CITY OF SPRINGVALE.

BY-LAW No. 157.

A By-law of the City of Springvale, made under the *Health Act 1958* and section 197 of the *Local Government Act 1958*, and numbered 157, for the purposes of—

(a) the regulating of the keeping of animals (including birds) and the regulating or prohibiting of the keeping of any place or the storage of any things which in the opinion of the Council may be offensive, injurious to health, or dangerous;

(b) fixing subject to Part IV. of the *Health Act 1958* the distance from any dwelling within which it shall be unlawful to keep any such place or animal or to store any such thing;

(c) suppressing nuisances; and

(d) regulating the keeping of birds and limiting the number of any such birds kept on any property.

IN pursuance of the powers conferred by the *Health Act 1958* and the *Local Government Act 1958*, the Mayor, Councillors and Citizens of the City of Springvale order as follows:—

1. In this By-law unless inconsistent with the context or subject-matter:—

"Approved materials" means materials approved by the Council.

"Approved battery cage system" means a battery cage system for the keeping of poultry approved by the Council.

"Battery cage" means a wire or metal mesh cage divided into one or more compartments in which poultry is kept.

"Council" means the Council of the City of Springvale.

"Dwelling" includes any building or portion of a building or a tent which is used or intended, adapted or designed for use for living purposes.

"Litter" includes wood shavings, tan-bark, straw, dry grass clippings or other suitable clean material.

"Mature fowl" means a fowl three months or more old.

"Poultry farm" means any property on which there is kept at any time a greater number of mature poultry than 25.

"Poultry" includes chickens, turkeys, ducks, guinea fowls, pigeons and pheasant.

2. By-law No. 125 of the City of Springvale (formerly the Shire of Springvale and Noble Park and before that the Shire of Dandenong) is hereby repealed.

3. No person shall keep or permit to be kept on any property more than 25 mature fowls.

4. No person shall keep or permit to be kept in any poultry house or similar structure a number of mature fowls greater than the number produced by dividing the area in square feet of such poultry house or a similar structure by four except in an approved battery cage system.

5. No person shall keep or permit to be kept on any property more than two turkeys or two ducks or two geese.

6. No person shall keep or permit to be kept any poultry on any property other than in a poultry house or similar structure (to which may be attached an enclosed poultry run having access to such poultry house or similar structure) or approved battery cage system and unless such poultry house or similar structure and any attached run or approved battery cage system is—

- (a) distant of at least 75 feet from the boundary of the street or road to which the property has a frontage;
- (b) distant at least 10 feet from any other streets or road of a greater width than 25 feet;
- (c) distant at least 5 feet from any other street or road of a lesser width of 25 feet or from the boundary of any adjoining allotment of land; and
- (d) distant at least 40 feet from any dwelling whether erected on the same or any adjoining property.

7. Every poultry house or similar structure or battery cage system shall—

- (a) be constructed of approved materials;
- (b) be paved with approved materials;
- (c) have the floor level at least 3 inches above the surrounding ground level; and
- (d) in the case of a poultry house or similar structure be constructed so as to hold and at all times be filled with at least 6 inches in depth of litter from the floor level.

8. No person shall keep or permit to be kept on any poultry farm any poultry other than in an enclosed poultry run, poultry house or similar structure, or approved battery cage system.

9. No person shall keep or permit to be kept on any poultry farm any poultry in an enclosed poultry run, poultry house or similar structure, or approved battery cage system unless such enclosed poultry run, poultry house or similar structure, or approved battery cage system is—

- (a) distant of at least 75 feet from boundary of the street or road to which the poultry farm has a frontage;
- (b) distant at least 10 feet from any other street or road;
- (c) distant at least 10 feet from the boundary or any adjoining allotment of land; and
- (d) distant at least 100 feet from any dwelling whether on the poultry farm or adjoining land except an incubator or brooder house may be erected distant not less than 40 feet from any dwelling on the poultry farm.

10. No person shall erect or cause or permit to be erected on any poultry farm any poultry house or similar structure or approved battery cage system unless—

- (a) every such poultry house or similar structure or approved battery cage system is roofed with approved material with guttering leading to water tanks or to proper storm water drains adequate to take off the discharge of water to a proper point of discharge;
- (b) the ground surrounding every such poultry house or similar structure or approved battery cage system is adequately and properly drained; and
- (c) the floor beneath any such poultry house or similar structure or approved battery cage system is built up so that the surface level shall be at least 3 inches above the surrounding ground level.

11. Every poultry house or similar structure (except an approved battery cage system) shall be rendered rat-proof by placing galvanized iron, jointed brickwork, cement sheet or concrete around the foundations to a depth of at least 18 inches below the ground level and all walls shall be constructed of approved rat-proof material.

12. The owner or occupier of any property on which poultry is kept shall—

- (a) keep the area of land within 5 feet of any poultry run, poultry house or similar structure, or battery cage system, erected thereon free from all dry grass, weeds, refuse or other material capable of harbouring rats or other vermin;
- (b) cause every poultry run, poultry house or similar structure, or battery cage system erected thereon to be thoroughly cleaned from time to time as may be necessary; and
- (c) keep every poultry run, poultry house or similar structure, or battery cage system erected thereon in a clean wholesome and sanitary condition at all times.

13. No person shall keep or store or permit to be kept or stored on any property where poultry is kept any food for consumption by poultry unless such food is kept or stored in rat-proof receptacles or rat-proof buildings.

14. This By-law shall not apply to any property on which the business of killing or selling poultry is carried on and which has been exempted in writing by the Council from the operation hereof.

15. Clause 9 hereof shall not preclude the continuance of the use of any poultry run, poultry house or similar structure or approved battery cage system erected on any poultry farm immediately before the date of the coming into operation of this By-law if such use was lawful immediately before the said date.

16. Nothing in this By-law shall preclude the continuance of the use of any poultry run, poultry house or similar structure or approved battery cage system erected on any poultry farm within the area described in the Schedule hereto immediately before the date of the coming into operation of this By-law if such use was lawful immediately before the said date provided that if any such use shall cease for six consecutive months then this clause shall not apply.

17. This By-law shall apply to and have operation throughout the whole of the municipal district of the City of Springvale except clauses 3 to 7 (inclusive) which shall apply to and have operation throughout the areas described in the Schedule hereto.
