CONDITIONS OF CONTRACT FOR PROVISIONS, 1963-64, ETC.

(Published in the *Victoria Government Gazette* No. 31, dated 14th April, 1963, pages 1280-1282.)

1. All the articles are to be of the best quality of the several kinds, in the best condition, and in conformity with the Health Acts, and to be delivered in sound packages, free from all charges for cartage, freight, &c. The goods shall be delivered as may be directed by the officer ordering the supply.

2. As the exact quantity of any article which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same as ordered.

The Government reserves the right to purchase otherwise than from the contractor any of the articles specified in the schedule in the event of emergency.

3. Supplies for country districts for which no local contract may have been taken, or for which the contract has been terminated, may be ordered under the Melbourne contract.

4. The Melbourne District will include places within a radius of 12 miles from the Elizabeth-street Post Office, with the exception of places for which separate contracts are provided; the Mont Park District will include the Mental Hospitals, Janefield Colony, the Sanatorium, Gresswell, and Pleasant View, Preston; the Ararat, Ballarat, Beechworth, Bendigo, Castlemaine, Geelong and Sunbury Districts will include Mental Hospitals, Penal Institutions and Teachers' Hostels at any of those places. Delivery must be made at the places, institutions, &c., named in the Schedules, or as directed by the officer ordering the supply.

5. Packages suitable for transport of goods supplied must be provided by the contractor free of expense, and the value of these packages, whether in bulk or otherwise, is to be included in the rate tendered, except butter boxes and soap boxes (not including fancy soaps), jam jars, flour, meal, and potato bags, which will remain the property of the contractor, and only the actual net weight or quantity received will be paid for; the empties to be removed from the place of delivery at the contractor's expense.

6. The meat supplied under these conditions must, if practicable, be slaughtered at abattoirs which are under authorized inspection and supervision. Any infringement of these conditions will subject the contractor, on report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount will be deducted from the contractor's account, or from the security money.

7. The supplies coming under the head of Rations and Medical Comforts are to be delivered direct to the establishment entitled thereto on the written order of the officer in charge. All other supplies will be ordered by the head of the Department concerned or any officer authorized by him, and shall be delivered as may be directed by the officer ordering the supply.

8. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor, who shall render his account as soon as possible after the delivery of the supplies, accompanied by the receipted delivery order. The rates or quantities quoted in the orders cannot be exceeded.

9. Where railway facilities are available, the contractor shall use the Railways for the transport of the goods. When a contractor is required to make delivery of goods at a railway station for transmission by rail, except for Commonwealth Departments, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in the triplicate and quadruplicate of the form as an authority for the Railways to act as agent for, and charge the freight to, the Stores and Transport Office. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be forwarded to the consignee and the quintuplicate retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which services the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 18 of these conditions.

10. Orders must receive prompt execution; in the event of the goods not being delivered at the time mentioned in the order or within such other time as the officer ordering the supply may specify for delivery, it will be competent for such officer, or the head of the Department to whom the goods are to be supplied, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

11. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions.

12. If the officer in charge of stores be not satisfied as to the quantity or quality of the stores, or if, after taking delivery of any stores or material, he shall discover any deficiency or defect therein, he may return such deficient or defective stores or material to the contractor, and shall report the same to the head of his Department and to the Tender Board.

13. In the event of a difference of opinion between the contractor and the officer receiving the supplies as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey composed of persons named by the Treasurer of the State for the time being; and the decision of the Board is to be considered final. In the event of the decision being against the contractor, the survey fees and expenses (if any) will be deducted as in clause 10.

14. In cases where the article is of a perishable nature, or when from some other cause injury would be sustained either by the person to whom the rations or stores are due or by the contractor in waiting for a Board to survey, the head of the Department or officer authorized to take delivery will have power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article and supply good in its stead; failing which it, or any like supply suitable for the Service, will be obtained by the officer requiring it as in clause 10. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies so rejected or returned.

15. If the Board shall decide that the article is not of proper quality it must be immediately replaced by the contractor; failing which it, or any like supply suitable for the Service, will be procured by the officer requiring it, and the expense charged as in clause 10.

16. In the case of supplies for Mental Hospitals, it will be competent for a Board of Survey, consisting of the medical superintendent (or, in his absence, of the medical officer) and any two officers named by him, to examine and reject any supplies that may be objected to. It must be distinctly understood, however, that the contractor will have a right of appeal to the Treasurer of the State for the time being, such appeal to be made in writing within 24 hours of the rejection; but, pending such appeal, he must at once supply others of approved quality; failing which, the supplies required, or any like supplies suitable for the Service, may be obtained by the officer concerned, and the expense charged as in clause 10.

17. In the case of supplies for Mental Hospitals, it will also be competent for two or more of the official visitors, in conjunction with the medical superintendent, to reject any supplies that they may consider not in accordance with contract; and in such cases the reference to a Board of Survey will not be deemed to be necessary.

18. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in clause 10. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money; and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

19. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government. *If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual—then the Treasurer may, on the recommendation of the Tender Board, determine the contract, and forfeit the security money.*

20. It will be competent for the Tender Board to terminate the contract, without notice, should there be reason to know that the contractor takes advantage of his contract to communicate with a prisoner.

21. The contract entered into under these conditions is not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat; or by the consumption of the produce or surplus stock of any Government establishment, or by any article being made at and supplied for the use of any Government establishment.

22. Notwithstanding anything contained to the contrary in section 152 of the *Customs Act* 1901-52, it is hereby expressly provided that upon any alteration of the duty collected affecting the goods included in this contract, the contract price shall not be altered, and the contract may be terminated at the option of either party by two months' notice in writing from the first day of the calendar month next ensuing, and within the period for which the contract is made. The contract for the unaffected items shall remain in full force and effect. Any notice to be served under this condition shall be deemed to have been duly served if sent to the contractor in a registered letter to his last-known place of business or abode.

23. Under no circumstances other than those mentioned in clause 22 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

24. For the purposes of these contracts the word "Government" shall mean the Government of the State of Victoria; and the word "Treasurer" shall mean the Treasurer of the said State.

STIPULATIONS FOR SUPPLIES OF PROVISIONS.

SUPPLIES GENERALLY.

For supplies under all sub-schedules, particular attention is drawn to clause 1 of the Conditions of Contract as to quality.

No sub-letting is allowed, and all work must be carried out by the contractor.

Where practicable, all items must be manufactured or prepared within the Commonwealth.

Where no brand of Commonwealth manufacture or production is specifically set out in the respective sub-schedules, such Commonwealth brand as may be ordered must be supplied.

For Schedule No. 3 supplies must be delivered when ordered and, in cases of emergency, on Sundays, holidays, or half-holidays, as required.

BREAD AND FLOUR.

A sample of the best ordinarily retailed to the public will be considered as a test loaf for first quality for fine wheaten and pure wheaten Meal Bread. *Pure wheaten Meal Bread of first quality may be substituted, wholly or in part, for fine wheaten Bread at such times and in such quantities as, in the opinion of the Medical Superintendent, may be deemed necessary, and the contractor will be required to supply such Bread at the contract rate. Reasonable notice, however, of the intention to substitute wheaten Meal Bread must be given to the contractor by the officer ordering the supply.* Bread may be baked at any Government establishment without infringing these contracts. At the Gaols, Ballarat, Beechworth, Bendigo, Castlemaine, Geelong, and Sale, and the Cooriemungle Prison Camp, McLeod Settlement, and Langi Kal Kal Training Centre, if required, bread must be supplied one day old, due notice to be given to the contractor of such requirement.

In the event of bread being made at any Government establishment in the Melbourne District during the currency of these contracts, the flour required will be drawn under the flour sub-schedule.

Flour for Districts for which no local contracts have been taken may be ordered under the Melbourne District contract, for delivery f.o.r., Melbourne.

GROCERIES.

As a guarantee of quality, Rice, when ordered in quantities of 56 lb. and over, must be supplied in original bags as delivered by the miller or dresser. Such bags must be branded "Rice, Dressed," and shall also have stencilled thereon the miller or dresser's name and the distinguishing mark indicative of the quality or grade. The bags thus stencilled shall contain Rice milled or dressed by the miller or dresser whose name appears thereon. Supplies not in conformity with the foregoing condition will be rejected.

Oatmeal must be supplied in original bags as delivered by millers.

Candles, except those for prison cells, must be supplied in 1-lb. packets. Candles for prison cells must be delivered in boxes containing from 25 to 50 lb. per box, the boxes for which must be legibly stencilled on one end showing the estimated burning time and the gross, tare, and net weight of contents.

The soap supplied must be hard throughout, ready for immediate use without waste, and shall have been manufactured at least seven weeks before leaving contractor's hands.

Raisins and currants must be present season's, and where the quantity admits, be supplied in original and unopened boxes, labelled as packed.

Where the Store or Butter Factory of the contractor is situated in the Metropolitan area all Butter to the quantity of 56 lb. and over to be supplied in any one consignment under this contract shall before despatch from the Store or Factory be first examined and passed by the Government Butter Grader, for and on behalf of the officer authorized to accept delivery. The boxes containing butter so examined and found satisfactory in quality and description will be stamped by the Government Butter Grader and the date of such examination marked thereon. No butter from a contractor located in the Metropolitan area will be accepted unless the boxes bear the stamp of the Grader. For the purposes of the foregoing condition the Metropolitan Area is defined as being not outside the radius visited by the Government Grader. The officer authorized to accept delivery may, within 48 hours of the receipt of any supply, require the Contractor to have same re-examined by the Grader, and, if not passed by him, it shall be returned to the Contractor, who shall forthwith replace the same with freshly-examined butter.

No Butter ex Cool Store will be examined by the Grader until thermally it is in suitable condition therefor.

Where the Store or Factory from which the Butter is despatched is not within the area visited by the Grader a sample of any supplies may be forwarded to the Government Butter Grader for examination, should the supply be considered by the Officer authorized to accept delivery as not being equal in quality or description to that contracted for.

The Cheese supplied must be first-class quality, semi or fully matured, as ordered, and not less than three months old. If the quantity admits, it shall be boxed for transport.

JAM.

The weight stamped on the tins in accordance with the regulations under the Commerce Act, as indicating the *minimum* net quantity that each tin contains, shall for the purpose of this contract be taken as the actual contents when computing the quantity supplied.

When Jam is supplied in jars the jars remain the property of the contractor, and must be removed by the contractor at his own expense when empty.

The sticking pieces also shall be trimmed off and the point and end of the brisket rendered free from blood and blood stains.

No flank, chuck, sticking-piece, shin, leg of beef, or piece under 7 lb. will be received.

Meat derived from the carcasses of Bulls, Stags or Rams or meat containing an undue proportion of bone or fat will not be received and shall not be tendered for delivery. Net weight only will be paid for.

In cases of emergency, or on such other occasions as in the opinion of the Director of Mental Hygiene or Heads of other Institutions may seem advisable, other forms of meat, such as Rabbits, Tinned Meats, &c., may be purchased, apart from the contract, in lieu of the meat

specified in the Schedule, and substituted therefor, provided 24 hours' notice—except in cases of emergency—be given to the Contractor of such intention.

The parts to be removed by the contractor are indicated in the shaded portion of the annexed diagram. This work shall be carried out in the factory or shop of the Contractor, except those parts usually removed at the abattoirs.

Should the contractor fail to supply at the time specified in the order or at such times as may be indicated in any general notice to the contractor his contract may be cancelled forthwith and his security forfeited, or should the supply prove to be not of contract quality it will be rejected, and any expense incurred will be charged to the contractor.

POTATOES.

Potatoes to be dry and free from dirt. Contractors to take back all rejected before being cooked. Bags to remain the property of the contractor. Weight of bags (approx. 2½ lb.) to be deducted.

If the price of potatoes becomes abnormally high, the heads of the various departments concerned may, if they think fit, cause rice or any other suitable food to be occasionally substituted in lieu thereof.

ANNEX TO CONTRACTS.

FLOUR AND BREAD.

The contract rates shown are subject to adjustment for any variation in the proclaimed price of flour.

For the Sub-schedules marked (Agreement), no contract has been let nor security lodged. Requirements thereunder are to be purchased from the suppliers named, under Tender Board Agreement. The rates shown are subject to variation from time to time. In all cases, supply is subject to stocks being available.
