DEVELOPMENT OF RAILWAY LAND

Whereas it is provided by section 20 (4) of the Railway Construction and Property Board Act 1979 that the Railway Construction and Property Board may make recommendations to the Minister for or with respect to the use or development of railway land.

And whereas it is provided by section 20 (5) of the said Act that where the Board has made recommendations to the Minister under section 20 (4) the Minister may submit the recommendations to the Governor in Council for approval.

And whereas the Board has made the following recommendation in respect of Railway land situated as Sale Railway Station.

RECOMMENDATION

That the land which is surplus to railway requirements be used to facilitate the relocation of the Sale Railway Station and Goods Yard out of the main township. This operation would be undertaken under Agreement with VicRail, the Sale City Council and the Railway Construction and Property Board who would be charging a fee for its services. The Sale City Council will make available the land required for a new station and will fund the cost of the relocation works, in excess of the amount set aside by the VicRail Board for the station improvement.

In conjunction with the Sale City Council it is proposed to jointly develop the vacated property as a Retail/Residential complex. This expansion of the central business district of Sale would incorporate:

- (i) part retail use including a major department store and supermarket plus associated carparking;
- (ii) the reinstatement of Desailly Street as a through road in accordance with the Sale Planning Scheme of 1975;
- (iii) part business and/or civic offices and associated civic functions, e.g. theatre or cinema; and
- (iv) part medium density residential use and provision of parkland/open space.

Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof, doth hereby approve of the foregoing recommendation.

And the Honourable Robert Roy Cameron Maclellan, Her Majesty's Minister of Transport for the State of Victoria, shall give the necessary directions herein accordingly.
