Pipelines Act 1967, No. 7541.  
APPLICATION FOR A PERMIT TO OWN AND USE A PIPELINE.

MINISTRY OF FUEL AND POWER.

## NOTICE.

1. Notice is given that in accordance with the provisions of section 11 (1) of the *Pipelines Act 1967*, an application has been received by me from Hematite Petroleum Proprietary Limited and Esso Exploration and Production Australia Inc. for a permit to own and use a pipeline for the purpose of conveying crude oil from the Halibut and Kingfish oilfields in Bass Strait to the Gippsland Gas Processing and Crude Oil Stabilisation Plant at Longford.

2. The particular pipeline for which the application for a permit to own and use has been made involves the extension to the Bass Strait beach of an existing 750 mm diameter loop line which was laid in 1971 between the treatment plant at Longford and a point 28.66 km (17.8 miles) north-east of the plant at which junction was made with the main Halibut-Kingfish pipeline. This line was authorized in Permit No. 063 on 27th January, 1971.

3. The route of the proposed pipeline is as follows— a steel pipeline 26.61 kilometres (16.54 miles) long with a nominal diameter of 750 mm (30 inches) commencing at a valve on the Halibut-Kingfish 650 mm (26 inches) diameter crude oil pipeline, located at Site 1 adjacent to the Bass Strait beach at latitude 38 deg. 00 min. 19 sec. S. and longitude 147 deg. 41 min. 31 sec. E. on allotment 22a, Parish of Boole Poole and proceeding in a generally south-westerly direction within an existing easement, through allotment 22a, across an unformed Crown road, through allotment 22a and Crown land bordering a seasonal lake, across an unformed Crown road, through allotment 22 and Crown land being allotment 20, across an unformed Crown road and through allotment 20a, Parish of Boole Poole; thence continuing in a generally south-westerly direction across a formed Crown road, Parish of Seacombe, through allotments 2a, 5a, 5b and 10a; thence turning to continue in a generally westerly direction for a distance of approximately 1.36 km (.845 miles) across Crown land known as the Lake Reeve Permanent Reserve and Crown land temporarily reserved; thence turning to continue in a generally south-westerly direction through such Crown land temporarily reserved, across an unformed Crown road, through allotments 6a and 7b, being Crown land, across an unformed Crown road and through allotments 7c, 8a, 9b and 18, Parish of Seacombe being Crown land; thence continuing through allotments 20b and 20a, Parish of Booran being Crown land, across an unformed Crown road to enter allotment 21, Parish of Booran being Crown land and terminate at a junction with the terminal of the

existing section of the Halibut-Kingfish crude oil loop line located at Site 2a, latitude 38 deg. 08 min. 06 sec. S. and longitude 147 deg. 27 min. 10 sec. E. being 28.66 km (17.8 miles) generally north-east of the Gippsland Gas Processing and Crude Oil Stabilisation Plant at Longford.

4. The proposed pipeline would be laid wholly within an existing easement except for two very short sections through allotment 20b, Parish of Boole Poole and allotment 10a, Parish of Seacombe, and where the line crosses a natural bridge in Lake Reeve and adjoining Crown land. In each instance the taking of an additional easement would be unavoidable due to the location of the other pipelines in the main easement corridor.

5. Plans of the pipeline may be inspected, commencing Monday, 24th June, 1974, between the hours of 10.00 a.m. and 4.00 p.m. on Mondays to Fridays (excluding public holidays at—

- (a) Ministry of Fuel and Power, 15th Floor, 171 Flinders Street, Melbourne,
- (b) Esso Australia Ltd., Raybond Building, corner Raymond and Bond Streets, Sale, and
- (c) Municipal Offices, Rosedale.

Additional copies of the plans are not available from the Ministry.

6. Any objections to the routes of the pipeline described must be addressed to the Minister for Fuel and Power and reach the Office of the Ministry no later than Friday, 2nd August, 1974.

24th June, 1974.

W. V. HOUGHTON,  
Acting Minister for Fuel and Power.
