The prices payable for sales of milk and milk products in all milk districts other than the Border Milk District, and other than sales at Public Venues, shall be as shown in Schedule 1. The prices payable for sales of packaged milk in the Border Milk District, other than sales at Public Venues, shall be as shown in Schedule 2.

The prices payable for sales of packaged Ultra Heat Treated milk in all Milk Districts shall be as shown in Schedule 3.

The prices payable for sales of Big M flavoured milk at approved public venues in all Milk Districts shall be as shown in Schedule 4.

The prices payable for milk and milk products in the package types as shown in column 1 of the attached Schedules shall be as indicated in the appropriate columns according to the category of sale.

The categories of sale are defined as:

1. Inter-processor sales are those from a processor to another processor.
2. Wholesale sales are those from a processor to a delivery dairyman.
3. Semi-wholesale sales are those from a dairyman to a milk shop, house-trade dairy, or other approved person.
4. Charitable Institution Sales are sales by a dairyman to a charitable institution or benevolent society which is registered under the Hospitals and Charities Act and subsidised by the Health Commission of Victoria for maintenance purposes.
5. Vendor sales are those by dairymen to milk vendors who do not operate licensed dairy premises. This category of sale applies only in the Border Milk District.
6. In accordance with the Milk Board Act, "Retail" means—
  - (a) when referring to the sale or distribution of milk by a dairyman or a milk vendor—sale or distribution to a person of not more than ten litres on any one day; and
  - (b) when referring to the sale of milk from a milk shop—any sale.
7. Retail Sales are sales by a milk shop, house-trade dairy, or other approved person to consumers. This category does not include sales to consumers from Automatic Vending Machines or Public Venue Sales.
8. Vending Machine sales are those retail sales from an automatic vending machine.
9. Public Venue Sales are sales made by an individual or organizations holding a catering concession for a function, event or display at a public venue. Such sellers must have prior written approval of the Authority before public venue prices can be charged. Such approval will stipulate whether Class A or Class B public venue prices will apply. Class A and Class B prices are those charged by the dairyman to the individual or organization holding a catering concession.
10. Ex-plant sales are those where milk is collected from the premises of the dairyman by the purchaser or his agent. Ex-plant sales require the prior written approval of the Authority. Ex-plant sales do not include sales to Licensed Milk Vendors.
