IN pursuance of the powers conferred by the *Local Government Act 1958* and of every Act or power enabling it in that behalf, the President, Councillors and Ratepayers of the Shire of Kowree hereby order as follows:—

1. In this By-law—

"Authorized officer" means the Secretary or Engineer of the Shire of Kowree or an officer thereof acting in their stead or such officer as may be appointed by Resolution of the Council thereof from time to time.

"Council" means the Council of the Shire of Kowree.

"Unregistered motor car" means a motor car which is not registered under the *Motor Car Act 1958*, or any amendment or re-enactment thereof, for the time being in force.

2. No person shall leave any derelict or unregistered motor car standing or allow the same to remain standing in any street or road.

3. The owner of any derelict or unregistered motor car standing in any street or road or any other person leaving such derelict or unregistered motor car standing or allowing the same to remain standing in any street or road, upon service upon him of notice under the hand of the authorized officer requiring him within the time specified in the notice to remove such derelict or unregistered motor car from the said street or road shall remove the same accordingly.

4. Any person who commits any wilful breach of clause 2 hereof or who wilfully fails to carry out the requirements of any notice served in accordance with the provisions of clause 3 hereof shall be guilty of an offence against this By-law and shall be liable, on conviction, to a penalty of not less than Five pounds nor more than Twenty pounds.

5. In the event of the Council by its authorized officer serving notice on any person according to the provisions of clause 3 hereof and such notice not being complied with, or in the event of the name and address of the owner of any derelict or unregistered motor car left or allowed to remain standing in any street or road or the name and address of any other person leaving or allowing the same so to remain standing not being known to the Council, the Council by its authorized officer may remove the said derelict or unregistered motor car from any street or road to a place of safe keeping set aside by the Council for that purpose and shall within seven days after the removal of such derelict or unregistered motor car serve a notice on the owner of the derelict or unregistered motor car informing him of the removal of the derelict or unregistered motor car and that it is being held for safe keeping by the Council at the place specified in the notice and that unless the derelict or unregistered motor car is claimed and removed by him from the place of safe keeping and all expenses incurred by the Council in or incidental to the removal and safe keeping of the derelict or unregistered motor car paid within 21 days of the service of such notice, the said derelict or unregistered motor car may be sold by the Council either by public auction or private contract as the Council shall see fit, and if the Council is unable to sell such derelict or unregistered motor car, it may be destroyed or disposed of in such manner as the Council by its authorized officer shall think fit.

6. Any notice under this By-law shall be deemed to be properly served if such notice is delivered personally to the person to be served or is sent by prepaid registered post addressed to such person at his last known place of residence or business, provided that in case of any notice pursuant to clause 5 hereof, if the name of the owner of the motor car in question or his last known place of residence or business is not known to the Council such notice shall be deemed to be properly served if published once in a newspaper circulating generally in the municipal district of the Shire of Kowree.

9. 10. The exercise by the Council of any of the powers conferred on it by this By-law shall not relieve any person from liability for any penalty incurred by reason of the breach of any provision of this By-law nor shall the imposition of any penalty pursuant to this By-law in any way prejudice or interfere with the Council's rights to remove and/or sell any derelict or unregistered motor car.

11. The following charges are hereby imposed for the removal and disposal of derelict or unregistered motor car:—

(a) For the removal thereof, the sum of Fifty shillings for each mile or part thereof necessarily travelled from the place of standing to the place set aside by the Council under clause 5 hereof.
