SUPPLEMENTARY REGISTER OF TEACHERS  
AND SUPPLEMENTARY REGISTER OF  
SCHOOLS FOR THE YEAR ENDED  
31ST DECEMBER, 1964.

**T**HE subjoined Supplementary Lists, showing the alterations, additions, revisions, and removals made in the Register of Teachers and in the Register of Schools during the year ended 31st December, 1964, are published in accordance with the provisions of Section 49 of the *Education Act 1958*.

F. H. BROOKS, President.

C. A. McKENNA, Registrar.

The Council of Public Education,  
Education Office, Melbourne, C.2,  
31st January, 1965.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support informed decision-making and strategic planning.

3. The third part of the document focuses on the role of technology in enhancing data management and analysis. It discusses how modern software solutions can streamline data collection, storage, and reporting, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data management and analysis. It identifies common issues such as data quality, integration, and security, and provides strategies to mitigate these risks and ensure the integrity of the organization's data.

5. The fifth part of the document concludes by summarizing the key findings and recommendations. It stresses the importance of ongoing monitoring and evaluation to ensure that data management practices remain effective and aligned with the organization's goals.

6. The sixth part of the document provides a detailed overview of the data collection process, including the identification of data sources, the design of data collection instruments, and the implementation of data collection procedures.

7. The seventh part of the document discusses the various methods used for data analysis, such as descriptive statistics, inferential statistics, and regression analysis. It explains how these methods are applied to interpret the collected data and draw meaningful conclusions.

8. The eighth part of the document focuses on the importance of data security and privacy. It outlines the measures taken to protect sensitive information from unauthorized access, disclosure, and loss, ensuring compliance with relevant regulations and standards.

9. The ninth part of the document discusses the role of data in decision-making and strategic planning. It highlights how data-driven insights can inform key business decisions, optimize operations, and identify new opportunities for growth.

10. The tenth part of the document provides a final summary and conclusion, reiterating the importance of data management and analysis in achieving organizational success. It encourages the organization to continue investing in data management capabilities and to embrace a data-driven culture.

11. The eleventh part of the document includes a list of references and a bibliography, providing sources for the information and data used in the document.

12. The twelfth part of the document contains a list of appendices, including additional data, charts, and tables that support the main text.

13. The thirteenth part of the document includes a list of figures and tables, providing a visual representation of the data and analysis results.
