The Teachers Tribunal, in pursuance of the powers conferred by the *Teaching Service Act 1958*, hereby repeals the *Teaching Service—Secondary Schools Division (Classification, Salaries, and Allowances) Regulation* and makes the following Regulation, to take effect on the 3rd November, 1974.

TEACHING SERVICE — SECONDARY SCHOOLS DIVISION  
(CLASSIFICATION, SALARIES, AND ALLOWANCES) REGULATION.

1. This Regulation may be cited as the "Teaching Service—Secondary Schools Division (Classification, Salaries, and Allowances) Regulation".

2. *Interpretation.*

- (a) The term "subdivision" in this Regulation means salary subdivision and represents a point of a salary scale on which, unless specified elsewhere in this Regulation, a member must serve for a minimum of one year before being eligible to progress to any higher subdivision within the range prescribed for the appropriate qualifications or position held.
- (b) The term "base salary" in this Regulation means the salary prescribed in paragraph (i) of sub-clause 5 (c).
- (c) The term "confirmed enrolment" in this Regulation means an enrolment greater or less than that applicable to any specified grouping—
  - (i) at the commencement of two successive school years; or
  - (ii) by a margin of ten per cent. at the commencement of any school year.

Provided that—

If, in any given year, the enrolment of a school at the commencement of the year has fluctuated by ten per cent. and has thereby fallen within another specified grouping, the staffing of that

school may be adjusted by the Tribunal if the Director-General considers that the latest enrolment will be sustained in the year next following.

3. *Salaries and Allowances.*

- (a) Unless specified otherwise all salaries and allowances prescribed in this Regulation are annual rates.
- (b) Within the range prescribed, a member, subject to satisfactory service, shall proceed by annual increments from the minimum to the maximum of the range.

Provided that, subject to qualifications and/or experience, the Tribunal may determine that an appointee shall commence at a rate other than the minimum.

4. (a) This Regulation provides for the following classes:—

- (ii) The confirmed enrolment of a school shall determine the remuneration of the Principal thereof, but in the event of any school having a reduced enrolment, the salary rate shall not be adjusted until the position is vacated.
- (iii) The Principal of the Correspondence School shall be paid the salary of the Principal of a school with a confirmed enrolment of 400 or more pupils.
- (iv) In the event of the confirmed enrolment of a school falling below 400 pupils the position of Deputy Principal shall be adjusted as soon as practicable.

Provided that, except where prescribed by way of higher duties allowances in clause 12, the responsibility allowance shall be paid only to permanent members eligible to proceed to subdivision 12.

(This proviso should be read in conjunction with sub-clause 1 (c) of Regulation 4 of the Teaching Service (Teachers Tribunal) Regulations.)

Provided further that the Tribunal shall determine the appropriate subdivisional range where specific provision is not made in this Regulation.

- (d) An exit student who has not successfully completed an approved course of training shall be paid a salary at a point on the subdivisional range as determined by the Tribunal and shall not progress beyond that subdivision. On completion of the approved course of training his salary shall be re-assessed in accordance with the qualification held and he shall be paid the salary subdivision he would have progressed to on the appropriate scale.
- (e) Subsequent to appointment a member who acquires additional qualifications other than teacher training which entitle him to a subdivisional range with a higher maximum shall receive an adjustment to the next higher salary subdivision on the appropriate scale.
- (f) Irrespective of credit for approved teaching experience received on appointment, a member who held qualifications entitling him to commence on the lowest subdivision of any of the three salary ranges set out in the table in paragraph (i) of sub-clause 5 (c) and who subsequently gains additional qualifications which would have entitled him to commence one subdivision higher on the same range shall receive an adjustment to the next higher salary subdivision of that range.
- (g) It shall be the responsibility of the member to make application for any adjustment under sub-clauses (e) or (f). Unless otherwise determined by the Tribunal the adjustment shall be effective from the 1st January of the year following the gaining of the additional qualification.

#### 7. Recognition of Previous Service.

- (a) The commencing salary of a member who possesses qualifications entitling him to proceed to salary subdivision 12 or beyond may receive a credit for approved teaching experience in accordance with the provisions of sub-clause (b).
- (b) The years of approved teaching experience less one shall, for the purpose of determining the commencing salary, be counted as if the appointee had been employed in the Education Department for the full period and this Regulation (including the provisions of sub-clauses 6 (e) and 6 (h)) had been in force over that period.

Provided that—

- (i) Experience with qualifications which entitle payment within the range terminating at subdivision 12 shall be counted from subdivision 3.

- (ii) Experience with qualifications which entitle payment within the range terminating at subdivision 14 shall be counted from subdivision 5 for all qualifications other than approved graduate qualifications or the Fellowship Diploma of Art in which cases the experience shall be counted from subdivision 7.
- (iii) Experience gained with qualifications which entitle payment within the range terminating at subdivision 9 shall not be included in the calculation of credits.

- (ii) A temporary teacher employed on the basis of half-time or more shall be paid the proportional rates of prescribed annual salary, and, where applicable, proportionate remote school allowance.
- (iii) A temporary teacher on appointment to the classified service shall not receive an adjustment to his base salary but, where applicable, shall retain his existing incremental date.
