## PUBLIC SERVICE NOTICES

### APPLICATIONS FOR ADVERTISED VACANCIES.

THE Board is concerned at the growing number of late applications for positions advertised in the *Government Gazette*. It is the practice of the Board to accept applications received in the first mail on the day following the closing date. This practice will continue, but an applicant who, without good reason, leaves the lodgement as late as this is taking a foolish risk with his future career.

An application may be lodged by making use of a Departmental messenger service, by mail, or by placing it in the box in the Board's office. Whatever means is used, it is the responsibility of the applicant to ensure that the application is received in time, and a late application will not be accepted unless a suitable explanation of the delay is furnished.

V. P. SCULLY,  
Secretary.
