Minister of Public Works.

Public Works Department,

TENDERS FOR THE SERVICE, 1968-70.

FUNERALS OF DESTITUTE PERSONS (METROPOLITAN).

TENDERS will be received until Eleven o'clock a.m. on Friday, 10th May, 1968, from persons willing to undertake funerals of destitute persons to the Necropolis, Springvale, the New Melbourne Cemetery, Fawkner, and the cemeteries at Footscray or Williamstown, required by the several Departments of the Government of Victoria, from 1st July, 1968, to 30th June, 1970, in the Melbourne and metropolitan areas, as per Schedule No. 1.

Subject to the proviso in clause 7 of the Conditions of Contract, burials of deceased persons from police sub-districts south of the Yarra River, including burials from the Melbourne City Mortuary, will take place at the Necropolis, Springvale, those from sub-districts north of the Yarra River, at the New Melbourne Cemetery, Fawkner, and those from the Williamstown-Footscray sub-districts, at the Williamstown or Footscray cemeteries. Burials of deceased persons whose bodies have been removed to the Melbourne City Mortuary from places north of the Yarra River, and from places from within the Williamstown-Footscray area, respectively, shall take place at the Necropolis, Springvale, and are included in sub-schedule A accordingly.

Printed forms of tender giving full particulars and lists of places for which the funerals are required are obtainable from the Secretary to the Tender Board, 2nd Floor, South Building, New State Public Offices, Treasury Place, Melbourne, 3002.

Separate prices for ordinary funerals and for funerals under clause 6 of the conditions of contract must be stated (a) for adults, (b) for children above five years and under fourteen-years of age, and (c) for children five years and under, including stillborn—one sum is to be stated for each, including interment, conveyance, and all other charges.

Tenderers are required to state on the tender form—(a) the number and description of the vehicles that they have available to carry out the service. (b) their business branches and the telephone numbers thereof, as these factors will be taken into consideration when dealing with tenders.

Security will be required in the sum of \$40 for each sub-schedule accepted, either in Commonwealth Treasury Bonds, or approved bank guarantee, fixed deposit receipt, Savings Bank deposit book, or non-negotiable cheque in favour of the Secretary to the Tender Board as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of two years, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of individual and that, for a breach of this condition, the tender will be declared informal.

Tenders enclosed in a separate envelope, and having the words "Tender for Funerals" written thereon, must be deposited in the Tender-box at the Tender Board Offices, 2nd Floor, South Building, New State Public Offices, Treasury Place, Melbourne, 3002, or, if sent by post, postage must be prepaid and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, 2nd Floor, South Building, New State Public Offices, Treasury Place, Melbourne, 3002, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under the Cemeteries Act 1958 (No. 6217), cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the Contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding \$20, as the Treasurer may direct, and the amount shall be deducted as in clause 15.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be made of 1-in., white pine timber covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctly offensive character, such as of persons drowned and long in the water or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, of timber 1 inch in thickness, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor.

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the Necropolis, Springvale, for the burial should the death of such person take place in any sub-district south of the Yarra River, including burials of bodies from the Melbourne City Mortuary, and to the New Melbourne Cemetery, Fawkner, should the death take place in any sub-district north of the Yarra River, excepting bodies buried from the Melbourne City Mortuary. Burials in the Williamstown-Footscray sub-districts shall be made in the Williamstown or Footscray Cemeteries, as the police may direct, excepting bodies buried from the Melbourne City Mortuary.

Provided, however, that the Tender Board may on application by the Contractor and subject to such conditions as it may determine, authorize the burial of bodies in a cemetery other than those specified.

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and respective Cemeteries Regulations.

9. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor or deducted from the contract security money.

10. When burials are required to take place on Sunday, or, in the case of any Mental Hospital, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the Necropolis or cemetery authorities will be repaid to the Contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is unknown, the services are to be performed by the resident chaplains alternatively, and the Contractor must inform the police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. The order for burial shall be produced at the cemetery when the Contractor gives instruction for interment. The Contractor must pay the Minister's fee for reading the burial service should it be claimed.

12. Should the religious belief, however, of the deceased preclude the burial being carried out in conformity with the above clause as regards the attendance of the officiating clergyman, the friends of the deceased shall, if practicable, be notified by the police with respect to the service. In the case of foreigners, the Consul of the country to which he is reputed to belong shall also be notified by the Police Department of his decease, in which case, when practicable, the Consul may provide for such service as he may consider necessary.

13. Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

14. The amount is to be rendered monthly to the officer ordering the service for payment by the Treasury, Melbourne.

15. A refusal to execute orders, impropriety, neglect, or delay in conducting the funerals or any infringement of clause 11, will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding \$100, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any of the security money.

16. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

17. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

18. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

Treasurer.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of two years, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual and that, for a breach of this condition, the tender will be declared informal.

Tenders enclosed in a separate envelope, and having the words "Tender for Removals only" written thereon, must be deposited in the Tender-box at the Tender Board Offices, 2nd Floor, South Building, New State Public Offices, Treasury-place, Melbourne, 3002, or, if sent by post, postage must be prepaid and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, 2nd Floor, South Building, New State Public Offices, Treasury Place, Melbourne, 3002, which office they must reach not later than by the first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order issued by a member of the Police Force.

2. The vehicles and such other plant employed in carrying out the contract must be suitable and ample to the necessities of a prompt and efficient service, and such vehicles and other plant must be maintained throughout the period of the contract in satisfactory condition of repair. Should complaint be made that the vehicles or plant employed in the service are unsuitable, inefficient, or otherwise unsatisfactory, the Tender Board upon investigation of the complaint may recommend that the contract be cancelled and the security forfeited.

3. The contractor must be prepared to undertake any removals from the police sub-district or area contracted for at any hour and on any day when called upon by the police. In the event of the contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the contractor. Should any circumstances, however, make it necessary in any particular case that an immediate removal to the Melbourne City Mortuary be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

4. When it becomes necessary to remove a dead body to the Melbourne City Mortuary, and the next of kin present or the legal personal representative of the deceased makes request in person to the police to be allowed to employ the family undertaker to conduct such removal, the police may at their discretion accede to such request, provided such removal is effected at no cost to the Government, and, also, under the supervision of the police as in the case of a removal by the Government contractor. The contract is not to be considered as having been broken, infringed, or vitiated by such removal having been effected by other than the contractor.

5. Bodies to be removed to the Melbourne City Mortuary shall be placed by the contractor before removal in shell coffins, zinc-lined and water-tight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Melbourne City Mortuary.

6. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the post-mortem examination.

7. Under no circumstances will the contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

8. The account is to be rendered monthly to the officer ordering the service for payment by the Treasurer, Melbourne.

9. A refusal to execute orders, impropriety, neglect, or delay in conducting the removals will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding \$100, as the said Treasurer may direct, and the amount may be deducted from the contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay to terminate the contract forthwith, and forfeit the whole or any part of the security money.

10. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such

failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

12. The contract shall not be considered broken, infringed or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

Treasurer.

(3) If the number of days during which an officer or employee is absent in any year without a medical certificate exceeds five days in the aggregate, the number of days absence in excess of five shall not be granted as sick leave, but shall be deducted from his annual recreation leave or be granted without pay.

Provided that no such leave of absence shall be granted unless the officer has entered into any agreement prescribed under any Act in relation to the free place.

(2) On the cancellation at any time of a free place awarded to an officer, the leave of absence granted to him under this Regulation shall be deemed to have been terminated.

203. (1) The Permanent Head may grant to any officer part-time leave of absence for the purpose of acquiring any qualification or studying any subject approved by the Board which in the opinion of the Permanent Head is likely to increase the efficiency of such officer in the performance of his duties in the Public Service.

- (a) In the initial year of study with full pay up to three hours a week and without pay thereafter;

If an employee fails to sit for this examination he shall be eligible only for leave without pay subsequent to the date of the examination. If having entered for the examination he fails to pass he shall be eligible only for leave without pay subsequent to the date of publication of results of that examination.

(4) The Permanent Head may at any time revoke any grant of part-time leave made under this Regulation.

204. The Permanent Head may grant to any employee part-time leave of absence without pay for the purpose of acquiring any qualification or studying any subject approved by the Board which in the opinion of the Permanent Head is likely to increase the efficiency of such employee in the performance of his duties in the Public Service.

205. Where either an officer to whom the provisions of Regulation 202 do not apply or an employee is undertaking a course of study, the Permanent Head may grant him up to a total of five days' leave without pay in any one calendar year for the purpose of preparing for his examinations.

206. Any applicant for leave under the provisions of Regulation 203, 204 or 205 who feels aggrieved by the decision of the Permanent Head may appeal in writing to the Board against such decision and the Board may then grant leave to the extent it deems fit or refuse to grant any leave.

207. The Permanent Head may grant any officer or employee leave of absence with full pay for the purpose of attending examinations held in accordance with Regulations made pursuant to the provisions of the *Public Service Act 1958*, or such other examinations in subjects a knowledge of which would increase the efficiency of such officer or employee in the performance of his duties in the Public Service.

DIVISION V.—LEAVE ON ACCOUNT OF PRESSING NECESSITY.

208. Leave of absence in cases of pressing necessity, pursuant to the provisions of Section 40A of the *Public Service Act 1958*, shall, except as is elsewhere provided in these Regulations or in such cases as the Permanent Head on the recommendation of the Public Service Board otherwise directs, be without pay.

209. Leave of absence up to three days on full pay may be granted to any officer or employee on account of the death or serious illness of his wife, child, father, mother, brother, or sister or in any other case where in the opinion of the Permanent Head, special circumstances exist: Provided that more favourable terms of leave may be granted by the Minister if he is satisfied in any particular case that the leave authorized by this Regulation is inadequate.

210. (1) Upon report by a medical officer of health that, by reason of contact with a person suffering from an infectious disease and through the operation of restrictions imposed by law in respect of such disease, an officer or employee is unable to attend for duty, the Minister may grant the officer or employee special leave of absence with pay.

(2) Leave of absence under the last preceding sub-regulation shall not be granted for any period beyond the earliest date at which it would be practicable for the officer or employee to resume duty, having regard to the restrictions imposed by law.

211. Any officer required under the *Juries Act 1958* to appear and serve as a juror in any court shall be entitled to be granted leave with pay for the period during which his attendance at court is required.

(2) In addition to any leave granted under sub-regulation (1) of this Regulation, leave of absence without pay may be granted to any officer or employee who is a voluntary member of the Citizen Forces for the purpose of attending not more than two schools, classes or courses of instruction in any year. Where the amount of pay (not including any payment by way of overtime, penalty rates, higher duties allowances, or any payment of a temporary character) which an officer or employee would have received had he remained on duty, exceeds the amount of pay (including marriage and separation allowances) received by him as a member of the Citizen Forces, at any such school, class or course, he shall be entitled to receive an amount equal to the difference.

(3) An officer or employee may, at his election, be granted any recreation leave due to him in lieu of an equivalent period of leave under this Regulation.

(4) Any officer or employee who requires leave under this Regulation shall submit, in writing, an application therefor to the Permanent Head, and, upon completion of the period of such leave, he shall furnish satisfactory evidence that he has attended for the purpose for which the leave was granted.

(5) Except where otherwise provided, any period of leave granted to an officer or employee under this Regulation shall not affect his seniority, subdivisional promotion, incremental progression, accruing recreation and sick leave credits, or eligibility for long service leave.

(6) Any officer or employee who, while serving with the Citizen Forces, sustains injury or contracts illness necessitating his absence from duty beyond the period of leave granted under this Regulation, may be granted leave on the following terms:—

- (a) If compensation is not paid to the officer or employee by the appropriate Commonwealth Department in respect of such absence, the leave may be granted as sick leave.
- (b) If compensation is paid and is equal to or exceeds the amount of pay which the officer or employee would have received had he been granted sick leave, the leave shall be granted without pay.
- (c) If compensation is paid and is less than the amount of pay which the officer or employee would have received had he been granted sick leave, he may be paid an amount equal to the difference, and his sick leave credit with full pay or half pay (as the case may be) reduced as if he had been granted sick leave for such number of days as is appropriate to the amount of the difference.

Commonwealth National Service Act.

213. Where any officer or employee is required to absent himself from duty to render service under the Commonwealth National Service Act he shall be deemed to have been granted leave of absence without pay from the date of call-up until the date of discharge under such conditions as are contained in any directions of the Board which may issue from time to time.

DIVISION VI.—OTHER LEAVE.

214. Where the nature of the employment of officers or employees does not permit the observance of public holidays as they occur, such substituted leave as the Board may recommend may be granted.

215. (1) The Board may grant special leave to any officer on the nursing staff in the Mental Hygiene Branch, Department of Health, for the purpose of undergoing training to obtain a general nursing certificate, who—

- (a) holds a current practising certificate for mental nursing or mental deficiency nursing; and
- (b) has been selected by the Mental Health Authority to undergo such training.

(2) Before commencing such leave, an officer shall enter into an agreement with the Minister of Health (with an approved surety) that he will not seek to terminate his training without the consent in writing of the Minister and that, if required, he will remain and continue in the employment of the Government of Victoria during the period of two years after the termination of the special leave or completion of the course of training.

(3) Where any such leave is granted, and the amount of pay (not including any payment by way of overtime, penalty rates, higher duties allowances or any payment of a temporary character) which an officer would have received had he remained on duty exceeds the amount of pay received by him from the hospital employing authority while undergoing training, he shall be entitled to be paid an amount equal to the difference.

(4) Any period of leave taken by an officer under this Regulation shall not affect his seniority, subdivisional promotion, incremental progression, accruing sick leave credits or eligibility for long service leave but no recreation leave shall accrue to an officer during such period.

PART IX.—APPLICATIONS BY APPROVED ASSOCIATIONS.

216. (1) An association of officers or employees, if approved by the Board under the provisions of the next sub-regulation, may make representations to the Board in relation to salaries and wages and terms or conditions of service or employment in the Public Service.

(2) Where the Board approves of an association by which representations may be made, notification of such approval shall be published in the *Government Gazette*.

217. Where a claim is submitted by an approved association in respect of the salaries and wages and terms or conditions of service or employment in the Public Service, such claim shall be submitted to the Board in quadruplicate, and a copy thereof shall also be furnished by such approved association to the Permanent Head of the officers concerned in such claim.

218. The Board shall notify the Permanent Head and the Secretary of the approved association of the date set down for hearing the claim. Any notification shall be in writing and despatched by the Board not less than fourteen days before the date set down for hearing.

219. The Permanent Head and the authorized representative of the approved association may tender such evidence and make such representations, in relation to the claim as, in the opinion of the Board, are relevant.

PART X.—MISCELLANEOUS.

220. When the Permanent Head is of the opinion that the number of officers under his control is greater than is reasonably necessary to perform the current work of the Department, he shall report the circumstance to the Board. Officers in charge must report to the Permanent Head any reduction in staff that may be made on account of diminution in the amount of work or re-arrangement of duties.

221. The Board may from time to time determine the rate at which deductions shall be made from the salary of any officer who is provided with either subsistence or lodging or with both: Provided that where any such officer is absent from his headquarters on duty, or on approved leave, for a continuous period of seven days or more and is not supplied with meals during the period of his absence, no deduction shall be made from his salary in respect of the charge for subsistence for such period of absence.

222. The provisions of the Award for the time being of the Commonwealth Conciliation and Arbitration Commission for commercial printing in Melbourne shall, so far as they are applicable having regard to these Regulations and to existing practices observed in the Government Printing Office, apply in respect of conditions of employment of officers and employees in the Government Printing Office.
