On completion of two years' service and each year's service thereafter	8 days	8 days
Employees.		
On completion of four weeks' service—		
With respect to the first year of service	6 days	6 days
On completion of one year's service	6 days	6 days
Provided that the scale of credits prescribed for officers shall apply to employees on completion of two years' service, such credits to be computed as from the date of commencement of service;		
Provided further that an officer who resigns or retires and is subsequently re-employed in a temporary capacity shall be permitted to retain a sick leave credit up to but not exceeding 28 days on full pay.		

(b) To determine the leave for which an officer or employee is eligible at any time all leave granted during his service at rates of full pay and half pay respectively shall be deducted from the appropriate period ascertained under the provisions of the preceding paragraph.

(c) After deduction has been made as provided in the preceding paragraph the period remaining at each rate of pay shall be the amount of leave for which an officer or employee is eligible.

(d) For each week an officer or employee is absent on leave with full pay the amount of leave on full pay standing to his credit shall be reduced by five days.

For each week an officer or employee is absent on leave with half pay the amount of leave on half pay standing to his credit shall be reduced by five days notwithstanding that his pay is reduced to half pay for seven days.

Where the absence exceeds one or more weeks but does not extend to a further week the number of weeks shall be recorded as hereinbefore provided and the remaining days shall be debited as a period of less than a week.

When the period of leave granted to an officer or employee with pay (whether full pay or half pay) does not extend to a week his appropriate credit shall, subject to the provisions of Regulation 197, be reduced by the number of days he would have been required to be on duty if he had not been absent on sick leave.

For the purposes of these Regulations, so far as they relate to sick leave, a week shall be deemed to be any period of seven consecutive days inclusive of Sunday.

(e) In these Regulations, so far as they relate to sick leave, "service" means continuous service, inclusive of any period of absence on leave, provided that, in determining at any time the amount of leave standing to the credit of an officer or employee who has been absent on leave without pay (other than for the purpose of serving with the Commonwealth Defence Forces) continuously for a period extending beyond six months, such period as is in excess of six months shall not be counted as service: Provided further that no period of absence from duty to render service under the Commonwealth National Service Act shall be regarded as service for sick leave purposes.

(2) Notwithstanding anything contained in this Regulation, where an officer or employee has exhausted his sick leave credits on full pay he may, in the event of continued or further illness, elect in writing to have the whole or any portion of the leave on half pay standing to his credit converted into leave on full pay, such conversion to be made on the basis that each credit of two days on half pay shall be deemed to be a credit of one day on full pay.

(3) In computing the service of an officer or employee for the purposes of this Regulation, service in any office in the service of the State of Victoria or of the Commonwealth of Australia or of any other Australian State may to the extent approved by the Board be taken into account.

196. (1) Where an officer or employee whose normal working week is from Monday to Friday inclusive is absent through illness on a Saturday on which he is rostered to perform duty, such day shall not be deemed to be a day on which he is required to be on duty, and, in respect of such day, no debit shall be made against his sick leave credit, but, in the case of any such absence, the Permanent Head may require the production of a medical certificate.

(2) Where an officer or employee, whose normal working week is from Monday to Friday inclusive, is granted sick leave for a period which includes a period during which he would but for such sick leave have been rostered off duty in respect of duty performed by him on a Saturday morning, he shall, after resuming duty from sick leave, be granted time off in lieu of any such duty performed before he commenced sick leave.

197. A public holiday observed during any period of leave of an officer or employee shall not be regarded as part of the leave.

198. (1) For any period exceeding three days' continuous absence, a satisfactory certificate by a duly qualified medical practitioner shall be furnished setting out the cause of such absence: Provided that—

(a) the Permanent Head may require a medical certificate to be furnished with respect to any absence, and

(*b*) continuous leave with pay shall not be granted to an officer or employee for any period exceeding thirteen weeks, unless the Government Medical Officer certifies that the leave is necessary and where an officer or employee is continuously absent from duty on account of illness beyond a period of thirteen weeks, he shall not be permitted to return to duty until the Government Medical Officer certifies that he is fit to resume work.

(2) No leave shall be granted with pay on account of illness caused by the misconduct of the officer or employee, or in any case of absence from duty without sufficient cause. Where the Permanent Head has occasion for doubt as to the cause of illness or the reason for absence, he shall before accepting a medical certificate refer such certificate to the Government Medical Officer for report.

(3) If the number of days during which an officer or employee is absent in any year without a medical certificate exceeds five days in the aggregate, the number of days absence in excess of five shall not be granted as sick leave, but shall be deducted from his annual recreation leave or be granted without pay.

(4) In a special case where a medical practitioner is not available the Permanent Head may accept a certified statement from an approved officer in lieu of a medical certificate.

(5) When an officer or employee is absent from duty on account of a dental disability he may be granted leave of absence for a period not exceeding one week provided that he furnishes the Permanent Head with a satisfactory certificate from a legally qualified dentist.

199. (1) Where the Permanent Head is satisfied that the illness of an officer or employee with at least six months' service is directly attributable to or is aggravated by his service in the war which commenced in the year One thousand nine hundred and fourteen or in the year One thousand nine hundred and thirty-nine, such officer or employee may, apart from any sick leave which may be standing to his credit, be credited with special leave with full pay amounting to eight days in respect of each year of service from the 1st July, 1947, to the 30th June, 1951, and with fifteen days' special leave with full pay in respect of each year of service from and inclusive of the 1st July, 1951.

Where the Permanent Head is satisfied that the illness of an officer or employee with at least six months' service is directly attributable to, or is aggravated by, his service in connexion with the warlike operations in Korea after the twenty-sixth day of June, One thousand nine hundred and fifty, or in Malaya after the twenty-eighth day of June, One thousand nine hundred and fifty, or in Vietnam after the thirty-first day of July, One thousand nine hundred and sixty-two, such officer or employee may, apart from any sick leave which may be standing to his credit, be credited with special leave with full pay amounting to fifteen days in respect of each year of service from and inclusive of the following dates:—

Korea Malaya	1st July, 1951.
Vietnam	31st July, 1962.

Such special leave shall be cumulative provided that the total of such accumulated leave standing to the credit of an officer or employee shall not at any time exceed one hundred days.

(2) If any officer or employee sustains personal injury arising out of or in the course of the discharge of his duty in circumstances which under regulations pursuant to the Workers Compensation Acts make it obligatory upon the Permanent Head to notify the State Insurance Commissioner of such injury and the said Commissioner admits liability to make weekly payments for compensation or the Workers Compensation Board determines that such payments shall be made in respect of the incapacitation of the injured officer or employee from all duty, such officer or employee shall, apart from any sick leave which may be standing to his credit, be granted leave on full pay less the amount paid by way of weekly compensation by the State Insurance Commissioner during the incapacity. In any other case the granting of leave shall be subject to the recommendation of the Board.

No leave in excess of a continuous period of fifty-two weeks inclusive of any other leave which may be granted with pay shall be granted without the approval of the Board.

An officer or employee who has been granted leave under this sub-regulation shall immediately notify his Permanent Head in writing of any civil claim for damages instituted by him in connexion with the injury to which such leave relates.

(3) If any officer (or any employee in a State sanatorium) is certified by the Government Medical Officer to be suffering from pulmonary tuberculosis and to be probably curable, leave of absence may be granted on the following terms viz., six months on full pay and three months on half pay: Provided that such pay may be made conditional on the officer undergoing treatment in an approved sanatorium when so recommended by the Government Medical Officer. Any leave so granted in excess of the amount standing to his credit shall not be regarded as a debit against such officer or employee. On his resumption of duty, such officer or employee shall be entitled to a total initial credit of not less than sixteen days on full pay and sixteen days on half pay.

Leave of absence under this sub-regulation shall not be granted to any officer or employee who is certified by the Government Medical Officer as having suffered from pulmonary tuberculosis prior to being accepted for employment in the Public Service.

(4) If any officer or employee in a State sanatorium is certified by the Government Medical Officer to be a case of clinically suspected tubercular infection, such officer or employee may be granted leave of absence on full pay for a period not exceeding thirteen weeks, provided that such pay may be made conditional on the officer or employee undergoing treatment in an approved sanatorium when so recommended by the Government Medical Officer. Any leave so granted in excess of the amount standing to his credit shall not be regarded as a debit against such officer or employee.

For the purposes of this sub-regulation " Government Medical Officer " shall include—

(*a*) Director of Tuberculosis or his deputy.

(*b*) Clinical Tuberculosis Officer.

(*c*) Medical Superintendents of Sanatoria.

Leave of absence under this sub-regulation shall not be granted to any officer or employee who is certified by the Government Medical Officer as having suffered from pulmonary tuberculosis prior to being accepted for employment in the Public Service.

(5) If any officer is certified by the Government Medical Officer to be suffering from poliomyelitis, or the after effects thereof, and to be unfit for duty, leave of absence may be granted on the following terms, viz., six months on full pay and three months on half pay. Any leave so granted in excess of the amount standing to his credit shall not be regarded as a debit against such officer, and on his resumption of duty he shall be entitled to a total initial credit of not less than sixteen days on full pay and sixteen days on half pay.

(6) The provisions of sub-regulations (1) and (3) of Regulation 195, so far as they are applicable, and of Regulations 196, 197 and 198 shall be deemed to apply to leave under the provisions of this Regulation.

200. (1) If the Permanent Head has reason to believe that an officer or employee is in such a state of health as to render him a danger to his fellow officers, he may require such officer or employee to obtain and furnish a report as to his condition from a duly qualified medical practitioner, or may require him to submit himself for examination by the Government Medical Officer.

(2) Upon receipt of the medical report, the Permanent Head may direct the officer or employee to absent himself from his duties for a specified period, or, if already on leave of absence, direct him to continue on leave for a specified period, and the absence of such officer or employee shall be regarded as absence on leave owing to illness.

201. For the Regulations under this Division the " Government Medical Officer " shall, unless otherwise provided, include—

(*a*) Assistant Government Medical Officer.

(*b*) Medical Officers, Mental Hygiene Branch.

(*c*) School Medical Officers.

(*d*) Medical Officers at Sanatoria.

DIVISION IV.—STUDY LEAVE.

202. (1) Where, under any Act, an officer has been awarded a free place at a University, the Permanent Head, on the application of such officer, may for each year in which the award is effective—

(*a*) if the award of the free place is on a full-time basis grant him leave with full pay from the commencement of his prescribed course of study at a University up to and inclusive of the day on which he completes his final examination or practical work in respect of that year of study; or

(*b*) if the award of the free place is on a part-time basis grant him—

(i) the necessary leave of absence on full pay to enable him to attend all lectures, tutorials, practical work, and examinations in the subjects of his course; and

(ii) in addition, leave of absence on full pay, not exceeding a total of five days in any one calendar year, immediately preceding or during the period of the annual or final examinations, for the purpose of preparing for those examinations;

Provided that no such leave of absence shall be granted unless the officer has entered into any agreement prescribed under any Act in relation to the free place.

(2) On the cancellation at any time of a free place awarded to an officer, the leave of absence granted to him under this Regulation shall be deemed to have been terminated.

203. (1) The Permanent Head may grant to any officer part-time leave of absence for the purpose of acquiring any qualification or studying any subject approved by the Board which in the opinion of the Permanent Head is likely to increase the efficiency of such officer in the performance of his duties in the Public Service.

(2) Leave under the preceding sub-regulation shall be granted on the following terms:—

(*a*) In the initial year of study with full pay up to three hours a week and without pay thereafter;

(*b*) In subsequent years of study with full pay up to five hours a week and without pay thereafter except in any special case where the Permanent Head having regard to the officer's progress with his study applies the conditions of the preceding paragraph;

(*c*) In any year of study subsequent to the first year where the Permanent Head regards the study progress made by the officer as being unsatisfactory, without pay:

Provided that in any case where the Board approves the whole or portion of the leave may be granted on full pay notwithstanding that it may exceed three hours a week or five hours a week as the case may be.

(3) Any employee designated Assistant (Male), Administrative, or any temporary Draughtsman who is qualified to enter for examination for appointment as Draughtsman, Class "D-1" Professional Division, shall be eligible for leave as prescribed for officers in the preceding sub-regulations of this Regulation.

Where an employee is granted leave with pay under the provisions of this sub-regulation the grant of such leave shall continue to the date on which his appointment to the Administrative Division or the Professional Division as the case may be, can be effected following the first entrance examination for that Division after his initial selection. If an employee fails to sit for this examination he shall be eligible only for leave without pay subsequent to the date of the examination. If having entered for the examination he fails to pass he shall be eligible only for leave without pay subsequent to the date of publication of results of that examination.

(4) The Permanent Head may at any time revoke any grant of part-time leave made under this Regulation.

204. The Permanent Head may grant to any employee part-time leave of absence without pay for the purpose of acquiring any qualification or studying any subject approved by the Board which in the opinion of the Permanent Head is likely to increase the efficiency of such employee in the performance of his duties in the Public Service.

205. Where either an officer to whom the provisions of Regulation 202 do not apply or an employee is undertaking a course of study, the Permanent Head may grant him up to a total of five days' leave without pay in any one calendar year for the purpose of preparing for his examinations.

206. Any applicant for leave under the provisions of Regulation 203, 204 or 205 who feels aggrieved by the decision of the Permanent Head may appeal in writing to the Board against such decision and the Board may then grant leave to the extent it deems fit or refuse to grant any leave.

207. The Permanent Head may grant any officer or employee leave of absence with full pay for the purpose of attending examinations held in accordance with Regulations made pursuant to the provisions of the *Public Service Act* 1958, or such other examinations in subjects a knowledge of which would increase the efficiency of such officer or employee in the performance of his duties in the Public Service.

DIVISION V.—LEAVE ON ACCOUNT OF PRESSING NECESSITY.

208. Leave of absence in cases of pressing necessity, pursuant to the provisions of Section 40A of the *Public Service Act* 1958, shall, except as is elsewhere provided in these Regulations or in such cases as the Permanent Head on the recommendation of the Public Service Board otherwise directs, be without pay.

209. Leave of absence up to three days on full pay may be granted to any officer or employee on account of the death or serious illness of his wife, child, father, mother, brother, or sister or in any other case where in the opinion of the Permanent Head, special circumstances exist: Provided that more favourable terms of leave may be granted by the Minister if he is satisfied in any particular case that the leave authorized by this Regulation is inadequate.

210. (1) Upon report by a medical officer of health that, by reason of contact with a person suffering from an infectious disease and through the operation of restrictions imposed by law in respect of such disease, an officer or employee is unable to attend for duty, the Minister may grant the officer or employee special leave of absence with pay.

(2) Leave of absence under the last preceding sub-regulation shall not be granted for any period beyond the earliest date at which it would be practicable for the officer or employee to resume duty, having regard to the restrictions imposed by law.

211. Any officer required under the *Juries Act* 1958 to appear and serve as a juror in any court shall be entitled to be granted leave with pay for the period during which his attendance at court is required.

212. (1) Leave of absence with pay may be granted for fourteen days in any year to any officer or employee who is a voluntary member of the Citizen Forces for the purpose of attending an annual training camp, and a further four days a year for the same purpose on the certification of the Commanding Officer of the particular service unit concerned that such additional days are required.

(2) In addition to any leave granted under sub-regulation (1) of this Regulation, leave of absence without pay may be granted to any officer or employee who is a voluntary member of the Citizen Forces for the purpose of attending not more than two schools, classes or courses of instruction in any year. Where the amount of pay (not including any payment by way of overtime, penalty rates, higher duties allowances, or any payment of a temporary character) which an officer or employee would have received had he remained on duty, exceeds the amount of pay (including marriage and separation allowances) received by him as a member of the Citizen Forces, at any such school, class or course, he shall be entitled to receive an amount equal to the difference.

(3) An officer or employee may, at his election, be granted any recreation leave due to him in lieu of an equivalent period of leave under this Regulation.

(4) Any officer or employee who requires leave under this Regulation shall submit, in writing, an application therefor to the Permanent Head, and, upon completion of the period of such leave, he shall furnish satisfactory evidence that he has attended for the purpose for which the leave was granted.

(5) Except where otherwise provided, any period of leave granted to an officer or employee under this Regulation shall not affect his seniority, subdivisional promotion, incremental progression, accruing recreation and sick leave credits, or eligibility for long service leave.

(6) Any officer or employee who, while serving with the Citizen Forces, sustains injury or contracts illness necessitating his absence from duty beyond the period of leave granted under this Regulation, may be granted leave on the following terms:—

(a) If compensation is not paid to the officer or employee by the appropriate Commonwealth Department in respect of such absence, the leave may be granted as sick leave.

(b) If compensation is paid and is equal to or exceeds the amount of pay which the officer or employee would have received had he been granted sick leave, the leave shall be granted without pay.

(c) If compensation is paid and is less than the amount of pay which the officer or employee would have received had he been granted sick leave, he may be paid an amount equal to the difference, and his sick leave credit with full pay or half pay (as the case may be) reduced as if he had been granted sick leave for such number of days as is appropriate to the amount of the difference.

Commonwealth National Service Act.

213. Where any officer or employee is required to absent himself from duty to render service under the Commonwealth National Service Act he shall be deemed to have been granted leave of absence without pay from the date of call-up until the date of discharge under such conditions as are contained in any directions of the Board which may issue from time to time.

DIVISION VI.—OTHER LEAVE.

214. Where the nature of the employment of officers or employees does not permit the observance of public holidays as they occur, such substituted leave as the Board may recommend may be granted.

215. (1) The Board may grant special leave to any officer on the nursing staff in the Mental Hygiene Branch, Department of Health, for the purpose of undergoing training to obtain a general nursing certificate, who—

(a) holds a current practising certificate for mental nursing or mental deficiency nursing; and

(b) has been selected by the Mental Health Authority to undergo such training.

(2) Before commencing such leave, an officer shall enter into an agreement with the Minister of Health (with an approved surety) that he will not seek to terminate his training without the consent in writing of the Minister and that, if required, he will remain and continue in the employment of the Government of Victoria during the period of two years after the termination of the special leave or completion of the course of training.

(3) Where any such leave is granted, and the amount of pay (not including any payment by way of overtime, penalty rates, higher duties allowances or any payment of a temporary character) which an officer would have received had he remained on duty exceeds the amount of pay received by him from the hospital employing authority while undergoing training, he shall be entitled to be paid an amount equal to the difference.

(4) Any period of leave taken by an officer under this Regulation shall not affect his seniority, subdivisional promotion, incremental progression, accruing sick leave credits or eligibility for long service leave but no recreation leave shall accrue to an officer during such period.

PART IX.—APPLICATIONS BY APPROVED ASSOCIATIONS.

216. (1) An association of officers or employees, if approved by the Board under the provisions of the next sub-regulation, may make representations to the Board in relation to salaries and wages and terms or conditions of service or employment in the Public Service.

(2) Where the Board approves of an association by which representations may be made, notification of such approval shall be published in the *Government Gazette*.

9980/67.—6

217. Where a claim is submitted by an approved association in respect of the salaries and wages and terms or conditions of service or employment in the Public Service, such claim shall be submitted to the Board in quadruplicate, and a copy thereof shall also be furnished by such approved association to the Permanent Head of the officers concerned in such claim.

218. The Board shall notify the Permanent Head and the Secretary of the approved association of the date set down for hearing the claim. Any notification shall be in writing and despatched by the Board not less than fourteen days before the date set down for hearing.

219. The Permanent Head and the authorized representative of the approved association may tender such evidence and make such representations, in relation to the claim as, in the opinion of the Board, are relevant.

PART X.—MISCELLANEOUS.

220. When the Permanent Head is of the opinion that the number of officers under his control is greater than is reasonably necessary to perform the current work of the Department, he shall report the circumstance to the Board. Officers in charge must report to the Permanent Head any reduction in staff that may be made on account of diminution in the amount of work or re-arrangement of duties.

221. The Board may from time to time determine the rate at which deductions shall be made from the salary of any officer who is provided with either subsistence or lodging or with both: Provided that where any such officer is absent from his headquarters on duty, or on approved leave, for a continuous period of seven days or more and is not supplied with meals during the period of his absence, no deduction shall be made from his salary in respect of the charge for subsistence for such period of absence.

222. The provisions of the Award for the time being of the Commonwealth Conciliation and Arbitration Commission for commercial printing in Melbourne shall, so far as they are applicable having regard to these Regulations and to existing practices observed in the Government Printing Office, apply in respect of conditions of employment of officers and employees in the Government Printing Office.
