MINISTER FOR POLICE AND EMERGENCY SERVICES

MURDER

REWARD

The co-operation of the general public is sought with a view to establishing the identity of the person or persons responsible for the murder of Father George Scerri, a Priest of the Maltese Mission situated at 9 Sydney Road, Brunswick.

A reward of fifty thousand dollars (\$50 000) will be paid at the discretion of the Chief Commissioner of Police by the Government of Victoria, for information leading to the apprehension and conviction of the person or persons responsible for this crime.

Any information, which will be treated as confidential, may be given at any time of the day or night to the Officer in Charge, Criminal Investigation Branch, Russell Street, Melbourne (telephone No. 667 1911) or to the Officer in Charge of any Police Station.

F. J. GRANTER
Minister for Police and Emergency Services

Ministry for Police and Emergency Services
Melbourne, 16 July 1981

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support informed decision-making.

3. The third part of the document focuses on the role of technology in modern data management. It discusses how advanced software solutions can streamline data collection, storage, and analysis, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data security and privacy. It provides guidelines for implementing robust security measures to protect sensitive information from unauthorized access and breaches.

5. The fifth part of the document explores the importance of data quality and integrity. It discusses strategies for identifying and correcting errors in data collection and ensuring that the information used for analysis is accurate and reliable.

6. The sixth part of the document discusses the ethical considerations surrounding data collection and use. It emphasizes the need for transparency in data practices and the importance of obtaining informed consent from individuals whose data is being collected.

7. The seventh part of the document provides a summary of the key findings and recommendations. It reiterates the importance of a comprehensive data management strategy that encompasses all aspects of data collection, storage, analysis, and security.

8. The eighth part of the document includes a list of references and sources used in the research. It provides a clear and concise list of the literature and resources that informed the document's content.

9. The ninth part of the document contains a list of appendices and supplementary materials. These materials provide additional details and data that support the main findings and conclusions of the document.

10. The tenth part of the document includes a list of figures and tables. These visual elements help to illustrate key data points and trends, making the information more accessible and easier to understand.
