Whereas sub-section (1) of section 14 of the *Patriotic Funds Act 1958* provides that the Governor in Council upon the recommendation of the Patriotic Funds Council of Victoria may by Order published in the *Government Gazette* direct that any moneys and securities for money and property real or personal in any patriotic fund which he considers will not be required for the purposes for which the fund was established be dealt with in any of the ways provided by the said sub-section:

#### SANCTION TO TRANSFER OF PORTION OF NUMURKAH-NATHALIA LEGACY GROUP WELFARE PATRIOTIC FUND No. 3231 TO THE TRUSTEES OF THE NUMURKAH PIONEERS MEMORIAL LODGE.

Whereas sub-section (1) of section 12A of the *Patriotic Funds Act 1958* provides *inter alia* that, where in the opinion of the trustees of a patriotic fund (not being a patriotic fund administered by the Patriotic Funds Council

of Victoria) it would more successfully accomplish the purposes for which the fund was established if any portion of the patriotic fund were transferred to the trustees of any other fund or property held on trust for any charitable purposes, the trustees may with the sanction of the Governor in Council transfer the portion of the patriotic fund to the trustees of the other fund or property to be held by them upon such trusts as are specified by the Governor in Council, whereupon the portion of the patriotic fund shall vest in the trustees of the other fund or property to be held and applied by them accordingly:

And whereas the Numurkah-Nathalia Legacy Group Welfare Patriotic Fund No. 3231 is a patriotic fund of the kind hereinbefore referred to:

And whereas the trustees of the Numurkah Pioneers Memorial Lodge are trustees of property held on trust for charitable purposes:

And whereas the trustees of the said patriotic fund have signified their opinion that it would more successfully accomplish the purposes for which the fund was established if an amount of \$3,000 were transferred to the trustees of the Numurkah Pioneers Memorial Lodge:

Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth by this Order give his sanction to the transfer by the trustees of the Numurkah-Nathalia Legacy Group Welfare Patriotic Fund No. 3231 to the trustees of the Numurkah Pioneers Memorial Lodge (hereinafter called "the receiving trustees") of an amount of \$3,000 from the said fund to be held by the receiving trustees upon the following trusts:—

- (2) To return the amount transferred to the trustees of the said fund (and any income received therefrom) if the proposed units are not completed and occupied within two years of the transfer or such further time as is allowed by the trustees of the said fund.
- (3) To keep the building fully insured and take all necessary steps to ensure that any requirements arising under the law of the Commonwealth relating to social services and social security or the *Hospitals and Charities Act 1958* are complied with in respect thereof.
- (4) To make accommodation available in perpetuity for an aged widow of an ex-serviceman upon the following conditions:—
  - (a) The Numurkah-Nathalia Group of Melbourne Legacy shall have the right to nominate a qualified person as soon as the proposed building is ready for occupation;
  - (b) When the nominated occupant dies or vacates her accommodation, the Group shall have the right to nominate a qualified person to take her place, but if the group fails to nominate a person within a reasonable time, the receiving trustees shall have the right to fill the vacancy from the general public, and the Group shall have the right to nominate a qualified person for the next vacancy;
  - (c) The procedure shall be followed in perpetuity;
  - (d) The receiving trustees shall advise the Group of the date of admission and date of discharge of any nominated occupant of a unit;
  - (e) Any qualified person occupying accommodation otherwise than upon the nomination of the Group shall not be regarded as having been provided with accommodation in accordance with these trusts;
  - (f) The receiving trustees shall not be obliged to accept any nominated person who does not comply with the ordinary conditions for admission or undergo any interview or examination ordinarily required for admission;
  - (g) Any fees and charges to be paid to the receiving Group in respect of any nominated person shall be agreed upon between the nominated person and the Lodge authorities; and

Secretary to the Tender Board.

## CONDITIONS OF CONTRACT.

1. Except where definite quantities are specified the Government will not be bound to order from the contractor all the articles enumerated in the schedule, but only those articles, and such quantities of those articles, as it may be found necessary to order. Should the Government, however, require a larger supply of any article than the estimated quantity stated in the schedules, the contractor will nevertheless be bound to supply the same at contract rates.

The Government reserves the right to purchase otherwise than from the contractor articles of any of the several kinds enumerated in the schedules the purchase of which is, in the opinion of the Tender Board, necessary in order to meet special circumstances or special requirements.

2. The supplies are to be the same as sample where so stated, and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. The supplies are to be the best quality of their several kinds of manufacture. In the event of the tender having been accepted for goods manufactured within the Commonwealth or manufactured within any other part of

the British Empire (as the case may be), all such goods supplied shall, if required by the Government, bear evidence that they are of the particular manufacture tendered for, and, in addition, the contractor may at any time during the currency of the contract be called on to furnish a statutory declaration as to the country of origin of the goods supplied.

3. Except where otherwise stated in the schedule, the value of all packages, cases, casks, &c., whether bulk be broken or not, must be included in the prices stated in the contractor's tender; all such packages, &c., to be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, casks, &c. The net weight or quantity only will be paid for. Contractors must provide without extra charge, whatever labour may be required in the packing of stores, and the stores shall be packed in such a manner as shall secure them from injury during transit, and until delivery such stores shall be at the risk of the contractor.

4. All orders for supplies will emanate from the Education Department. The goods shall be delivered as may be directed by the officer ordering the supply.

5. Supplies ordered for delivery in the Melbourne District are to be delivered free of all charges (whether cartage, freight, &c.) and, for the purposes of these contracts, Melbourne District will include a radius of 20 miles from the Elizabeth Street Post Office. For supplies outside that radius the goods must be delivered free on rails at Flinders Street or Spencer Street Railway Stations as required.

6. Arrangements as to time of delivery and inspection of goods will be made by the Secretary, Education Department, or such other officer whom he may appoint.

7. Orders must receive prompt execution; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the officer named in clause 6, or the head of the department to whom the goods are to be supplied, on giving the contractor twenty-four hours' notice to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

8. Delivery will not be deemed to have been made until the goods have been approved. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk and the extra expense deducted as in clause 7.

9. The official order issued by the Education Department shall be forwarded by the contractor to the officer authorized to accept delivery, who shall acknowledge thereon the receipt of the goods accepted and return the order to the contractor, who will attach same to his claim for payment.

10. All orders, duly receipted, shall be returned to the Education Department at the end of each month, accompanied by an account in the prescribed form for the articles supplied during the month, and, on receipt of same, the contractor shall be entitled to payment, due time to be allowed for the examination and verification of the claim.

11. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the schedules. Delivery of the articles will not be deemed to have been made until they have been handed in good order and condition to the head teacher of the school or such other person as may be authorized to accept delivery, &c. The contractor may, however, claim a survey of any goods objected to; but in that case he must, within twenty-four hours after objection is made give notice thereof, in writing, to the officer rejecting the goods. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such deficient or defective stores may be returned to the contractor.

12. The members of Boards of survey will be appointed by the Treasurer of the State for the time being, and the decision of the Board is to be considered as final. If the Board shall decide that the article is not of proper quality it must be immediately replaced by the contractor, failing which it, or any like supply that is suitable for the service, will be procured elsewhere, and the survey fees and extra expense (if any) will be deducted as in clause 7.

13. All goods forwarded under these contracts shall, where practicable, be forwarded by rail, and all consignments shall bear the number of the consignment notes under which they are forwarded, and also the name of the contractor by whom consigned, on a legibly-written business label.

14. When the contractor is required to make delivery of goods at a railway station for transmission by rail, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in a triplicate and quadruplicate of the form as an authority for the Railways to act as agent for, and charge the freight to, the Stores and Transport Office or such other Department as shall be named therein. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver the original at the Tender Board Offices, the duplicate to be forwarded to consignee in accordance with clause 15, and the quintuplicate to be retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which service the departmental consignment note is not to be used. Any infringement of this condition will subject the contractor to such mulct as the Tender Board may recommend under clause 17 of these conditions. Such mulct may be deducted as in clause 7.

15. Immediately after the consignment of the goods, the officer to whom they are forwarded shall be notified by the contractor, on the duplicate consignment note provided for the purpose, that the goods have been sent. On receipt of this document, the officer to whom it has been forwarded shall acknowledge thereon the receipt of the goods without delay to the Stores and Transport Office. In the event of loss through failure on the part of the contractor to comply with this condition he will be held responsible, and the amount of the loss incurred for same will be deducted as in clause 7.

16. Should the order on the contractor specially provide that goods of a fragile character, or such as are liable to suffer loss by leakage, shall be consigned at the risk of the Railways Commissioners under special freight conditions, the contractor shall in such instance provide in writing, on the consignment note an intimation to that effect, failing which, in the event of loss, he shall bear the whole cost of replacing the goods the amount being deducted from the contractor's account or the security money.

17. A refusal to execute orders, irregularity in the quantity or quality of the supplies, delay in delivering or replacing them when required, or non-compliance with the terms of clauses 14 and 15 of these conditions respecting the forwarding of consignment notes &c., will subject the contractor, upon report from the Tender Board, to such mulct not exceeding one hundred dollars as the said Treasurer may direct and the amount may be deducted as in clause 7. It will also be in the power of the said Treasurer upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of one year from the date of such disqualification.

18. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognized by the Government. If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderer be a member of a firm, and such firm be interested in the contract, the tender shall be in the name of the firm, and not in that of the individual—then the said Treasurer may, on the recommendation of the Tender Board, determine the contract, and forfeit the security money.

19. The contracts entered into under these conditions are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Agent-General for Victoria, or by any contracts or agreements made for supplies to Technical Schools, or by any article being made at any Government establishment and supplied for the use of the Education Department, or by the consumption of the surplus stock of any Government establishment.

20. Notwithstanding anything contained to the contrary in section 152 of the Customs Act 1901-36, it is hereby expressly provided that upon any alteration of the duty collected affecting the goods included in this contract, the contract price shall not be altered, and the contract may be terminated at the opinion of either party by two months' notice in writing from the first day of the calendar month next ensuing, and within the period for which the contract is made. The contract for the unaffected items shall remain in full force and effect. Any notice to be served under this condition shall be deemed to have been duly served if sent to the contractor in a registered letter to his last known place of business or abode.

21. Under no circumstances, other than those mentioned in clause 20, will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on

the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

22. ## CITY OF FITZROY.

## REGULATIONS FOR THE PROPER MANAGEMENT AND CONTROL OF LIBRARIES.

## Regulation No. 145.

Regulation of the City of Fitzroy Numbered 145 made under Section 2 of Part IV of the Fifteenth Schedule of the *Local Government Act 1958* in force in the City of Fitzroy by virtue of a bylaw of the City of Fitzroy Numbered 90 for the proper management and control of libraries belonging to the City of Fitzroy or under the management and control of the Council.

In pursuance of the powers conferred by the *Local Government Act 1958*, the Mayor, Councillors and Citizens of the City of Fitzroy makes the following regulation which shall apply to and have operation throughout the whole of municipal district.

(1) In these Regulations unless inconsistent with the context or subject matter—

- (a) "Council" means the Council of the City of Fitzroy;
- (b) "Municipality" means the municipal district of the City of Fitzroy;
- (c) "Library" means any library or library vehicles belonging to the City of Fitzroy or under the management or control of the Council and the several rooms, offices, passages, entrances and exits forming part thereof and adjacent thereto;
- (d) "Book" includes any book, periodical, newspaper, magazine, picture map, print, chart, photograph, plan, manuscript, record, tape, film-strip or slide or any other article of a like nature forming part of the contents of the library;
- (e) "Registered Reader" or "Reader" means a person to whom a reader's card has been issued in accordance with these Regulations. The expression "Reader" unless the context otherwise requires also includes a person who enters any reference or reading room.

(f) "Librarian" means and includes the City Librarian or any person duly authorised on his or her behalf.

(2) Every library shall have as its aim the encouragement of all individuals and groups who seek information, inspiration or recreation from printed or recorded material. The Council subscribes to the Library Association of Australia's current "Statement of principles on freedom to read", the conditions of which are observed in the Library's acquisition policy.

(3) The Library shall be for the use of persons who pay rates to and/or who live, work or attend schools in the Municipality of Fitzroy and its adjoining Municipalities, provided that before borrowing any books or other material, they shall have completed an enrolment form prescribed by the Council and been issued with a reader's card.

(4) Books may be lent to other libraries within the provisions of the Municipal Inter-Library Committee (Victoria) or to registered readers visiting from other municipalities with reciprocal arrangement, at the discretion of the Librarian.

(5) The Librarian has the responsibility of administering the service equally and without favour to all eligible persons, according to Council's policy and within the scope of the above statements.

(6) No charge shall be made for the use or borrowing of library books or other material.

(7) The Library will be open at such times as the Council may determine. The Council reserves the right to amend as necessary the days and hours of opening.

(8) The Council, through the Librarian, shall have the right to levy charges to cover stationery and mailing costs where postage is needed, e.g. the reservation of books. It may also charge for any extra service which may be provided from time to time, e.g. printed catalogues, photocopies, gramophone records. A charge may also be made for the replacement of any reader's ticket or token, or any other item used in the borrowing of books.

(9) (a) A book shall be for the exclusive use of the person to whom it is issued, and that person shall be responsible for the care and safe return of the book or other material to the library within the time specified by the rules then in force. Fines and the cost of any reminders sent may be charged for overdue books but there is no obligation on the Librarian to send any such reminders. If the Library property is not returned, or proper restitution made when requested, the Council reserves the right to take legal action, and authorise the Librarian to take any reasonable precaution to protect Council property.

(b) The issue of a book is a confidential transaction between the library and the reader.

(10) In the event of the loss of/or damage to a book, the reader to whom the book was issued shall pay a charge based on the cost of replacement or shall compensate the Council for the damage or loss as assessed by the Librarian.

(11) Regardless of any amount paid in fines for overdue, damaged or lost books, the book shall remain the property of the Council.

(12) A book is not to be considered "returned" to the Library unless it has been handed to a Librarian and any records discharged. Although the Librarian will attempt to deal with books returned by post or messenger, the reader may still be held responsible in the event of loss.

(13) The condition of a book on its return to the library is the responsibility of the persons who returns it. Readers should therefore report to the Librarian any damage to a book before borrowing it.

(14) To maintain good service and a pleasant atmosphere the co-operation of readers is sought, and the Librarian is authorised to exclude from the use of the library persons who default in the return and treatment of books or whose conduct in or around the library, may cause annoyance to readers or staff. Conduct specifically prohibited includes being offensively unclean, smoking taking part in loud or objectionable conversation, bringing dogs (except a Guide for the Blind) or other animals into the library, eating or sleeping in the library; entering and remaining in areas provided for the staff and their work, or in the library after hours of closing, obstructing the staff or other readers, refusing to observe routines for the correct borrowing and return of books, marking, soiling, tracing, or defacing in any way books, periodicals or other library property.

The decision as to whether or not a nuisance is being created shall be the responsibility of the Librarian and staff.

(15) The Council shall have no responsibility for any mishap which may occur in or around the public toilets, or on the public approaches to the Library and the surrounding lands.

(16) The Council shall have no responsibility for bicycles, prams or other property left outside the Library, nor for private property left in the Library.

(17) Special collections are provided for children to the age of 14, but no blame shall be attached to the library if they borrow books which in some opinions are unsuitable for youth.

If parents believe that adolescents' reading should be censored, the parents must be the censors, not the Library.

#### OFFENCE.

(18) Any person who commits any offence against these Regulations shall, on being requested by the Librarian to do so, leave the library, and shall not thereafter, without the permission of the Librarian, enter or use the Library.

(19) Notwithstanding any other provision of these Regulations, any person who is in the Library shall give his name and address to the Librarian, on being requested by the Librarian to do so.

Adapted by Council on 27th May 1974; Confirmed 24th June 1974.
