*Liquor Control (Orderly Marketing) Act 1976*NOTICE OF INTENTION TO MAKE A FURTHER
DETERMINATION OF PRICE OF PACKAGED BEER

Take notice that the Liquor Control Commission pursuant to the authority conferred upon it by the *Liquor Control Act 1968* (as amended by the *Liquor Control (Orderly Marketing) Act 1976*) intends to make a further determination of the price below which licensed persons may not sell and dispose of packaged beer to unlicensed persons in the State of Victoria.

For the purpose of making such further determination, the Commission proposes to investigate the following written requests to the Commission:

- (i) from the Australian Hotels Association and the Retail Liquor Merchants' Association of Victoria to determine new minimum prices for different types, description and brands of packaged beer consequent upon the proclamation of the *Liquor Control (Fees) Act 1980*;
- (ii) from Taspac Commercial Operations Pty. Ltd., 309 Pitt Street, Sydney, New South Wales, to determine a minimum price for 340 ml cans;
- (iii) from the Australian Hotels Association and the Retail Liquor Merchants' Association of Victoria that different prices be determined for packaged beer of the type, description or brand produced by the Northern Brewing Company.

Any persons may make a submission in writing to the Commission in relation to such particular proposals or as to the intention generally. Such submissions are required to be forwarded to the Secretary of the Commission at its offices 232 Victoria Parade, East Melbourne, 3002, not later than 4.00 p.m. on Thursday, 8 January 1981.

Before making any determination, the Commission shall consider any submission or submissions received by it and shall give such weight thereto as it considers appropriate.

Any person or body of persons desiring to produce evidence before the Commission and be heard on the matters under investigation generally should notify the Commission in writing of such desire. Such notification is required to be forwarded to the Secretary of the Commission at its offices, 232 Victoria Parade, East Melbourne, 3002, not later than 4.00 p.m. on Thursday, 8 January 1981.

The Commission shall in making its determination endeavour to determine prices which shall so far as possible ensure the interests of the public generally.

J. C. KOHN
Deputy Secretary

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This not only helps in tracking expenses but also ensures compliance with tax regulations.

In the second section, the author outlines the various methods used to collect and analyze data. This includes both primary and secondary research techniques. The primary research involves direct observation and interviews, while secondary research involves analyzing existing data sources.

The third section focuses on the results of the data analysis. It presents a series of charts and graphs that illustrate the trends and patterns observed in the data. These visual aids are crucial for identifying key insights and making informed decisions.

Finally, the document concludes with a series of recommendations based on the findings. These recommendations are designed to address the identified issues and improve the overall performance of the organization. The author stresses the need for continuous monitoring and evaluation to ensure that these recommendations are effectively implemented.
