On 12 May 1981 the Equal Opportunity Board considered an application by the Canterbury Family Centre for a temporary exemption under section 34 of the Equal Opportunity Act to enable the Canterbury Family Centre to advertise in certain circumstances for Child Care Workers of a specified sex.

Because of the fact that the Board accepted the submissions of the persons appearing before the Board that children need nurturing from both males and females and because of the fact that a large number of the children at the Canterbury Family Centre are from single parent families the Board hereby grants an exemption from the provision of section 18 (1) (a) and (c) and section 53 of the Equal Opportunity Act in relation to advertising and the offer of employment and engagement of staff as Child Care Workers at the Canterbury Family Centre when the number of Child Care Workers of one sex employed at the Canterbury Family Centre falls below one-third of the total Child Care Workers at the Centre.
