## LAKE NILLAHCOOTIE PLANNING SCHEME.

NOTICE THAT A PLANNING SCHEME HAS BEEN PREPARED AND IS AVAILABLE FOR INSPECTION.

Notice is hereby given that the Town and Country Planning Board in pursuance of its powers under the Town and Country Planning Act 1961 has prepared a Planning Scheme for the purpose of controlling the use and development of land around Lake Nillahcootie in the Shires of Benalla and Mansfield.

A purport of the objects and effect of the Scheme is set out below. (Persons who might be affected by the Scheme must appreciate that the purport set out below is not in any way to be taken as a substitute for the Scheme or any part thereof. Because of the need to make the purport concise it has not been possible to deal with a number of exceptions and requirements applicable to particular uses or in particular circumstances. References must always be made to the Scheme.)

## Purport of the Lake Nillahcootie Planning Scheme.

The Scheme has been prepared so as to achieve the orderly planning of the area around Lake Nillahcootie. The Scheme aims to protect the Lake and its environs and particularly to:—

- (a) control land use and development around the lake to protect the quality of the stored water;
- (b) protect the rural use and character of the lake environs;
- (c) maintain the visual amenity of the lake environs particularly as viewed from the Midland Highway; and
- (d) prevent any overloading of the limited recreational resources of the lake.

The privately-owned land within the area of the Scheme is zoned "Rural". Within this zone agriculture and animal husbandry are permitted as of right. Other uses and developments, including the erection of houses are subject to controls, being either permitted, permitted subject to conditions, permitted subject to the consent of the Responsible Authority or prohibited.

Land vested in the State Rivers and Water Supply Commission and used for specific purposes is included in a "Special Uses" zone. The balance of the land vested in the commission and the land vested in the Crown and public authorities is reserved for Public Open Space, Proposed Public Open Space, Public Purposes, Main Road and Minor Road.

Strict controls are placed upon the subdivision of land in the "Rural" zone and the height of buildings in the zone is restricted. Within the area of the Scheme further provisions relate to provision for drainage disposal, termination of drainage and effluent lines, setback of buildings from the lake, further restriction of land use near the lake, tree felling, advertising and saving of existing use rights.

A copy of the Scheme has been deposited at the office of the Town and Country Planning Board, 235 Queen Street, Melbourne, the offices of the Shire of Benalla, Mair Street, Benalla and the Shire of Mansfield, Shire Hall, Mansfield; and will be open for inspection thereat during office hours by any person, free of charge.

Any persons affected by the Planning Scheme are required to set forth in writing all objections they may have, addressed to: The Secretary, Town and Country Planning Board, 235 Queen Street, Melbourne, on or before 6th October, 1977, and to State whether they wish to be heard in respect of their objections.
