In the case of graduates and diplomates the experience shall be a minimum of four years' duration, and for holders of certificates or equivalent qualifications a minimum of eight years' duration.

(iii) The special conditions under which such appointments may be made are as follows:—

Appointees if not teacher trained shall be required to undertake an approved course of teacher training. Appointees shall be paid in accordance with the Assistant Class salary scale. If through any cause within the control of the member less than this requirement is met his salary shall revert to the appropriate deemed salary.

Should the member be appointed to a recognized post of responsibility under the provisions of Regulation 4 of the Teaching Service (Teachers Tribunal) Regulations he shall be paid the allowance under paragraph (ii) of sub-clause (c) of this clause in addition to the deemed salary to which he would have progressed at that time, as distinct from an addition to the actual emolument received.

The provisions of sub-clause (e) shall not apply to members gaining a benefit by virtue of such qualifications, except that it shall be the responsibility of the member to make application for transfer to the salary subdivisional range terminating at subdivision 14.
