BURIALS OF DESTITUTE PERSONS (COUNTRY).

TENDERS will be received until Eleven o'clock a.m. on Friday, 16th May, 1969, from persons willing to undertake funerals of destitute persons at country centres required by the Government of the State of Victoria from 1st July, 1969, to 30th June, 1971.

Printed forms of tender and the conditions of contract may, in all cases, be obtained from the Secretary to the Tender Board, 2nd Floor, South Building, New State Public Offices, Treasury-place, Melbourne, 3002, by whom also any information or explanation will be afforded to persons tendering.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual and that, for a breach of this condition, the tender will be declared informal.

Tenders enclosed in a separate envelope, and having the words "*Tender for Burial at*" (as the case may be) written thereon, must be deposited in the Tender Box at the Tender Board Offices, 2nd Floor, South Building, New State Public Offices, Treasury-place, Melbourne, 3002, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, 2nd Floor, South Building, New State Public Offices, Treasury-place, Melbourne, 3002, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

The services are to be performed upon an order signed by a member of the Police Force of Victoria.

In the event of the Contractor failing to attend punctually to the order the work will be otherwise performed, and any extra expense charged to the Contractor.

As under section 49 of the *Cemeteries Act 1958*, Cemetery Fees may be remitted for burials of paupers, these fees should not be included in the tender. The Police will make the necessary arrangement with the Cemetery Trustees for the remission of the fees when required.

The funerals are to be of the most economical description consistent with propriety.

The coffins are to be sufficiently long, deep, and wide for the corpse to lie extended at full length, and are to be fastened down with screws. The Contractor shall provide two inches deep of sawdust for the bottom of the coffin, a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body.

The conveyance to be provided shall be a hearse for an adult, and a suitable covered vehicle for a child. The body shall be taken direct to the Cemetery and no more than one body shall be carried in the hearse at a time. Mileage will be payable the distance the corpse is carried to the Cemetery, but when other than the local Cemetery is selected, mileage will be allowed on the distance travelled by the most direct route, from the town in which the Contract is taken, to the Cemetery. No mileage will be paid for the return journey from the Cemetery.

The graves shall be dug of the proper depth, and in conformity with the Cemetery Regulations. The coffins shall be properly lowered into the graves, and the graves filled up again. The attendance of a Minister of the denomination of the deceased, as named in the Order for the Burial, must, if practicable, be provided, and the Contractor will inform the Police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the Cemetery if they wish. The Contractor will pay the Minister's fee for reading the Burial Services, if claimed, and he will be reimbursed the amount on producing the Minister's receipt. The charge should be included in the account for the funeral.

When burials are required to take place on Sundays, the Contractor must comply with the Order without delay. Any additional charge made by the Cemetery authorities in such case must be paid by the Contractor, who will be reimbursed on producing the receipt for the payment.

The Cemetery at which the burial is to take place will be named in the Order for the Burial. The Contractor is hereby bound to perform the service in any case, and to any Cemetery within a circuit of 12 miles of the Police Station if called upon to do so by the Police who, however, have the option of employing any other undertaker for the performance of any service which may be required at a greater distance than 5 miles from the Police Station of the township above named.

Contractors are not at liberty to transfer their Contracts under cover of Power-of-Attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

Accounts, accompanied by a certificate that the Burial Service has been duly performed, are to be rendered monthly to the Officer-in-Charge of the Police Station concerned, and payment will be made from the State Treasury, Melbourne, by cheque.

Under no circumstances will a Contractor be permitted to abandon his Contract. In the event of any charge of neglect or impropriety in the conduct of funerals being established to the satisfaction of the State Tender Board against the Contractor, the Secretary of the Tender Board may cancel the Contract forthwith.

Treasurer.

Should the number not be on the package then the name of the consignor should be quoted and a description of the parcel given in lieu thereof. Any infringement of this condition will render the contractor liable, on report by the Tender Board, to such fine as the Treasurer may direct, and the amount may be deducted from any account due to the contractor or from the security money.

In the event of the contractor for cartage of heavy goods carrying out the service to the satisfaction of the Tender Board the contract may, at the option of the Board and with the consent of the contractor, be extended for a further period of twelve months from the 1st July, 1970.

Security of \$20 for each Schedule will be required either in Commonwealth Treasury Bonds, or approved bank guarantee, fixed deposit receipt, Savings Bank deposit book, or non-negotiable cheque in favour of the Secretary to the Tender Board, as the tenderer may elect.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual and that, for a breach of this condition, the tender will be declared informal.

2. No subletting shall be allowed; all work must be carried out by the contractor, and every person engaged in the cartage tendered for in this Schedule shall be paid such wages and employed subject to such labour conditions as are or may be determined by any Federal Arbitration Court award or any State Wages Board determination, and a copy of such labour conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of this condition, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct not exceeding One hundred dollars (\$100), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final and conclusive as to the fact of infringement and in all other respects.

3. 7. Four hours will be deemed sufficient notice, and in the event of the contractor failing to perform the service when ordered, and to the satisfaction of the officer requiring same, such service will be performed at his risk and expense, and any extra expense incurred shall be deducted as provided in clause 2. No services performed under this contract shall be deemed to be of a special nature, provided that the contractor be given four hours' notice that his services shall be required, and no increase in the contract rates shall be allowed.

8. The vehicles in which the material is carried must be in thorough working order, and, if required, provided with good waterproof covers.

9. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract.
