Mr Granter

Whereas the Governor in Council may under section 38 (1) of the *Post-Secondary Education Act 1978* upon the recommendation of the Victorian Post-Secondary Education Commission by Order published in the *Government Gazette* confer upon the governing body of a post-secondary education institution the power to award a degree specified in the Order.

And whereas section 38 (2) of that Act provides that the Governor in Council may in such an Order make the power to award the degree subject to such terms and conditions as he thinks fit.

And whereas section 38 (3) of that Act provides that the Governor in Council shall not make such an Order unless he has received from the Victorian Post-Secondary Education Commission a certificate to the effect that the courses of study which lead to the degree are comparable in standard to those which lead to the award of a degree at a university.

And whereas the Victorian Post-Secondary Education Commission recommends that the Preston Institute of Technology should have power to award the degree of

Bachelor of Social Work on the condition that the degree is awarded only to students who completed courses of study leading to the award by the Victoria Institute of Colleges of the degree of Bachelor of Social Science in Social Work by passing examinations in the year 1980 or supplementary examinations in the year 1981.

And whereas the Victoria Institute of Colleges went out of existence on 19 December 1980.

And whereas the Victorian Post-Secondary Education Commission has certified that the courses of study undertaken by those persons are comparable in standard to those which lead to the award of a degree at a university.

Now therefore, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth by this Order confer upon the governing body of the Preston Institute of Technology power to award the degree of Bachelor of Social Work, subject to the condition that the governing body shall not award that degree to any person who did not complete the courses of study leading to the award by the Victoria Institute of Colleges of the degree of Bachelor of Social Science in Social Work by passing examinations in the year 1980 or supplementary examinations in the year 1981.

And the Honourable Alan John Hunt, Her Majesty's Minister of Education for the State of Victoria, shall give the necessary directions herein accordingly.
