LEARMONTH WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1965.

The Learmonth Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Three shillings and Six pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Learmonth Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Seven pounds, and in respect of any land on which there is no building less than Two pounds.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the period commencing on the 1st day of January, 1965, and ending on the 31st day of December, 1965, and shall be payable on the 9th June, 1965, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year, without further charge to any property rated by the Trust, is hereby fixed at the quantity which, at a charge of Two shillings and Six pence per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said period.
