PROCLAMATIONS

ACTS OF PARLIAMENT

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

I, the Governor of the State of Victoria, in the Commonwealth of Australia, do hereby declare that I have this day assented, in Her Majesty's name, to the Bills passed by the Parliament of the said State, the titles whereof are hereunder set forth, together with the short titles, that is to say:—

No. 9283. "An Act to amend the *Local Government Act 1958*, to repeal certain obsolete Acts, and for other purposes." (*Local Government (Amendment) Act 1979*.)

No. 9284. "An Act to amend section 6 of the *Tattersall Consulations Act 1958*." (*Tattersall Consulations (Amendment) Act 1979*.)

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-fourth day of July, in the year of our Lord One thousand nine hundred and seventy-nine and in the twenty-eighth year of the reign of Her Majesty Queen Elizabeth II.

(L.S.) HENRY WINNEKE

By His Excellency's Command

R. J. HAMER
Premier

GOD SAVE THE QUEEN!

NOTE—No. 9283 shall come into operation on the day or the respective days to be fixed by proclamation or successive proclamations.

No. 9284 shall be deemed to have come into operation on 1 January 1979.

LOCAL GOVERNMENT (AMENDMENT) ACT 1979 DAYS OF COMING INTO OPERATION

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

Whereas it is provided by section 1 of the *Local Government (Amendment) Act 1979* that the several provisions of that Act shall come into operation on the day or the

respective days to be fixed by proclamation or successive proclamations of the Governor in Council published in the *Government Gazette*:

Now therefore I, the Governor of the State of Victoria in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, do by this my Proclamation fix 25 July 1979 as the day on which sections 1, 4 and 17 of the said Act shall come into operation and 1 October 1979 as the day on which all other provisions of the Act shall come into operation.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-fourth day of July, in the year of our Lord One thousand nine hundred and seventy-nine, and in the twenty-eighth year of the reign of Her Majesty Queen Elizabeth II.

Litter Act 1964

APPLICATION OF THE PROVISIONS OF SECTION 3b TO THE MUNICIPAL DISTRICT OF THE SHIRE OF WANGARATTA

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

Whereas by the *Litter Act 1964*, section 3b it is provided that the Governor in Council on the application of the council of a municipality may by Proclamation published in the *Government Gazette* declare that the municipal district of the municipality or any part thereof shall be a district to which the said section applies.

And whereas the Council of the Shire of Wangaratta has made application to have its municipal district declared to be a district to which the said section 3b applies.

Now therefore, I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State do by this Proclamation declare that the municipal district of the Shire of Wangaratta shall be a district to which the provisions of section 3b of the *Litter Act 1964* apply.

Given under my Hand and the Seal of the State of Victoria, aforesaid at Melbourne, this seventeenth day of July, in the year of our Lord One thousand nine hundred and seventy-nine, and in the twenty-eighth year of the reign of Her Majesty Queen Elizabeth II.

Liquor Control (Orderly Marketing) Act 1976
NOTICE OF INTENTION TO MAKE A FURTHER DETERMINATION OF PRICE OF PACKAGED BEER

Take notice that the Liquor Control Commission pursuant to the authority conferred upon it by the *Liquor Control Act 1968* (as amended by the *Liquor Control (Orderly Marketing) Act 1976*) intends to make a further determination of the price at which licensed persons may sell and dispose of packaged beer to unlicensed persons in the State of Victoria.

For the purpose of making such further determination the Commission proposes to investigate written requests from the Australian Hotels Association and the Retail Liquor Merchants Association of Victoria to the Commission to determine a new minimum price for packaged beer based on the most recent increases in wholesale prices of packaged beer, produced by Carlton and United Breweries Limited and Courage Australia Pty. Ltd.

Any person may make a submission in writing to the Commission in relation to such particular proposals or as to the intention generally. Such submissions are required to be forwarded to the Secretary of the Commission at its offices 232 Victoria Parade, East Melbourne, 3002, not later than noon on Friday, 17 August 1979.

Before making any determination the Commission shall consider any submission or submissions received by it and shall give such weight thereto as it considers appropriate.

Any person or body of persons desiring to produce evidence before the Commission and be heard on the matters under investigation or as to the intention generally should notify the Commission in writing of such

desire. Such notification is required to be forwarded to the Secretary of the Commission at its offices 232 Victoria Parade, East Melbourne, 3002, not later than noon on Friday, 17 August 1979.

The Commission shall in making its determination endeavour to determine prices which shall so far as possible ensure the interests of the public generally.

ROAD DISCONTINUED—CITY OF MELBOURNE

Whereas it is provided in section 528 (2) of the Local Government Act 1958, that where a road (whether or not a public highway but not being a road set out on land of the Crown) or any part thereof is not required for public use the Governor in Council on the request of the council of the municipality in which such road is situated made not less than one month after publishing in a newspaper generally circulating in the district and posting to the registered proprietor (if any) of the land and the owners and occupiers (if any) of the lands abutting or immediately adjacent to the road notice of intention to make such request may by Order published in the Government Gazette direct that such road or part shall be discontinued and thereupon such road or part shall be discontinued accordingly.

And whereas the Council of the City of Melbourne has requested that the Governor in Council direct that a road off Lonie Street and at the rear of 41-47 Racecourse Road, North Melbourne, be discontinued and not less than one month previously has published in a newspaper generally circulating in the district and posted to the registered proprietor of the land in the road and to the owners and occupiers of lands abutting or immediately adjacent to the road notice of intention to make such request.

Now therefore, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, hereby directs:

- that the said road which is shown by hatching on the plan hereunder shall be discontinued;
- that notwithstanding such discontinuance the Melbourne and Metropolitan Board of Works shall continue to have and possess the same right title power authority or interest in or in relation to the whole of the land shown by hatching on the said plan as it had or possessed prior to such discontinuance with respect to or in connection with any drains or pipes laid or erected in on or over such land for the purposes of drainage or sewerage;
- that, subject to any such right title power authority or interest the land in the said road may be sold by the Council of the City of Melbourne by agreement.

And the Honorable Digby Glen Crozier, Her Majesty's Minister for Local Government for the State of Victoria, shall give the necessary directions herein accordingly.

ROAD DISCONTINUED—CITY OF ESSENDON

Whereas it is provided in section 528 (2) of the *Local Government Act 1958*, that where a road (whether or not a public highway but not being a road set out on land of the Crown) or any part thereof is not required for public use the Governor in Council on the request of the council of the municipality in which such road is situated made not less than one month after publishing in a newspaper generally circulating in the district and posting to the registered proprietor (if any) of the land and the owners and occupiers (if any) of lands abutting or immediately adjacent to the road notice of intention to make such a request may by Order published in the *Government Gazette* direct that such a road or part shall be discontinued and thereupon such road or part shall be discontinued accordingly.

And whereas the Council of the City of Essendon has requested that the Governor in Council direct that a road off Rothwell and Francis Streets, Essendon, be discontinued and not less than one month previously has published in a newspaper generally circulating in the district and posted to the registered proprietor of the land in the road and to the owners and occupiers of lands abutting or immediately adjacent to the road notice of intention to make such a request.

Now therefore, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, hereby directs:

- (a) that the said road which is shown by hatching and cross-hatching on the plan hereunder, shall be discontinued;
- (b) that notwithstanding such discontinuance the Melbourne and Metropolitan Board of Works shall continue to have and possess the same right title power authority or interest in or in relation to the whole of the land shown by cross-hatching on the said plan as it had or possessed prior to such discontinuance with respect to or in connection with any drains or pipes laid or erected in on or over such land for the purposes of drainage or sewerage; and

CONSENT TO SALE OF RESERVE BY THE BULLA SHIRE
COUNCIL

Whereas certain land being a Reserve on Plan of Subdivision No. 53814 lodged in the Office of Titles was transferred to the Council of the Shire of Bulla pursuant to the provisions of section 569a (8) (L) of the *Local Government Act 1958* or any corresponding previous enactment and the said Council is now of the opinion that the land is no longer required for the purpose for which it was reserved and has requested that consent be given to the sale of the land.

And whereas the said Council—

- (a) has published in a newspaper generally circulating in the municipal district a notice describing the land and the proposal for the sale of the land and stating that at the next ordinary meeting of the council after the expiration of forty days after publication of the notice the Council would consider any objection to the proposal and would receive any representations as to the disposal of any purchase money;
- (b) has posted a similar notice upon the land in question; and
- (c) has taken into consideration all objections made against the proposal and representations made as to the disposal of any purchase money.

Now therefore, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of the provisions of section 569a of the *Local Government Act 1958*, hereby consents to the Council of the Shire of Bulla selling by private treaty the Reserve on Plan of Subdivision No. 53914 lodged in the Office of Titles and directs that the residue from the moneys received by the Council from such sale shall be applied towards the cost of the Craigieburn Swimming Pool and Community Complex.

DECLARATION OF PRIVATE STREETS AS PUBLIC HIGHWAYS WITHIN THE CITY OF SUNSHINE

Whereas pursuant to section 107 of the *Housing Act 1958* it is among other things enacted that where works have been carried out in accordance with an agreement for the full construction of any roads, pavements, culverts or drains made pursuant to the provisions of the said section 107 such roads, pavements, culverts or drains shall be under the care and management of the Municipality which shall be liable for the cost of any maintenance, repair, alteration or reconstruction thereof and the Governor in Council may by order published in the *Government Gazette* declare any road so constructed to be a public highway.

And whereas by Order dated 18 March 1977 the Governor in Council consented to an agreement between the Housing Commission and the City of Sunshine regarding street and drainage construction in Redditch Crescent, Tamar Drive, Corby Court, Aycliffe Drive, Cumberland Crescent, Telford Close, Chester Crescent, Droitwich Crescent and Reston Court in the Westerngate Estate situate in the municipality of the City of Sunshine and the carrying out of the works enumerated in the said Agreement.

And whereas the works of road pavements, culvert and drainage construction have now been carried out in accordance with the said Agreement between the Housing Commission and the City of Sunshine.

Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council of the said State and in pursuance of the powers conferred by section 107 of the Housing Act and upon recommendation of the Housing Commission doth by this Order declare the streets more particularly delineated and shown hatched on the plans hereunder to be absolutely dedicated to the public as Public Highways within the meaning of any law now or hereafter in force and that the Council of the Municipality in which the streets are situate shall hereafter be liable for all cost of any maintenance, repair, alteration or reconstruction thereof.

PRESENT:

His Excellency the Governor of Victoria

Mr Crozier
Mr Houghton

Mr Balfour

ELECTRICAL APPROVALS—APPROVAL OF
EQUIPMENT—APPLIANCES TO BE SUBMITTED FOR
APPROVAL—PRESCRIBING ORDER

Pursuant to section 51 of the *State Electricity Commission Act 1958*, and all other powers him thereunto enabling, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and on the recommendation of the State Electricity Commission of Victoria, doth hereby make an Order prescribing the following classes and types of appliances, fittings, wires or other apparatus or materials intended, suggested, or designed for use in, or for the purpose of, or for connection to, any electrical installation within the meaning of the section aforesaid, which shall not be sold, hired or exposed for sale or hire, or advertised for sale or hire, unless the said appliances fittings wires or other apparatus or materials have been approved by the State Electricity Commission of Victoria, or by an approving authority in another State, and is stamped or labelled as prescribed, that is to say:

Appliance Plug

An appliance plug being a device intended for attachment to the end of a flexible cord for the purpose of making detachable connections between the conductors of such cord and the pins or other contacts of electrical appliances and apparatus.

Cord Extension Socket

A cord extension socket being a device arranged for attachment to a flexible cord and having contacts whereby a detachable connection may be made with the pins of a plug (a plug being a device having pins and intended by their insertion in a socket to make a detachable connection between the contacts of such socket and the conductors of a flexible cord).

Cord Line Switch

A cord line switch being a switch intended for connection in a flexible cord, including switches for the control of current or temperature of equipment, but not including switches connected at the end of a flexible cord, such as pendant switches or bell pushes.

Decorative Lighting Outfit

A decorative lighting outfit being a set of miniature type lampholders (with or without lamps) together with conductors, such lampholders and conductors being either unassembled or assembled for connection to an outlet in an electrical installation.

Earth Leakage Circuit Breaker

An earth leakage circuit breaker being a switch rated at not more than 50 amperes, intended to open a low or medium pressure circuit automatically when a pre-determined electrical pressure is applied between terminals of the switch, which are provided for connection respectively to the exposed metal of an installation and an earthing electrode.

Electric Blanket

An electric blanket being a flexible electric heating appliance for operation at low or extra low voltage and primarily intended for the general application of heat to a bed and having a projected surface area exceeding 0.6 m², such surface area being the projected area (projected on to a horizontal plane on which the blanket is laid out flat) of that portion of the blanket containing the heating element; it shall not include the area of any marginal hems or flaps surrounding the portion in which the heating element is contained.

Electric Bread Toaster

An electric bread toaster being an electric appliance primarily for toasting bread or similar foods, for operation at low voltage and having a rating not exceeding 2000 watts.

Electric Clothes Dryer

An electric clothes dryer being an electrical appliance for operation at low or medium voltage intended primarily for household use and for drying water-washed household textile materials.

Electric Dishwashing Machine

An electric dishwashing machine being an electrical appliance for operation at low or medium voltage intended primarily for household use and for the washing of eating and cooking utensils.

Electric Fan

An electric fan, being an electrical appliance designed for operation at low voltage single phase supply, and intended primarily for household use for the purpose of moving air in the immediate vicinity. The term shall include ventilating fans and fans suitable for desk, table, wall, floor or ceiling mounting, together with ancillary equipment such as speed regulators, whether incorporated in or detached from the fan motor assembly, but shall not include—

- (i) evaporative type coolers; or
- (ii) fans incorporated in or associated with refrigerated type air conditioner units; or
- (iii) fans incorporated in room heating appliances or
- (iv) fans incorporated in ducted ventilating systems.

Electric Floor Polisher

An electric floor polisher being a portable appliance designed for operation at low voltage and which, by the operation of pads, brushes, or other suitable means, may be used for polishing or scrubbing floors, but not including any such appliance having a maximum loading exceeding 1000 watts.

Electric Food Preparation Machine

An electric food preparation machine being an electrical appliance either fixed or portable intended for household use and operation at low voltage but not exceeding 500 watts input rating which by the operation of beaters rotating blades or other means, is intended or may be used for the preparation of solid or liquid foods by mixing, beating, blending, mincing, grinding, slicing, shredding or the extraction of juices.

Electric Griller

An electric griller being a heating appliance, the nominal rating of which does not exceed 15 amperes, and which is intended or may be used for heating or grilling food or for heating cooking utensils or other utensils standing on the appliance, but not including any such appliance which incorporates a cooking compartment fitted with a heating unit or units provided solely for heating, the cooking compartment.

Electric Hair Clipper

An electric hair clipper being a device operating at low voltage and incorporating an electric motor or vibrating mechanism actuating cutters intended for cutting or trimming human hair but not including electric razors.

Electric Hair Dryer

An electric hair dryer being an electrical appliance designed for operation at low voltage for drying human hair by direct heat radiation, heated air or a combination of both and intended primarily for household use.

Electric Inspection Handlamp

An electric inspection handlamp being a portable fitting intended for the holding of an electric incandescent or discharge lamp, capable of being held in the hand and intended primarily for inspection purposes but not including—

- (a) a portable standard, portable bracket or similar fitting of a decorative nature, notwithstanding that the fitting is movable and not fixed; or

(b) a handlamp which—

- (i) is designed to operate at a voltage not exceeding 32 volts; and
- (ii) is marked with the operating voltage; and
- (iii) is fitted with a miniature bayonet or miniature "Edison" type screw lampholder.

Electric Iron

An electric iron being a portable appliance intended primarily for household use, incorporating an electric heating unit, for smoothing and/or pressing fabric.

Electric Jug

An electric jug being a portable vessel intended primarily for household use in which is incorporated a bare electric heating element, a sheathed type electric heating element or electrodes, and which has a body of non-metallic material.

Electric Kettle or Electric Saucepan

An electric kettle or electric saucepan being a portable vessel intended primarily for household use in which is incorporated an electric heating element for heating liquids. The term "electric kettle or electric saucepan" shall include electric urns and urn type percolators up to a capacity of 4.5 litres, coffee percolators, teapots and pressure cookers. The term shall not include electric jugs with non-metallic bodies.

Electric Lawnmower

An electric lawnmower being a portable appliance intended for mowing lawns or trimming lawn edges and designed for operation at low or medium voltage and incorporating an electric motor to operate cutters, blades or the like, but not including any such appliance having a rating exceeding 1000 watts.

Electric Microwave Oven

An electric microwave oven being an appliance intended for operation at low or medium voltage designed to apply heat to food or liquids in a chamber by means of high frequency electro-magnetic radiation but not including microwave heating equipment specially designed for industrial application.

Electric Range

An electric range being an electric cooking appliance suitable for operation at low or medium voltage and intended for household use, comprising one or more cooking compartments fitted with one or more heating units provided for heating the compartment. The term "electric range" includes a cooking hob fitted with one or more heating units which are intended or may be used to heat, a cooking vessel or vessels standing thereon, or any combination of one or more such cooking compartments and one or more such cooking hobs. The term does not include any equipment which employs high frequency radiated energy for heating or cooking.

Electric Razor

An electric razor being an appliance intended for connection to supply mains and incorporating an electric motor or vibrating mechanism actuating cutters intended for shaving facial or body human hair.

Electric Refrigerator or Freezer

An electric refrigerator or freezer or combination refrigerator/freezer being an electrical appliance for operation at low voltage intended primarily for household use for the storage and cooling of food.

Electric Room Heater

An electric room heater being an electrical appliance primarily intended for household use and incorporating a heating unit intended for heating the atmosphere in its immediate vicinity by the emission of heat by radiation, by convection or by forced circulation of heated air, or any combination thereof but not including—

- (a) an air conditioning appliance incorporating a refrigeration device with a condensing unit with or without heating units; or
- (b) a heating system which is intended to heat the atmosphere of a room primarily by raising the temperature of any floor, wall or ceiling area; or

(c) an undercarpet heating system; or

- (d) a special appliance which is solely used for the application of heat to specific materials or substances.

Electric Sewing Machine

An electric sewing machine being an electrically-operated appliance designed for stitching fabric or plastic materials and the like and for operation at low voltage and intended primarily for household use. The term shall also include any conversion kit intended for converting a manually-operated machine to an electrically-operated domestic sewing machine.

Electric Washing Machine

An electric washing machine being an appliance, other than an electric wash boiler, for operation at low or medium voltage, designed for household use and intended for washing clothing, household fabrics and the like and which may incorporate means for partially drying the wash load.

Electrically-Operated Projector

An electrically-operated projector being an electrical appliance for operation at low voltage intended primarily for household and/or educational use and for projecting an image of a photographic slide picture or moving film on a screen, with or without sound facilities and including viewers and editors which project an image.

Extra Low Voltage Transformer

An extra low voltage transformer, being a single phase transformer of rating not exceeding 1 kVA, together with and ancillary equipment—switches, rectifiers, circuit wiring and the like—comprising a self-contained unit, for connection on the primary side to a low voltage supply and intended to provide an alternating current or direct current extra low voltage source of supply for energising lighting and bell circuits, electric toys, portable electric tools, electric blankets, electric hair clippers, electric razors, batteries and the like. The term shall include battery chargers, battery savers, battery saver-chargers and power supply units for antenna boosters, but shall not include any transformer or power supply unit incorporated in or attached to equipment in such a manner that it supplies only circuits within or associated with external component parts of such equipment, any instrument transformer, or any transformer or power supply unit intended for use—

- (a) within electronic equipment including radio and television apparatus and the like;
- (b) with specific laboratory instruments and apparatus;
- (c) in mines and hazardous locations;
- (d) with railway signalling equipment, telephone exchange equipment, lift equipment and the like.

Flexible Electric Heating Pad

A flexible electric heating pad, being an appliance in the form of a pad which is heated by means of an electric heating element contained within a flexible enclosure or envelope, the surface heating area of which does not exceed 0.6 m², such surface heating area being the projected area (projected on to a horizontal plane on which the pad is laid out flat) of the portion of a pad into which the heating element is built; it shall not include the area of any marginal hems or flaps surrounding the portion into which the heating element is built.

Fluorescent Lamp Ballast

A fluorescent lamp ballast being any device other than a starter switch or current limiting resistor, designed to control the magnitude of the current flowing through the discharge path and/or electrodes of a hot cathode fluorescent lamp and intended for use in switch-start, quick-start or instant-start circuits for the operation of such lamps, and including any capacitor incorporated within or supplied with the ballast.

Miniature Overcurrent Circuit Breaker

A miniature overcurrent circuit breaker being an enclosed air-break switch, the nominal rating of which does not exceed 100 amperes, intended for opening a low or medium voltage circuit automatically under predetermined conditions of overcurrent and having as its main function the prevention of continued over-loading of wiring.

Non-Flexible Electric Bed Warmer

A non-flexible electric bed warmer, being an appliance which is designed to be heated by means of an electric heating element enclosed in a rigid container and which is intended or may be used to heat a bed in which it is placed.

Normal Bayonet Lampholder

A normal bayonet lampholder being a device for use in low voltage circuits intended to accommodate a lamp having a bayonet cap of 22 mm nominal diameter.

Normal Bayonet Lampholder Adaptor

A normal bayonet lampholder adaptor being a connecting device capable of being inserted in a lampholder of the normal bayonet (B22) type, and either suitable for connection to a flexible cord (cord-grip type) or fitted with a lampholder or lampholders and being with or without a switch.

Plug Socket

A plug socket being a device for fixing at a point at which the fixed wiring of an installation terminates and having contacts intended for making detachable connections with the pins of a plug.

Plug Socket Adaptor

A plug socket adaptor being a single or multiple connecting device (other than a plug) for insertion into a plug socket.

Plug

A plug being a device having pins intended for insertion in a plug socket to make a detachable connection between the contacts of such socket and the conductors of a flexible cord or cable.

Portable Electric Arc Welding Machine

A portable electric arc welding machine being a welding machine of the transformer type having a short circuit rating not exceeding 15 kVA, which can be easily moved from one place to another whilst connected to supply, is designed for operation at low or medium voltage and is intended for connection to supply by flexible cord and plug.

Portable Electric Drill

A portable electric drill being an electric hand tool which is entirely supported by the operator and incorporating an electric motor designed for operation at low or medium voltage and which is primarily intended to cause the rotation of a chuck or a similar device capable of accommodating drills, but not including such hand tools of the percussion or vibratory type.

Portable Electric Grinder, Sander, Polisher, Planer or Router

A portable electric grinder, sander, polisher, planer or router being an electric hand tool, incorporating an electric motor designed for operation at low voltage, which in normal use may be entirely supported and/or guided by the operator and intended for use as a grinder, sander, polisher, planer or router or a combination thereof.

Portable Electric Hedge Cutter

A portable electric hedge cutter being an electric hand tool incorporating an electric motor designed for operation at low voltage, which in normal use may be entirely supported and/or guided by the operator and intended for the trimming of hedges.

Portable Electric Range

A portable electric range being an electric cooking appliance, the normal rating of which does not exceed 10 amperes, and comprising a cooking compartment fitted with at least one heating unit provided solely for heating the compartment, and with or without one or more heating units which are intended or may be used to heat a cooking vessel or vessels standing thereon.

Portable Electric Saw

A portable electric saw being an electric hand tool incorporating an electric motor designed for operation at low voltage, which in normal use may be entirely supported and/or guided by the operator and intended for use as a saw.

Portable Electric Vacuum Cleaner

A portable electric vacuum cleaner being a portable appliance designed for operation at low voltage and incorporating an electric motor which, by causing move-

ment of air, is intended to remove dust and associated foreign matter by suction, with or without the assistance of driven brushes, beaters, or the like, but not including any such appliance having a maximum loading exceeding 1000 watts.

Portable Immersion Heater

A portable immersion heater being a portable electrical appliance intended primarily for household use designed for connection by means of a flexible cord and intended for heating liquid in which it may be immersed. The term immersion heater shall not include electric jugs, or other vessels incorporating permanently fixed heating elements or any heating element intended for permanent fixing in such vessels.

Portable Lamp Standard and Bracket

A portable lamp standard and bracket being an electric lighting fitting which may be placed on a horizontal surface or attached by spring clamps or other suitable means to vertical or inclined surfaces and which is not intended to be permanently fixed in position, such fitting being intended for connection by a flexible cord, but not including—

- (a) any electric inspection handlamp;
- (b) any portable lamp standard or bracket of wood, glass, ceramic, marble, thermosetting insulating material or the like which—
 - (i) is provided with only one lampholder which is an approved all-insulated bayonet cap lampholder fitted with a long skirt; and
 - (ii) has not exposed metal which is required to be earthed; and
 - (iii) is fitted with an approved flexible cord wired directly to the lampholder; and
 - (iv) has no switch other than that which may be incorporated in the lampholder; and
 - (v) has no spring clamp or other suitable means of attachment to vertical or inclined surfaces.

Portable Switching or Control Device

A portable switching or control device being a self-contained unit having facilities for connection to a plug socket and being suitable for use at low voltage and for controlling currents not in excess of 20 amperes, incorporating an energy regulator or other control device which automatically controls the electrical energy input to electrical apparatus.

Pressure Storage Water Heater

A pressure storage water heater being an unvented water heater incorporating an electric heating unit or units for operation at low or medium voltage and intended for the heating and storage of water at a pressure equivalent to more than 21 kilopascals in a container of capacity not less than 4.5 litres or more than 680 litres, but not including pressure storage water heaters specially designed for industrial application, electric steam generators or electric sterilisers.

Soldering Iron

A soldering iron being a portable tool part of which is a soldering bit heated by means of an electric heating unit contained within the tool.

Supply Flexible Cord

PUBLICATION OF OFFICIAL MATTER

Attention is invited to the following procedure in relation to the publication of official matter in the *Government Gazette*:

Publication will be facilitated by the submission of carbon copies for the use of the *Gazette* Officer.

1. Matter submitted to the Executive Council

Matter submitted to the Executive Council which requires gazettal will normally be published in the issue of the following week.

Where urgent gazettal is required, special arrangements should be made with the *Gazette* Officer, Room 15, first floor, Old Treasury Building.

2. Other matter

(a) All other matter duly certified by a responsible officer for publication should be lodged with the *Gazette* Officer not later than half-past Nine a.m. on Tuesday.

(b) Lengthy or involved notices should be forwarded several days before publication.

(c) Proofs, which will be supplied only when specifically requested or at the direction of the *Gazette* Officer, should be returned promptly to avoid delay in publication.

(d) No additions or amendments to matters for publication will be accepted by telephone.

THE "VICTORIA GOVERNMENT GAZETTE"

PUBLICATION—A VICTORIA GOVERNMENT GAZETTE is published every WEDNESDAY EVENING unless advertised otherwise.

SUBSCRIPTIONS—The Subscription, including postage, is \$56 per annum, or \$28 per half year, payable in advance. Subscriptions are required for whole months, but must cover at least a half-year.

PRIVATE ADVERTISEMENTS—Advertisements will be received by the Government Printer not later than the day preceding publication—at ordinary rates at or before ONE p.m. and at double rates between ONE p.m. and HALF PAST THREE p.m. The charge for ADVERTISEMENTS is 65 cents per line single column and \$1.30 per line double column. The charge for a full page is \$98. The title forms one or more lines as a heading. On an average ten words make a line of single column. Every signature must likewise be counted as a line. The final words of a paragraph though only portion of a line, must be counted as one line. Signatures (in particular) and proper names must be written very clearly in the text: ONE SIDE ONLY of each sheet of paper should be written upon.

All documents NOT CLEARLY PREPARED will be returned unpublished. Where brands occur, not provided for by the ordinary letters of the alphabet, a written explanatory description also must be furnished.

PAYMENTS—Unless the advertiser has a Credit Account, all payments are required in advance. Remittances should be made by cheque, postal order or money order, payable to "GOVERNMENT PRINTER".

CORRESPONDENCE—All correspondence should be addressed to "The Victorian Government Printer, P.O. Box 203, North Melbourne, 3051".
