## Community Welfare Services Act 1970

## NOTICE

## POLICE GAOLS

Whereas it is provided in section 115 of the *Community Welfare Services Act 1970* that whenever it appears to the Director-General after consultation with the Chief Commissioner of Police to be necessary to do so, the Director-General may recommend to the Minister that a lock up is fit for the reception of prisoners sentenced to imprisonment for a term not exceeding the term the Director-General thinks fit and specifies in his recommendation;

And whereas it is further provided in the said section that upon receiving any such recommendation the Minister may, by notice published in the *Government Gazette*, proclaim any police lock up so recommended to be a "police gaol" for the reception of prisoners for any term up to the term specified but not exceeding in any case thirty days;

And whereas it is further provided in the said section 115 that the Minister may from time to time by notice in the *Government Gazette* revoke or vary any proclamation under this section;

And whereas by notice published in the *Government Gazette* on 21 January 1970, certain police lock ups were proclaimed to be police gaols for the reception of prisoners sentenced to imprisonment for terms not exceeding the terms of imprisonment specified in the notice.

And whereas the aforementioned notice of 21 January 1970, has been further varied by notices published in the *Government Gazette* of 9 December 1970; 23 August 1972; 1 August 1973; 13 February 1974; 8 January 1975; 5 April 1978; 29 November 1978 and 5 January 1979.

And whereas the Director-General after consultation with the Chief Commissioner has recommended that the abovementioned notices be further varied.

Now therefore I, the Minister for Community Welfare Services in the State of Victoria in pursuance of the powers conferred by the *Community Welfare Services Act 1970* do by this notice further vary the notice published in the *Government Gazette* on 21 January 1970 and varied by notices published in the *Government Gazette* of 9 December 1970; 23 August 1972; 1 August 1973; 13 February 1974; 8 January 1975; 5 April 1978; 29 November 1978 and 5 January 1979 by substituting therefore the following notice—

- proclaiming the lock ups referred to in the First Schedule hereunder to be police gaols for the reception of prisoners sentenced to imprisonment for a term not exceeding one day.
- proclaiming the lock ups referred to in the Second Schedule hereunder to be police gaols for the reception of prisoners sentenced to imprisonment for a term not exceeding two days;

#### Building Supplies

#### STATE OF VICTORIA—JIANGSU PROVINCE

##### SPECIAL RELATIONSHIP—JOINT BUILDING PROJECT

The Victorian Government is seeking the support of Victorian-based firms in the supply of materials and equipment suitable for a residential and light construction project in China.

The Victorian Government entered into a sister Province-State relationship with Jiangsu Province in 1979 to explore areas of mutual assistance and benefit.

Victoria will provide the design, supervision, materials, equipment and furniture and furnishings, excepting concrete, bricks, roofing tiles and external site works and services for the building project.

The project will comprise two residential buildings and one multi-purpose activity centre totalling about 900 square metres.

The Victorian Government regards this as a joint private enterprise/Government venture and expects that because of the Government's initiative export opportunities will be developed.

Materials and equipment used for this project will be carefully appraised by Public Works Department architects and engineers and by the study team which visited the site and negotiated the arrangements with the Chinese authorities. They will be chosen for their suitability for the project and their suitability to meet the climatic and technological conditions in China.

It is anticipated that materials and equipment will be donated by the manufacturers or suppliers whose products are chosen.

Interested companies are invited to register their interest in the project by submitting details of their product, relevant literature covering testing and codes together with terms and conditions governing supply and delivery to the Public Works Department Store at Port Melbourne by 28 February 1981.

Copies of the Project Proposal are available for perusal at the office of Superintendent, Project Group General, No. 7 Parliament Place, Melbourne, Victoria.

**PUBLICATION OF OFFICIAL MATTER**

Attention is invited to the following procedure in relation to the publication of official matter in the *Government Gazette*:—

Publication will be facilitated by the submission of carbon copies for the use of the *Gazette Officer*.

**1. Matter submitted to the Executive Council**

Matter submitted to the Executive Council which requires gazettal will normally be published in the issue of the following week.

Where urgent gazettal is required, special arrangements should be made with the *Gazette Officer*, Room 15, first floor, Old Treasury Building.

**2. Other matter**

(a) All other matter duly certified by a responsible officer for publication should be lodged with the *Gazette Officer* not later than half-past Nine a.m. on Tuesday.

(b) Lengthy or involved notices should be forwarded several days before publication.

(c) Proofs, which will be supplied only when specifically requested or at the direction of the *Gazette Officer*, should be returned promptly to avoid delay in publication.

(d) No additions or amendments to matters for publication will be accepted by telephone.

**THE "VICTORIA GOVERNMENT GAZETTE"**

**PUBLICATION**—A VICTORIA GOVERNMENT GAZETTE is published every WEDNESDAY EVENING unless advertised otherwise.

**SUBSCRIPTIONS**—The Subscription, including postage, is \$62 per annum, or \$31 per half year, payable in advance. Subscriptions are required for whole months, but must cover at least a half-year.

**PRIVATE ADVERTISEMENTS**—Advertisements will be received by the Government Printer not later than the day preceding publication—at ordinary rates at or before ONE p.m. and at double rates between ONE p.m. and HALF PAST THREE p.m. The charge for ADVERTISEMENTS is 78 cents per line single column and \$1.56 per line double column. The charge for a full page is \$118. The title forms one or more lines as a heading. On an average ten words make a line of single column. Every signature must likewise be counted as a line. The final words of a paragraph though only portion of a line, must be counted as one line. Signatures (in particular) and proper names must be written very clearly in the text: ONE SIDE ONLY of each sheet of paper should be written upon.

All documents NOT CLEARLY PREPARED will be returned unpublished. Where brands occur, not provided for by the ordinary letters of the alphabet, a written explanatory description also must be furnished.

**PAYMENTS**—Unless the advertiser has a Credit Account, all payments are required in advance. Remittances should be made by cheque, postal order or money order, payable to "GOVERNMENT PRINTER".

**CORRESPONDENCE**—All correspondence should be addressed to "The Victorian Government Printer, P.O. Box 203, North Melbourne, 3051".
