust in writing at least six (6) days notice of his intention to do so.

PART VIII.—MISUSE AND WASTE.

Supply Restricted to One Tenement Only.

25. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

Cisterns, Tanks and Troughs.

26. No person shall use or permit or suffer the use of any private service or any part thereof for the supply of water to any cistern tank or water trough unless such cistern tank or water trough is watertight and is provided with an equilibrium ball-valve or other mechanism, efficiently regulating the flow of water thereinto in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water trough means a water trough used for the supply of water to animals.

Water Closets and Urinals.

27. No person shall construct lay or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet or any part thereof save through a cistern or tank.

Baths.

28. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than one hundred (100) gallons of water.

Fire Brigades.

32. No person other than a servant or agent of the Municipality of Kyneton or the Kyneton Fire Brigade in the execution of his duty as such servant or agent shall without the written permission of the Trust open, close, or otherwise interfere with any hydrant attached to any main pipe.

Taps in Parks and Reserves.

33. No person other than a servant or agent of the Municipality Corporation or body having the care and management of a public park public garden or reserve for public purposes shall without the previous consent of the Trust open close or otherwise interfere with any tap, valve or other like regulator (except a drinking fountain or other tap provided for public use) in or on connected with any service pipe used for the supply of water to such park, garden or reserve.

PART IX.—PRIVATE FIRE SERVICES.

Private Fire Services.

34. (a) Private fire services comprising pipes and fittings not exceeding six inches (6 in.) in diameter and without meters may be permitted at the expense of the owner of the premises subject to the payment of a fee of Fifteen shillings (15s.) per annum. Every such fire service shall be sealed. Except in case of fire no person shall, without the authority of the Trust, wilfully break the seal affixed to any private fire service and in the event of any such seal having been broken accidentally or otherwise the occupier of the tenement shall within twenty-four (24) hours thereafter give notice in writing of the fact at the office of the Trust, and except in the case of a fire he shall pay a resealing fee of Fifteen shillings (15s.). No water shall be taken from any sealed portion of a private service except for extinction of fire.
- (b) Except as expressly provided in sub-clause (a) of this Clause all portions of private services installed for fire service purposes shall comply with all provisions of this By-law.
- (c) Every private fire service pipe shall be laid and fixed in a conspicuous position and shall be painted with a distinguishing coating of bright red paint which shall be maintained at all times.
- (d) Any application for a fire service shall be made by the owner of the premises and in writing to the Trust.
- (e) In the event of the owner or occupier committing any offence under the Act or any breach of this By-law or permitting or suffering any such offence or breach to be committed the Trust may by notice in writing to the owner withdraw permission for the private fire service and such service shall thereupon be disconnected.

PART X.—INSPECTIONS.

Inspections.

35. Any person authorized by the Trust in that behalf either generally or for any class of cases or in any particular case may at all reasonable times—

- (a) enter into or upon any premises for the purpose of inspecting and may inspect any private service or any part thereof or any works in course of execution therein or thereon, and/or
- (b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon and may give to the owner or occupier of such premises or any person engaged in executing such works any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works.
- (c) For any such purpose as aforesaid may dig or excavate in or upon any such premises.

Hindering of Inspections.

36. No person shall obstruct hinder impede resist oppose or refuse admission to any premises by the Proper Officer or any person duly authorized in that behalf by the Trust, or shall fail or neglect to carry out and observe all lawful directions and instructions given by him.

PART XI.—PENALTIES.

Local Government Act.

MUNICIPAL CLERKS BOARD.

REGULATIONS FOR EXAMINATION FOR CERTIFICATE OF COMPETENCY AS MUNICIPAL CLERK.

WHEREAS section 169 (1) of the Local Government Act prescribes that the Municipal Clerks Board may from time to time make alter or rescind regulations to be approved by the Governor in Council and published in the *Government Gazette* prescribing the time place and manner of holding examinations of such persons as desire to qualify themselves to hold the office of municipal clerk, the subjects of such examinations, the fees payable by candidates thereat, the qualifications necessary and the conditions of entry for those examinations, the recognition of other qualifications in lieu of any examination, and the conditions (including conditions as to age training and experience) necessary for the issue of appropriate certificates, the Municipal Clerks Board hereby rescinds the Regulations published in the *Government Gazette* of 26th March, 1952, and in lieu thereof makes the following Regulations:—

1. An examination shall be held at least once in every year, at such place or places and at such times as the Board may from time to time determine.

2. The subjects of such examination shall be:—

- (i) Accounting.
- (ii) Local Government Law, Part I.
- (iii) Local Government Law, Part II.
- (iv) Commercial Law.
- (v) Secretarial Practice.
- (vi) Public Administration.

3. An exemption from examination in any subject will be granted to a candidate who proves to the satisfaction of the Board that, at an examination conducted by a University or a secretarial or accountancy institute or other examining body recognized by the Board for the purpose, he has passed in a subject based on a like syllabus and of a like standard to the appropriate subject of the Board's examination.

4. Every person desiring to sit for the examination shall, not less than twenty-eight (28) days before the examination, submit an application in a form approved by the Board, for permission to enter, accompanied by:—

- (a) A statement giving his full name and address and date and place of his birth.

(b) Documentary evidence of his having passed—

- (i) In English and three other subjects, including one subject from Group B and one from Group C of the subjects prescribed for the School Leaving Examination of the University of Melbourne;
 - (ii) such other examination as is, in the opinion of the Board, equivalent to that mentioned in paragraph (i).
- (c) Two recent testimonials relating to his conduct and character.
- (d) A detailed statement of his experience, showing the times engaged and the nature of the work, to be certified as correct by a municipal clerk where practicable.

5. The Board will grant to any applicant who complies to its satisfaction with the requirements of clause 4 of these Regulations permission to enter for the Board's examination.

6. Where after commencement of these Regulations a candidate has received permission to enter for the Board's examination, he may be admitted to a subsequent examination on application and payment of the prescribed fee.

7. Every examination shall be in writing, but the Board may conduct oral tests in any case where, after examination in writing, the Board considers such a course necessary to assure itself of a candidate's competency.

8. A candidate shall, at not more than three of the examinations for which he sits, pass in all subjects in which he is required to pass to qualify for a certificate of competency.

9. A satisfactory standard of English shall be demonstrated in each subject of examination and marks shall be deducted from candidates failing to meet the requirement of this regulation.

10. A certificate of competency shall not be issued to any person until he has attained the age of 23 years and until he has had at least two years' administrative experience approved by the Board.

11. The Board may require any applicant for a certificate to produce further evidence of good conduct and character and may refuse to grant a certificate of competency to any person, if, in its opinion, his general conduct and character do not entitle him to receive such certificate.

12. No person shall be eligible to receive a certificate of competency unless he is a natural born or naturalized subject of Her Majesty.

13. Subject to the provisions of these Regulations, the Board will grant a certificate of competency to any person who has passed the Board's examination.

14. The fees payable by candidates under these Regulations shall be £1 1s. for each examination subject.

15. Applications under these Regulations shall be addressed to the Secretary, Municipal Clerks Board, Local Government Department, 61 Spring-street, Melbourne, C.I.

UNIFORM BUILDING REGULATIONS.

NOTICE is hereby given that, pursuant to the provisions of sub-clause (a) of clause 703 of the Uniform Building Regulations, Victoria, 1959, made under Part XLIX. of the *Local Government Act 1958*, the Building Regulations Committee has approved of the erection of single-storey houses in laminated timber construction, subject to the requirements set out hereunder.

1. All timber other than sub-floor timbers shall be kiln-dried to a moisture content not exceeding 15 per cent at the time of erection.
2. External wall sections shall be—
 - (a) of Radiata Pine not less than 2½ inches in thickness;
 - (b) either solid or laminated from two planks, double-tongued and grooved and weathered.
3. Internal wall sections shall be—
 - (a) of Radiata Pine not less than 1½ inch in thickness;
 - (b) either solid or laminated from two planks, and double-tongued and grooved;
 - (c) securely fixed into external walls at junctions by dove-tailing or other similar method.

4. External corners of external walls shall be clamped for their full height by angle posts of corrosion-resisting metal not less than 3 in. x 3 in. x $\frac{1}{4}$ in., let into vertical grooves in the external lamination.
5. Door and window frames shall be of not less than 4-in. x 4-in. timber, solid or laminated, and deeply grooved to act as stiffeners to the wall sections which shall fit into the frames at top, bottom and sides.
6. Roofs shall be—
 - (a) constructed in accordance with the recommendations set out for Class I. Construction in Building Frames (Timbers and Sizes) being Pamphlet No. 112 Second Edition, issued by the Commonwealth Scientific and Industrial Research Organization; or
 - (b) double-tongued and grooved solid or laminated boarding not less than $1\frac{1}{4}$ inch in thickness with battens provided at normal spacings for the type of roof covering to be used.
7. All Radiata Pine sapwood shall be treated against decay and insect attack with a preservative approved by the Committee and to a retention and penetration approved by the Committee.
8. The lamination of planks shall be carried out in such a manner that any given sample shall pass the following test:—

The timber on one side of the glue line shall be removed, leaving $1\frac{1}{16}$ inch— $\frac{1}{8}$ inch of material. The test sample shall then be boiled for a period of three hours, after which a knife test shall be carried out as laid down in Appendix B of Australian Standard No. O.59 (1952) "Waterproof Plywood, Marine and Standard Grades".
9. End-jointing of timbers where necessary after glueing shall be done with multiple saw-cut glued finger joints.
10. Unsupported lengths of walls and solid board roofs shall not exceed 12 feet and 10 feet respectively without satisfactory stiffening.
11. All plumbing and electrical work built into external walls shall in no way prejudice the weathering thereof.
12. All jointing shall be accurate and tight.
13. Compliance with the provisions of the Uniform Building Regulations, Victoria, with the exception of clauses 2501, 2505 and 2507 thereof.

THE BENDIGO SEWERAGE AUTHORITY.

RATING BY-LAW No. 6.

The Bendigo Sewerage District.

THE Bendigo Sewerage Authority, in pursuance and exercise of the powers conferred by the Sewerage Districts Acts, doth hereby make the following By-law:—

The following sewerage rate is hereby made under the provisions of the Sewerage Districts Act, and shall be levied upon the nett annual value of the rateable sewerer properties within the Bendigo Sewerage District.

1. Of any land or tenements situate within the Bendigo Sewerage District, a sewerage rate of One shilling and one penny in the £1 of the nett annual value of all rateable "sewerer property" within the said district.

2. In no case shall the amount of sewerage rate payable annually be less than £4 5s. in respect of any rateable sewerer property on which there is a building, and £2 in respect of any rateable sewerer property on which there is no building.

3. Such rate is made and shall be levied for the year beginning with the first day of October, 1959, and ending with the 30th day of September, 1960, and shall be payable on the first day of February, 1960, at the office of the Authority, situate at the Civic Buildings, Bendigo.

4. If any rateable property which is unsewered at the time of the making of the aforesaid rate becomes during the said year a "sewerer property", there shall be levied upon such property a proportionate part of the sewerage rate for the portion of the year after it has become a sewerer property, and such property shall be deemed to have been lawfully rated accordingly.

5. For making and levying such rate the valuation for the time being of such lands and tenements for the municipal rate of the municipality in the municipal district of which such lands and tenements are situate shall be deemed and taken to be the valuation of such lands and tenements respectively; but if any such lands and tenements are not included in a valuation in force for the municipality in whose district they are situate, or if there is no such valuation, the nett annual value thereof may for all purposes of such rate be determined in the manner provided in the Sewerage Districts Act.

6. Such person or persons as the Bendigo Sewerage Authority may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect and recover the said rates and charges.

The resolution for passing the foregoing By-law was agreed to by the Bendigo Sewerage Authority on the twenty-sixth day of October, 1959, and was confirmed by the said Authority on the twenty-third day of November, 1959.

KILMORE WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1960 WITHIN THE KILMORE URBAN DISTRICT, AND THE WANDONG URBAN DISTRICT.

THE Kilmore Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Two shillings and three pence (2s. 3d.) in the £1 on the municipal valuation of lands and tenements liable to be rated within the Kilmore Urban District, and Wandong Urban District.

Provided that in no case shall the amount of rate payable in respect of any tenement (other than land on which there is no building) be less than Two pounds fifteen shillings (£2 15s.), and in respect of land on which there is no building less than One pound five shillings (£1 5s.).

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1960, and shall be payable on the 8th day of April, 1960, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of One shilling per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at 1s. per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust.

The owners of every piece of vacant or unoccupied land supplied with water by trough must provide an approved self-acting ball tap to prevent overflow.

Passed this 21st day of October, 1959.

MIRBOO NORTH WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1960.

THE Mirboo North Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Two shillings and six pence in the £1 of the annual municipal valuation of land and tenements liable to be rated within the Mirboo North Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Three pounds, and in respect of any land on which there is no building less than One pound.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing 1st January, 1960, and ending on the last day of December, 1960, and shall be payable on the 2nd day of February, 1960, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of One shilling per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling per 1,000 gallons.

The charge for water supplied by measure to any property not rated by the Trust is hereby fixed at One shilling per 1,000 gallons, and the minimum charge in cases where water is so supplied, is hereby fixed at Three pounds per annum.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust, Mirboo North.

Passed this 19th day of November, 1959.

(SEAL) WALTER J. TUCK, Chairman.
FRANK OTTO FISHMAN, Commissioner.
C. J. BREN, Secretary.

Approved, 14th December, 1959.—W. J. MIBUS, Minister of Water Supply.

RIDDELL'S CREEK WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1960.

THE Riddell's Creek Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Two shillings and six pence (2s. 6d.) in the £1 of the annual municipal valuation of lands and tenements liable to be rated within the Riddell's Creek Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Two pounds ten shillings (£2 10s.), and in respect of land on which there is no building less than One pound (£1).

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1960, and shall be made payable on the 26th day of February, 1960, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of One shilling (1s.) per 1,000 gallons, would produce an amount equal to the amount of rate levied on the property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling (1s.) per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust.

Passed this 3rd day of November, 1959.

AUTHORITY FOR SALE OF LAND BY WOORAYL
DISTRICT MEMORIAL HOSPITAL, LEONGATHA.

WHEREAS Woorayl District Memorial Hospital, Leongatha, an incorporated institution within the meaning of the *Hospitals and Charities Act 1958*, is the owner of all that piece of land being allotment 6, section 4, Township and Parish of Leongatha, County of Buln Buln, and more particularly described in certificate of title, volume 7176, folio 147:

And whereas no part of such land is granted, reserved, or set apart by the Crown for the purposes of Woorayl District Memorial Hospital, Leongatha:

And whereas the majority of the members of the Committee of Management of Woorayl District Memorial Hospital, Leongatha, desire that the said land be sold:

And whereas the Hospitals and Charities Commission after inquiry has reported that it would be advantageous to Woorayl District Memorial Hospital, Leongatha, if the Hospital sold the said land:

Now therefore the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, being satisfied in the hereinbefore recited special circumstances that the sale of the said land would be advantageous to Woorayl District Memorial Hospital, Leongatha, doth authorize the sale of such land freed and discharged from any trusts affecting the same and doth hereby direct that such land be sold to the Rotary Club of Leongatha, in accordance with the following conditions, that is to say:—

1. The sale price shall be an amount of not less than Three thousand four hundred pounds (£3,400), such amount to be paid by the purchaser immediately upon signature of the contract of sale.

2. The contract of sale shall be in the form of the contract of sale approved for use by its members as at the date hereof by the Real Estate and Stock Institute of Victoria.

And His Excellency, by and with the advice aforesaid, doth hereby further direct that from the proceeds of the sale a sum of Two thousand eight hundred and twenty pounds (£2,820) be applied to the Government Building Trust Funds held by the Hospital.

And the Honorable Ewen Paul Cameron, Her Majesty's Minister of Health for the State of Victoria, shall give the necessary directions herein accordingly.

SHIRE OF KOWREE.

BY-LAW No. 33.

A By-law of the Shire of Kowree, made under Part VII., Division 1, of the Local Government Act 1958, and numbered 33, for the carrying out of the purposes provided for in subdivision (2) of Part 1 of the Fifteenth Schedule to the Local Government Act 1958, relating to the naming of streets and numbering of houses.

THE Council of the Shire of Kowree doth hereby, in pursuance of the powers conferred by Part VII. of Division 1 of the Local Government Act 1958 and every other Act or power enabling it in that behalf, order as follows:—

1. This By-law may be cited as "The Shire of Kowree Naming of Streets and Numbering of Houses By-law".

2. Any By-law previously made for "the naming of streets and numbering of houses" is hereby repealed.

3. It shall be lawful for the Council from time to time to cause to be painted or affixed on a conspicuous part of some house or building or on a pole erected for the purpose or on any other pole subject to the approval of the authority erecting such other pole at or near each end, corner or entrance of every street, and in the direction of the line of such street, the name of such street in legible characters, and the Council may alter the name of any street or road in the municipal district (to be described in the order altering the same) to any other name which to the Council may seem fit, and before any name is given to any new street or road notice of the intended name shall be given to the Council, and the Council may, by notice given to the person to whom notice of such intended name was given to them, at any time within fourteen days of the receipt of such last-mentioned notice, object to such intended name, and it shall not be lawful to give any name to any street or road or to set up any such name thereto until the expiration of fourteen days after notice thereof has been given as aforesaid to the Council, or to give or set up any name objected to as aforesaid. Where the Council changes the name of any street it shall forthwith cause a notice thereof, stating the old name and the new name, to be published in the Government Gazette.

4. The owners or occupiers of houses or buildings shall, on the gate or gatepost or in such other conspicuous position as the Council determines, mark such houses or buildings with such numbers and names, for the purpose of distinguishing the same, as the Council may from time to time direct or approve, and shall renew the numbers or names of such houses or buildings as often as they are obliterated or defaced; and if any owner or occupier of any such house or building neglects for one week after notice to him from the Council to mark such house or building with such number or name as the Council may direct or approve, or to renew the number of name thereof as aforesaid, he shall forfeit a sum not exceeding Forty shillings and the Council may cause such number or name to be so marked or renewed, and recover the expense thereof from the owner or occupier of such house or building before any justice; and where such expense is paid by or recovered from the occupier he may deduct the same from any rent payable by him to the owner.

5. It shall be lawful for the Council from time to time to cause to be painted or affixed immediately beneath the name of any street painted or affixed pursuant to clause 3 of this By-law the distinguishing numbers of the houses or buildings marked or liable to be marked pursuant to clause 4 of this By-law and the distinguishing number or numbers allocated by the Council as aforesaid to any property on which for the time being there is no house or building in that street or in any indicated part thereof.

6. If any person wilfully and maliciously destroys, pulls down, obliterates or defaces the name of any street or

road, or the name or number of any houses or buildings, or paints, affixes or sets up any name to any street or road, or any name or number to any house or building, contrary to the provisions of this By-law, he shall for every such offence forfeit a sum not exceeding Five pounds; and it shall be lawful for the Council to cause such name or number so unlawfully painted, affixed or set up to be obliterated or destroyed.

7. This By-law shall apply to and have operation throughout the whole of the municipal district.

Resolution for passing this By-law agreed to at the meeting of the Kowree Shire Council held, on the 10th day of August, 1959, and confirmed at the meeting thereof held on the 7th day of December, 1959.
