DECLARATION OF RECIPROCATING COUNTRY FOR THE PURPOSES OF DIVISION 2 OF THE PART IV. OF THE MAINTENANCE ACT 1965 (No. 7289).

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

Whereas by Proclamation made on the 15th day of May, 1956, the Federation of Malaya was declared a reciprocating State for the purposes of Part V. of the *Maintenance Act 1928* and whereas doubts have arisen whether by virtue of that Proclamation Malaysia is a reciprocating country for the purposes of Division 2 of Part IV. of the *Maintenance Act 1965*:

Now therefore, I, the Governor of the State of Victoria, being satisfied that the law of Malaysia (being a country within the meaning of section 68 of the *Maintenance Act 1965*) makes provision for the enforcement in that country of maintenance orders made in another country, and that under the law Victorian Orders may be made enforceable in that country and it appearing to me that the jurisdiction of the courts of Malaysia extends to the making of Orders that are not of the same kind as Orders that may be made in Victoria under Part II. of the said Act, do by this my Proclamation made pursuant to section 98 of the said Act, declare Malaysia to be a reciprocating country for the purposes of Division 2 of Part IV. of the said Act and I declare that Malaysia has restricted reciprocity with the State of Victoria.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this first day of July, in the year of our Lord One thousand nine hundred and seventy-five, and in the twenty-fourth year of the reign of Her Majesty Elizabeth the Second, Queen of Australia.

PART II.—CONSTITUTION OF ADVISORY BOARDS.

3. The bodies functioning immediately prior to the 1st day of July, 1975, as advisory boards for the respective irrigation districts or irrigation areas or parts thereof set out in column 1 of the Schedule hereto shall on the said day be constituted as advisory boards within the meaning of this By-law with the names set out in column 2 of the said Schedule; and subject to the provisions of section 4 of this By-law the irrigation districts or irrigation areas or parts thereof set out in the said column 1 shall be the electorates of the respective Boards.

4. There shall be a Register of Advisory Boards established and maintained by the Commission recording in respect of each advisory board a description of the electorate and the names of the members of the board. At each office of the Commission from which is administered any irrigation district or irrigation area within which the electorate of a board is situated a copy of so much of the Register as relates to such board shall be made available for inspection by any irrigator.

(3) Any annual meeting of irrigators shall be called by the officer in charge who shall by advertisement in a newspaper circulating in the electorate give fourteen days' notice of the meeting and of the business to be dealt with at the meeting. Additional notice may be given by radio broadcast or, in writing, to irrigators in the electorate.

9. (1) At any annual meeting of irrigators the officer in charge or his deputy shall preside.

(2) (a) For the purpose of voting at any annual meeting each entry shown in the appropriate register of lands and referring to land which is situated within the electorate and to which a water-right has been apportioned shall subject to the provisions of this paragraph entitle the owner or owners of such land to exercise one vote in his or their name:

Provided that—

(i) the occupier or occupiers (not being the owner or part-owner or an employee of the owner or owners) of land referred to in any entry shall in respect of that entry be entitled to exercise a vote in his or their own name on production at the meeting of written authority from the owner or owners transferring the vote in respect of that entry to such occupier or occupiers;

(ii) not more than one vote may be exercised in any one name whether or not the name represents more than one person; and

(iii) no person at the meeting shall exercise more than one vote.

(b) Voting for the election of members of a board shall be by secret ballot. Voting on any other matter at an annual meeting shall at the request of any five voters present at such meeting be by secret ballot.

(b) A copy of the minutes of each annual meeting of irrigators shall be forwarded by the officer in charge to the Secretary of the Commission.

PART V.—MEMBERS OF ADVISORY BOARDS.

Division 1.—General.

10. Any advisory board shall consist of—

(a) the officer in charge, who shall be chairman of the board;

(b) members filling elective offices as provided in Division 2 of this Part; and

(c) any associate member or members as provided for in Division 3 of this Part.

Division 2.—Election and Appointment of Members.

11. (1) The number of elective offices of membership of any board shall be not less than three nor more than—

(a) nine if the gross area of the electorate does not exceed 80 000 hectares; or

(b) twelve if the gross area of the electorate exceeds 80 000 hectares.

(2) Subject to sub-sections 1 and 3 of this section—

(a) the number of elective offices of membership of any board constituted after 1st July, 1975, shall be determined by Resolution of the first annual meeting of irrigators of the board's electorate; and

(b) the number of elective offices of membership of any board constituted by section 2 of this By-law shall be the same as the number of irrigators deemed to be members of the board by sub-section 3 of section 15 of this By-law.

(3) Subject to sub-section 1 of this section, the number of elective offices of membership of any board may be varied at any annual meeting of irrigators of the board's electorate by Resolution of the meeting, provided that notice, in writing, of a motion to vary the number of such offices is received by the officer in charge not less than 30 days before such meeting. Any such Resolution shall take effect immediately.

12. Some or all of the elective offices of membership of any board may be allotted by Resolution of any annual meeting of irrigators of the board's electorate so that they shall be filled respectively by representatives of particular localities or forms of production within the electorate; and any allotment so made, or varied as hereinafter provided, may be varied by Resolution of any annual meeting of irrigators of the electorate provided that notice, in writing, of a motion to vary such allotment is received by the officer in charge not less than 30 days before such meeting. Any Resolution under the provisions of this section shall take effect immediately.

13. Elective offices of membership of any Board shall be filled only by irrigators in the Board's electorate provided that where an annual meeting has resolved that elective offices shall represent particular localities, it may be further resolved by any subsequent annual meeting, as hereunder provided, that only the irrigators resident in that locality, who are entitled to vote pursuant to provision of part IV. of this By-law, shall be eligible to vote for the election of members to the elective office of the particular locality. Any such variation shall be made by resolution at an annual meeting of irrigators in the electorate provided that notice of motion in writing to vary such method of voting is received by the officer in charge not less than 30 days before such meeting. Any resolution made under the provisions of this section shall take effect immediately.

14. (1) Any elective office of membership of a board becoming vacant at an annual meeting of irrigators shall be filled by election at that meeting.

(2) (a) Subject to sub-section (3) of this section all vacant elective offices to be filled at any annual meeting shall be filled by a single election at such meeting.

(b) If the number of candidates for such offices is the same as the number of such offices then such candidates shall be deemed to have been elected.

(c) If the number of candidates for such offices exceeds the number of such offices the election shall be conducted as follows:—

(i) Each vote cast in the election shall be cast in the form of a written list of the names of as many of the candidates as there are vacant offices to be filled.

(ii) Each candidate shall be deemed to have received as many votes as the number of votes cast in which his name is included.

(iii) As many candidates as are required to fill the vacant offices and as have received more votes than any of the remaining candidates shall be elected: Provided that, if two or more candidates have received the same number of votes and consequently the result of the election cannot be immediately determined, the names of those candidates only shall be drawn by lot and the first drawn shall be deemed to have received more votes than the next drawn, and so on, for the purpose of determining which of those candidates shall be elected.

(d) For the purposes of paragraph (c) of this sub-section the chairman may allot numbers which may be used in lieu of the names of respective candidates.

(3) If any of the elective offices of membership of a board has or have been allotted under the provisions of section 11 to a particular locality or form of production a separate election shall be held in respect of the office or offices allotted to each such particular locality or form of production so far as is necessary for the filling of vacancies in such offices, and a separate election shall be held in respect of any offices not so allotted. Each such election shall be conducted in accordance with the provisions of paragraphs (b) and (c) of sub-section (2) of this section. Every vote exercisable at the meeting may be exercised in every such election.

(4) Any elective office of membership of a board becoming vacant otherwise than at an annual meeting of irrigators may be filled by appointment of an irrigator by the remaining members of the board, subject to the terms of any Resolution in force under the provisions of section 12.

(5) Before or during any period of three months or more throughout which a member of a board is unable to attend meetings of the board due to illness or to absence from the electorate the board may, subject to the terms of any Resolution in force under the provisions of section 12, appoint an irrigator to be an acting member of the board for such period. During the term of his appointment an acting member shall exercise all the powers of an elected member in place of the absent member.

15. (1) Subject to section 16 of this By-law any member elected to a board at an annual meeting of irrigators shall hold office until the next annual meeting of irrigators of the board's electorate.

(2) Any member appointed to a board under sub-section (4) of section 14 of this By-law shall hold office until the next annual meeting of irrigators of the board's electorate.

(3) Any irrigator who immediately prior to the 1st January, 1975, is a member of any body functioning as an advisory board shall be deemed to be a member of the corresponding advisory board constituted by section 3 of this By-law for a term of office expiring at the annual meeting of irrigators of the electorate concerned held in the year in which his membership of the advisory board would have expired.

(4) Notwithstanding the foregoing provisions of this clause, if any member of a board who at the time of his election or appointment was required by the provisions of this By-law to be an irrigator in the board's electorate ceases to be an irrigator in the board's electorate he shall thereupon cease to be a member of the board and his office shall become vacant.

16. (1) It may be determined by Resolution at an annual meeting of irrigators on a motion written notice of which was received by the officer in charge not less than 30 days before such meeting that half or approximately half of the elected members of the board shall retire annually.

(2) Members elected to a board at an annual meeting of irrigators at which such Resolution is carried shall at that meeting draw lots to decide which of them shall retire at the next annual meeting of irrigators and which of them (being the remainder) shall retire at the second next annual meeting of irrigators, so that—

- (i) if the number of members of the board is an even number half that number shall retire at the next annual meeting of irrigators; or
- (ii) if the number of members of the board is an odd number the number of them who shall retire at the next annual meeting of irrigators shall be one less than the remainder.

(3) Any elected member of a board with respect to which a Resolution carried under sub-section (1) of this section is in force shall, except as otherwise provided in sub-sections (2) and (4) of this section, hold office until the second next annual meeting of irrigators following his election.

(4) If, as a result of a variation in the number of elective offices of membership on any board in respect of which a Resolution under sub-section (1) of this section is in force, or as a result of any vacancy occurring on such a board under the provisions of sub-section (2) of section 15 of this By-law, the number of members elected to such board at any annual meeting of irrigators exceeds by more than one the number of members continuing in office, the members elected at that meeting shall immediately draw lots to decide which of them shall retire at the next annual meeting of irrigators so that the total number of members then continuing in office shall not be less than nor exceed by more than one the total number of members then retiring.

(5) Any advisory board constituted under section 3 of this By-law some of whose members will under sub-section (3) of section 15 hold office until 1975 shall be deemed to be subject to a Resolution carried under the provisions of sub-section (1) of this section.

Division 3.—Associate Members.

17. (1) Any board may by Resolution recommend the appointment of any officer of a government department or instrumentality of the Commonwealth or of any State of the Commonwealth as an associate member of the board. On approval of such recommendation by the department or instrumentality concerned such officer may be appointed by the Commission as an associate member of the board for such period as the Commission specifies, and may thereafter be re-appointed from time to time by the Commission for such further periods as the Commission specifies.

(2) Any board may by Resolution recommend the appointment as an associate member of the board of any person who is not an officer of any government department or instrumentality of the Commonwealth or of any State of the Commonwealth but who has special knowledge of irrigation. Any such person on his acceptance of nomination may be appointed by the Commission as an associate member of the board for such period as the Commission specifies provided that no more than two associate members shall at the same time hold appointments on any board under the provisions of this sub-section.

(3) An associate member may attend meetings of the board and join in discussion but shall not vote.

PART VI.—PROCEEDINGS OF ADVISORY BOARDS.

18. (1) (a) During an irrigation season each board shall hold ordinary meetings once each month or at such other intervals not exceeding three months as the board may decide from time to time.

(b) Any ordinary meeting of a board shall be convened by the officer in charge by three days' notice thereof given, in writing, to every member of the board.

(2) The officer in charge shall convene such additional meetings as he thinks fit, or as may be requested by any two elected members of the board.

19. At any meeting of a board a majority of members shall constitute a quorum.

20. The officer in charge or his deputy shall preside at every meeting of a board and shall have a casting vote but no deliberative vote.

21. Any board may appoint a committee of members under the chairmanship of the officer in charge to inquire into and report to the board on any matter within the functions of the board.

22. In regard to any Resolution passed at a meeting of a board the board shall be advised at that meeting by the officer in charge as to whether he will—

- (i) put such Resolution into effect; or
- (ii) refer such Resolution to the Commission.

23. (1) Minutes of meetings of any board shall be kept by the officer in charge and shall incorporate any explanatory matter which the board decides shall be incorporated.

(2) Minutes of each meeting shall be submitted for confirmation at the next meeting of the board.

(3) A copy of the minutes of each meeting shall be forwarded by the officer in charge to the Secretary of the Commission and to each member of the board.

(4) At any annual meeting of irrigators the minutes of meetings of the appropriate board shall be available for inspection by irrigators.
