*Pipelines Act 1967, No. 7541.*APPLICATION FOR A PERMIT TO OWN AND USE
A PIPELINE.

MINISTRY OF FUEL AND POWER.

NOTICE.

1. In accordance with the provisions of section 11 (1) of the *Pipelines Act 1967*, notice is given that an application has been received by me from the Gas and Fuel Corporation of Victoria for a permit to own and use a pipeline for the purpose of conveying natural gas from its Dandenong-West Melbourne 30-inch trunkline to the Totalizator Agency Board, 2 Queens-road, Melbourne.

2. The proposed route of the pipeline is as follows:—A steel pipeline 0.8 miles long with an outer diameter of 3½ inches and designed to operate at a maximum of 400 p.s.i.g., commencing at a valve on the Gas and Fuel Corporation's Dandenong to West Melbourne 30-inch natural gas line at the corner of Albert-road and Aughtie-drive, South Melbourne, and proceeding in a generally north-easterly direction parallel to and inside the eastern boundary of Albert-road, South Melbourne, to Kings-way; thence turning to enter and continue in an east-south-easterly direction along the southern boundary of Kings-way to a point approximately 50 feet east of the junction of Albert-drive and Kings-way; thence turning to cross Kings-way to enter Bowen-crescent and continue in a north-easterly direction along such crescent to Queens-road; thence crossing such road to the corner of Queens-road and Queens-lane; thence turning to enter and continue in a south-south-easterly direction along such lane for approximately 250 feet to terminate at a valve located inside the Totalizator Agency Board, 2 Queens-road, Melbourne.

3. The proposed route of the pipeline lies wholly within public thoroughfares within the municipality of South Melbourne.

4. Plans of the proposed route of the foregoing pipeline may be inspected, commencing Thursday, 5th February, 1970, between the hours of 10.00 a.m. and 4.00 p.m. on Mondays to Fridays (excluding public holidays) at—

- (a) Ministry of Fuel and Power,
15th floor, 171 Flinders-street,
Melbourne.
- (b) Gas and Fuel Corporation of Victoria,
Plan Room, 8th floor,
171 Flinders-street,
Melbourne.

Additional copies of plans are not available.

5. Any objections to the proposed route of the pipeline must be addressed to me and reach the Office of the Ministry no later than Monday, 9th March, 1970.

J. C. M. BALFOUR,
Minister for Fuel and Power.

5th February, 1970.

ROAD DISCONTINUED—CITY OF OAKLEIGH.

WHEREAS it is provided in section 528 (2) of the Local
Government Act, that where a road (whether or not
a public highway but not being a road set out on land of
the Crown) or any part thereof is not required for public
use the Governor in Council on the request of the Council
of the municipality in which such road is situated made
not less than one month after publishing in a newspaper
generally circulating in the district and posting to the
registered proprietor (if any) of the land and the owners
and occupiers (if any) of the lands abutting or immediately
adjacent to the road notice of intention to make such
request may by Order published in the *Government Gazette*
direct that such road or part shall be discontinued and
thereupon such road or part shall be discontinued accord-
ingly.

And whereas the Council of the City of Oakleigh has
requested that the Governor in Council direct that portion
of a right-of-way, off Bishop-street, Oakleigh, be dis-
continued and not less than one month previously has
published in a newspaper generally circulating in the
district and posted to the registered proprietor of the land
in the road and to the owners and occupiers of lands
abutting or immediately adjacent to the road notice of
intention to make such request.

Now therefore, His Excellency the Governor of the
State of Victoria, by and with the advice of the Executive
Council thereof, hereby directs that the portion of the
said road, which is shown hatched on the plan hereunder
shall be discontinued and that the land may be sold by
the Council of the City of Oakleigh by agreement.

Minister of Lands.

PROPOSED PERMANENT RESERVATION OF LAND
AS A SITE.

IN pursuance of sections 14 and 21 of the *Land Act 1958*, notice is hereby given that it is the intention of the Governor in Council to reserve permanently from sale, from being leased and from having a licence granted in respect thereof the land hereinafter described:—

The following Notice was published 1° on the 11th February, 1970, pursuant to Order of the 3rd February, 1970.

MELBOURNE NORTH, AT EAST MELBOURNE.—Land proposed to be permanently reserved as a site for Recreation, Convenience and Amusement of the People and for a Children's Playground, 25 acres 2 roods 32 perches. At East Melbourne, City of Melbourne, Parish of Melbourne North, County of Bourke, indicated by hatching on plan hereunder and being the remainder of the sites temporarily reserved therefor by Orders in Council of 24th August 1909 and 14th January 1969 respectively. —(M.314)(P) (Rs.525).

W. J. F. McDONALD,
Minister of Lands.

REGULATIONS FOR THE CARE, PROTECTION AND MANAGEMENT OF THE MAFFRA PUBLIC PARK RESERVE.

WHEREAS by section 218 of the *Land Act* 1958 the Minister of Lands is empowered to make regulations as to any land which under the provisions of that Act or of any other Act relating to Crown lands has been reserved for any public purpose whatsoever and which has not been conveyed to or vested in trustees: And whereas certain Crown lands in the Township of Maffra were temporarily reserved by Order in Council dated the 14th October, 1947 as a site for Public Park and by Order in Council dated the 2nd December, 1969, for the additional purpose of Public purposes (Camping and Caravan Park): And whereas such lands (hereinafter called "the Reserve") have not been conveyed to or vested in trustees: And whereas it is expedient that regulations for the care, protection and management of the Reserve and for other purposes connected therewith should be made: Now therefore, I, William John Farquhar McDonald, Her Majesty's Minister of Lands in and for the State of Victoria, in pursuance of the powers aforesaid, do hereby make the following Regulations for or with respect to the Reserve:—

REGULATIONS.

1. No person offending against decency as regards dress, language, or conduct shall remain on the Park.
2. No person shall climb or jump over any fences or gates in or around the Park, stick bills thereon, or cut names on the fences, trees, seats, or other improvements therein, or otherwise disfigure, injure, or destroy the said fences, trees, seats, or other improvements, or remove any soil therefrom.
3. No person shall deposit or cause to be deposited waste paper, bottles, or any other litter on any part of the Park, except in receptacles provided for the purpose.
4. No person shall erect any structure on the Park other than a tent or booth and then only as hereinafter provided.
5. No person shall camp, or erect any tent in or upon the Park, except in such places as shall from time to time be set apart for such purposes, and then only on obtaining a permit to do so upon such terms and conditions, and the payment of such fees, as the Committee of Management shall determine.
6. No camp site may be occupied by the one camp or the same campers remain in the Park for more than four (4) consecutive weeks, without the approval of the Committee of Management.
7. No person shall erect a booth in the Park for the purpose of offering for sale any articles, nor shall any person offer for sale in the Park any articles, without the

permission, in writing, and subject to such conditions and payment of such fees fixed by the Committee of Management.

8. All persons using the conveniences provided by the Committee of Management on the Park shall pay such charges (if any) for the use of same as shall from time to time be fixed by the Committee of Management.

9. No person shall light fires, except in places set apart for the purpose by the Committee of Management, and no refuse material shall be burnt on the Park, except by a representative of the Committee of Management, and then only in places set apart for the purpose.

10. No person shall break glass of any kind on the Park, or leave thereon anything which shall or may injure any person.

11. No person shall discharge any gun, pistol, rifle, airgun, or any firearms in or upon the Park.

12. No person shall put in or on the Park any cattle, goats, pigs, horses or other animals, or any vehicle, without the permission of the Committee of Management first obtained.

13. No person shall bring into the Park any dog, unless controlled by a chain or cord, or allow to remain in the Park for a period exceeding four (4) days, without the permission, in writing, of the Committee of Management first obtained.

14. Permission of the Committee of Management must be obtained beforehand for the holding of all organised sports, picnics, or functions of any kind in the Park.

15. No person shall drive a vehicle at a speed exceeding 5 miles per hour in the Park.—(Rs.6021.)

Given under my hand at Melbourne, on the 6th February, 1970.

W. J. F. McDONALD,
Minister of Lands.

Every person who contravenes or fails to comply with these Regulations shall, in accordance with the provisions of section 218 of the *Land Act* 1958, for each offence be liable to a penalty of not more than Ten dollars, and every person who contravenes or fails to comply with any such Regulations, and who, after he has been warned by any bailiff of Crown lands or by any member of the Police Force, does not desist therefrom may be forthwith apprehended by such Bailiff or member of the Police Force and taken before some justice to be dealt with according to law and shall be liable to a penalty of not more than Twenty dollars.

1. In this part unless inconsistent with the context or subject matter—

“Poultry-farm” shall mean any premises on which there is kept at any time a greater number of mature birds than twenty-five.

2. No person shall establish a poultry-farm except with the written consent of the Council.

PART V.

GENERAL PROVISIONS AS TO POULTRY AND BIRDS.

1. The owner or occupier shall keep the area of land within five (5) feet of any poultry house, pigeon loft, bird cage or enclosure, free from all dry grass, weeds, refuse and other materials capable of harbouring rats, or other vermin.

2. The owner or occupier shall cause every poultry-house, pigeon loft, bird cage, or enclosure to be thoroughly cleansed from time to time as often as may be necessary and shall keep the same in a clean, wholesome and sanitary condition at all times.

3. No person shall keep or store or cause or permit to be kept or stored on any property where poultry or birds (including song birds) are kept any food for consumption by poultry or birds (including song birds) unless such food is kept or stored in rat-proof receptacles or rat-proof buildings.

4. Poultry and bird droppings, litter and refuse shall be moved from the premises from time to time or as frequently as may be directed by a Health Inspector so as not to cause a nuisance or offensive conditions.

PART VI.

HORSES.

1. No person shall keep or cause or permit to be kept any horse on any premises unless either:—

(a) Such person has a written permit from the Council to keep that horse on those premises and such permit has not been revoked or,

(b) Such horse is stabled in an approved stable on those premises.

2. Any person desiring a permit from the Council to keep a horse on any premises otherwise than in an approved stable shall deliver to the Town Clerk a written application for such permit setting out a full and detailed description of the premises concerned and giving information sufficient to identify the horse concerned. The Council shall in no case be bound to grant any such application and shall not grant any such application unless—

(a) The premises concerned are of an area of not less than 5,000 square feet.

(b) The premises concerned have an adequate water supply.

(c) The premises concerned are properly and securely fenced on all sides.

(d) The application is accompanied by written consents to the granting of the proposed permit from all owners and occupiers of all land within a distance of 200 feet from each boundary of the premises concerned.

3. If at any time after the granting of a permit pursuant to clause 2 hereof any owner or occupier of land in the municipal district objects to the keeping of a horse on

the premises to which such permit relates and notifies the Town Clerk in writing of such objection, the Council, after not less than 14 days previous written notice to the person to whom the permit was granted, may revoke such permit.

4. For the purposes of clause 1 hereof an approved stable shall be a stable which complies with the requirements of the Uniform Building Regulations for the construction of stables or a stable which was erected prior to the commencement of those regulations and although it does not comply with those requirements has been approved in writing by the Council for the purposes of this By-law.

5. Any person desiring the approval of the Council to a stable for the purposes of the last preceding clause hereof shall deliver to the Town Clerk a written request for such approval setting out a full and detailed description of the premises and stable concerned showing in particular the provisions made for drainage and sanitation and such approval shall be given only if the Council is satisfied that the keeping of a horse in such stable will not constitute a nuisance or be dangerous or offensive to, or injurious to the health of any resident in the municipal district.

6. The owner or occupier of any premises on which a stable is erected shall—

- (a) Cause all manure, refuse and rubbish therein to be placed in a properly constructed receptacle with brickwork walls at least 9 inches in thickness or concrete walls at least 4 inches in thickness, with brick or concrete floor at least 6 inches in thickness, and lined throughout internally with cement rendering, composed of two and one half parts sand to one part cement.
- (b) Maintain such receptacles at all times in such good state of repair as is necessary to prevent any escape or leakage of the contents thereof.
- (c) Keep such receptacles wholly covered with an effective cover at all times except when manure, refuse or rubbish is actually being deposited therein or being taken therefrom.
- (d) Effectively deodorize such receptacle and the contents thereof from time to time as may be necessary to prevent its becoming a nuisance, offensive or injurious or dangerous to health.
- (e) Cause all the contents of such receptacle to be removed from such property at least once every week.
- (f) Keep such stable at all times effectively and thoroughly repaired and cleansed in such a manner as may be necessary to prevent its constituting a nuisance or becoming dangerous or offensive to, or injurious to the health of any resident in the municipal district.

PART VII. PENALTIES.

1. Any person who shall commit any wilful act or default contrary to any provision of this By-law shall be liable on conviction to a penalty of not more than forty dollars (\$40) for each offence, and in the case of a continuing offence to a further penalty of not more than ten dollars (\$10) per day for each day on which the offence is continued after a conviction or order by any Court.

PART VIII.

The said By-law No. 109 shall have force and apply throughout the whole of the Municipal District of the City of Coburg.

The Resolution for passing this By-law was agreed to by the Council on 20th October, 1969, and confirmed on 17th November, 1969.

In witness whereof the common seal of the Mayor, Councillors and Citizens of the City of Coburg was hereunto affixed this 4th day of December, 1969, in the presence of—

(SEAL) C. C. CALDER, Mayor.
F. OLVER, Councillor.

"PERSON" includes a Corporation or Company.

"PRIVATE SERVICE" means and includes all pipes and fittings used in connection with the supply of water from a main pipe to a tenement and/or in connection with the use or consumption of such water in or on such tenement.

"PROPER OFFICER" means any employee of the Trust authorized to execute any function on behalf of the Trust.

"SERVICE PIPE" means any pipe (not being a main pipe) used for the conveying or supplying of water derived from a main pipe.

"TRUST" means the Lakes Entrance Waterworks Trust.

"WORKS" means works of or in connection with the laying, constructing, altering, disconnecting, removing, repairing, renewing or maintaining of a private service or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

PART II.—LICENSING OF PLUMBERS.

Unlicensed Persons not to Interfere with Private Services.

2. Before any person shall affix any service pipe to any main pipe of the Trust or alter repair or in any manner interfere with any pipe of the Trust or any service pipe tap, or meter, or other fitting connected with the main pipes of the Trust, he shall obtain from the Trust a licence in that behalf to execute such works, and no unlicensed person shall affix, alter, repair or in any manner interfere with any such main, pipe, service, pipe, tap, meter or other fitting as aforesaid.

Period of Licences. Cancellation of Licences.

Fees Payable.

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Trust at its discretion from time to time in each case to the following 31st December. The Trust shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Trust shall be sole judge. For each original licence the licensee shall pay to the Trust a fee of One dollar, and for each renewal One dollar.

Proof of Fitness to be Given.

4. Before any licence shall be granted by the Trust, the person applying for such licence shall satisfy the Trust by any tests required by the Trust or by virtue of his registration by the Plumbers and Gasfitters Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Trust relating to water supply and with the Act so far as it applies to town supplies. The Trust may, if it so sees fit, refuse to grant such licence.

PART III.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

Notice of Works to be Given.

5. No person shall execute any works—

(a) without having given to the Trust not less than two days prior to the commencement of the execution of such works—

(i) notice in writing of his intention so to do specifying the tenement in, on or in respect of which it is proposed to

execute such works and the time or times (between the hours of 8 a.m. and 5 p.m. on any week day except a public holiday or a Saturday) during which it is proposed to execute such works.

(ii) a complete specification in writing of the works proposed to be done setting out the mode, form, strength, material, construction, dimensions and arrangements of all pipes, fittings and structure intended to be used in the execution of such works.

(iii) in the case of every private service containing any service pipe of diameter larger than 2 inches a properly prepared plan drawn to a scale specified thereon of the premises in on or in respect of which it is proposed to execute the said works showing thereon all buildings, erections and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon.

Every notice, specification and plan shall be signed by the licensed plumber actually engaged to carry out the works referred to in the notice, or by a licensed plumber employing another licensed plumber to carry out the work under his supervision.

(b) contrary to or not in conformity with this By-law or such notice specification and plan mentioned in sub-paragraphs (i) (ii) and (iii) of paragraph (a) of this clause.

Plumbers to Report.

6. Each licensed plumber shall report to the Proper Officer of the Trust the completion of any new work, extensions or repairs in connection with any service within twenty-four hours of effecting same.

Carrying out of Plumbing Work.

7. Every licensed plumber shall in carrying out any work of water supply—

(a) Execute the work in accordance with the provisions of the Act and of the By-laws of the Trust and any special directions or orders given or issued thereunder by the Trust by the Proper Officer of the Trust; and

(b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Trust; and

(c) use materials of the description, quality, kind and standard prescribed by this By-law; and

(d) employ only competent operatives and assistants; and

(e) obtain permission, where necessary, for the execution of the work on, over or through any private property, or any street, road, park, reserve or other public place or property; and

(f) pay all fees payable to the council of a municipality for the opening of any public road or street or otherwise in connection with the works; and

(g) restore upon completion of the work any part of any public road or street to the satisfaction of the municipal council or other authority having control thereof; and

(h) except where authorised in writing by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the Proper Officer of the Trust; and

(i) take all proper and necessary precautions so that no accident damage or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and

(j) exercise at all times immediate supervision over the work.

8. (a) No service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which supplies water otherwise than by measure to any tenement shall have a bore exceeding $\frac{1}{2}$ inch.

(b) No person shall connect or affix to the Trust's mains any service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of Clause 34 of this By-law) which has a diameter exceeding the appropriate diameter listed in the

schedule hereunder written corresponding either to the Net Annual Valuation of the property to be served, or to the anticipated annual consumption of water at the said property as demonstrated to the satisfaction of the Proper Officer of the Trust and certified to under his hand, whichever is the larger—

Net Annual Valuation of Property.	Annual Consumption of Water.	Maximum Diameter of Service Pipe Allowed in Inches.
Not over \$300 ..	Not over 200,000 gals	$\frac{3}{4}$
Over \$300 but not over \$600	Over 200,000 gals but not over 500,000 gals	1
Over \$600 but not over \$1,000	Over 500,000 gals but not over 800,000 gals	1 $\frac{1}{4}$
Over \$1,000 but not over \$2,000	Over 800,000 gals but not over 1,500,000 gals	1 $\frac{3}{4}$
Over \$2,000 but not over \$4,000	Over 1,500,000 gals but not over 3,000,000 gals	2

Depth of Service Pipes.

9. No person shall lay, construct, repair or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is securely clipped to a structure or is laid and constructed in such manner that the same is at all points at a depth of not less than 12 inches below the surface of the ground. Every such service pipe for such portion of its length as lies in or on any road, street, lane or right-of-way or where it may be exposed to vehicular traffic shall be laid and constructed in such manner that the same is at all points at a depth of not less than 18 inches below the surface of the ground or at such greater depth as the Council of the municipality having control of the said road, street, lane or right-of-way may require.

Access to Service Pipes.

10. No person shall—

- lay construct or alter any private service or any part thereof,
- erect or construct any building erection or structure in such place position or manner that any part of such private service is not easily accessible for the purposes of inspection, repair and renewal unless such part is comprised of copper piping and copper fittings.

Arrangement of Stop-tap etc.

11. Every meter, stop-tap and stop-tap ferrule shall be opposite the tenement supplied and in one line at right angles to the main pipe to which such stop-tap ferrule is fixed, unless such an arrangement is impracticable in which case such services shall be provided with two high pressure screw-down stop-taps, one of which shall be fixed opposite the stop-tap ferrule on the main pipe and the other in accordance with the provisions of clause 18 of this By-law.

Cross Connections.

12. No person shall permit or suffer any fluid, solid or gas, which in the opinion of the Proper Officer of the Trust is capable of polluting water supplied by the Trust, to have means of access to any pipe in communication directly or indirectly with any main pipe of the Trust.

Where any service pipe is connected to any cistern tank or receptacle used for the storage of water or fluid, there shall be an effective air gap at the outlet of such service pipe and the said outlet shall be not less than one-half inch above the highest possible water level in the said cistern tank or receptacle.

Connections to Steam Boilers.

13. Water supply connections to steam boilers shall be made as follows:—

- By direct connection from a service pipe, in which case a screw down high pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be fixed between the stop tap and the boiler and a half-inch testing ferrule or bib-tap shall be fixed between the reflux valve and the stop-tap; or
- By direct connection from a service pipe together with an injected supply from a storage tank or condensate sump in which case, in addition to the provisions of paragraph (a) hereof, the injected water to a boiler shall be taken through a separate opening in the wall of the boiler. In

no circumstances shall a connection be permitted between any service pipe and the piping from a storage tank or condensate sump.

Water connections may be made through the tops or sides of steam boilers.

PART IV.—MATERIALS.

Specifications for Piping and Materials.

14. No person shall use any pipe or fittings in or in connection with a private service unless the same shall comply in all respects with the following specifications:—

- The whole of the pipes and fittings shall be of the best quality galvanised wrought-iron, copper, brass, cast-iron, welded mild steel or asbestos cement, shall be sound and free from all defects and shall comply with the relevant specifications of the Standards Association of Australia where such specifications have been issued.
- All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in case of wrought iron piping) properly galvanised throughout and shall be of equal strength and thickness throughout the entire body of the same.
- Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.
- All ends of galvanised wrought-iron and brass pipes, bends and fittings shall be properly and truly threaded and capable of being screwed into thimbles, toes or fittings.
- All stop-taps and bib-taps shall be screw down high pressure taps made of hard brass or gun-metal.

PART V.—CONNECTIONS TO MAINS.

One Service Pipe to Each Tenement.

15. No person shall affix or connect or cause or permit to be affixed or connected to any main pipe more than one service pipe or private service for the supply of water for domestic purposes to any one tenement.

Connection to Main Pipe.

16. No person shall affix or connect any service pipe to any main pipe save by means of a stop-tap ferrule to which a right angle bend of copper alloy is properly and securely attached.

Size of Tappings Permitted.

17. (a) The maximum diameters of tappings that will be permitted for main pipes of the respective diameters set out hereunder, and for cases where the tapping is made with or without a tapping saddle, are as follows:—

Maximum Diameter of Tapping in Inches.

Diameter of Main Pipe in Inches.	Without Tapping Saddle (cast-iron main pipes only).	With Tapping Saddle.
3	$\frac{3}{4}$	1 $\frac{1}{4}$
4	$\frac{3}{4}$	1 $\frac{1}{4}$
5	1	1 $\frac{1}{4}$
6	1	2 $\frac{1}{4}$
7	1	2 $\frac{1}{4}$
8	1 $\frac{1}{4}$	2 $\frac{1}{4}$
9	1 $\frac{1}{4}$	2 $\frac{1}{4}$
Over 9	2	2 $\frac{1}{4}$

Tapping Fees.

(b) No person shall affix or connect or cause to be affixed or connected any service pipe to any main pipe without having first paid to the Trust a tapping fee of One dollar.

Position of Stop-taps.

18. A high-pressure screw down stop-tap properly secured shall be fixed on each water service in one of the following positions:—

- Between the main pipe and the building line within six feet of the building line, and in this case the stop-tap shall be covered by a box which shall comply with the requirements of the municipality in which the service is laid.
- where a meter is fixed, between the meter and the inlet bend thereto.
- where a meter is not fixed, on the service pipe above the ground in an accessible position not more than six feet inside the building line.

PART VI.—REPAIR.

Repair of Service Pipes.

19. Any person using any private service shall at all times keep same in proper repair.

Trust Can Repair Service Pipe in Certain Circumstances.

20. If any person refuses, neglects or delays to have any private service or any part thereof used by him properly repaired after having been required in writing by the Proper Officer of the Trust so to do, the Trust by its Proper Officers, servants or agents may enter into, or upon any premises supplied by such private service or any part thereof, and may where necessary, repair or renew such private service or any part thereof, so as to prevent the waste of water, and may charge such person with the cost and expense of such repair or renewal, and such cost and expense shall be a debt due by such person to the Trust.

PART VII.—METERS.

Meters Supplied and Maintained.

21. (a) Except as permitted in Clause 34 of this By-law, no person shall use any private service save for the supply of water solely for domestic purposes, exclusive of the watering of any garden, unless the whole of the water supplied to such private service passes through a meter.

(b) Such meters will be provided and maintained by the Trust, and every person before installing a private service shall ascertain from the Trust the size of meter to be installed, and shall make provision in the arrangements and construction of the private service for connection of such meter in accordance with the following requirements:—

- (i) The meter shall be located within the property and not more than six feet from the building line.
- (ii) The meter shall be in an easily accessible position protected from accidental damage.
- (iii) The meter shall be properly and securely affixed to such private service or service pipe by means of connections or quarter bends of brass, copper or copper alloy.
- (iv) The meter shall be fixed truly level on a solid foundation of brick, stone or concrete, the top of which foundation is level with or above the surface of the ground.
- (v) All washers used for connection couplings for meters shall be made of leather.

(c) Pending connection of the said meter the person authorised to install the service pipe shall connect a distance piece in the service pipe in place of the meter.

Restriction of Access to Meter.

22. No person shall construct, place, stack or store or permit or suffer to be constructed, placed, stacked or stored any building erection material or thing over or upon any meter connected or affixed to any private service, or shall do or permit or suffer to be done any act, matter or thing whereby inspection of such meter shall be prevented, obstructed or in any way rendered difficult or interfered with.

Replacement and Testing of Meter.

23. (a) The Trust may at any time replace or remove for testing any meter attached to any private service.

Fees Returned in Certain Circumstances.

23. (b) Any consumer may at any time request the Trust in writing to test any meter attached to his private service and through which water supplied to him passes, and shall at the time of the delivery of such request, pay to the Trust the sum of Ten dollars. The Trust shall thereupon remove and test the meter, or cause the same to be tested in such manner as it thinks fit. If such meter is found to be registering correctly, the Trust may retain such sum of Ten dollars in satisfaction of the fee for testing meter hereinbefore prescribed, but if such meter is found to be registering incorrectly such sum of Ten dollars shall be returned to such consumer.

Consumer Leaving Tenement to Notify Trust.

24. Every person who shall cease to occupy the premises on which such meter is fixed shall give to the Trust in writing at least six days notice of his intention to do so.

PART VIII.—MISUSE AND WASTE.

Supply Restricted to One Tenement Only.

25. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

Cisterns, Tanks and Troughs.

26. No person shall use or permit or suffer the use of any private service, or any part thereof, for the supply of water to any cistern tank or water trough unless such cistern tank or water trough is watertight and is provided with an equilibrium ball-valve or other mechanism, efficiently regulating the flow of water there into in such a manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water trough means a water trough used for the supply of water to animals.

Water Closets and Urinals.

27. No person shall construct lay or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet or any part thereof save through a cistern or tank.

Baths.

28. No person shall use or permit, or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than 100 gallons of water.

No Overflow Pipe on Baths.

29. No person shall affix an overflow pipe to any bath.

Wasting of Water.

30. No person supplied with water by the Trust shall waste the same, or permit or suffer the same to run to waste.

Sale of Water.

31. No person shall take or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Trust, and no person shall sell any water supplied by the Trust.

Fire Brigades.

32. No person other than a servant or agent of the Council of the Municipality of the Shire of Tambo or the Lakes Entrance Fire Brigade in the execution of his duty as such servant or agent shall without the written permission of the Trust open, close or otherwise interfere with any hydrant attached to any main pipe.

Taps in Parks and Reserves.

33. No person other than a servant or agent of the Municipality Corporation or body having the care and management of a public park, public garden or reserve for public purposes, shall without the previous consent of the Trust open, close or otherwise interfere with any tap, valve or other like regulator (except a drinking fountain or other tap provided for public use) in, on or connected with any service pipe used for the supply of water to such park, garden or reserve.

PART IX.—PRIVATE FIRE SERVICES.

Private Fire Services.

34. (a) Private fire services comprising pipes and fittings not exceeding six inches in diameter and without meters may be permitted at the expense of the owner of the premises subject to the payment of a fee of Three dollars per annum. Every such fire service shall be sealed. Except in case of fire no person shall without the authority of the Trust wilfully break the seal affixed to any private fire service and in the event of such seal having been broken accidentally or otherwise, the occupier of the tenement shall within twenty-four hours thereafter give notice in writing of the fact at the office of the Trust, and except in the case of a fire he shall pay a resealing fee of Three dollars. No water shall be taken from any sealed portion of a private service except for extinction of fire.

(b) Except as expressly provided in Subclause (a) of this Clause all portions of private services installed for fire service purposes shall comply with all provisions of this By-law.

(c) Every private fire service pipe shall be laid and fixed in a conspicuous position and shall be painted with a distinguishing coating of bright red paint which shall be maintained at all times.

(d) Any application for a fire service shall be made by the owner of the premises and in writing to the Trust.

(e) In the event of the owner or occupier committing any offence under the Act, or any breach of this By-law or permitting or suffering any such offence or breach to be committed, the Trust may by notice in writing to the owner withdraw permission for the private fire service and such service shall thereupon be disconnected.

PART X.—INSPECTIONS.

Inspections.

35. Any person authorised by the Trust in that behalf either generally or for any class of cases or in any particular case may at all reasonable times—

- (a) enter into or upon any premises for the purpose of inspecting and may inspect any private service or any part thereof or any works in course of execution therein or thereon, and/or
- (b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon and may give to the owner or occupier of such premises or any person engaged in executing such works, any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connection with the execution of such works.
- (c) For any such purpose as aforesaid may dig or excavate in or upon any such premises.

Hindering of Inspections.

36. No person shall obstruct, hinder, impede, resist, oppose or refuse admission to any premises by the Proper Officer or any person duly authorised in that behalf by the Trust, or shall fail or neglect to carry out and observe all lawful directions and instructions given by him.

PART XI.—PENALTIES.

Penalties.

37. Any person who commits any breach of any of the provisions of this By-law shall be liable to a penalty of not more than Ten dollars (\$10) and in the case of a continuing offence to a further penalty not exceeding Ten dollars (\$10) for every day after notice of the offence from the Trust.

Passed this 23rd day of December, 1969.
