*Superannuation Act 1958.***ELECTIONS BY CONTRIBUTORS OF MEMBERS OF THE STATE SUPERANNUATION BOARD FOR THE PERIOD COMMENCING ON THE TWENTY-FOURTH DAY OF DECEMBER, 1965.**

**NOTICE** is hereby given, pursuant to section 49 of the *Superannuation Act 1958*, that elections will be held to elect two Members of the State Superannuation Board, one of who shall be such contributor within the meaning of the said Act other than a contributor in the Railway Service, and one of whom shall be such contributor in the Railway Service, as is elected by contributors other than contributors in the Railway Service and by contributors in the Railway Service respectively, in the manner specified as follows:—

*Appointment of Election Officials.*

1. For the purpose of these elections, Francis Claud Heath, of the State Treasury, shall be the Returning Officer.

2. The Returning Officer may, by writing under his hand, appoint some person to be his substitute, and may in a like manner appoint persons to assist him as Poll Clerks in the conduct of the elections.

3. The Returning Officer, the Substitute Returning Officer, and every Poll Clerk shall, before entering upon any of their duties in connexion with the elections, make a statutory declaration in the form of the First Schedule hereto.

*Voters.*

4. Ballot-papers shall be forwarded to all contributors within the meaning of the *Superannuation Act 1958*, provided that no election shall be invalidated by reason merely that ballot-papers have been irregularly forwarded to those who are not contributors or have been omitted to be sent to contributors unless in the opinion of the Minister such irregularity or omission has affected the result of the election.

*Nominations.*

5. No person shall be capable of being elected a Member of the Board unless duly nominated.

6. A nomination shall be in the form of the Second Schedule hereto, or to the like effect; shall be signed by not less than twenty persons entitled to vote at the election for which the candidate is nominated; shall be lodged with or delivered to the Returning Officer, at the State Treasury, Melbourne, not later than Twelve o'clock noon on the fourteenth day of October, 1965, hereinafter referred to as "nomination day"; and shall contain the consent of the candidate to act if elected.

*Withdrawal of Nominations.*

7. Any candidate may, by written notice addressed to the Returning Officer, withdraw his consent to his nomination at any time not later than Twelve o'clock noon on nomination day, and such candidate shall be considered as not having been nominated. The Returning Officer shall thereupon omit the name of such candidate from the ballot-papers.

*Nominations Advertised.*

8. After Twelve o'clock noon on nomination day, the Returning Officer shall at every contested election announce the full name, Department, and Branch of each contributor nominated, and shall cause notice thereof to be published in the *Government Gazette*.

*Uncontested Elections.*

9. If at either election one candidate only is nominated, that candidate shall be duly elected, and notice thereof shall forthwith be published by the Minister in the *Government Gazette*.

*Polling.*

10. If at either election more candidates than one have been nominated, a vote shall be taken to decide the election, and the Returning Officer shall forthwith cause ballot-papers to be printed in the form of the Third Schedule hereto, or to the like effect, and shall, by himself or his substitute or a Poll Clerk, sign or initial each of such ballot-papers, and shall enclose it with an unfastened envelope having the address of the Returning Officer printed thereon, and shall send by post, or cause to be delivered, to every voter, one of such ballot-papers and envelopes pertaining to the appropriate election.

11. After having recorded his vote, the voter shall enclose such ballot-paper in the envelope furnished to him with the printed address of the Returning Officer thereon; shall sign his name in the space provided for the purpose on the face of the envelope; shall state his Department and Branch; and shall stamp and post, or deliver (or cause to be delivered) the same so that it will be received by

the Returning Officer not later than Four o'clock in the afternoon of the twenty-second day of November, 1965, hereinafter referred to as "the day of the election." Any ballot-paper which is not enclosed in an envelope bearing the voter's signature and the other particulars required to be endorsed thereon, or in respect of which the directions in the Third Schedule hereto have not been complied with, shall not be counted at the election. The decision of the Returning Officer as to the validity or invalidity of a ballot-paper shall be final.

12. Upon a contributor making and transmitting to the Returning Officer a statement in writing (setting out his full name, Department, and Branch) that he has not received a ballot-paper, or that the ballot-paper received by him has been lost or destroyed and that he has not already voted, the Returning Officer may issue a new ballot-paper to such contributor.

*Preferential Voting.*

13. A voter shall mark his ballot-paper by placing the figure 1 opposite the name of the candidate for whom he votes as his first preference, and shall give contingent votes for all the remaining candidates by placing the figures 2, 3, and 4 (and so on as the case requires) opposite their respective names, so as to indicate by such numerical sequence the order of his preference.

*Scrutineers.*

14. Each candidate at any election shall be entitled to appoint, in writing, one scrutineer to be present when the envelopes containing ballot-papers relating to such election are being opened at the commencement of the scrutiny, and to remain during the scrutiny. Every scrutineer shall, before he acts as such, make and sign before the Returning Officer a like declaration to that which the Returning Officer and other officers employed in the conduct of the election are required to make and sign.

*The Scrutiny.*

15. The scrutiny shall not commence until after Four o'clock in the afternoon of the day of the election.

16. The Returning Officer or the Substitute Returning Officer, with the assistance of any Poll Clerk duly appointed, shall—

- (a) produce unopened all envelopes containing ballot-papers received up to the time of closing the poll;
- (b) examine each envelope, and if it is properly signed, and if it contains the necessary particulars thereon and otherwise complies with the provisions herein contained, accept the vote for further scrutiny;
- (c) if an envelope is not properly signed or otherwise does not comply with the provisions herein contained, reject the vote without opening the envelope;
- (d) place the unrejected envelopes on a table face downwards so that the signatures of the voters shall not be visible;
- (e) open each unrejected envelope, withdraw the ballot-paper contained therein, and without inspecting the vote or permitting any other person to do so, deposit the ballot-paper in a ballot-box;
- (f) when all unrejected envelopes have been opened and the ballot-papers withdrawn therefrom and deposited in the ballot-box, open the ballot-box and count the votes.

*Adjournment of Scrutiny.*

17. The Returning Officer may from time to time adjourn the scrutiny to a day and hour fixed by him and notified to the scrutineers.

*Provisions of State Law to Operate.*

18. Subject to the provisions contained herein, each election shall be conducted in accordance with the provisions of the law for the time being regulating elections for the Legislative Assembly, so far as they can be made applicable, *mutatis mutandis*.

*Recounts.*

19. At any time before the gazettal of the result of any election, as hereinafter provided, the Returning Officer may, if he thinks fit, on the written request of any candidate setting forth the reasons for the request, or of his own motion, make a recount of the ballot-papers.

If the Returning Officer refuses on the request of a candidate to make a recount of the ballot-papers, the candidate may, in writing, appeal to the Minister to direct a recount, and the Minister may, as he thinks fit, either direct a recount or refuse to direct a recount.

*Cases of Equal Voting.*

20. If on any count two or more candidates have an equal number of votes, the Returning Officer shall decide by lot which candidates shall be declared defeated or (in the case of a final count) which candidate shall be declared elected.

*Publication of Results.*

21. The Returning Officer shall announce the result of each election, and transmit a statement of such result to the Minister, who shall notify such result in the *Government Gazette*.

*Disposal of Ballot-papers, &c.*

22. The Returning Officer shall, after publication of the results of the elections in the *Government Gazette*, destroy all ballot-papers and envelopes used at such elections.
