The meter or meters measuring the supply of water to any land or tenement shall be read as near as practicable to twelve months from the date that it was read previously and the quantity of water so measured as having been supplied during the period between any two successive such readings (hereinafter called "The Meter Year") shall be the basis of the calculating of charges payable under this By-Law provided always that where a meter has been installed on any land or tenement during the course of a meter year the quantity of water measured as having been supplied during the period between the date of such installation and the date of the reading shall be the basis of calculating such charges.

2. Subject as is hereinafter provided in respect of any land or tenement rated by the Council—

(a) The maximum quantity of water to be supplied in any meter year without charge is hereby fixed as a quantity which if charged at 18 cents per kilolitre for any meter year would give an amount equal to the amount of the rate payable in respect of the land or tenement for the financial year in which the said meter year ended.

(b) For all water supplied in any meter year in excess of the maximum quantity referred to in paragraph (a) of this clause the charge is fixed at twenty cents per kilolitre for any meter year.

3. Subject as is hereinafter provided the charge for water supplied by measure to any property not rated by the Council is hereby fixed at 18 cents per kilolitre.

4. The minimum charge for water supplied by measure to any property not rated by the Council is hereby fixed at twelve dollars (\$12.00).

5. The aforesaid charges shall be payable within seven (7) days of demand upon the owner or occupier at the Office of the Council during business hours.

6. The provision of clauses 2, 3 and 4 of this By-Law shall not apply to any land tenement or property supplied with water under a special agreement pursuant to Section 215 of the *Water Act 1958*.

7. The charge for water supplied from a standpipe shall be 18 cents per kilolitre provided that in no case shall the charge be less than 18 cents for any lesser quantity taken at one delivery.

The common seal of the President, Councillors and the Ratepayers of the Shire of Korong was hereto affixed, pursuant to a Resolution passed on the 18th November, 1975.

(SEAL) L. H. HOLT, Councillor.
R. J. CUMMING, Councillor.
L. M. JONES, Shire Secretary.

Approved, 12th January, 1976.—F. J. GRANTER, Minister of Water Supply.

BAIRNSDALE SEWERAGE AUTHORITY.

BY-LAW No. 4.

The Bairnsdale Sewerage Authority pursuant to and in exercise of the powers and authorities conferred on it by the *Sewerage Districts Act 1958*, and of any and every other power and authority in any wise enabling it in that behalf doth hereby make and prescribe the following By-law for its Sewerage District, that is to say:—

Minimum Sewerage Rate.

1. The minimum amount of rate to be paid annually by the Owner or Occupier of any rateable seweraged property on which there is a building or the Owner or Occupier of any rateable seweraged property on which there is no building shall be Eighteen dollars and Eight dollars respectively.

2. The minimum amount of rate as set out in Clause 1 hereof shall take effect on the 1st day of January, 1976.

By-Law No. 3 made by the Bairnsdale Sewerage Authority on 19th day of November 1969 is hereby expressly revoked.

The above By-law was made and passed by the Bairnsdale Sewerage Authority on the 3rd day of December 1975 and confirmed on the 17th day of December 1975.

In witness whereof the common seal of the Bairnsdale Sewerage Authority was hereunto affixed the 17th day of December 1975 in the presence of—

MINES DEPARTMENT.

Pipelines Act 1967.

NOTICE OF VARIATION OF CONDITIONS OF A PIPELINE LICENCE.

Whereas sub-section (3) of section 30 of the *Pipelines Act 1967*, provides that the Minister may by notice published in the *Government Gazette* amend, vary, add to or revoke any condition stated or included in a licence, I, James Charles Murray Balfour, Minister of Mines do now hereby vary the conditions of Pipeline Licence No. 42 in the manner indicated in the Schedule hereto.

SCHEDULE.

1. Amend the clause I. (D) (ii) Cathodic Protection of the Schedule to the Licence to read—

(ii) *Cathodic Protection.* Unless otherwise approved in writing by the Director, Oil and Gas Division of the Mines Department:—

(a) the installation of cathodic survey test points, transformer and rectifier units, anode ground beds and insulating flanges shall comply with section 14 of the specification included in the contract documents dated 1st March, 1969, which accompanied the licence application, and

(b) the location of the said test points, transformer and rectifier units, anode ground beds and insulating flanges shall be as indicated on Drawings Nos. 306-ME1-1 to 306-ME1-5 inclusive.

2. Delete Part II. Conditions of the Schedule to the Licence and substitute the following:—

II. *Further Conditions.*(A) *Certified Test Reports.*

Wherever the codes and specifications referred to herein require certified test reports to be submitted, such certification shall be in accordance with Regulation 11 of the *Pipelines (Construction and Operation) Regulations 1971*. Before any alteration is commenced the licensee shall supply the Director, Oil and Gas Division

of the Mines Department, the names of all testing authorities and other inspection services or contractors to be employed in quality surveillance of materials and fabrication, and a copy of the results of the welding and radiographic procedure qualification as required in the said codes and specifications.

(B) *Product Transported.*

The substance to be conveyed in the pipeline shall be non corrosive liquid hydrocarbons with characteristics generally conforming to those detailed in Exhibit B to the licence application dated 15th May, 1969, or natural gas.

Liquified petroleum gas shall not be transported in the pipeline until full details of the apparatus and works installed at the Gippsland Gas Processing Plant or at any other point along the pipeline to induce flow in the said pipeline, have been submitted to and approved by the Director, Oil and Gas Division of the Mines Department. The pressure of the products being conveyed in the pipeline including surge pressures, shall at no time exceed 14,700 kPa (2130 psig).

(C) *Maintenance and Routine Test Procedures.*

The pipeline shall be maintained in accordance with Chapter VII. of the American National Standard Code for Pressure Piping ANSI B31.4-1974 Liquid Petroleum Transportation Piping Systems to the extent that this standard is not inconsistent with the following:—

(i) *Corrosion Control.*

Subject to compliance with the State Electricity Commission Cathodic Protection Regulations 1970, the licensee shall—

(a) Carry out a monthly check of the transformer and rectifier units of any impressed current systems that may be installed to ensure they are operating satisfactorily. A log of such checks, giving details of amperage output and meter readings shall be maintained by the licensee.

(b) At intervals not exceeding six months conduct corrosion surveys of the pipeline including tests for stray current electrolysis. Measuring instruments approved for the purpose by the Chief Electrical Inspector, State Electricity Commission of Victoria shall be used for these surveys which shall be carried out only after the licensee has used his best endeavours to ensure that no abnormal condition exists which is likely to affect the validity of the results.

(c) Submit a summary of the results of these surveys annually to the said Chief Electrical Inspector for advice on action to be taken to maintain the cathodic nature of the pipeline so that corrosion is limited, and shall take all reasonable steps to give effect to the advice received.

(d) Submit to the Director, Oil and Gas Division of the Mines Department an annual report outlining the results of the corrosion surveys, the recommendations made by the said Chief Electrical Inspector and the details of the resulting action taken by the licensee.

(ii) *Pipeline Markers and Signs.*

The licensee shall check the signs required by the Pipelines (Construction and operation) Regulations 1971 at intervals not exceeding three months and shall where necessary forthwith replace, repair and repaint the same.

(iii) *Patrol of Pipeline.*

The licensee shall cause the pipeline to be patrolled on a regular weekly basis, in accordance with the procedure

laid down in rule 451.5 of the American National Standard Code for Pressure Piping ANSI B31.4-1974 Liquid Petroleum Transportation Piping Systems.

(D) *Alterations to Pipeline.*

Except for emergencies, the licensee shall not effect any repairs or make any additions or alterations to the pipeline without the prior approval in writing of the Director, Oil and Gas Division of the Mines Department.

(E) *Advice to Contractors.*

Before any alteration commences the licensee shall take all reasonable steps to advise contractors of the requirement to comply with the Act, Regulations and Pipeline Licence.

(g) be provided with a suitable close fitting lid;

(h) be kept constantly covered (except when having refuse deposited therein or emptied therefrom) with such lid;

(i) be disinfected from time to time when necessary to keep such receptacle and the contents thereof in an inoffensive condition.

4. Every such receptacle shall be kept at all times in good repair, in a clean and sanitary condition and the inside of such receptacle shall be coated with tar or other suitable substance when deemed necessary by the Council.

5. A person shall not place or deposit or cause to be placed or deposited any refuse or rubbish (except waste paper, cardboard, cartons and other combustible material) which is produced or accumulated in or about his premises otherwise than in a receptacle complying with the provisions of clause 3 hereof.

6. (a) A person shall not place or deposit in any such receptacle any slops, liquid waste or hot ashes.

(b) A person shall not place or deposit in any such receptacle any moist refuse or rubbish unless it has been previously strained and is effectually wrapped in waste paper.

7. The proprietor of every premises containing a single dwelling, and the occupier of each flat on every premises containing two or more flats shall cause such receptacle to be deposited not more than two (2) metres inside the entrance to his premises from the street, lane, or right-of-way on which such premises abut on such days as may be appointed by the Town Clerk, for the removal of refuse and rubbish from such premises, in order that the contents of such receptacle may be conveniently removed by the contractor or person authorised or employed: in that behalf by the Council.

8. A person shall not place or deposit any such receptacle in or upon any street, lane or right-of-way for removal of the refuse and rubbish therefrom except in the case where the premises are business premises built right up to the street alignment and it is not possible to deposit the same on the premises.

9. The proprietor of every premises containing five or more flats, or the proprietor of any other premises when directed to do so by an inspector, shall provide on the premises—

(a) a paved area satisfactory to an inspector and appropriated as a place for depositing such receptacles in accordance with clause 7 of this By-law; and

(b) a fire-proofed repository of a type satisfactory to an inspector for the storage on the premises of waste paper, cardboard, cartons and other combustible material.

10. (a) The Council shall cause all such receptacles to be emptied at least once in every week.

(b) The Council may direct that all fire-proofed repositories required to be provided pursuant to clause 9 (b) hereof be emptied at least once in every week.

11. Every contractor or person authorised or employed by the Council to remove refuse and rubbish shall be responsible for the complete emptying of every such receptacle and repository directly into a vehicle provided for its reception on such days as appointed.

Such contractor or person shall also be responsible for the replacement of such receptacle properly covered with its lid.

12. Every vehicle used by any such contractor or person for the removal of refuse and rubbish shall—

- (a) be provided with a cover and kept covered except when being used for the deposit or emptying of refuse;
- (b) be, as far as practicable, rendered water-tight by means of an impervious lining or by painting the inside thereof with tar or by any other suitable and effective means.

13. (a) Any refuse or rubbish removed as aforesaid shall not be disposed of except in a manner approved by the Council and at a tip nominated by the Council.

(b) Every vehicle used for the removal of refuse and rubbish shall when full be taken by the quickest possible route to the tip nominated by the Council and there emptied and the refuse and rubbish disposed of as soon as practicable.

14. Every person using a vehicle for the removal of refuse and rubbish shall cause such vehicle to be properly constructed and at all times maintained in good order and kept in a clean and sanitary condition and from time to time as required or when necessary disinfected with an approved disinfectant.

15. (a) If the method of disposal approved by the Council is by depositing every person disposing of refuse and rubbish shall deposit the same in a regular and orderly manner.

(b) Every contractor or person authorised by the Council to dispose of refuse and rubbish shall cause the same to be covered with clean earth, lime or other approved material at the conclusion of each day's depositing so as not to create any nuisance.

16. Every person guilty of a wilful act or default contrary to the provisions of this By-law shall be liable to a penalty of not less than \$10 or more than \$40 and to a further penalty of not more than \$10 for each day on which such offence is continued after conviction or order of any court.

17. This By-law shall apply to and shall have operation throughout the whole of the municipal district of the City of Swan Hill.

Resolution for passing this By-law agreed to by the Council on the 24th October, 1974 and confirmed the 23rd January, 1975.

The common seal of the Mayor, Councillors and Citizens of the City of Swan Hill was hereto affixed, in the presence of—

(SEAL) R. A. QUIN, Councillor.
